Greetings,

Just back from the Black Party weekend in Amsterdam and a little worse for wear. Check out our review of the XXXLeather event and we also have 5 copies of the new Black Party DVD to give away. See page 15.

As well as all the latest porn reviews there are interviews this month with new Hot House Exclusive Francesco D'Macho and the gorgeous Dean Monroe – one of the best bottoms in the business, and a really nice guy too.

We've also reviewed Business Affairs, a new coffee table book by Menatplay.com. If you like your men suited and booted, this one's a must. Tying in nicely, we also popped along to City Boys, the UK's only suit fetish night. Check out the interview with promoter Thorsten Mess.

And for those of you living on the South Coast, we also had a steamy session at Bournemouth's Saunabar. Now under new management and having just been revamped, it's well worth checking out.

And keep sending those cock pictures in!

YOUR SHOUT . . .

Dear QXMEN,

I love reading the porn reviews in QXMEN and it looks like, except for the muscled Adonis-like hunks in the high budget US films, pretty much any cute boy next door can get into porn. I'd love to be in a porn film and see myself on screen getting ploughed by a hot stud. In fact, I know it's a bit naughty, but sometimes when I pull a guy and bring him back to mine I set my camcorder up in my bedroom and film the action. It's so horny watching myself on film and I'd love to get into the porn industry. Can you give me any pointers or advice?

Scott, Lincoln

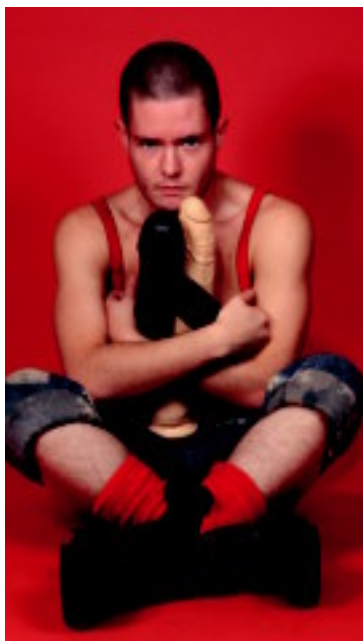

Hi Scott,

We get a lot of letters from guys who've seen an explosion of high quality gay porn films in the last few years and think they've got what it takes to be the next Matthew Rush or Alex Stevens. We'd always advise guys that, if they really want to try their hand at doing porn, to approach a reputable company. Many of the major studios have sections on their websites where you can apply to become a model, so why not give it a go! Make sure you check out our porn star interviews each month as we always ask them how they got started in the industry. One final point, be careful with your hidden camera stunts. Some guys won't take too kindly to be being filmed and you could get into trouble!

Dear QXMEN,

I just wanted to thank you for interviewing the gorgeous (and oh so talented) Ashley Ryder in last month's issue. He so cute, and the picture of him clutching his collection of mammoth dildos to his chest is so sexy. It's now proudly hanging above my mantelpiece... Don't worry, February's cover-boy Alex Stevens is hanging in my bathroom.

Dave, Scunthorpe

Well David, who needs Elle Decoration or Homes & Gardens for inspiration for interior design tips. If I were you though, I'd make sure you swap them for a nice landscape or skyline before your Nan pops round for a cuppa!

Dear QXMEN,

Your feature in last month's QXMEN about condoms and lube was really helpful. I've never known which type of condom and I had no idea that condoms have a best before date. When I was clearing out my bedside table drawer the other night I found one with a best before by date of Nov 2002! So thanks, you saved me from using unsafe condoms and putting myself at risk.

Anon, Bristol

We're glad we could help. Although, if you've got condoms that have been hanging about since 2002, you really do need to get your rocks off more often!

Dear QXMEN,

Great, a real man's man on the cover of QXMEN. If only there were more hunks out there like Jake Deckhard. There's nothing better than a classic Colt stud and Jake's look, with his rock hard muscles, hairy chest and arse, get me hard every time I look at him. Let's see more REAL hairy men PLEASE. Jim, London

Hi Jim,

Not quite hirsute, but we hope you like Francesco D'Macho on the cover of this month's QXMEN. He's got a nice crop of hair on his chest, which I'm sure you'd be more than happy to run your fingers through. If hairy men really do float your boat then why not check out www.hairyboyz.com where

you'll find a feast of furry fellas.

Dear QXMEN,

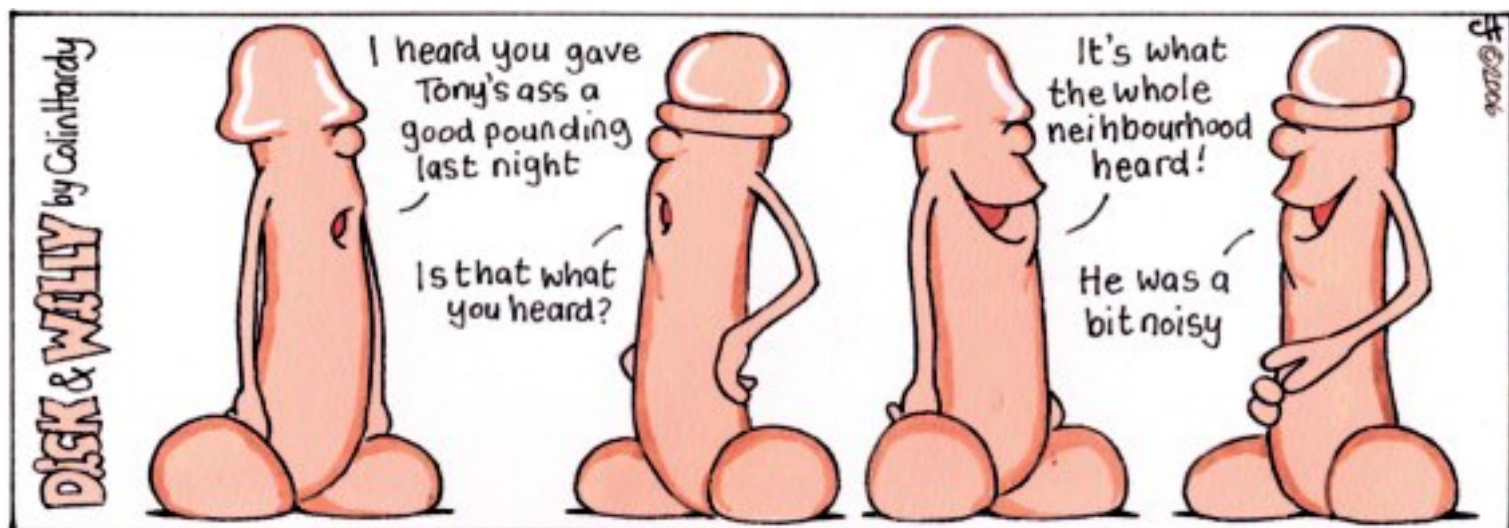

In answer to Paul from Earls Court's question in last month's Your Shout asking if people still wear hankies and choose their guys by which colour hanky is poking out from their back pocket, the answer is yes... some. I'm an older gay man (in my 60s) and years ago, when I used to frequent gay bars to cruise for men, the hanky code was a lifeline. Back then we didn't have the luxury of different bars for certain fetishes and scenes. So, when you approached a guy in a bar, it was potluck what he was into and whether he was even top or bottom as all fetishes, from vanilla to hardcore mingled in the same venue. I still have a neatly pressed red or black hanky tucked discreetly in my back left pocket when I go out. Males me feel a little naughty.

George, Manchester

Hi George,

In this age of Gaydar profiles and anonymous online chat sites, sometimes the tried and tested methods for cruising guys are the best... Let it all hang out and wear your hanky with pride!

BUTCH DUTCH

QXMEN breaks out the beeswax, buffs its best chaps and parties at Amsterdam's XXXLeather party.

Founded two years ago, XXXLeather is a non-profit organisation that is run by volunteers. This was their second outing at their new home, right in the centre of Amsterdam (they used to hold their events outside of the city centre where this year's Black Party Amsterdam was held). Given its new, central Amsterdam location it has become one of the most popular fetish events in town, with all tickets selling out this year. Enforcing a strict dresscode, XXXLeather is a men-only safe sex fetish party that is exclusively inclusive: leather, rubber, uniform, skin gear, sportswear. And, unlike many other cruise or fetish events, the night attracts a real range of guys: from spunky younger guys in Adidas shorts and trainers to gruff muscle boys in combats via husky big daddies in leather chaps and harnesses to seriously sexy skins replete with tats and piercings aplenty. There was something there for everyone. We chatted briefly to Leon, the promoter, who took us on a whirlwind tour of the venue before letting us explore the darker nooks and crannies for ourselves. There's a large bar that leads onto the dancefloor where resident disc jocks spin thumping, cock-rocking tribal house. Leading off the dancefloor are several cruise areas, a blacked out dark room with sling, netted mazes and several more hideaways if you prefer not to make an exhibition of your inhibitions. However, this is

Europe and it's a gay sex party so there was all manner of homosexual exploits taking place quite publicly. What struck us most was the emphasis on safe sex here, with packets of condoms and lube handed out to everyone on arrival and left in bowls around the venue. Various shows - featuring everything, including fucking and fisting - kept those more interested in shaking their behinds on the dancefloor - rather than getting their butts shaken from behind - entertained. With so much on offer, we were betwixt choices for slutty antics, one minute darting around chasing that Mary in the camouflage combats for a grope before settling for a snog with the twink behind the bar in the blue Adidas shorts. If you're planning a trip to Amsterdam in the future it's certainly worth tying it in with a visit here.

Images from nighttours.com

The next party is on Friday 6th April. Tickets €20 in advance, €25 on the door. Ticket price includes free coatcheck, condoms and lube. Purchase tickets at www.gaygo.nl or go to www.xxxleather.eu for more info.

GIVE AWAY

QXMEN has 5 copies of *Schwarzwald: The Black Party* on DVD to give away. To be in with a chance of winning a copy simply email your name and contact details to admin@qxmagazine.com placing "Saint At Large" in the subject field by 31st March. Only one entry per email address. Winners drawn at random.

Schwarzwald: The Black Party – “A Movie You Can Dance To”

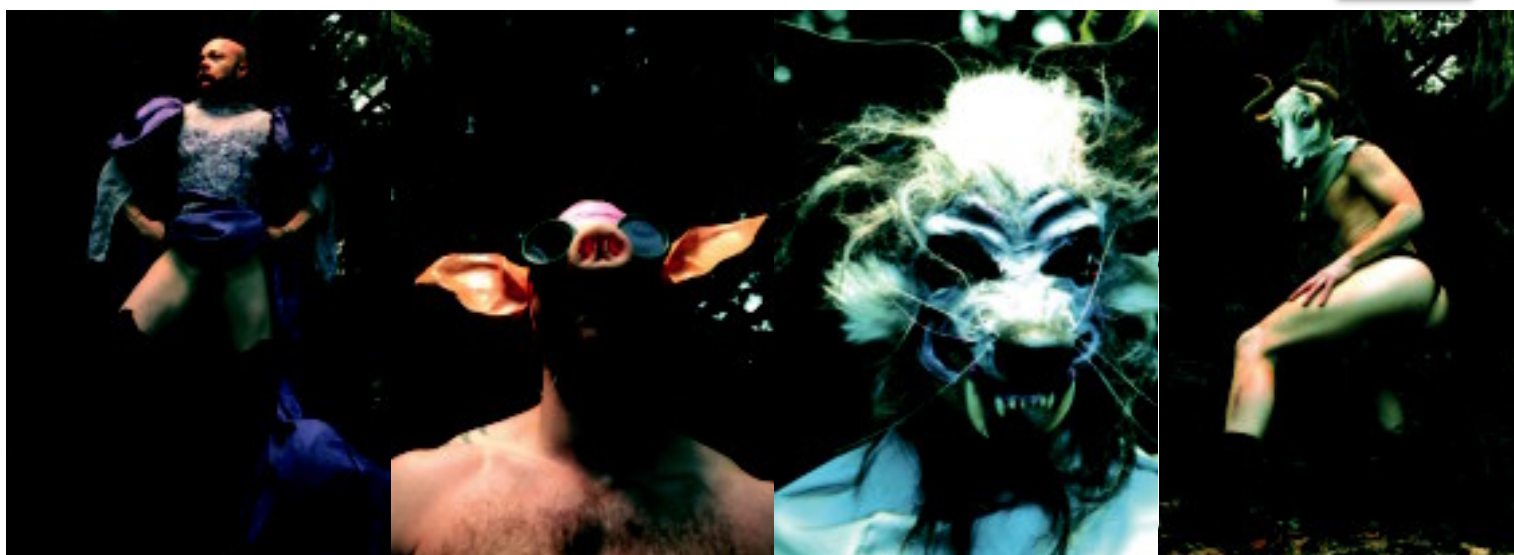

So you're at home with friends getting ready for a night on the tiles, you don't want the TV on but you can't decide which music to play either. Or perhaps it's after the club and you're at a chillout. Here's the perfect audio-visual experience!

In mid February, The Saint At Large, New York's pre-eminent party producers for almost thirty years, announced completion of the first of its kind: "a movie you can dance to!" The 55 minute film, scored to a continuous dance mix, is intended to be shown in nightclubs where viewers can dance along. But we think it's the perfect chillout DVD. Why? The narrative depicts an allegorical fairy tale set against footage from the annual gay fetish extravaganza, New York's legendary Black Party. This modern interpretation of ancient Druidic rituals mixes primal homoeroticism and throbbing club scenes.

Starring Buck Angel, AVN Best Transsexual Performer of the Year, a huge cast of international nightclub performers, exhibitionists, fetishists (including London's very own self-fister Ashley Ryder) and thousands of buffed semi-naked hunks, the movie depicts the transformative powers of the 18+ hour dance ritual marking the Vernal Equinox.

Written and directed by first time filmmaker Richard Kimmel whose cutting edge theatre work with the world famous Wooster Group and his 40 hour Pleasuredome events brought him to the attention of The Saint At Large producer Stephen Pevner. Pevner, whose film and theatre credits include the original production of *The Vagina Monologues*, the plays and films of Neil LaBute including 'In the Company of Men', 'Your Friends and Neighbours', 'Bash', and Off-Broadway sensation 'Matt & Ben', most recently produced the New York City concert debut of Academy Award Nominee Jennifer Hudson at The Hammerstein Ballroom on New Year's Eve.

View trailers of the film at www.saintatlarge.com, where you can also purchase tickets for this year's Black Party which will take place at Roseland Ballroom in Manhattan on March 24th, 2007.

FUCKED

PRODUCTION:
Studio 2000
DIRECTED BY:
John Travis

Fucking fucks you up, it's official. Well it does fuck you up if you've been locked in a cage, pissed on, fisted, whipped and subjected to a torrent of verbal abuse. But then... horses for courses.

Our story begins with baby-faced Rod Daily having a session with his shrink. He's an emotional gibbering train wreck. Doctor Park Wiley gives Daily psychotropic drugs for memory regression to unearth the cause of his torture. The drugs kick in and

we're transported to a dark warehouse where Franco Santoro and Ross Stuart are having a fantastic three-way. But it all goes very Pete Tong when Daily wakes to find he's in a cage suspended from the roof. As the camera pans around the room Daily realises he's in a dungeon and there's a lot going on. Also imprisoned in a cage, Jason Crew cowers as Santoro whips out his dick and pisses all over him and his doggy chow. In another corner, leather-clad CJ Madison has Dallas Adams chained to a Saint Andrew's cross, whipping him with a cat-o'-nine-tails. In yet another area, cute Tony Bishop is gagging on daddy Adam Faust's dick. Bishop's soon on his back taking a whopper of a dildo, and then an eye-watering monster toy.

Meanwhile, Daily is watching from the confines of his cage and is getting very turned on by all the sordid sights and sounds.

With his horizons expanded Bishop is now taking Faust's rubber-gloved hand. It's a veritable three-ring circus with Santoro riding Stuart's cock as Stuart sucks Crew while Madison is fucking Adams.

Back to Doc Wiley's office and Daily has woken up and is having a violent episode. Pushing the good doctor down on his desk Daily shoves his rock hard boner in Wiley's mouth. He soon gives in an awesome sex session ensues.

DVD extras include trailers for Carnal Choices and Twin Devils, cast bios, photo galleries and bloopers.

COMMANDO

PRODUCTION: **Studio 2000** DIRECTED BY: **Roland Dane**

Pornstar-turned-director Roland Dane returns with a camo-fuck fest featuring nine super sexy Hungarian studs willing to go above and beyond the call of duty.

Commander Christian Keller is seeking new members to fill out his elite squadron and he's come to pick the best from the seven men under the direction of Gabriel Prince. Two of them, Felix Porter and Austin Rogers, are readying their barracks for inspection, but it's not long before they've stripped off and Rogers is fucking Porter in every

conceivable position. They both shoot their loads and Porter can't resist licking cum from his comrade's black leather boots.

In scene two, Commander Keller's vehicle has broken down. Potential recruit Gabor Szeles offers assistance – and then some! Straight to his knees the young soldier works Keller's cock to a frenzy. Taking the Commander's cock between his perfect glutes he brings his superior officer off so skilfully he's immediately hired as Keller's personal mechanic.

In the third scene, Keller turns up to inform the rest of the group as to who has made the elite squad. They celebrate with a gang bang. Keller first joins Porter and gorgeous Josh Lovas while studmuffin Julian Vincenzo pairs off with Gabriel Prince. Porter and Prince then take each

cock in turn, before exploding in torrents of cum. In the final scene, hunky James Jordan and well hung fuckpup Leslie Bart are bored with their assignment and decide to work off their frustrations in other ways. Bart's donkey cock bounces as he takes his taller, older partner's sizeable manmeat. Both explode in gushing geysers.

If being in the army is like this, bring back conscription!

DVD extras include trailers, slide shows and a funny bloopster reel.

NAILED

PRODUCTION: **Mustang Studios**
DIRECTED BY: **John Bruno**

Straight into the action, garage manager Ken Browning is having his ass rimmed by mechanic Kyle Lewis straight after the opening credits. Beefy Browning is soon banging supervisor Lewis right there on the greasy garage floor. Slurping on Kyle's pucker both men cum so loudly that someone outside calls the police and reports a disturbance of the peace. Two hot daddy policemen, Brendan Davis and Danny Mann, show up to investigate but soon depart, leaving our grease monkeys licking their lips in anticipation.

Meanwhile three other mechanics - Manuel Torres, Jay Armstrong and Johnny Wallace - are on a break and are soon getting down and dirty with Jay on the receiving end of Manuel's probing tongue and Johnny's thick beer can dick. Both Manuel and Johnny are soon on their backs with Jay burying his face in ass cracks. Jay's then takes both guys in succession until all three guys blow their loads.

Black muscle stud Marc Williams (this month's centrefold) is applying for a job at the garage. Marco Paris soon shows Marc how the customer always cums first, sucking Marc's arced cock and then eating out his sweet

chocolate pucker. Soon Marco's upside down on his shoulders getting Marc's cock right up to the short and curlies. Marc literally fucks the cum right out of Marco.

In the final scene our two authority figures return. Browning entices them with Nick Marino's perfect bubble butt and soon Nick is on the receiving end of Browning's tongue and a nightstick! Side-by-side cop sucking develops into fucking, as Browning is on his back in a suspension sling being plowed by Danny Mann. Then Brendan takes a turn and then Nick. Nick then fucks Danny before Danny switches to screw Brendan's furry ass. Exhausted, they collapse on the cum-soaked garage floor. It was never like this at The Arches in Eastenders! DVD extras include a cast gallery, action gallery, behind the scenes pictures, and trailers for Ranger, Ritual, Rammer, Manhole and Lockdown.

**FUCK
My
ASS
I'll
SUCK
Your
COCK!**

PRODUCTION: **Raging Stallion Studios**, DIRECTED BY: **Alberto Rey**
 RUNNING TIME: **almost 4 hours!**

Shot by world famous director Alberto Rey, Raging Stallion brings you the very first gay "gonzo" movie ever produced. Basically the raw footage is

so hot, they left it unedited. So what you get is all happening in real time – no breaks, no retakes, no prompting. This is non-stop sucking, rimming, fucking action.

The other thing that sets this film apart from the usual "straightforward" porn is that 'Fuck My Ass I'll Suck Your Cock' features a lot of ass-to-mouth action – and we don't mean rimming. What there is an abundance (or should that be a bum-dance?) of is when a guy fucks ass really hard and then pulls out and makes the bottom suck on it (so the bottom is basically tasting his own ass!) and then gets right back into the fucking. Shot with a roaming camera you get long uninterrupted takes. No editing, no music, no gimmicks, no games. All you get is sex. That's it. You will hear the director talking and see when the models crack up. You know they are having a great time as you can see it's all for real. Nothing is hidden from view. It's like being on the actual porn set in person! If you fancy something different from the usual scripted, edited porn, try this!

WHICH FILMS HAVE YOU BEEN IN? The White Room - Zipper/Prowler; Hard Games - Corolo Films; What Goes Around - Freshwave; Raspberry Riech - Bruce LaBruce; The Beginning - Eurosexmen; Lay Your Bets - Freshwave; Discobang - Eurosexmen; Kept - Falcon; Taking Flight - Falcon; Bang Bang - Mustang; Bootstrap - Mustang; Heaven To Hell - Falcon; Cross Country - Falcon; Up All Night - Falcon; Wildlands - Studio 2000; Bedroom Eyes - Raging Stallion; Blackballed 5 - All Worlds; Black N Blue - Hot House; Riding Hard - Falcon; Forced Entry - Mustang; Longboard - Falcon; Rich Bitch - Mansize.

DO YOU HAVE A FAVOURITE FILM THAT YOU HAVE STARRED IN? Cross Country is my favourite. It was shot on location in the north island of New Zealand. The scenery was absolutely amazing. It's always nice to get out of the studio and shoot in such beautiful surroundings.

AND IS THERE ONE YOU LIKE LEAST? The films I shot for Eurosexmen. Only because they were shot in Germany where the crew couldn't stop smoking all through the filming. I hate that.

DO YOU HAVE A PARTNER? No I don't have a partner. It's very difficult to work in the industry and also keep a decent relationship. Most guys don't understand that it's only a job and has no emotional aspect to it.

YOUR DEBUT WAS THE WHITE ROOM, THE FIRST HARDCORE FILM TO BE PRODUCED IN THE UK. HOW DID YOU GET THE PART? My boyfriend at the time sent my picture into Millivres who own Prowler. I don't know why he did that. He always comes back to me saying it's his fault, he created a monster. Anyway they asked me to come in for a casting and the rest is history. I was cast and also used for the box cover of the film.

WHAT'S BEEN THE HIGHLIGHT OF YOUR CAREER? Meeting Chi Chi LaRue. I'm a big fan.

WHAT'S YOUR BIGGEST INDULGENCE? Chocolate.

WHAT'S YOUR GREATEST FEAR? Heights and roller coasters. Falcon took me to a roller coaster theme park in LA to get me to sign an exclusive contract. Little did they know...

WHAT'S YOUR GREATEST REGRET? Not learning to play the piano when I was young... Well it's never too late.

ON A SCALE OF 1 TO 10 HOW WOULD YOU RATE YOURSELF? If you mean looks... perhaps a 6... I have low self esteem.

WHAT'S YOUR BEST FEATURE? My eyes. People find them very alluring

DO YOU GET RECOGNISED FROM YOUR FILMS? Yes, more now than ever before.

WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN? Strange. I tend to just watch my performances very briefly to see I'm doing the right thing, then put the DVD away and never see it again.

WHAT HAS BEEN THE HOTTEST SCENE(S) YOU'VE SHOT TO DATE? My gang bang scene in Blackballed 5. Eight gorgeous hung black men all for me. I can't ask for anything more.

HOW WAS YOUR ASS THE FOLLOWING DAY? Surprisingly fine. Even I was shocked. It seems to bounce back very quickly.

WHAT'S YOUR FAVOURITE PORN FILM OF ALL TIME? I like the Spokes series that Falcon did. Men in cycling shorts really do it for me.

WHO DO YOU ADMIRE IN THE PORN INDUSTRY? I admire people who make the most the industry offers: Jason Adonis, Matthew Rush. They are not just actors but porn personalities in their own right. I want to be like that.

WHO'S THE BEST BOTTOM IN THE INDUSTRY? Roman Heart. I love his moaning.

WHO'S THE BEST TOP? Arpad Miklos. He's a real man, very dominant

HOW DIFFICULT IS IT TO PERFORM ON CUE? Very easy...for me. I think that's what make a good performer, someone the director can rely on all the time.

YOU'VE WORKED WITH THE BEST DIRECTORS IN THE BUSINESS. DO YOU HAVE A FAVOURITE? They all have their own personalities. My favourites: Chi Chi is a good all rounder; Steven Scarborough is a professional; and Chris Steele is straight to the point, no messing about.

YOU'VE SHOT ON NUMEROUS LOCATIONS AND ON VARIOUS (AND EXTRAVAGANT) SETS. WHAT WAS IT LIKE FILMING AL FRESCO FOR RIDING HARD? Good

and bad. It was swelteringly hot which can make shooting a scene quite difficult. Also we were shooting by a lake so our legs were being bitten by some small insects... not good. But I like shooting outside better than the studio. It probably means no leather, which is a relief sometimes.

ARE THERE ANY DOWNSIDES TO THE PORN INDUSTRY? Yes, the main one is that we all have a sell by date. And unless you are very aware of that you can get lost in the whole porn star adoration admiration thing and suddenly you find that no one wants you anymore.

WHAT ADVICE WOULD YOU GIVE TO SOMEONE STARTING OUT IN THE BUSINESS? If you think you have the right attributes to work in the industry then always aim for the top four or five studios... You deserve to be treated well as a performer.

YOU MUST HAVE MET SO MANY PEOPLE DURING YOUR TIME IN THE INDUSTRY. HAVE YOU MADE ANY GOOD FRIENDS AND HOW DIFFICULT IS IT TO STAY IN CONTACT WITH THEM? Yes, I have, especially the people behind the scenes, the crew, the make up artists, the directors. There are some amazing personalities that work in this industry. I try to keep in touch as much as possible as most of them are in the U.S.

WHAT'S YOUR ULTIMATE FANTASY? To be gang banged by the top ten straight porn actors in the industry.

WHAT WON'T YOU DO? I don't like things such as hard S/M, humiliation, water sports, violence and torture... does that make me boring?

DO YOU GO FOR A PARTICULAR TYPE OF GUY? I especially like very masculine men, hairy, husky and muscular.

DO HAVE A PARTICULAR FETISH THAT REALLY GETS YOUR PULSE RACING? Yes I like Speedos, in fact anything that is figure hugging and tight. Oh and rugby players....

HAS YOUR OUTLOOK ON THE INDUSTRY CHANGED SINCE YOU STARTED DOING PORN? I take things much more seriously now. In the beginning it was just a bit of fun. Now I try to be the best I can and work with the best people.

MATTHEW RUSH RECENTLY MADE HIS DIRECTORIAL DEBUT. DO YOU HAVE PLANS TO GET BEHIND THE CAMERA? Yes I would love to do that. I think I have a lot of vision when it comes to film and sex. I would like to produce a series of films under the Dean Monroe name.

WHEN YOU'RE NOT DOING PORN WHAT DO YOU DO?

I'm very artistic. I paint, do photography and at the moment I'm writing some songs which I hope to perform very soon in London. Oh and my blog. Gee, that's a full time job in itself. Deanmonroesworld.blogspot.com is the address. I'm getting 1500 hits a day, which is amazing.

WHAT DO YOU DO FOR RECREATION? I love the gym where I do my yoga as well, and traveling gives me a big buzz too. I love to explore new places.

WHAT DO YOU LIKE BEST ABOUT LIVING IN LONDON? Everything you could ever want is accessible in this city and if you can't find it here, then it's only a stone's throw away...

YOU RECENTLY DID A MEET 'N' GREET SIGNING AT PROWLER, SOHO, PROMOTING RIDING HARD. It was a great success. I love meeting the fans anyway. The British fans are a little more shy than their American counterparts but once you talk to them and break the ice then they are so friendly and very polite I must say... No hands down my pants and that sort of thing.

WHAT FUTURE PROJECTS HAVE YOU GOT COMING UP?

My songs that I want to present very soon, hopefully on stage at Heaven. And of course many more hot sexy films to come.

cum fuckers

PRODUCTION: **A Bareback Britain Title / Raw Films,**
DIRECTED BY: **Nick Kinman,**
RUNNING TIME: **125 mins**

Without doubt, one of the dirtiest films to ever come out of the UK! Four pairs of filthy fuckers put on a no-holds-barred show for the camera.

In the first scene Tony and David are mad for it, sucking and fucking each other like their lives depended on it. Both in their 30s, they grunt and snort as they rut each other, swapping roles, making sure they both get their fill of cock.

Using his cum as lube Dave works it up Tony's hole. They then move to the shower for some piss fun, where David pisses up Tony's ass! Tony then releases the piss all over David. Then to top it all they get the dildos out to finish off their sleazy session. Dirty fucking bastards! Scene two features Marc and Ty. Smooth and in his late twenties and Mediterranean looking, Marc bottoms for athletic skinhead Ty. After sucking each other's rock hard dicks, Ty spits on his dick and bangs Marc

within an inch of his life. Marc shoots while Ty is still banging away deep inside him.

Aidan and Lucas are up next. Cover boy Lucas met Aidan at a porn shoot where Aidan fluffed him for his performance. There's an infectious lust in this scene and these two guys can't enough of each other. Clearly they love the camera and really perform, taking turns to fuck each other. And we love Lucas' dirty Essex boy accent when he cums on Aidan's hole. When Lucas comes the second time Lucas laps it up.

The final scene is between Joey, a tall dark handsome Aussie spunker and blue-eyed blonde Swedish sexbomb Stefan. First Stefan fucks Joey, they Joey fucks Stefan. And they both cum buckets.

With a title like 'Cum Fuckers 2' you know this is film is no Disney production and we will remind viewers again that unsafe sex spreads STDs including HIV. So think before you act.

PEEPING TOM 2

PRODUCTION: **Manzone/Clonezone**
DIRECTED BY: **Maximillian Britain**
RUNNING TIME: **103 mins**

Back with the best of British, Peeping Tom 2 offers up four scenes of hardcore action. Shot with a handheld camcorder and with no accompanying music, script, dialogue (except the moans and groans) or plot, this wank flick is shot so as the viewer feels he is literally right there in the room. The first scene is a threeway in the gym where the lucky bottom – after slurping on two fine bits of man meat – gets rimmed over a exercise ball, power fucked on the mats, spit-roasted over the bench press, before getting two hefty loads of thick cum all over his face. What a work out!

Scene two sees two guys cruising in a cemetery (Brompton's Earls Court in London – yes, we've all been there!). Fortunately one of them lives just round the corner and soon they're both stripped off and going hell for leather in the bedroom.

In the third scene we get a brief tour of a house where there's a huge

red dildo in the hallway and a pair of DMs – clues as to what's to come. The door opens and there are three leather-loving skin-heads getting seriously warmed up for a long hard session. Pit licking, finger fucking, arse licking and some serious deep-throating ensues before the toys come out. Butt plugs, dongs, anal balls – even two dildos at once. This is one insatiable hole.

The fourth and final scene takes place in a kitchen where two guys are getting down and dirty on the kitchen floor. They suck and rim each other and both get a face full of each others' poop chutes during an intense 69. Over the kitchen sink and back on the kitchen floor the two fuck until they both shoot their wads.

Available from Clone Zone stores nationwide.

SO MACHO!

Star of Black-N-Blue and Private Lowlife, a Hot House Exclusive with a slew of award nominations and he's dating Francoise Sagat. And he's only been in the business for seven months!

38 QXMEN catches up with **FRANCESCO D'MACHO.**

HOW DID YOU GET STARTED IN THE PORN INDUSTRY?

One of my best friends, also in the porn industry, sent a few pictures of me around well known companies like Hot House and got a very good response. So I thought to myself "What the fuck, let's give it a try". The thing that scared me a little was that it all happened really fast, without me having the chance to think it through. About ten days later I was on a plane ready for my first scene. I didn't know what to expect but I ended up having one of the most rewarding experiences of my life.

I went to do my first movie being booked for one scene only. Since I'd never been in front of a camera before, the guys at Hot House wanted to see how I'd react to everything first. Well, I ended up getting in two scenes and on the cover too! When Director Steven offered me an exclusive deal to perform for them I was overwhelmed.

YOU'VE NOW JOINED A SELECT GROUP AND BEEN ELEVATED TO "PORN GOD" STATUS. HOW DOES IT FEEL BEING A HOT HOUSE EXCLUSIVE?

I don't know about being a "porn god", but certainly signing an exclusive contract with Hot House has been enormously rewarding. They truly know what they are doing with their models. And as a performer, working with a company like Hot House opens more doors for me when it comes to promotional opportunities and appearances.

DO YOU HAVE A PARTNER? Yes, I'm dating Francois Sagat. We're both in the adult entertainment industry, but we currently work for different companies, so for the time being we can't "perform" on film together for the fans. We've been hiding it for a while, but we recently "came out".

ON A SCALE OF 1 TO 10 HOW WOULD YOU RATE YOURSELF?

13 and a half!

WHAT'S YOUR BEST FEATURE? The way I smell after I workout at the gym.

ARE YOU TOTALLY VERSATILE? IF YOU HAD TO CHOOSE, WHAT DO YOU PREFER DOING? It all depends on the guy I'm having sex with. I'm completely versatile. I just enjoy sex. If I'm with a guy who is bigger than me then I usually like to be a bottom.

DO YOU GET RECOGNISED FROM YOUR FILMS? Mostly in California, where I've been stopped in the street more than a few times.

YOU APPEARED AT HUSTLABALL VEGAS IN JANUARY. HAVE YOU DONE ANY OTHER PUBLIC PERFORMANCES?

WHERE CAN WE SEE YOU NEXT? Hustlaball was such a good experience. I got the chance to meet all the big names in the adult industry: I'm a big fan of straight porn. I'm proud to see how big the industry has become, and how much attention it's getting from the mainstream media. Hustlaball wasn't primarily for meeting the fans, but a little more business orientated. On the other hand Folsom Street Fair in San Francisco was very intense and I was really exposed to the public. I'm busy doing appearances around Europe. I've recently been in Paris, Barcelona and Milan. It's a way for me to promote myself and Hot House, the movies we are creating together and also a chance to see how people react to porn here in Europe. I'd like to have the same market the Gay Adult Industry has over in the United States: stronger, broader and very affirmative.

WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN?

I can't watch myself on video, I get embarrassed.

WHAT HAS BEEN THE HOTTEST SCENE(S) YOU'VE SHOT TO DATE? The movie hasn't been released yet. It's called "Communion" and I think I've shot my best scene to date, with the amazing Jason Ridge.

HOW DIFFICULT IS IT TO PERFORM ON CUE? Very. Porn isn't for everyone. I find it very challenging at times. Delivering a great performance takes time and patience. That's why we have awards for it! A day on set is probably much harder than most fans imagine when they see the finished product. But overall, the experience is worth it. Hard work, but enjoyable and rewarding.

YOU'RE A RELATIVE NEWCOMER TO THE INDUSTRY, BUT YOU'VE HAD ONE HELL OF A METEORIC RISE TO THE TOP. WHAT WAS IT LIKE WINNING BEST NEWCOMER AT THE WEHO XXX AWARDS AND BEING NOMINATED AS BEST NEWCOMER AT THE 9TH GAYVN AWARDS? I was overwhelmed. I've only been in the industry such a short time (just over 7 months) but, yes, I've been all over the place. Hot House has really done a great job marketing Francesco D'Macho.

HAS YOUR OUTLOOK ON THE INDUSTRY CHANGED SINCE YOU STARTED DOING PORN? Yes, I have so much more respect towards it. It is such a huge industry. It is a very competitive environment, so I appreciate that I've managed to achieve so much and arrive where I am today, in such a short time. I feel I've been very lucky so far.

WHEN YOU'RE NOT DOING PORN WHAT DO YOU DO?

Same stuff I was doing before getting into porn: I'm a trained graphic designer and web animator, and I also do CGI illustrations. I've been very busy promoting Hot House in Europe.

WHAT DO YOU DO FOR RECREATION? I workout almost every day. I'm very committed to keeping myself in good shape. I find it increasingly hard at times since I'm traveling basically all the time. I'm also a computer freak. I spend long hours doing digital illustrations and browsing the net. When I'm back in Spain and get a chance to relax I love to hang out at the beach.

YOU WERE "POSTER BOY" FOR THE HUGELY POPULAR CLUB ACTION WHILE YOU LIVED HERE IN LONDON. WHAT DO YOU LOVE MOST ABOUT LONDON? I remember the "good times" at Action. I was a kid back then. I really miss London, for a lot of things, but I found a home in Spain, where I have everything London offers, plus sunshine!

WHEN WAS THE LAST TIME YOU WERE IN LONDON AND WHEN ARE YOU COMING BACK TO VISIT? I go back to London a lot, but I don't really hang out with my old friends. We all kind of lost touch or some of them moved away like me. So when I'm there I feel kind of "invisible."

YOUR "ARTY" KISS IN BLACK AND WHITE WITH SAGAT ON YOUTUBE HAS HAD HUGE INTEREST. HOW DO YOU FEEL ABOUT THAT? That's a huge record, 20,000 views in less than a week. YouTube is known for being such a homophobic media channel, so I was amazed to see such an interest. The video is very soft, and not provocative or pornographic. I think the most beautiful thing about it is that me and Francois were very spontaneous and didn't know we were being filmed, so I guess people really liked the reality of it.

WHAT FUTURE PROJECTS HAVE YOU GOT COMING UP?

I'm about to attend the GAYVN Awards in San Francisco, where I've been nominated for Best Newcomer and I will also be presenting an award. I hope I get to present Sagat with the Performer of the Year Award. He really deserves it. Then I'll be in California in early spring shooting another movie in sunny Palm Springs. I'll also be attending the Mr. German Leather contest in Berlin, representing Hot House Entertainment, and then The Grabby Awards in Chicago in May where I'll be presenting another award as well as representing Hot House at the International Mister Leather event. I'm also working at my new website. I recently launched version number 2 of my blog, which is now more interactive than the last one. People can comment on my posts. I find this a much easier way to interact with my fans. Check it out at www.francescodmacho.com

www.moviemonster.com

Moviemonster.com probably provides the easiest way to get porn straight into your living room/bedroom/play room without getting off your well toned gym arse. With three easy steps that DO NOT involve membership or recurring fees, moviemonster.com delivers hot cock screaming down your broadband connection right onto your computer. Video access is easy: first you must sign up for an account, then secondly choose the film you want (there are plenty to select from) and then third you can pay per minute, per rental or per download. What's the difference? Pay per minute is self explanatory: you only pay for what you watch. The rental means you pay to view the whole film as many times as you like while your rental time exists and the download (and we love this) means you can burn your selection straight to DVD to keep and view as you please. To download and burn you will require to a special piece of free software available form the site. If you have trouble with the site downloading and viewing they even have a live chat to help guide you through the process. Don't ya love technology!

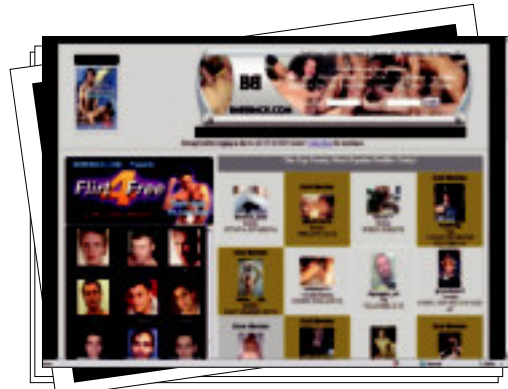

www.collinoneal.com

Collin O'Neal is a porn star with an international reputation, being in the cast of the mega woof meets muscle daddy type of look. On his website one would expect it to be all about him but what you get is an army of porn ready for you to download and view. Several teaser trailers can be viewed (and downloaded) or you can check out images of his latest star Jacko who is a Syrian bodybuilder and a blacksmith by trade. Apart from videos there are also stills, a models gallery (of the porn actors), a blog of Collin's adventures, a calendar of his activities such as model searching in Serbia and a developing part of the website that chronicles Collin's global travels. Of course access to the site is limited; however for a fee you can join and have access to all of Collin's goodies. They are even offering a month free when you buy two months!

www.bareback.com

Bareback.com is a website aimed at those guys who like it natural and whether you see it as irresponsible behaviour, as recklessness or a choice, it usually is between consenting adults (it takes two to bareback and one not to). Apart from the health risks of barebacking, many find something hot, horny and sexual about raw sex. Like the website says "...a real man takes responsibility for his actions! AIDS is not fun - but we believe that our men can be dirty mother fuckers - while still beating back the big bad bug". Like any other meeting site, you can set up a profile, view photos, chat with live models and send private messages. Unlike other meeting sites, those who are into barebacking are being upfront and honest about it. Most of the features are free, once you sign up for a profile, while Gold membership extends those features for a subscription. The site also has an escort search and bulletin boards.

If you have a website that would be suitable for this page, please let me know by dropping me an email at brent@brentnicholls.com. Commercial site, personal homepages, free galleries are all welcome.

Hot on the rip-roaring success of Recon's fifth Full Fetish party at London's Hoist, the weekend from 12th-14th of January saw literally thousands of horny and sexy leather-clad men take over the Washington Plaza Hotel for Mid Atlantic Leather Weekend in Washington DC. Centaur the event's organisers, put together a fantastic weekend of events and parties, including the Mr Mid-Atlantic Leather contest. The recon guys got an incredibly warm welcome from the DC leather community and they've promised to return with a bigger and better "gear" night at next year's event. business affairs

The website Menatplay.com is totally dedicated to the suit fetish and this book showcases the sexiest guys in suits. Boasting hot solo poses and scorching duo scenes, these pinstriped hunks are not your average nerdy bankers or middle-of-the-road executives. Super sexy studs in various states of undress over 96 full colour pages make this hardcover picture book a must have for any coffee table. At work and at play these guys ooze sex: in the office, in the studio, tied up, even on the photocopier! But it's not all about men in suits. The pictures play with themes of strength, masculinity, submission and dominance. Do you know your place in the pecking order?

With the use of a small pocket digital camera and a their heads full of horny office fantasies, the producers of Menatplay started their journey to show the world the real, unacknowledged appeal of the masculine, white collar worker. In the summer of 2002 Menatplay.com was launched offering thousands of images of sexy suited guys to an eagerly awaiting audience. The reaction to this previously untapped fetish was overwhelming. From a small, specialised community the site grew rapidly and went mainstream. Within a few years Menatplay were producing short films and had developed their style further – sometimes more akin to top quality fashion shoots than typical porn. Today they've ventured into DVD film production and book publishing. Five years on, hundreds of suits later and a stable of international model talent on their books, Menatplay continues to produce the best images of suited guys.

Menatplay: Business Affairs is published by Bruno Gmunder and is available from Clone Zone branches nationwide and online at www.clonezone.co.uk. Price £19.95.

promoter Thorsten (left)

photos by Chris Jepson

Sharp Dressed Man

Let's face it, who hasn't fantasised over a horny bloke all suited and booted? QXMEN chats to Thorsten Mess, promoter of City Boys, the UK's only suit fetish night.

City Boys has been running for over three years now and, unlike many of the other "underground" fetish clubs that have now become mainstream phenomena, surprisingly, City Boys remains the only "White Collar" fetish club in the UK.

"Initially the night was set up by one of the owners of Central Station in Kings Cross, London who has a soft spot for men in suits" said promoter Thorsten. "I used to come regularly to the night and recently I was asked if I wanted to take over the club. I didn't think twice as I've always found guys in suits very horny." Thorsten is well known for his two other very

popular monthly sports kit fetish nights Scally Ladz and Shoot that are also held at Central Station.

Anyone thinking of just popping by to check out the action should be warned, although everyone is welcome, you have to dress up to get in. Thorsten enforces a very strict dresscode. "The club has a very friendly and laid back atmosphere although it is a cruise club", says Thorsten, "Obviously there is a strict dress code of suit and tie, and guys who don't stick to it won't be permitted into the club. There is a bar area where you can booze and socialize and some darker corners with a maze where guys can have some fun if they want to. On the decks hot tunes are played, while on the TV screens horny videos can be watched to get you in the mood. Also if your shoes need some polishing there is

►► usually a free shoeshine service." So what is it about suits that gets the pulse racing? "I think power plays a huge part with a suit fetish," agrees Thorsten. "The most powerful men like politicians and managers of big companies all wear suits. So a suit scenario which involves power play is always very horny." He continues, "I think the turn on is because it is not a typical gay fetish like leather or rubber. There is a link to the real world. Like with sportswear you can wear it in your daily life and nobody would even think that it is a fetish or you get turned on wearing it. That makes it very horny. It is also about masculinity. For me a guy in a suit, no matter if gay or straight, looks very manly. Also power and dominance plays a part within the suit fetish. There seems to be always a boss and an office boy who has to work that little bit harder to please his boss." The book reviewed in this issue, 'Business Affairs' has super sexy guys 'suited n booted' getting down and dirty. It's hot! So you'd

think someone would have decided to make suit porn as there's obviously the demand for it. "Unfortunately, there doesn't seem to be a lot of good suit films on the market," comments Thorsten. He adds, "I prefer websites like www.menatplay.com (the guys behind Business Affairs) which have downloadable suit films. Their gorgeous models all wear immaculate suits and get up to a lot of horny fun. Very classy, if there is such a thing as classy porn!" He jokes and continues, "I think with the internet people discover and explore more things than they used to do. In general gay guys like to dress up and do a bit of roleplay to spice up their sex life. So they're always looking for something new. Also today it is more acceptable to talk about your fetish more openly. Probably a lot of guys have been into suit sex for a long time but didn't dare to tell others about it. But these days the fetish scene is more diverse and there is a niche for nearly every fetish. Though some

people are still really ignorant about fetishes which are not mainstream. At the end of the day most gay fetishes focus on the masculinity of men no matter if it is leather, uniform, sportswear or suits."

And on a personal note, what gets Thorsten off? "A horny guy in a dark pinstripe suit with a white shirt, double cuffs, big silk tie and shiny black business shoes always gets me going!" And does Thorsten get up close and personal with his well-heeled punters? "One night there was a gorgeous young guy at the club. He was wearing a nice grey suit and a silk tie and his looks were just stunning." Thorsten remembers, "I started talking to him and he told me that he was working in an investment bank in the city. He seemed very straightforward and five minutes later I found myself with him in one of the darker corners of the venue. After we had finished our business he looked at his watch and told me he had to go because his girlfriend was waiting for him. I never saw him again but it was one of the best encounters I ever had. I just wonder how he explained the stains on his suit to his girlfriend!"

City Boys is on the first Friday of every month at Central Station, 37 Wharfedale Road, Kings Cross, London, N1. 7pm 'til midnight. £5 entry. The next City Boys is on Friday 2nd March.

BLOW JOB MASTERCLASS:

From blow job basics to sucking fantastic

SOME GUYS NEED NO ADVICE ON HOW TO GIVE A BLOW JOB – IT JUST COMES OUT OF A NATURAL INSTINCT – YOU COULD SAY, BORN TO BLOW. BUT TWO COMMON QUESTIONS ARE HOW TO TAKE A BIGGER DICK AND WHAT ARE THE RISKS FROM ORAL SEX?

BY DR ALEX VASS

Most guys know that even for a basic blow job it's all about position, position, position. You need to have good access to the whole of his dick and balls. Kneeling in front of him is a favourite and but if you want to be more submissive he can straddle you whilst you're lying down.

TIP 1: Don't just dive in. Build in some anticipation – tease his balls, stroke his thighs or work his nipples or arse.

Start with a few licks to the head of his dick, especially the sensitive fraenum area that's where the foreskin attaches to the head. Then take him into your mouth and make a seal with your lips over your teeth so not to catch them on his dick. Suck gently to create a little suction before you gently start to glide the head of his dick in and out of your mouth. Lots of saliva helps and you can get this going by dipping his dick some honey, jam or something more glamorous! But if you're not using a condom be careful not to get any of it down his urethra. Vary the rhythm and how much you take in, so try slow and deep or shallow and fast.

TIP 2: Breathe (through your nose)! Out as you go down and in as you go up his dick. If you don't breathe you'll have to take breaks or you'll pass out.

If he's thick or very long you'll only be able to take part of him in your mouth without gagging. That's because it knocks into the soft palate at the back of your throat where your gag reflex is. This is a safety reflex that makes you heave when anything that isn't being swallowed touches the back of your soft palate. It's there to stop anything going down your air pipe rather than your food pipe. So to stop gagging, keep one hand around the lower part of his dick and pump that to the same rhythm that you work the top of his dick with your mouth.

But if you want to be able to take his whole dick - called deep throating - you need to learn to master your gag reflex. You can avoid stimulating your gag by getting you position right. Dicks point upward and so naturally will hit that top of your soft palate where your gag is when you take the whole length in. So aim his dick more for the throat area that curves downward. The best position is to lay back with your head over the side of a bed or table. With time you'll be able to take him thrusting for short periods of time.

TIP 3: Don't try to ram your dick down the throat of someone who is not ready for it. You'll only make him choke and he could even end up biting down on you! Let the receiver take control.

Another way to overcome your gag is to learn to swallow with your mouth open. Try it without a dick and you can see how hard it is! So when his dick gets to a point where you feel you're gonna gag try to swallow. This pushes his dick away from your air pipe and deeper into your throat.

TIP 4: Some guys suck antiseptic mouth lozenges before because they can contain a mild anaesthetic and so numb that gag reflex and some say drinking orange juice helps too.

Health risks:

- You can pick up or pass on almost any sexually transmitted infection through oral sex: especially chlamydia, herpes, gonorrhoea and syphilis.
- It's also clear that you can catch HIV from sucking cock (but not from being sucked) – but it is much less risky than being fucked without a condom. The virus is present in precum and cum and so if this gets inside the mouth it can be absorbed, especially if your gums are not healthy or you have cuts, sores or ulcers anywhere in your mouth.

Health Tips:

- Ideally use a condom - this will protect you against STIs and HIV.
- If you don't use one, avoid brushing your teeth before sex and don't give head if you have any cuts or sores in your mouth.
- Don't let him cum in your mouth and if you taste precum you may want to stop giving him head.
- If you decide to let a guy come in your mouth swallow or spit quickly - it's not a fine wine. The less time it's in your mouth the less chance there is of the virus passing into your body.
