## Welcome...

This month sees the first ever fanny in QXMEN! Who would have thunk it? The owner of the fanny in question is Buck Angel, the "man with a pussy". We were lucky enough to get an exclusive interview with the world famous transsexual performer (page 26). He really is one of a kind... and a nice guy too! We also have an interview with Vinnie D'Angelo, the new Hot House exclusive. We report back from the fantastic Sleazy Madrid event, and went behind the scenes with AlphaMale Media in Gran Canaria.

To those of you who sent your arse pictures in, thank you. We couldn't print them all, butt (pun intended) we picked the best from the rest and three lucky owners will be receiving (oh, the puns!) a nice package in the post. Keep sending those cock pictures in though as the regular Readers' Cocks page still runs.

This month, Rentboy.com celebrates its 10 year anniversary. We've interviewed founder Tom Weise. This year also marks 50 years since Tom of Finland first published his incredible artwork. The Tom of Finland Foundation is producing a colossal coffee table book to commemorate this auspicious occasion. Do you have artwork that they might not have? See page 52 for details.

And of course we've had fun (can you sue your bosses for RSI due to wanking?) reviewing all the latest porn releases. Enjoy.

# HOLA GUAPO!

At the tail end of April, QXMEN took time off and headed to Gran Canaria with British based Alphamale Media Productions for a behind-the-scenes look at the filming of 'Out On Vacation'.

Making the best use of what Gran Canaria has to offer: the sun, the sea and various sex complexes, AlphamaleMedia took the opportunity to make two films back to back. So QXMEN got to see what really happens behind the scenes on location as well as hang out with ten super sexy British Porn actors. It's a tough life. Filmed at gay sex resort: The Basement Complex, and making use of the The Yumbo Center's naked club The Cellar Bar, as well as the ocean and dunes of Playa de Ingles, these films are set to be a sizzling acquisition to any porn aficionado's collection. Alphamalemedia.com was started by partners Trojan Rock and Carlo Cox, both stars of various stateside productions who have made names for themselves with studios such as Raging Stallion, Titan, Butch Bear, Mustang and Massive Studios, amongst others. "It seemed like a natural progression to take all we had learnt from acting from the top stateside productions and create our own brand here in the UK. After all, a load of the actors in US porn are from

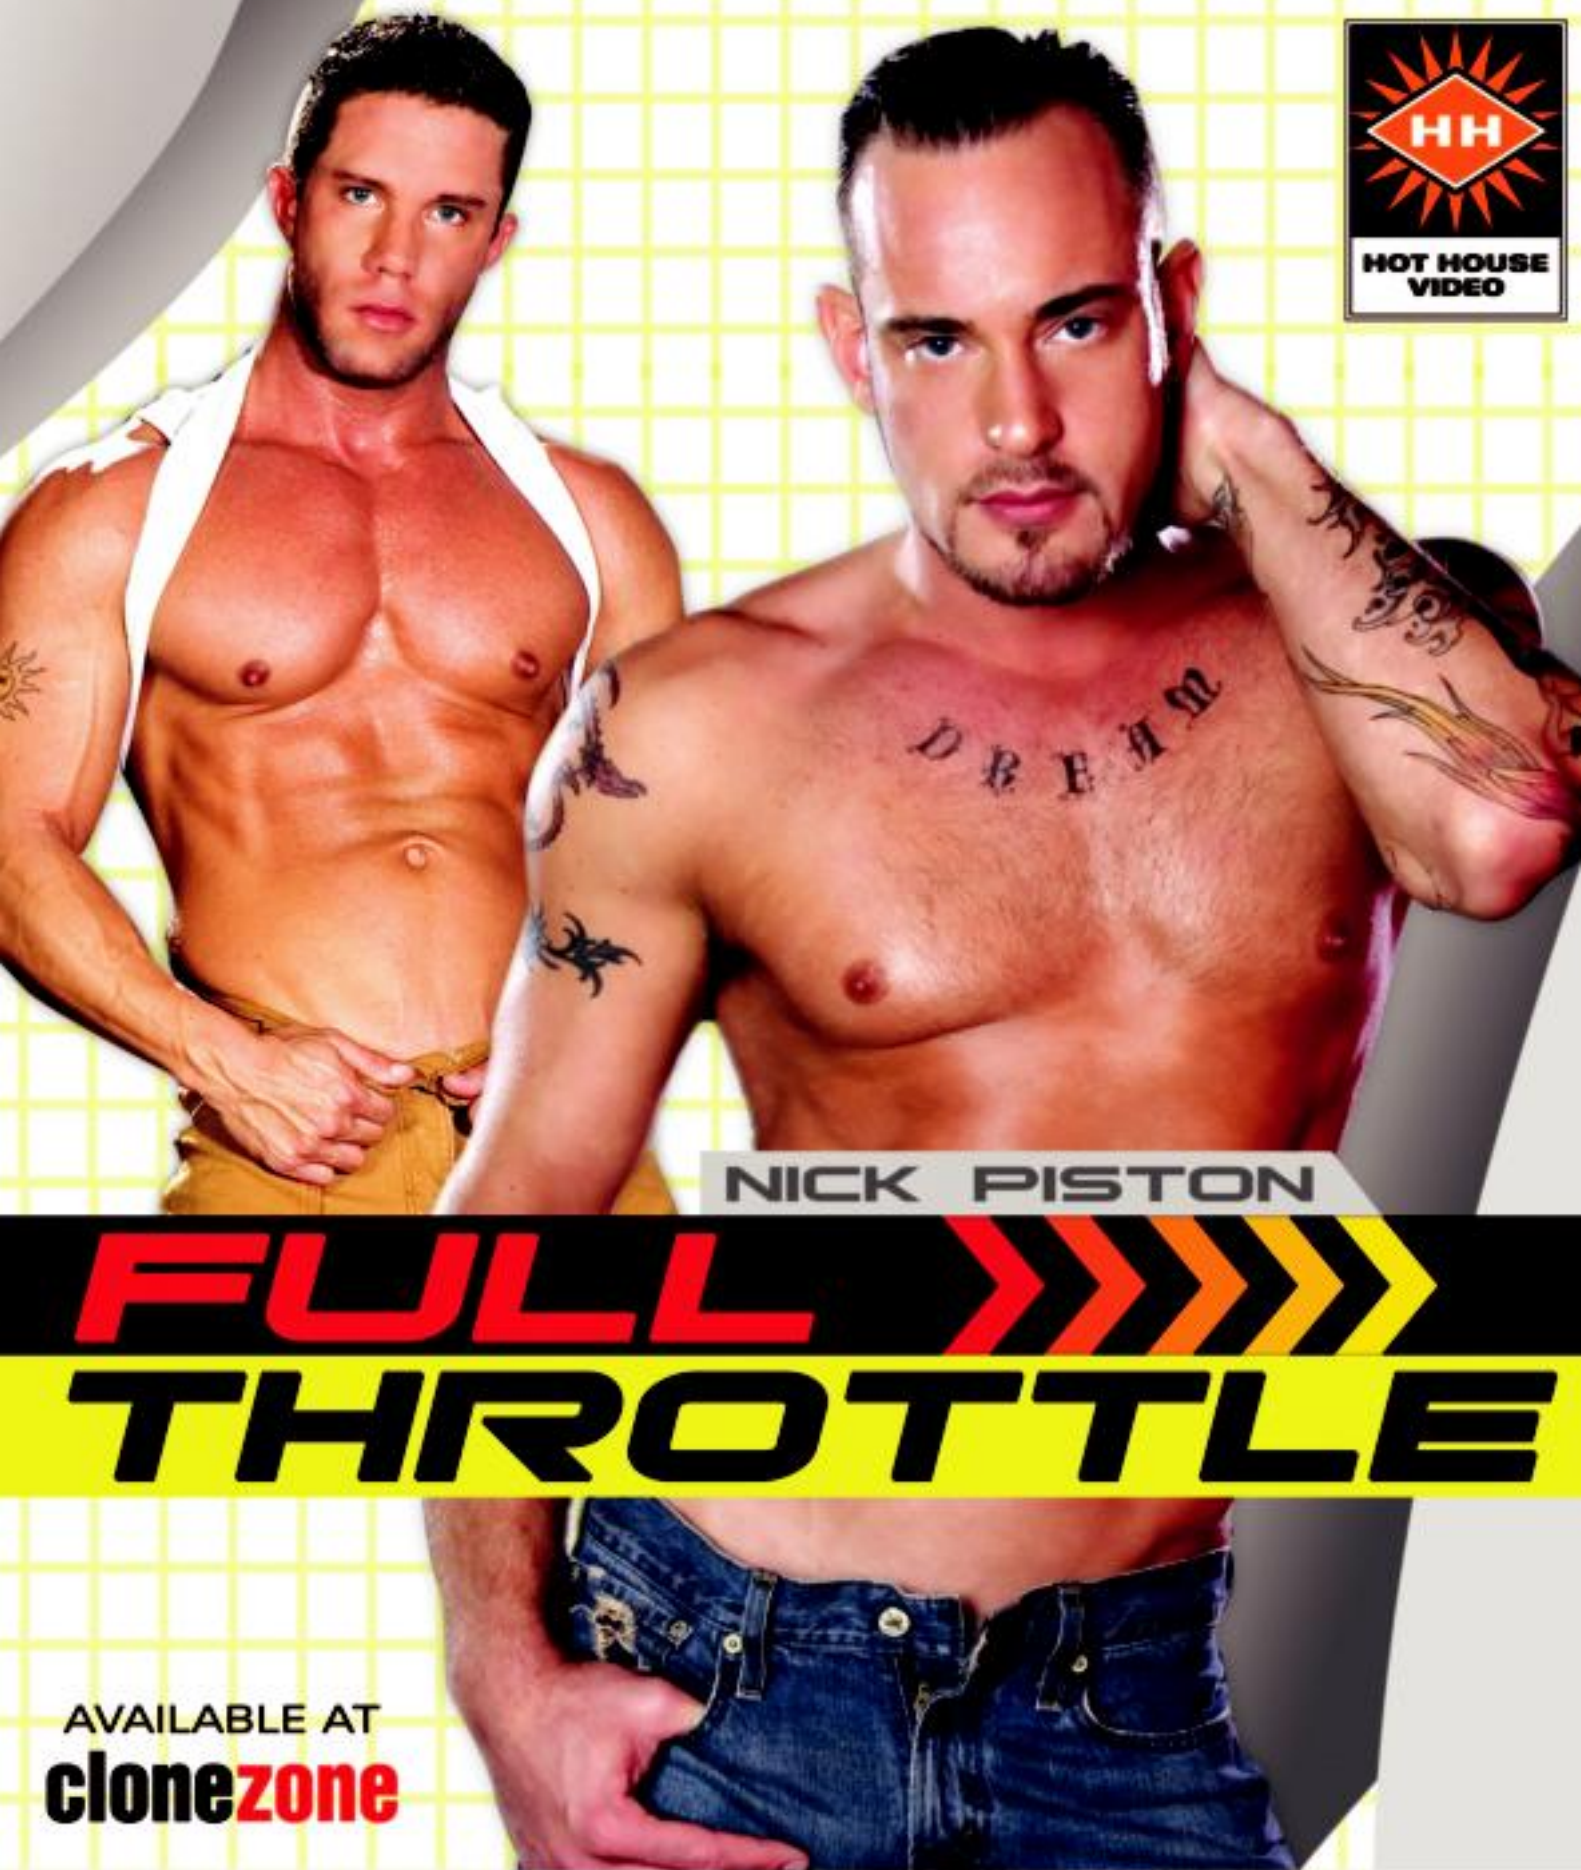

Europe, and no one was producing that quality of production from here," said Trojan. With noted director and producer Maxwell B behind the camera, from what we saw both movies promise to be major successes. Both films are part of an ongoing series: 'Out On Vacation' will be launched later this year as a third in the series following 'Out In The Open' and 'Out On Parole', and 'Men At Work 3' will be released in the autumn as well. 'Men At Work 1' is available at the end of the month. Trojan also added that AlphamaleMedia have a new DVD called 'Trust' coming out in a month featuring couples who bareback. It comes with a safe sex message, where all couples state that they only have bareback sex within their committed relationships.

For more info on Alphamale Media releases go to [www.alphamalemedia.com](http://www.alphamalemedia.com)

Full Throttle is an all-out, hi-octane, revved-up fuck fest. Nick Piston's horn hunt has finally paid off when Mike Power spots him cruising and pulls his motorbike into a nearby garage. Piston is soon on his knees sucking on Power's massive meat. Power reciprocates, deep throating Piston's...er, piston. With his puckered hole getting rimmed by Power, Piston's gagging to be fucked. Throwing Piston down on an old mattress Power mercilessly punishes Piston's hole until they both cum. Matt Cole is already rock hard when he's caught by C.J. Knight returning from the stockroom. Cole dives onto Knight's rock hard ass, savouring the taste before power-fucking him with his massive 9-incher. Knight then climbs on top of Cole and rides him until he blows his load all over Cole's cock. Still wanting more, Knight sits back down on Cole's cum drenched prick and rides it until Cole can't take it any more and shoots. Nick Piston and Jay Armstrong are already at it when Vinnie D'Angelo joins in. Armstrong then takes turns sucking D'Angelo and Piston. While

Armstrong is bent over sucking D'Angelo's cock, Piston shoves his cock into Armstrong's eager hole. Then D'Angelo takes his turn. With Piston in the middle, the three men train fuck until they finally pull out, and while standing shoot their loads.

In the final scene, man mountain Robert Van Damme is getting his cock sucked by Marko Hansom like a true pro. Van Damme returns the favour, slurping on Hansom's 8+ inch tool. Flipping him over Van Damme fucks Hansom hard, and then jerks him off until he blows his wad. Then Van Damme showers Hansom with his own cum.

DVD extras include a fuck compilation, cumshot compilation, XXX gallery, and trailers for Trunks 3, Private Lowlife, Black & Blue, Justice, Butch Alley and Manhunt 2.

# WIDE REVIEW

## BORSTALBOY

PRODUCTION: **DreamBoy / Eurocreme** • DIRECTED BY: **Simon Booth**

Will Jamieson stars in Dream Boy's latest release. Just transferred from Feltham for fighting, inside this borstal things are quite different. With testosterone levels going through the roof, both guards and inmates are as horny as fuck. The guards force smooth young inmates into hardcore ass-ramming, and even fellow prisoners exert their authority over the younger, prettier boys by making them take huge cocks from both ends!

Just arrived in borstal, Will releases tension in a solo shower wank scene. Scene two has a forced threesome and double penetration, when guard Darren takes monster-dicked Titch

and uber-bottom Ashley into the shed after a hard day's graft. The two convicts fuck and suck each other and soon Darren gets in on the action, loosening Ashley up before he takes both cocks.

Scene three features a hardcore five-way with top dog Ben Taylor giving the orders. The

scene ends in hot cum on faces, asses... everywhere. Watch out for the thick load Billy gets from mega hung Steven Prior.

In scene four tanned Anthony enjoys Ricky's blowjob so much he shoots at the start and end of the scene! Both take turns to fuck each other, going as deep as they can until they blow their loads.

More forced sex in scene five as guard Steve makes two lads suck and fuck each other while he fucks a third. Dark haired Rio shoots a massive load, whilst Will drenches Ricky's back.

The greenhouse gangbang in scene six sees Aaron get accosted by Ben Taylor and two of his boys, forcing him to take big dicks from all angles. Guard Darren watches and wanks.

New top dog Will takes his crush Aaron upstairs for some hard ass pounding. Ball-slapping action and a superb slow motion cumshot from Will make this a stand-out seventh scene.

With the old guards ousted the inmates are free to fuck whenever, however and whoever. The final scene is a great three-way. Anthony Thomas takes Titch's huge meat whilst sucking on Rio's cock. Where exactly is this borstal? We'd do the crime to spend time there!

# MIRAGE

PRODUCTION: **Raging Stallion Studios** • DIRECTED BY: **Chris Ward**

Raging Stallion's release of 'Arabesque' last year raised the bar considerably. New release *Mirage* is set to do it again. A two-disc, six hour, big budget adventure packed with Middle Eastern men.

The film opens with the looting of a lost Egyptian crypt in search of a treasured golden artifact. Eight swarthy Arabian men rummage through the treasure chamber and discover wall

paintings of naked Nubian soldiers. A massive orgy erupts – brilliant directing by Chris Ward. Uncountable positions and over 25 (we counted) cum shots! Justin Christopher takes Max Schutler aside for some personal attention and they devour each other in one of the best one-on-one Raging Stallion scenes ever. Meanwhile a three-way ensues between Tommy Blade and RSS exclusives Rambo and Marc LaSalle. Tommy sucks Marc's cock while being fucked senseless by black Rambo. Schutler returns this time topping Dominic Pacifico – who has great low-hanging balls – a great scene of top-class fuck action. Then hirsute hunk Huessein and furry stud Steve Cruz perform an incredible body worship sequence - a display of pure manpower, licking and sucking each other as they glisten with beads of sweat. The all the guys are back and another orgasmic frenzy ensues. During the horny foray

Steve Cruz steals the artifact and meets up with pilot Jake Deckhard. The robbers have been robbed!

The Sheik (played by Dirk Jager) is having a violent fuck session with concubine Matthieu Paris. Paris can barely take Jager's hard thrusts. Reports of a plane crash sees the Sheik's men set out to reclaim the artifact. Exhausted from sunstroke (after the plane crash) Steve dreams a tropical sex scene with Jake (filmed in Hawaii). Collin O'Neal joins them for a scintillating three-way.

Rudely awakened, they've been caught by the Arabs. Jake and Steve are marched off to a deserted canyon and fucked into submission, with Steve sucking and taking each man in turn, including the Sheik. All possible permutations are played out – watch out for the double-penetration scene! Exhausted, everyone collapses and Jake and Steve manage to escape – with the artifact! Horray!

Behind the scenes stories, extra footage and a one-hour discussion of how the film was made make this DVD a must-have.

Five glittering stars!

# BASIC PLUMBING 3

PRODUCTION: **Falcon Studios** • DIRECTED BY: **Chad Donovan**

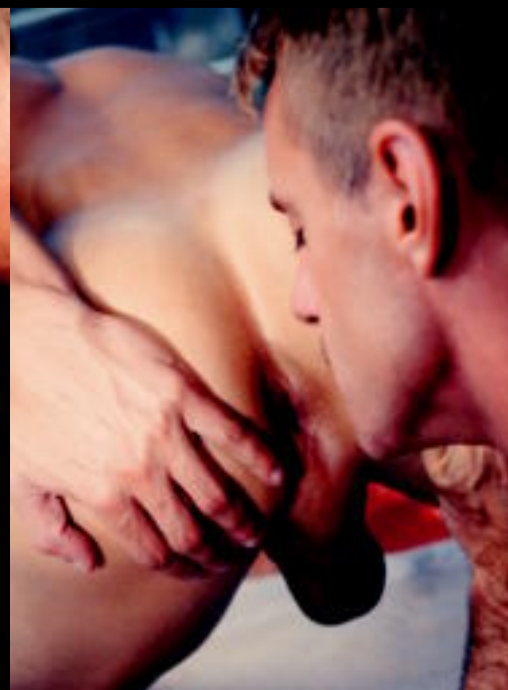

Roman Heart's got method behind his madness. In the opening scene he's stuffing condoms down his toilet. He then calls Basic Plumbing (a plumbing company run by Falcon legend Chase Hunter) to unblock his pipes – quite literally! The first plumber to be sent over is Ari Bond. Taking a sneaky peak at a stack of girlie magazines left out in the hall, he's soon wanking his big cock while Roman spies on him from the bathroom. Ari's soon pumped out a big sticky load over the pages of the magazine and leaves without fixing Roman's loo.

Chase Hunter has made his business a success by giving the customer total satisfaction every time. Trent Atkins is also having trouble with his plumbing. Derek Brodie and Falcon Exclusive Cort Donovan go above and beyond the call of duty ensuring power bottom Trent gets 100% customer satisfaction as they take turns to jackhammer his ass over the kitchen units. Back at Basic Plumbing HQ muscle man Erik Rhodes is being

interviewed for a position on the team. Chase Hunter impresses the importance of doing what ever it takes to ensure job satisfaction by showing Erik first hand. He strips Eric down and after some mutual cocksucking parts Erik's rock hard butt and fucks it with his legendary cock and best selling latex toy, the Chase Hunter dildo!

Trevor Knight is the shy dispatcher called to mend blonde Christian Owen's exploding shower. Abandoning his inhibitions, he's soon fucking Christian every which way on the tiled bathroom floor. Roman Heart, on the other hand, is still unsatisfied and demands that his problem be taken care of. Chase Hunter comes over in person and in this amazing pairing, legendary Falcon top fucks wunderkind Falcon bottom in a sizzling hot scene. Definitely one for the annals of porn history! (pun intended).

# TENNIS LADS

PRODUCTION: **Euroboy Sport** • DIRECTED BY: **Monaco**

New balls please! Quite apt, this new release from Euroboy Sport. As summer approaches and Wimbledon's just around the corner, Tennis fanatics will be breaking out their best centre court whites and practicing their strokes. But while there is considerable on-court action in this film, the majority is, of course, off the court.

A cooling shower turns into anything but when a computer technician (Dave Cordova) turns up to do some maintenance. Hard drives turn into hard-ons and he sits

wanking as he eyes up tennis pro Lukas Del Plata, who is soon being serviced over an armchair.

Two guys (Fausto Del Miedo and Paulo Paz), start getting in on by the pool, soon they're sucking each other's cocks. A third guy just back from tennis practice watches them and wanks. Soon the action shifts to the players' lounge for an arse-banging three-way. Next up's a solo shower wank scene with Harold Zen, where this dark haired Latino lovely tugs his thick cock until, moaning, he shoots his big wad.

A ball boy (Santiago Masur) watches as one of our tennis stars (Lukas Del Plata) is practicing alone. A few brief glances are exchanged and the attraction is obvious.

They go back to the bedroom and within no time at all the ball boy is having his balls, and cock sucked and arse licked. An energetic 69 and more rimming and cocksucking, before the ballboy gets the ride of his life.

Meanwhile tennis pro Harold Zen is relaxing in the training apartment. His heavy balls hang low out of his shorts. An eager fan (Frederico Gaccia) comes along and asks for an autograph. Frederico gets more than a signature to remember the day by. He rides the tennis pro's meaty cock every which way before swallowing a thick load as he shoots himself. DVD extras include a cum shot compilation, trailers for Soccer Lads, Football Fuck and Jockstrap Orgy.

"HIGHLY, HIGHLY, HIGHLY

# LA DOLCE VITA

PRODUCTION: **Lucas Entertainment** • DIRECTED BY: **Michael Lucas**

Winner of 14 GAYVN Awards (the US Gay porn Oscars) including Best Picture, Michael Lucas' classic tale of sex, glamour and debauchery delves into Manhattan's world of fashion, celebrity and society... and its seedy underground sex culture. Lucas plays Max Todd, an author turned columnist who has a bad case of writer's block. Despite an adoring boyfriend (Cole Ryan), Lucas ventures through New York society on a social rollercoaster, starting at a top

fashion show. Backstage, models Ben Andrews and Jack MacCarthy almost miss their catwalk cue – they're too busy fucking. The next sex scene has designer Jack Bond with bodyguard Wilson Vasquez pairing up for a hot sesh. Then Max's former assistant Pete Ross hooks up with fashion show patron Jonathan Vargas – a real butt banger. Lucas and Jason Ridge then pick up Derrick Hanson (a model from the show). Back at Derrick's apartment a combustible three-way develops. Cole Ryan tells Lucas that he's been distant, expecting Lucas to show him some affection, but that doesn't stop Lucas spending time with hot "it" couple Ray Star and Savanna Samson for a fun-filled bender: shopping, VIP partying and fountain jumping. One

of the hottest scenes is with Ray Star and Brad Star, who plays a gogo dancer. Stars literally collide and cum is sprayed everywhere! Spencer Quest plays Lucas' mentor. He gets it on with young twink Jamie Donovan. Meanwhile neglected boyfriend Cole has hooked up with powerful publisher Chad Hunt – and his monster cock. This is revenge served very cold. Lucas then gets word that Quest has been arrested for sleeping with a minor. Lucas spirals into depression, drinking heavily and visiting a sex club, where his former assistant takes a picture of him in a rather compromising position (quite literally!). In the final scene Lucas bursts out of the sex club desperate to delete the photo that could ruin him. Is this really such "a sweet life"? We wait on tenterhooks for the conclusion!

The three-disc set is so much more than your average wank film. The production values are off the chart, the cast is massive (we're talking huge numbers of extras: paparazzi, fashionistas and models) and the locations are just superb, capturing the real essence of jet set New York. Much deserving of the accolades it has received. And the DVD extras are fantastic!

# TRUNKS3

PRODUCTION: **A Big Boys Fucking Chav Film / Triga**

You want them rough? You want them rude?  
You want them dirty and perverted? Triga  
delivers: "Skins, Scallies, Boots and Suits"

A skinhead stands peeing. He shakes his cock and buttons up his jeans. He answers the door to a suited visitor. Soon the skin's boots are being licked and big gobs of spit rain down as he stuffs his dick in the young guys mouth. Lifting him on to the table and pulling his suit trousers down the skin stretches the young guy's ass open lubing it up in readiness for a good fucking with spitty fingers. Rogered senseless the young guy kneels before the skin top, licking his balls and sucking dick until he has a faceful of cum.

In a derelict building a muscle bound, tattooed, sexy guy has a cigarette in one hand and his cock in the other. As he wanks he burns his knob with the tip of the fag. Stripping off, he pulls down his trakkies and pumps away at his cock until he shoots a massive wad. A great solo scene.

Two scally lads are cleaning a kitchen as a super-hung skinhead

delivers stock. The skinhead takes a piss and starts wanking. Curious, the youngest scally goes to inspect. Soon he's on his knees being force fed a monster cock. Dragged out into the kitchen by the other lad, a fast and furious three-way session begins. On his knees the young scally sucks both cocks before he's put over the kitchen counter and finger fucked. Then the older lad gets his hole rimmed before he's ploughed by the skinhead's massive dong. Then it's the younger lad's turn and he takes his place in the middle as he chokes on the skin's dick and gets fucked by his mate. As the scally lays wanking on the floor spunk spurts onto his face and he hungrily laps it up. Dirty little fucker!

For the best of British, you can't beat Triga.

Check out the trailer for Fuck A Hoodie, Triga's next big release.

# SELF-MADE MAN!

## Akasha Jones gets close and personal with **BUCK ANGEL**, "the man with a pussy", the first female-to-male transsexual porn star!

**AJ: HOW DOES IT FEEL TO BE THE MOST WELL KNOWN TRANSEXUAL PORN STAR ON THE PLANET?**

BA: Am I? I didn't know! But it feels good to me because I really feel I earned the status, and I'm proud of my work,

**WHICH OF YOUR MOVIES HAVE BEEN THE MOST POPULAR SO FAR?**

To date, I'd say 'Buck Off', which is strictly male hardcore sex, and very gay-orientated, perfect for mostly gay male fanbase. And then there's my latest movie, 'Brokeback Mountain', a take-off of 'Brokeback Mountain', as if you couldn't guess. It's really filmed on location in the desert, with an amazing sound-track, and written like a regular Hollywood feature except it's porn. It's my highest budgeted movie so far, and I really put a lot of time and energy into it; I think it's gonna take me to the next level.

**ANTI-PORN LEGISLATION IS MAKING IT SERIOUSLY DIFFICULT TO FILM WORTHWHILE PORN IN THE US - DID THAT PROMPT YOUR MOVING TO THE YUCATAN? (WHERE BUCK IS NOW BASED)**

Definitely - there are too many restrictions on my creativity as a pornographer states-side, and I was also concerned about my safety as a person - I just don't feel the US is a safe place to live anymore, either personally or politically.

I think the Bush administration is very evil, and what they've done to the US is disgusting, they've taken away all of our rights under the guise of terrorism. See, I'm a total conspiracy believer; part of that 9/11 thing is a little bit weird to me, there's lots of loopholes. Plus, the government doesn't need a warrant to go into your house anymore, if they think you're in anyway a threat to the US government. So of course I don't feel comfortable in that situation, I'm very outspoken about things and especially myself and what I represent. And in the porn industry, they want it black and white, you can't do fisting, you can't do pee, you can't say 'daddy', it's ridiculous.

**WHY ON EARTH CAN'T YOU SAY 'DADDY'? OR HEAVEN FORBID, 'SUGAR DADDY'?**

No way, because in their minds it implies child pornography! You see what I'm saying - they made me re-edit one of my movies because the guy I was fucking called me 'daddy'! That's just the beginning of it, they're even trying to overturn the abortion laws. I had to get out of there, it was getting too insane, and the Yucatan's perfect for working in the US; it's geographically close and inexpensive, I can live like a king.

**ISN'T BUSH'S WAR ON PORN JUST A SMOKESCREEN TO DIVERT ATTENTION FROM FIASCOS LIKE IRAQ?**

Sure, but is porn really that bad? Of course not, it's a normal thing, but it's a way for government to imply all pornographers are child molesters, and simple people who think the government is good agree, so all these laws get passed.

What makes a man? The big salami between his legs? Hardly, boys if it's length and hardness you want, a vibrator does just fine, without the mess and health risks! And speaking as a girl - usually on the receiving end of a guy's traveling companion - I can tell you that a clueless dick is the tip of the iceberg what it comes to being 100% male! So what do most women - and passive gay boys, naturally - really want? Me, I call it 'Bear Syndrome', that unbeatable sense of being completely protected by a big, muscly, hairy older guy, and it's a quality Buck Angel has in spades. No wonder my snatch beat like an alarm clock when I learned Buck was in town and prepared to be generous with his time, so we proudly present Buck's thoughts on porn and the whole damn sex-thang! Enjoy!

**DOES THAT AFFECT LIVE SHOWS?**

You bet - you can't even be publicly nude. The laws are very strict. You can't do live sex shows, which is why I don't work in the US, because my shows are all about sex, and if I can't show my pussy, there's no reason for Buck Angel to be on stage. I feel bad escaping my country because I love being American, but I can only take on one fight at a time, and I'm fighting to teach and show people there's difference in the world, and Europe's much easier to work in.

**WHAT SEXUAL REPERTOIRE DO YOU MOST ENJOY?**

To be honest with you, I like it all, but my main focus is business, my movies are a business, it's how I live and make my money. So I invented the transsexual niche of porn marketing, but it takes a while to feel out your market, which I initially thought would be women. Was I wrong- it's 90% gay men!

**WELL, IN MANY WAYS, THE 21ST CENTURY IS A PORN**

**PUNTER'S PARADISE - THERE'S MORE VARIETY THAN**

**EVER BEFORE. NOW, THERE ARE GENDER VARIANTS,**

**INTERSEXUALS AND FTM (FEMALE-TO-MALE) SPEAR-**

**LED BY YOURSELF, BUT PREVIOUSLY, YOU ONLY HAD**

**SHE-MALES, MOSTLY DIRT-POOR PHILLIPINOS AND**

**BRAZILIANS TRYING TO STAY ALIVE BY CATERING TO**

**RICH, STRAIGHT WHITE MEN'S SEXUAL FANTASIES.**

I don't have a problem with that if you're enjoying it, but if not, it's totally fucked up. And I wanna make positive porn and treat people like human beings, not crappy fuckin' movies where they pay the girls no money and abuse the crap out of them. That's why she-male porn has become a real gross, straight male money-making entity, whereas mine will NEVER be like that, it'll be a positive situation for everyone involved. Sure, I am transcending porn at this point, getting more mainstream, but only in the sense making people who'd never buy porn more aware of diversity

through my TV interviews. I love porn, I'll never not do porn, it's important for me to understand what got me here, and if I ever left porn, it'd seem I used it as a stepping stone, and porn NEEDS positive people.

**YOU GOT A LOT A FLAK FROM OTHER FTMS DIDN'T**

**YOU?**

For sure - they feel I'm representing them in a negative manner. Most of them feel they have to have a penis to be a man, and obviously, that's not what I'm about. I think it's great if you're a transsexual guy who wants a penis, don't get me wrong, but you have to understand some of us don't feel that way; I'm a representation of the fact you don't have to do anything you don't want to do. It's all in here - (taps head) - so if you feel like a man or a woman or a dog or a sheep it's your prerogative to feel that way.

**BECAUSE THE MOST EROTIC ORGANS WE HAVE ARE OUR**

**BRAINS...**

Exactly! I mean, if you really live your life because of what's between your legs, that's really fuckin' sad. No WONDER straight men despise me; I threaten them because I show them I'm a man without a penis, and how can I be so powerful without a cock? (Laughs)

**WELL, TWO SECONDS OF ANY OF YOUR MOVIES WILL**

**SHOW THEM WHY! THANKS, BUCK - I'VE NEVER BEEN**

**SO BEAUTIFULLY MIND-FUCKED IN MY LIFE!**

**Buck Angel is on the London Gay Pride Fetishlad's float on Saturday June 30th and that night will be performing an exclusive duo show with Ashley Ryder at Hard On (Hidden, 100 Tinworth Street, Vauxhall, London, SE11 - [www.hardonclub.co.uk](http://www.hardonclub.co.uk). # Waterbucks 2

PRODUCTION: **Colt Studios** • DIRECTED BY: **John Rutherford**

If you like sun-bronzed muscle men, then this water-soaked beefcake bonanza will have you in seventh heaven. All sporting the tightest, packet-hugging swimsuits, the men raise the temperature as they engage in scorching, sweltering, shimmering poolside man-on-man sex. Totally twink-free, all the guys in this film are in their thirties and forties, some smooth, some hairy, some cut, some uncut, but all of them are muscle bound and hung.

The first scene sees Jason Kingsly and Gage Weston sucking on each other's football stud nipples as they caress each other's hairy chests. Jason feeds his precum to Gage, who rubs Jason's knob over his nipples. Jason's spreads Gage's shaved hole tasting all that he offers, before fucking him jackhammer stylee.

The next scene between Josh Weston and Carlo Masi literally sets the screen on fire! The two guys are totally into each other. The 69 is fantastic. Josh cries out as Carlo eats his ass and finger fucks him before lowering himself onto Carlo's dong. They later switch with Carlo growling "fuck me!" until Josh shoots his load onto Carlo's face and neck.

Luke Garrett and Adam Champ are rubbing Speedos together, pinching each other's nipples before Luke deepthroats Adam's big throbbing cock. Luke lets Adam fuck his face before Luke spreads Adam's ass and they 69. Watch those sphincters pucker up! Adam slides to fingers into Luke and he arches in back in expectation. Adam fucks Luke missionary style. Adam shoots on Luke's face and they both kiss tasting the cum. In the final scene, Sky Woods is in the pool watching Tom Chase on a sun lounger. Soon Sky is gobbling cock before being fucked doggy style by Tom's ultra fat cock. Tom jacks Sky's dick and he shoots into Tom's fist. Tom shoots his wad over Sky's asshole and licks it up.

In this latest offering fifteen young, sexy Eastern European guys (quite a few of them new discoveries) take to the mountains for a sizzling sexcapade.

The first scene has cutie Jeffrey Connery chopping wood (Oh, the puns!). Gary McAdams and Mario Rafaelli soon have him indoors

where they all exchange vigorous blowjobs, resulting in three cum shots. Jeffrey then opens up for his two mates who happily hump him until they all cum again.

Next, tanned bottom boy Richy

Rich is preparing a bath for his tired guests, Robin Usher and Joe Donovan.

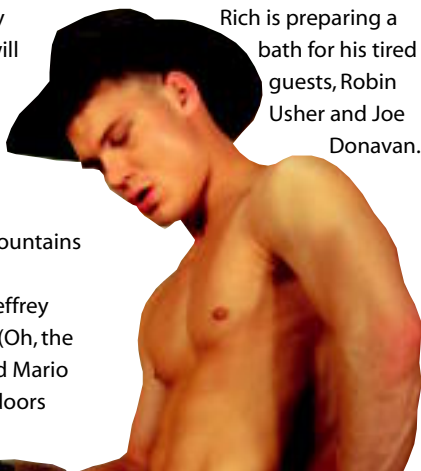

Richy sponges them down and then sucks

both until they cum. They guests repay the favour taking turns to fuck Richy's bubble butt.

Drago Lembeck's out in the forest and spies the adorable Nico Sideropolus, who's trying to find a secluded spot for a quick one-off-the-wrist. He starts and is interrupted by Drago, who drags him back to the cabin for a flip-flop fuck session. Never quite making it to the bedroom, they end up fucking on the stairs.

Chicky Hard (who makes up these names?) and his equally cute mate, Chose Armando, get bored sawing wood. They decide to strip off to spice up their boring day. Erik Schaffer watches and soon has the two young fuck pups sucking on his dick. He takes turns to fuck them both. Finally, Roger Gharney chats to Georgio Black and Tom Hawai around the fire, when the stunning Jay Renfro appears and asks if he can warm himself. Soon Jay is the centre of attention back in the cabin, taking both Roger and Tom's cocks in a frenetic double penetration shot!

# NICE 'N' SLEAZY

## QXMEN and Fetishlad.com spent a long weekend in SLEAZY MADRID

From Thursday 26th April to Tuesday 1st May one of Europe's leading fetish events laid on a full-on extended perv party in conjunction with official sponsors fetishlad.com and flpromotions.co.uk.

Having missed the opening dinner on Thursday, QXMEN was quick to make up for lost time at the 'Sleazy and Mad' party at the Strong Centre on Saturday. The rest of the weekend is pretty much a blur, culminating in the awesome 'Into The Tank' party on Monday at De Nombre Publico – but the pictures tell a pretty good story.

With extreme performances from Buck Angel – the man with a pussy (see interview on page 26); Ashley Ryder – London's very own self-fisting, back door boy; Muhktar Safarov – owner of the "monster cock", and USA

porn legend Chris Neal, we buckled up for an eye-popping, boundary-pushing, no-holds-barred wild and wonderful weekend.

Almost every guest made an effort to dress up with most guys in leather or rubber and many stripping down to just the bare essentials. Cruise mazes, darkrooms, cabins, slings, wet zones and, of course, a fully stocked bar plus chill out zones and porn cinema ensured every kink was catered to. Top DJs spun a wicked, throbbing backdrop of sexy sounds. Those that wanted to dance did, those that wanted to explore the sleazier aspects of the parties did just that.

Okay, so here in the UK we have some of the best fetish nights, but do we have an entire long weekend of men-only, filthy, dirty, up-to-the-elbow filth, fun and frolics? Not yet! But, hey, here's hoping...

**Keep reading QXMEN for info on the best upcoming fetish events.**

# 10 years of rent

Tom Weise and his business partner, Jeffrey Davids started Rentboy.com on 29th June in 1997. Now a household name (well, in gay households anyway) and enjoying a level of success unparalleled or surpassed by any other similar site, Rentboy.com celebrates a glorious ten year anniversary this month.

"I had just finished by own experiences with escorting and stripping at the Eros Theatre in New York City, when we brought together about a dozen or so guys that we knew from the streets and clubs." Says Tom Weise. Now with more than 20 million customers served and thousands of escorts worldwide, Rentboy.com is the largest male escort site on the internet.

"I am proud to say that as a political activist I was able to continue my work with all my heart in a country that is deeply rooted in prudery and has never legalised prostitution, unlike other more liberal nations have (Germany, Denmark, the Netherlands, etc.)." Weise continues, "With Rentboy.com I was also giving male prostitutes a safer life and lobby to work. In 1997 most rentboys were called hookers or hustlers and in New York you would mostly find them in shabby bars, clubs, the street and institutions like Stella's, the Gaiety, the Eros Theatre... places of life that long gone due to harsh city administrations." Rapidly the website got hundreds of escorts from all over the USA to realise its potential. Now they managed their own business away from the streets and bars. The featured rentboys are able to display pictures of themselves in glorious colour, give details of their availability, the services they offer, even promote their own videos. As advertising supports the site, all of this information and entertainment is free for the prospective viewer.

rentboy.com

## Here are some mind-boggling facts and figures about this phenomenal site.

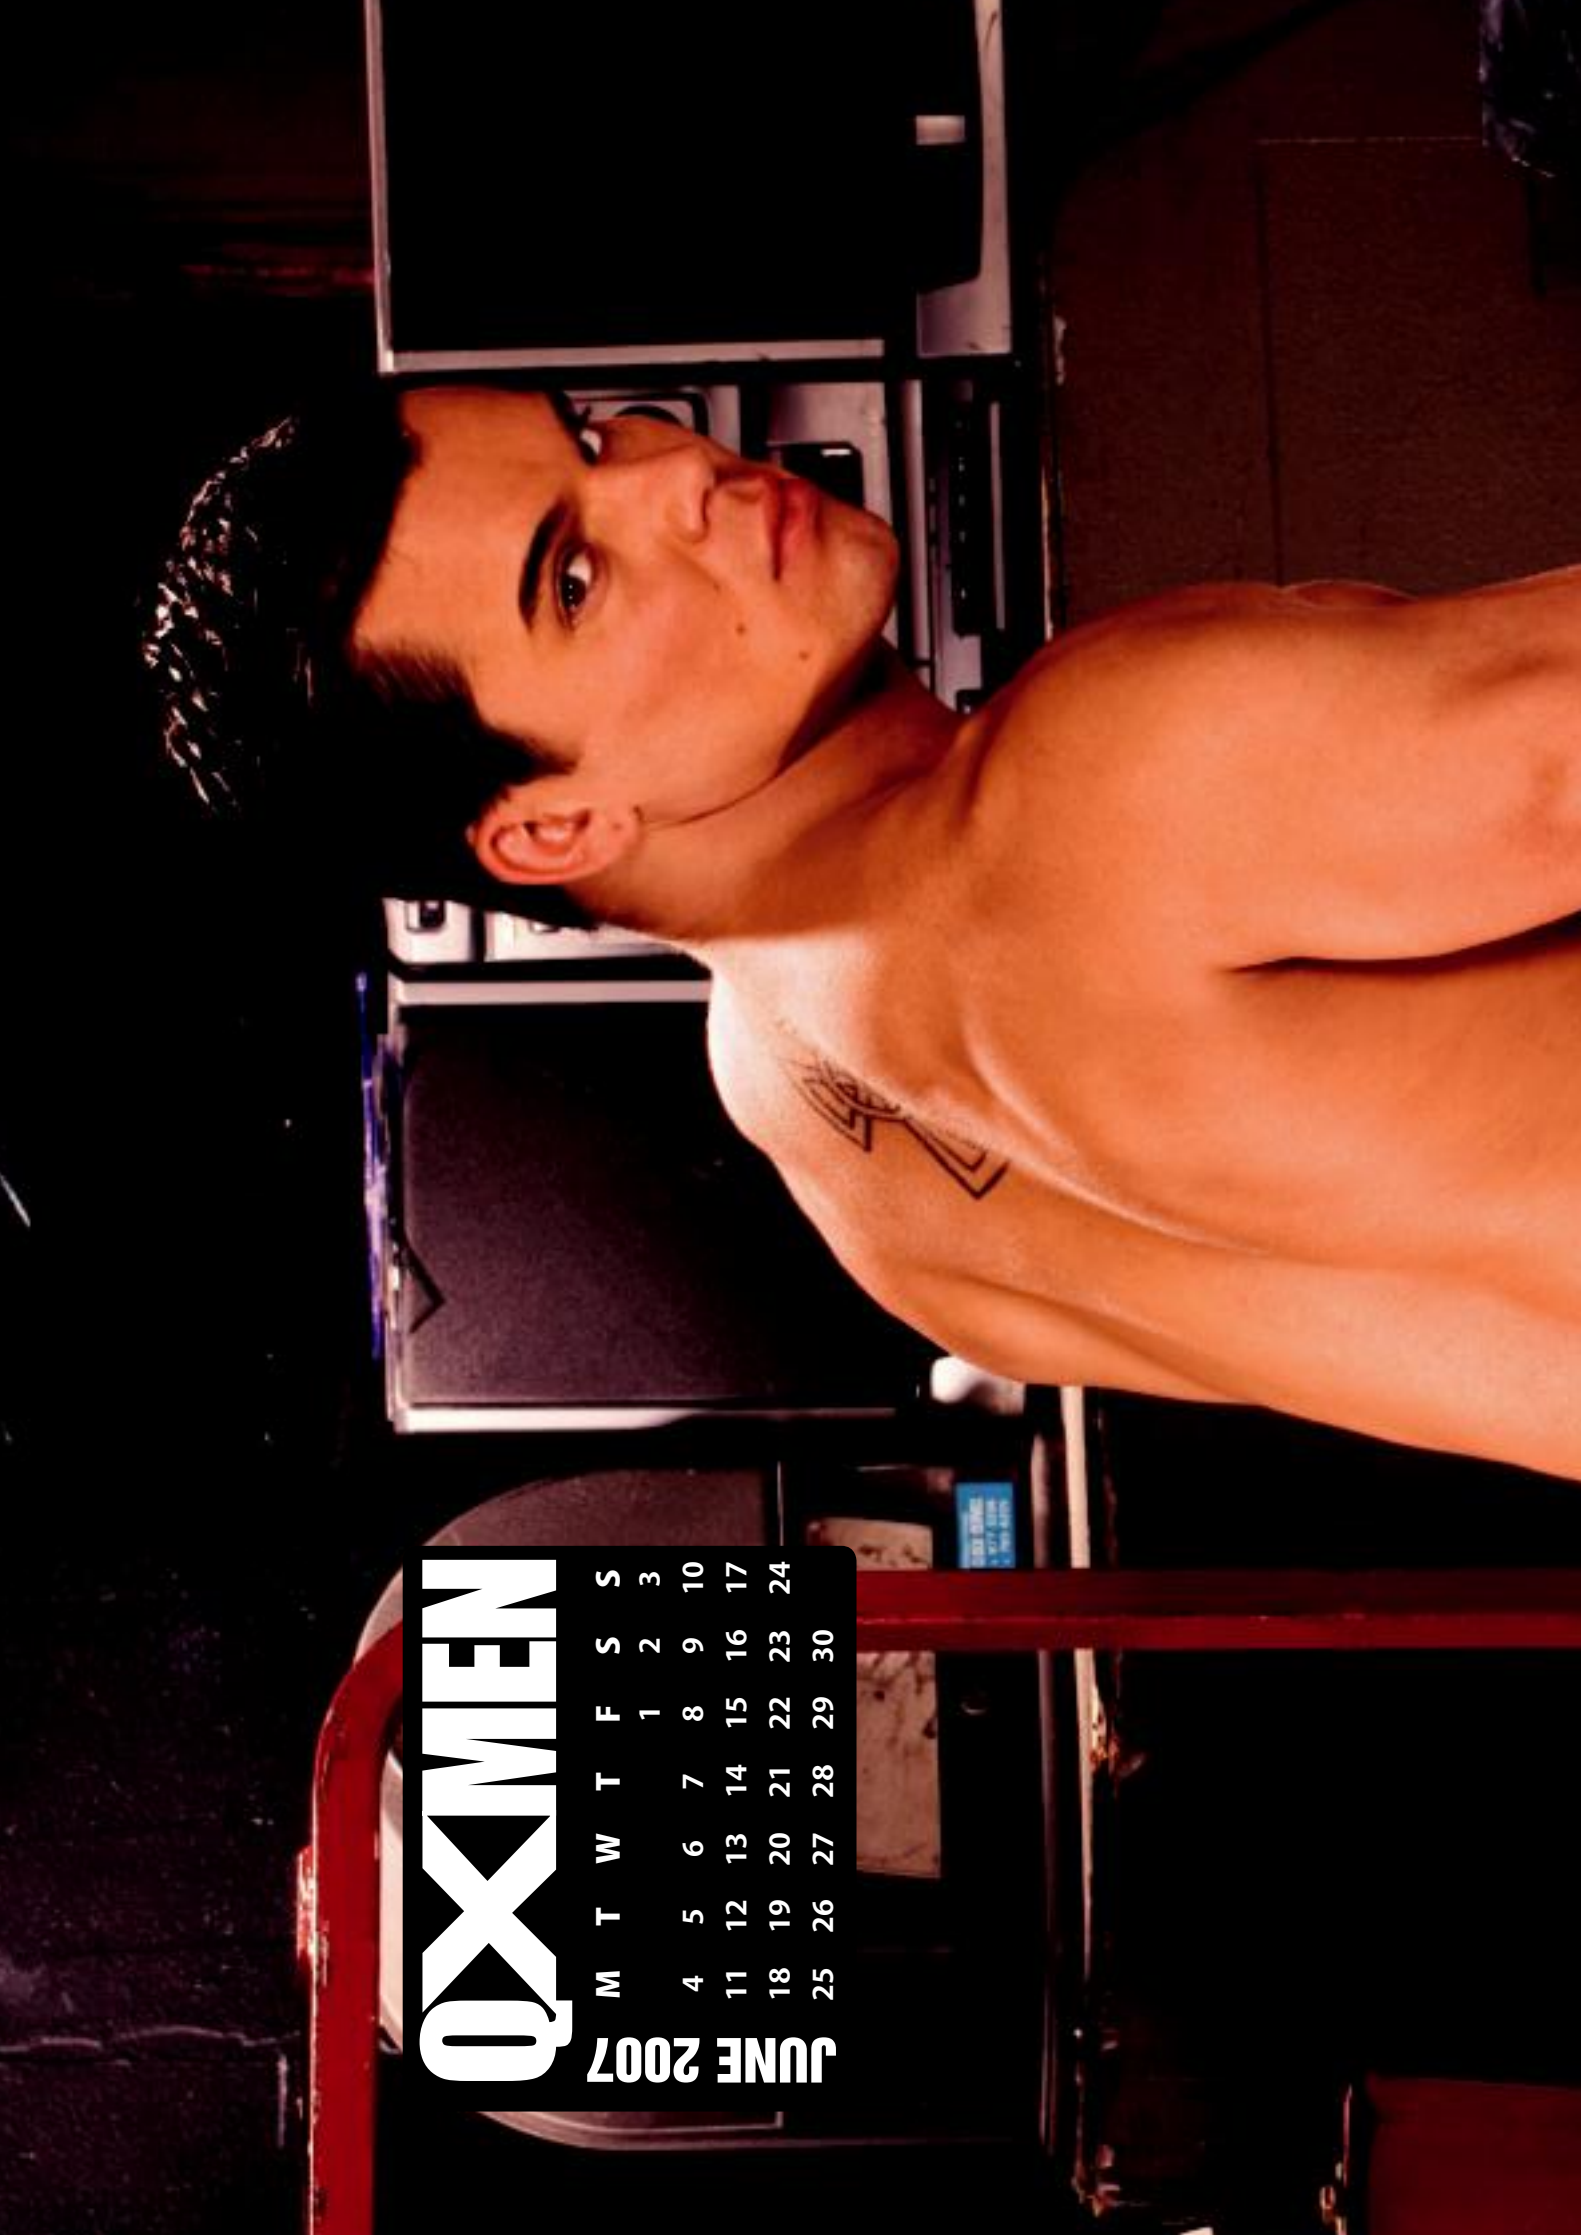

- The company has three offices: New York, Los Angeles and Madrid.
- It has produced, hosted and sponsored more than 250 events around the world including Gay Pride festivals, parades, expos, street fairs, Gay Games, exhibits, plays, awards shows and concerts.
- Rentboy.com created 'Hustlaball' early in 1998 and hosted the first event at legendary hustler bar Stella's in New York. There have been 16 Hustlaball parties to date in New York, LA, San Francisco, Las Vegas, London and Berlin.
- Rentboy.com has featured in over 50 international magazines.
- Rentboy.com has won 12 awards (including 6 Cybersocket Web Awards) for Best Escort Site, Best Content, Best Graphic Design and Best Adult Website.
- Rentboy.com hosted the first International Escort Awards in October 2006 at the legendary Roxy in New York.
- Rentboy.com has brought together more than 50,000 models, escorts and porn stars.
- Rentboy.com created RentUniversity with HookOnline to help escorts with health care, legal issues, finances, future planning and other serious life issues.
- Created Rentboy features such as RentboyConfidential (run by Brandon Baker), RentboyCinema (run By Maleflicxxx), the essential Personals section, an up-to-the-minute updated events section and of course, the very important Safe Sex section (run by HookOnline).

## But it hasn't all been plain sailing, Rentboy.com has survived through:

- Major police raids against escorts in New York in the late 90s.
- Being sued by Hustler Magazine's Larry Flynt for using the word "Hustler" in Hustlerball and settled by using Hustlaball (2001-2002).
- Being mentioned in Mayor Rudy Giuliani's last State of the City speech (2001).
- Giving a CBS prime time interview on the state of escorting a week before rentboy Mike Jones ousted Christian Rights leader Rev. Ted Haggard (2006).

## He shoots, he scores!

Back in April, QXMEN donned trakkies and trainers adopted our best chav don't-give-a-fuck attitude and got down and dirty at 'Shoot!' the hugely popular monthly sportswear fetish night.

Teaming up with fellow sportswear-worship night Scally Ladz, it was set to be a weekend of bulging trakkies and sweaty off-the-pitch action. Operating a strict door policy both these hugely successful nights attract well over a hundred guys to each event. And while many sportswear fetish clubs have jumped on the "trakkies and trainers" bandwagon, Shoot! and Scally Ladz have stayed true to their roots by

sticking to their rigid dresscode and remaining devoted fetish/cruise nights.

On any of the nights you can see a huge assortment of various football strips, rugby kit, even boxing gear. From young guys just exploring London's gay scene for the first time to seasoned cruisers, Shoot! packs in a great mix of horny up-for-it guys with one thing on their minds... hard tackle!

# THE HOLE

## NOTTINGHAM'S NEW MAN BAR

Nottingham is getting a new bar, but with a difference; it's men-only. The Hole opened on Thursday 24th May to a packed crowd of sexy blokes, and offered an altogether darker feel to the evening. With plenty of drink and a spread of free food the night was enjoyed by all. Aimed at the slightly older crowd, this bar encourages customers to explore their darker side. QXMEN took a moment to talk to the manager, Steve Elliott, to find out more.

### **QXMEN: Why a 'men-only' bar?**

Steve Elliot: There is already a great deal of diversity on the Nottingham scene, but for me, it lacked the buzz and charged atmosphere that only a man bar can offer. Having frequented many bars in London and Europe, I wanted to bring a taste of that to the Midlands.

### **So would you describe THE HOLE as a cruise bar?**

Yes, it is the perfect environment for blokes to hang out and meet other horny blokes - but I'd like to make it clear that it is not a sex bar, and there will be no darkroom. We are simply providing that 'buzz' I mentioned.

### **How will you tackle comments about the 'men-only' aspect of the bar?**

There are already a few men-only and ladies nights on the scene here. All of which are successful and enjoy a good reputation. The Hole simply takes this to the next level, offering a more focused environment for guys, and a chance to develop various themed nights, and even introduce dress code events.

### **So what do you have planned for The Hole?**

We have a number of nights up our sleeve, the first of which is a dress code night called 'Gear', which is your opportunity to wear whatever gear you're into. You can check our website for all the dates and details. We will also be hosting a couple of events for the 'Grizzly Bear Event', Nottingham's first ever bear weekend, running from Friday 27th - 29th July. Details on that are at [www.grizzly-nottingham.co.uk](http://www.grizzly-nottingham.co.uk). Beyond that, you'll have to wait and see.

**The Hole is situated above Niche (entrance on Convent Street); one of Nottingham's leading gay bars [www.niche-bar.com](http://www.niche-bar.com). So if you're a bear or a skinhead, into leather or football kit, or just a man who likes to be in the company of other men, make sure you try out The Hole.**

**Opening times: Thursday & Sunday 7pm – midnight, Friday & Saturday 7pm - 2am. No Door charge.**

# Don't like kit? You'll love our site

## sportlads

Sportlads.co.uk has over 140 men in soccer kit, rugby gear, speedos, socks, jocks and trackies. If you like kit, you'll cum in your shorts. If you haven't got a thing for kit, have a look at the men in the free area of our site. You'll recognise a lot of them from other sites like BM and EL. What you might not know is that many of them - like JohnnyB, Kallum, Tim, Matt and Gabriel - worked for sportlads before they worked for these other sites. See our newest models on other sites one day soon! Unlike BM, we can't boast about a cybersocket award. And know what? We don't give a shit, 'cos we never heard of cyberwotsit and neither have you! What we have got is a lot more models on sportlads (140 v 85). And we charge less than BM (£8.50 v £14 for a month's non-recurring membership). And that IS something to boast about. By the way, cuming in your shorts saves your keyboard and is a lot hornier than tissues....try it! [www.sportlads.co.uk](http://www.sportlads.co.uk)

## Fifty Years of Tom of Finland

**2007 marks 50 years since Touko Laaksonen published his first image in American magazine Physique Pictorial under the alias Tom of Finland. The impact his work has had on contemporary art is colossal. Tom's work is a bold unapologetic celebration of homosexuality: men having sex with other men.**

To mark this auspicious 50th anniversary, the Tom of Finland Foundation and Taschen Books are working together on a gigantic coffee table book entitled 'Tom of Finland'. Because Tom was so prolific early in his career; and the documentation of his works so sketchy, some of his art has been lost or stolen over the years... or given away – it is said Tom would often give away artwork to promote bike clubs and events.

If you think you may have any original art or reproductions of Tom of Finland's work then please get in touch with the Tom of Finland Foundation. Speaking to QXMEN, Foundation Director, Durk Dehner, said, "England was a stronghold of Tom fans from the early 50's onward, so listen up mates; if you think you have anything that is like a Tom of Finland, perhaps a magazine with an image in it you've never seen reproduced elsewhere, a poster or maybe, just maybe, an original that has never been documented, get in touch with us. Help us find and save just a bit more of his legacy."

Four lost originals were discovered in Finland last year when the word was put out for lost Tom of Finland artwork, so let's hope that the UK can unearth some treasures for the new book and the Foundation. If you think you have a "lost" Tom of Finland artwork, email [ddehner@tomoffinlandfoundation.org](mailto:ddehner@tomoffinlandfoundation.org) and you could make a valued contribution to the forthcoming book, enriching a hugely influential era of gay history.

## Look like a Tom man! New official Tom of Finland outfits now for sale

**"I almost never draw a completely naked man. He has to have at least a pair of boots or something on. To me, a fully dressed man is more erotic than a naked one. A naked man is, of course beautiful, but dress him in black leather or a uniform - ah, then he is more than beautiful, then he is sexy!"** said Tom of Finland.

And now you too can look like a Tom hunk as the Tom of Finland Company has teamed up with California-based store '665leather' to create an official uniform line.

## Pump Up The Volume

Does size really matter? Well according to Body Images, it does. Their extensive global research they found that 80% of men surveyed were unhappy with the dimensions of their tackle. Whether gay or straight, what all the dissatisfied guys had in common was that they felt they could not satisfy their partner and sooner or later their partner would stray. Here at QXMEN we say, invest in a dildo. And a double ender at that! Body Images is highlighting this research to promote its 'Mustang' and 'Superstretch' cock enlarging systems, which are designed and manufactured in the UK and exclusively distributed by the company. The Mustang works solely on vacuum alone while the Superstretch works by combining vacuum and weight stretching. Mustang starter kits costs £95, the minivac pump £36. Lube, Mustang conversion collar, dual cylinder connector all come to around £47. Additional Mustang cylinder packs costs £45. The Superstretch system costs £160. Additional Superstretch cylinder pack costs £60.

Gill Henshaw of Body Images said, "The feedback form satisfied customers worldwide proves that penis enlarging really does work and if used on a regular basis significant results are achieved not only with increased size but with more sensitivity, making sex a much more enjoyable experience." Unhappy with the size of your John Thomas or simply want to engage in some kinky enlarging fun? ## [www.gayteenpicplace.blogspot.com](http://www.gayteenpicplace.blogspot.com)

If you like your meat still clucking then this website has an open hatch on the chicken coup. Basically a blog site set up by an enthusiastic porn lover, this is aimed at those who like them young and hung. The blog itself is updated regularly and features tons of free galleries that usually lead to a website that features even more images. More importantly, the blog has a whole array of reviews about various websites from where the images are lifted from. Many of the sites we already know about having already being covered in Cock Bytes. If the current news on the blog isn't enough to get you all moist in the southern regions, then there are plenty of archives to explore. While we are on blogging, also check out [www.sexblogdump.com/gay](http://www.sexblogdump.com/gay). This is a portal site to various gay blogs ranging from 'anal twinkles' to 'hairy boys videos' and onto 'gay medical fetishes'. Although some of these blogs are nothing more than a ruse to lead you to various porn production websites, others are from people who may have too much time on their hands and just want to share their big-gay-sexploits with the world. In any case, there's plenty of wank fodder to be had.

## [www.gayass.tv](http://www.gayass.tv)

**Gayass.tv** proudly claims "We love it from behind" and with a mission statement of "Gayass.tv is dedicated to all the guys who love a good piece of gay ass. Made by gay ass porn lovers and dedicated to gay ass men", we are up for some anal-exploring. Like so many other sites we've stumbled upon, this is more a portal site with one thing on its mind! Clicking on images will lead you to websites like [www.rearstable.com](http://www.rearstable.com), [www.rrgalleries.com](http://www.rrgalleries.com) and more personal websites (but still full of porn) such as [www.evanrivers.com](http://www.evanrivers.com). In fact, once you start clicking it's like a rabbit warren of porn sites popping out at you from every direction. It's a glory hole world of cock, because sometimes you just don't know what you're going to get. This site leads to plenty of pics and plenty of video previews, but all the affiliate sites that they link to have one thing in common, to get you to sign up to a subscription, but they do offer you some dickicious enticements.

## [www.hardsext toys.co.uk](http://www.hardsext toys.co.uk)

Are you a dirty ass queer fucker? Well, at [www.hardsext toys.co.uk](http://www.hardsext toys.co.uk), they like to think so and provide you with all the essential lube, toys and gear that turn you from just a pig to a dirty pig. Their online website mails out your selection in plain wrapped packaging so that order for a 13 inch dildo will go virtually unnoticed! Whatever you're into, [www.hardsext toys.co.uk](http://www.hardsext toys.co.uk) will most likely have it - from electro equipment to the most basic of cock rings. We were quite taken by the 'sperm stopper' which sounds a little uncomfortable, but at the same time exciting (kinky, me?). This site is obviously aimed at those who have a taste for adventure, but for the more vanilla lickers out there I'm sure you'll find something on here too.

## [www.lucasentertainment.com](http://www.lucasentertainment.com)

Lucas Entertainment is a porn producer who has recently been in the spotlight due to his porn flick 'La Dolce Vita' which not only was nominated for 14 GayVN award categories but also won them all. Does this make it a good porn flick? You decide. Check out the website which also features video streams and stills. Membership is required to access parts of the site.

If you have a website that would be suitable for this page, then please let me know by dropping me an email at [brent@brentnicholls.com](mailto:brent@brentnicholls.com). Commercial sites, personal homepages, free galleries are all welcome.

## Ten Tips on being a better top

YOU MAY THINK YOU'RE THE BEST FUCKER AROUND  
BUT THERE'S ALWAYS ROOM FOR IMPROVEMENT!

BY DR ALEX VASS

### TIP 1: Know some anatomy

A few centimetres inside of the arse is the prostate gland. It's the equivalent of the female G spot and when massaged, with either a finger or a cock, it can cause incredible sensations. In fact some guys can orgasm by just having their prostate massaged! Find it by inserting a finger about 4-8cm inside the anus and toward the belly button.

### TIP 2: Know some more anatomy:

There are two anal sphincters called the external and internal sphincters, that control 'entry and exit' - of faeces, and cock. The external one is a voluntary muscle so you have some control over it. For example you clench when you try not to fart. The internal sphincter is an involuntary muscle and so you have very little control over it - it just works automatically. Whilst both muscles can stretch very wide the internal sphincter naturally tenses up when it detects anything inside it. It does relax to let faeces out, or a cock in, but it takes up to 30 seconds.

### TIP 3: Being clean.

Whilst you may want your partner to be clean, douching is rarely a good idea and if you want him to do it he should only ever use a small bulb douche with plain, clean water at body temperature. The lining of the arse is very sensitive and so adding things to a douche will irritate it. Usually having a healthy diet full of fruit and veg will make the faeces bulky enough that if he has had a dump before sex the rectum will be pretty clean anyway.

### TIP 4: Warm him up

Gently playing with his arse by rimming or fingering him will help his sphincters relax. Trim your finger nails, as the lining of the arse is very delicate or better still wear a pair of latex gloves. Now you know where his prostate is massage or flick it gently and see his reaction.

### TIP 5: Condoms and lube

Getting fucked without a condom is the biggest risk factor for catching HIV and the most common way that gay men pick up the virus. All other sexually transmitter infections, including gonorrhoea, Chlamydia, warts and syphilis can also be picked up or passed on through unprotected anal sex. Using condoms can reduce your chances and change your condom every 15 minutes as after this time they can weaken and break. Pre-cum contains the HIV virus and so it is important to use condoms from the very start of anal sex. Although the arse does make a small amount of anal mucus it is not enough for fucking. Remember to use water or silicon based lubricant if using latex condoms. Oil based lubes on these condoms will weaken them.

### TIP 6: Go slow

Once you are ready to fuck him push your penis slowly against his arse. Get him to push out slightly as if he is going to the toilet as this helps the external sphincter open. A few centimetres, in notice the slight resistance you feel, and pause. This is the internal sphincter. This muscle takes time to relax but with a little patience you will soon feel your dick sliding deeper into his arse - and you won't have caused him pain or injured the muscles of his arse.

### TIP 7: Hands of his cock!

It is tempting but don't work his cock as you penetrate him. If you do his anal sphincter is more likely to tense and so not let you inside.

### TIP 8: Length versus girth

A lot of the pleasure he gets when you fuck him comes from you stimulating his prostate that is just a few centimetres inside the arse. A long dick is often no better at doing this than a shorter one! A longer dick can also knock into the natural curves of the rectum that can be very painful. So if you have a long dick take your time to slowly nudge these curves straight or get him into a position where the rectum is naturally more straight - so that's with his knees drawn up say squatting over you or on his back or side with his knees drawn up. If you are a big boy then your partner may only be able to take part of you inside - or not at all. You will need patience because forcing him and causing him pain will just make the situation worse. Try using anal dilators and start small and slowly work up to the size of your dick. With time he will soon be able to accommodate you.

### TIP 9: Aim for the target

Now you know where his prostate is angle your dick so that it can rub up against it as much as possible. Put him on his back and hold his ankles or pump him with him on top of you and leaning forward. And once you are both comfortable you have lost of positions - or places - to try out.

### TIP 10: Drugs and sex

Whilst many guys use drugs to enjoy anal sex they can affect your judgement and deaden pain sensations causing you to damage his arse (or your cock) by being too aggressive or by having sex for far longer that you would usually.

### And an extra tip for nothing: RESPECT HIS

With time and experience, men can learn to take very large objects up their arses, but there is a limit. Anything that goes up your arse has to go through the pelvic opening, which is about four to five inches across (diameter). So respect his limits and go at his pace. If you use toys never put anything in his arse that you can't keep hold of and nothing that is breakable either.

# Your Shout...

Have you got a comment, a filthy story or even some horny pictures that you'd like to share with QXMEN? Email [qxmen@qxmagazine.com](mailto:qxmen@qxmagazine.com)

Dear QXMEN,  
I used to only pick up a copy of QXMEN whenever I got the chance to go to the sauna in Bournemouth. Then last month I decided to take out a subscription so I'd never miss out on a copy. Low and behold, at the beginning of May, a fresh copy of QXMEN (hot off the press) popped through my letterbox in discreet packaging (If only my postman knew what guilty pleasures were hidden beneath the envelope he'd just delivered!) I wish I'd taken out a subscription much earlier as it's great to get to read a brand new copy of QXMEN and not one that's been flicked through by the wet (and sometimes sticky) fingers of the guys down at the sauna. And it was so easy too! I just called the number at the front of the magazine and young Michael (a very nice man) took down my particulars and arranged my subscription in a couple of minutes... And only £18 for twelve months - what a bargain!  
Ryan, Swanage

Hi Ryan,  
Glad you've taken the sensible option and arranged a subscription as we've heard that they run out fast in the pubs, clubs and saunas around the country. I hope you enjoyed this month's QXMEN being pushed through your slot.

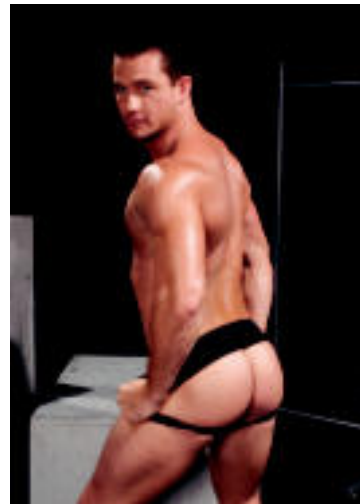

Dear Editor,  
I read QXMEN every month and I'm always fascinated (and often

alarmed) by the new types of sex toys on offer for today's metrosexual homo. I remember when a dildo looked like a dildo - something that at least resembled an erect penis. Nowadays, they all resemble something that wouldn't look out of place in an episode of Dr Who! They're made from polished titanium or brushed aluminum and have flashing neon lights and all manner of control buttons to press. I'm sometimes not sure if I'm meant to stick it up my hoop or use it to open a secret star gate to a parallel universe! All I can say to the men out there who experiment with these modern day boys' toys is you're braver men than I am.  
Yours, David, Berkshire

Hi David,  
We know what you mean. When some of the new contraptions arrive at the office (for us to give our professional opinion on, of course!) we're often perplexed as to whether it's a back massager or a vibrating torch! But of course, as we're sure you'll agree, there's nothing better than the real thing, is there?

Dear QXMEN,  
Jockstraps, jockstraps, jockstraps! God, there's nothing better than a fit guy in a jockstrap. I just love to see a huge bulging handful at the front and then, round the back, a cute, tight bubble butt strapped in tightly by two strips of elasticated cotton. Mmmmm,

it gets me going every time. After reading your review of Jockstrap Orgy in last month's QXMEN I went straight out and got a copy from my local Prowler store and I wasn't disappointed. Men in jocks getting down and dirty - I'm in heaven! Thanks.  
Miles, Stockport

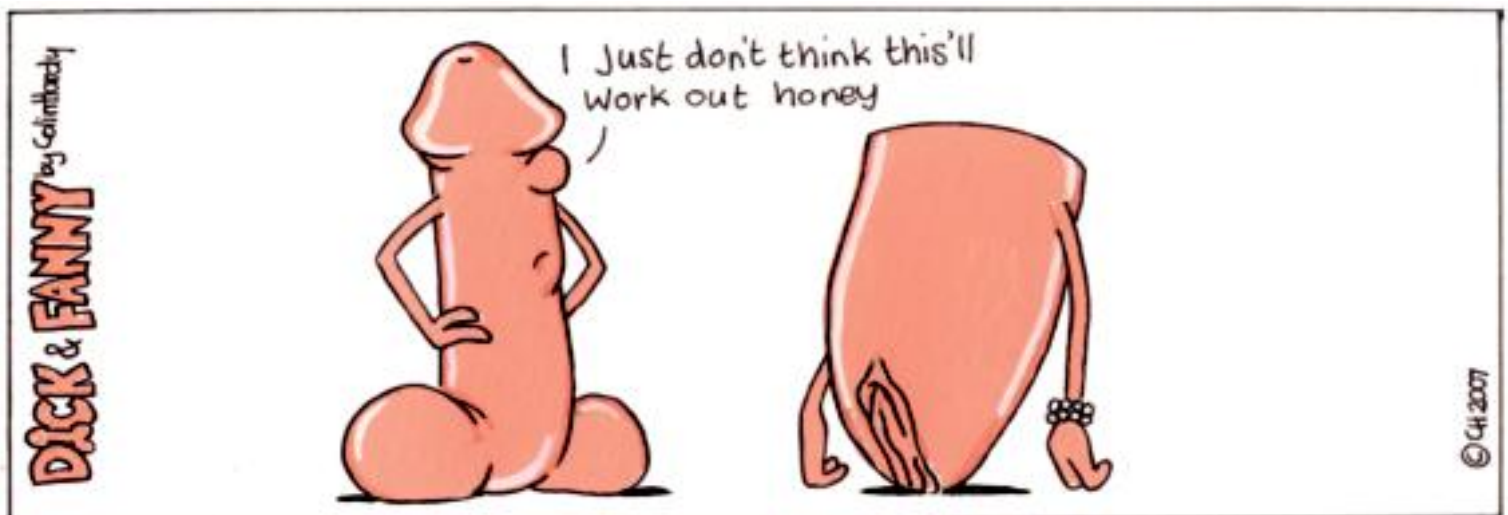

Yep, you certainly can't beat a jockstrap to show off a hot guy's best asset. That is, though, if they've got a nice arse to show off in the first place. Come one, we've all seen those guys at fetish clubs in a jock who either have an arse not dissimilar to your Auntie Doreen's that time on the beach in Magaluf (and she was 28 stone and didn't wax!) or - at the other end of the scale - the guy's jock is hanging round his knees and his arse cheeks looks like two empty pillow cases... You've got to admit, only youth and muscles can really get

away with looking hot in a jock. Let us know what you think though and if you've got a hot pic of you or a sexy mate in a jockstrap then email it in to QXMEN@QXMAGAZINE.COM and we might just publish the best ones.

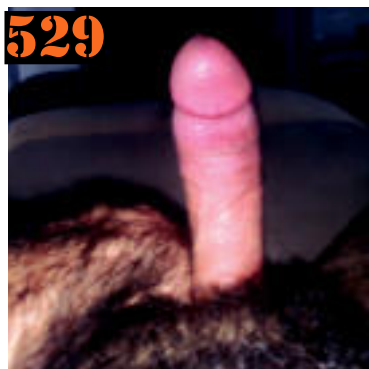

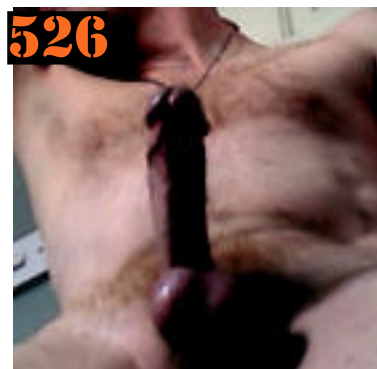

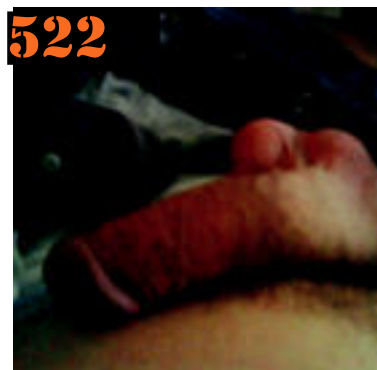

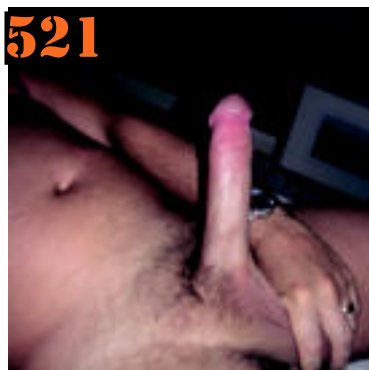

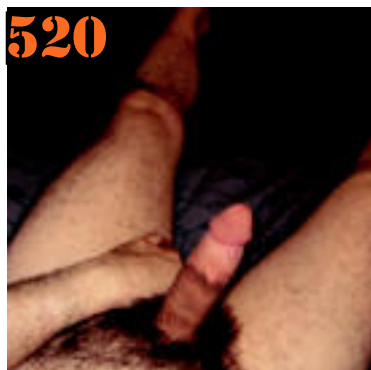

Dear Sirs,  
Two words... 'Jake Havoc'... And now another two... 'Thank you'... QXMEN, you bring to a little light to the dull and rainy days of my life. If I were sixty years younger I'd be on a plane to Savanna, USA just to be closer to him. Keep bringing us the cuties!

Geoff, Tamworth

Dear Geoff,  
Jake Havoc has become somewhat of a pin-up in the QXMEN office. We hope to see a lot more of him from Studio 2000 soon.
