# Welcome...

To August's issue of QXMEN.

This month it seems it's all about getting behind the camera as much as being in front of it. We have an exclusive interview with the legendary Matthew Rush, who has made his directorial debut for Falcon. Blatino superstar, Tiger Tyson, also an actor and director, gives us the low down. We are extremely lucky to have been able to get an interview with Peter de Rome "the Grandfather of Gay Porn". We also get a sneaky peek behind the scene of Roland Dane's latest offering for Olympus/Colt.

Roman Ragazzi, this month's centrefold, caused quite a stir in the States when he was "outed" from his job at the Israeli Embassy in New York. The Raging Stallion Exclusive tells all. We review some of the latest DVD releases, everything from the twink-ish 'Tour de Fuck' to the jaw-dropping 'Folsom Leather' from Titan Media. The Show, a reality TV style collaboration between Dark Alley Media and Pitbull is simply

awesome.

Well, at least if the weather outside isn't awe-inspiring, you can turn up the heat indoors.

## **QXMEN goes behind the scenes with Olympus on the set of director, Roland Dane's, latest film.**

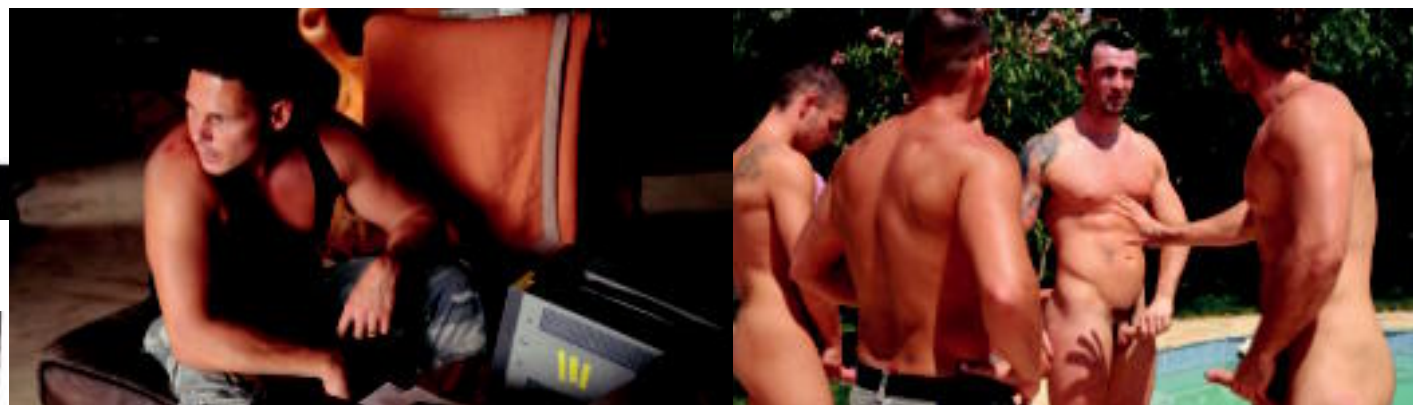

Hungarian born model and director Roland Dane has worked with Falcon and Studio 2000 and is now heading up the new Olympus line from the world famous Colt Studio Group. Mixing western European and American guys with Hungarian and Czech guys, Dane's latest offering boasts a truly international cast. In a recent interview with QXMEN, Dane said, "I will have the most international cast in this movie I have ever had: two guys from the UK, two from Spain, two Czechs and five Hungarians."

Dane's latest release, 'Casting Couch' starred world famous porn stars, Brad "the rhinoceros" Patton and Brian Hansen. It was an honour directing them. They are very smart, professional people." Says Dane.

The story line for 'Casting Couch' revolves around the production of a prime time soap opera in Budapest that will star an American celebrity and tabloid subject. Paton plays the celeb, Hansen the producer. The cast enacts roles behind the scenes and on the set, giving the story an interesting depth of storyline and varied characters.

Always charming, twenty nine year old Dane is fast becoming a mover and shaker in the porn world. The pictures you see are behind the scenes shots from his third, as yet unnamed, Olympus film. We wait in anticipation to get our hands on a copy.

**Outed at work, Roman Ragazzi left his job at the Israeli Embassy, causing a huge stir on blog sites around the world. The incident even made the gossip column of the New York Post. With two scorching hot films behind him, Miami and Tailpipes, and now a Raging Stallion Exclusive, QXMEN chats with the mild mannered handsome hunk who's taking the porn world by storm.**

**HOW OLD ARE YOU?** 34

**HEIGHT:** 5'11"

**WEIGHT:** 200 lb

**DICK SIZE:** 9 x 7 inches

**WHERE WERE YOU BORN?** In the north part of Israel.

**WHERE DO YOU LIVE NOW?** New York

**WHAT'S YOUR ETHNIC BACKGROUND?** I'm 100% Israeli, my family has been in Israel for ever, for hundreds of years. I guess if you want to know what people looked like thousands of years ago in the Holy Land, you should take a look at my family.

**HOW DID YOU GET INTO PORN? IS IT TRUE YOU**

**WERE DISCOVERED BY COLLIN O'NEAL?**

I'm a very sexual guy and I LOVE sex. I always wanted to do porn it was a fantasy and something very exciting for me to do, but for a long time I was in a relationship and so I didn't act on it. Eventually I became single and I decided that I should do it. I called my friend Collin and told him I was thinking about it. He was very excited and I think a little surprised, since he knew I was with a boyfriend for a long time. I am very much b.f. material.

**YOU'RE AN EXCLUSIVE TO BOTH COLLIN O'NEAL PRODUCTIONS AND RAGING STALLION. HOW DOES THAT WORK?**

Collin and RS have been working together for a long time and Collin thought it would be very good for my career if I worked with both of them. I completely trust Collin in these matters, since he's a smart guy and I'm new to this world.

**WHICH FILMS HAVE YOU BEEN IN TO DATE?**

Until now I've been in two movies, Tailpipes and Miami, but I am working on a movie right now. I think they get better every time.

**ARE YOU TOTALLY VERSATILE OR DO YOU HAVE A PREFERENCE?**

I am completely versatile – I LOVE sex – and it doesn't matter if I am a top or a bottom as long as there is a lot of passion. When I am a bottom it is really about the guy I am with. I like well hung guys, sure, who doesn't? But really it is all about a good connection between us. The personality is much more important and much more a turn on for me than anything else.

**WHAT WON'T YOU DO ON SCREEN?**

I don't have rules about what I would do or what I will not do on screen and in life – I do everything that I feel comfortable with as long as I don't hurt anyone else or myself. I can definitely tell you this: I am NOT going to do unsafe sex! To all those guys out there that think it is hot, go volunteer in one of the centres for HIV+ guys. It's really sad and not hot at all. Don't be stupid guys we must fight this disease, it's really bad and really ugly. To all the porn stars that do bareback movies, STOP doing it. You are encouraging young guys that look up to you to do it as well.

**HOW DIFFICULT IS IT TO STAY IN SHAPE?**

I have not always been big and muscular, but since the age of eighteen when I got into the army and the gym I just loved it. I love the gym, I can spend hours there. I always tell guys if you go to the gym do it because you like it, and if you don't, find a sport you do like.

**YOUR SCENE WITH REMY DELAINE IS HOT! TELL US A**

**BIT ABOUT FILMING TAILPIES.**

Remy and I had great sex. I forgot the camera was there until they said "cut!" It looks hot because it was hot. I had a great time.

**YOUR OUTING GOT A LOT OF**

**COLUMN INCHES, BOTH IN**

**THE STRAIGHT PRESS AND**

**INDUSTRY BLOG SITES.**

Just for the record I didn't do porn then. There was no movie, just a press release to one of the gay blogs that Collin O'Neal and RS signed a contract with a new model, and a few pictures.

**SO, LONG STORY SHORT, YOU WERE FORCED TO**

**RESIGN? ANY REGRETS?**

The diplomatic community in NYC were talking about it, all the big newspapers... the main media in Israel put me in the headlines "A scandal in the Israeli Embassy..." Since the New York Post published my full name and linked it to my picture, by law the Israeli newspapers can do the same, which they did.

So it's Monday morning, my mother picked up the paper at her front door, she takes one look at the headline and almost drops dead when she sees her young son. I can tell you that I had a really tough time with my family. I still do. My mother, father, grandparents, uncles, neighbours, friends that I grew up with, didn't know I am gay. But that's a long story. My brother and sister are really supportive, the ex boyfriend doesn't talk to me. I still don't talk to my mother, step father and grandma. I hope they will talk to me again soon.

I do not regret that I did porn. I did porn because I wanted to do it. I'm the only one that is going to decide how to run my life.

**WHAT'S IT LIKE WATCHING YOURSELF ON FILM?**

It's like looking in the mirror for the first time in your life. At first it is very strange and you see yourself in a completely different way and you see things about yourself you never saw before. But after a while you get used to it.

**ARE YOU A NATURAL EXHIBITIONIST? THERE ARE**

**RUMOURS THAT YOU'RE ACTUALLY QUITE SHY!**

I am. I am really shy. I always try to hide it because it makes me uncomfortable, but I am. When I do porn it's all about me and the guy, the camera is just a device that is in the room. Most of the time I don't even know it is there. I like doing porn. It's fun and a fantasy of mine for a long time. But if I had to do it on stage, I wouldn't be able to.

**WHEN YOU'RE NOT DOING PORN, WHAT DO YOU DO YOU**

**DO?**

I work as a real estate agent. I meet tons of people - a lot of gay guys, since my office is in Chelsea, New York. It's not easy to buy or rent an apartment, so you could say I'm in the welcome committee for those new gay guys that move to NY to find a place to live. It reels good to be the one that helps them move to the city or help a gay couple buy their first home.

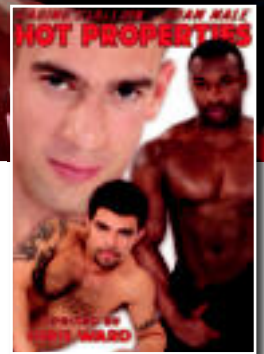

**WHERE DO YOU SEE YOURSELF THIS TIME**

**NEXT YEAR?**

Next year I hope to have my own real estate company. I am definitely going to be a better person. Hopefully with a boyfriend.

**WELL, WE'RE SURE  
THE OFFERS WILL BE  
FLOODING IN! GOOD  
LUCK.**

# HOT PROPERTIES

PRODUCTION: **Raging Stallion** • DIRECTED BY: **Chris Ward**

Marc Williams, one of the top black US porn stars, stars as a sex crazed real estate agent who has a lot more to show than just houses!

Marc's joined by former bottom boy for Falcon, Bobby Williams, and legendary sex pig, Troy Punk. RS exclusives Manuel Torres, JD Kollin, Pierce Daniels and Brandon Irons deliver brilliant performances, as do Jason Dean, Pete Ross, Danny Hunter, and sexy German actor/model Andreas Stich.

JD and Bobby kick off the film with a sizzling shower scene as roommate Danny Hunter (whose cock is massive) spies through the crack in the bathroom door and wanks.

Bobby gets his ass fucked royally and at one point is almost doing the splits as he gets pounded.

As Bobby is being shown a new apartment he meets Andreas. Star of several Cazzo films and having worked with Bruce LaBruce, Andreas presents his beautiful, rock hard cock to Bobby, who impales himself on it with gusto.

In the third scene Marc Williams is showing Jason Dean some country homes. On a spiral staircase Marc feeds Jason his prodigious man meat.

Back in the city the office is manned by boyish blonde Pete Ross. Latin stud Manuel Torres soon ensures talk of the housing market is short lived as he fucks Pete right there in the office.

The final scene pits two construction workers, Brandon Irons and Pierce Daniels, against the real estate team, Marc and Troy. Huge cocks, sweat soaked chests, big low hanging balls and eager holes make this a mind-blowing final scene.

Cigar smoking muscle bear Butch Grant and hairy stud Arpad Miklos shove their cocks down hot, furry TitanMen exclusive Alex Baresi's throat, and Alex rides Butch's fist, soaking his muscular forearm in elbow grease and butt juice.

Sexy, tattooed David Korben gets his ass eaten and fisted and gets fucked in a sling by burly Adam Faust.

In the final scene, smooth, ripped Tyler Saint spit polishes TitanMen exclusive Tober Brandt's boots using Tober's own spit and piss, then Tyler and

Rick tag team

Tober's beefy butt. And when you're done with the main feature, check out the bonus CD stuffed with more incredible fetish scenes, plus interviews of the cast, photo shoots and lots more hot and nasty man on man sex!

REVIEW  
MAD  
B

Some guys like twink porn, some guys like muscle men, some guys like the more extreme stuff. The phenomenal explosion in recent years of the bear scene and the incredible success of clubs like XXL, Megawoof, Chunk and Tonker, means that there is most definitely a demand for bear porn. Enter Bearfilms.com with the first volume of amateur bears fucking on film: 'Spunky Bears'. These big, horny boys just love to suck, rim, fuck and spurt all over each other.

Ensuring that the cast really does have something for everyone, there are hairy bears, chubby bears, older daddy bears, younger bears and even a spunky "Wolf".

The cast includes such great guys as Lance Bearington, Ourson Swells, Ted Baer and Peter Rimswell (and he does!). There are fourteen grizzly guys appearing in over two hours of no-holds-barred man sex. Big, tattooed Harley Michaels does a great solo and starts off going through his extensive tattoos. For lovers of tats this is a real turn on.

A pleasant change from the usual buffed and bronzed porn actors, these guys deliver totally natural, unscripted performances as they suck big bear cock and stuff chunky dicks into furry holes.

Poor Goldilocks, she doesn't know what she's missing!

# TRUSTTRUSTTRUSTTRUSTTRUS

PRODUCTION: **Alphamale Media** • DIRECTED BY: **Maxwell B**

The guys at Alphamale Media have been going at it hell for leather, churning out some great hot Brit-produced porn of a top-notch standard. Starring Jamie Brian, Luc Bonay, Brock Hatcher, Hank Dutch, Tom, Mick, Ross Stevens and Steve Masters, 'Trust' features real hard, blokey men that are actual real life couples. With each scene you get a mini interview with the guys, telling how they met, what attracted them to each other and how they became lovers.

The sex is uber hot as there is obviously a real connection between the couples: real chemistry and intense electricity. The couples have decided to dispense with the condoms and go au natural, hence the title of the

film 'Trust'. Check out these hunky muscle men as they get each other off with deep cock sucking, ravenous ass eating and butt-banging bareback anal action.

But remember, sex without a condom leads to the spread of HIV and STDs, so think before you fuck raw. Can you trust someone that much?

# TOUR DE FUCK

PRODUCTION: Euroboy Sport • DIRECTED BY: Monaco

Titles from Euroboy's Sport line have covered randy footballers, horny tennis players, insatiable rigger buggers and locker room action that involves sweaty jock straps. This latest offering is aimed at cock-centric cycle fans. Shot in Argentina, this lycra-clad lust-filled sex fest stars Lukas del Plata, Michael Amerika, Fausto Del Miedo, Brian Colt, Paulo Paz, Reese Dagle and Federico Gaccia.

Michael pulls off the road – looking a little saddle sore. He gets chatting to Brian Colt. Few words are exchanged and inside a shed they both strip down for a hot afternoon

session. Michael keeps his helmet on while he's sucking cock. Safety first!

In the next scene Lukas and Reese head off the road and find a discarded barn. Lukas keeps his cycle top on as Reese strips off his cycling shorts and rims his ass. Then Lukas tops Reese, fucking him from behind.

Michael needs to oil his bike and pulls up to chat with Paulo Paz.

The action moves indoors and soon Michael's fucking Paulo on the kitchen table. He then pulls out, flips Paulo over and rims his ass.

This gets Paulo rigid and he bends Michael over and takes his turn returning the favour.

Federico shows what a great bottom he is in scene four, taking Fausto's magnificent cock with ease. He takes it from all angles before getting a creamy load on his face.

In the final scene, Paulo and Lukas team up. Lukas plows Paulo and shoots his load. He then offers up his saddle for Paulo.

Just don't cum on that prized yellow jersey!

DVD extras include a cumshot compilation and other Euroboy Sport trailers.

# THE SHOW

PRODUCTION: **Dark Alley Media & Pitbull Productions**  
 DIRECTED BY: **Matthias von Fistenberg**

10 contestants, 2 judges, 1 grand prize!  
 Filmed in a reality TV format in a gothic 50-room mansion, The Show is a groundbreaking collaboration between DAM and Pitbull. A production of immense magnitude, it combines spontaneous action with a superstar ethnically diverse cast. The Show stars Owen Hawk, Tiger Tyson, Matthias von Fistenberg, T. Malone, Collin O'Neal, Camron, Gabriel Sinclair, CJ, Komplex, Double R, Mario Cruz and Supreme aka Castro.  
 Here's the premise: von Fistenberg is young, hung and stinking rich – and he wants a new boy toy. So he decides to host the ultimate sex elimination contest. The prize \$10,000 a week allowance, a car, a jet and live in the mansion! Buckle up and prepare to blow your wad (many times) as ten eager contestants blur real life drama to give the performances of their lives, tested to their limits with gangbangs,

orgies, man-on-man action... even a latex fashion show. Judges, real life porn superstars Owen Hawk and Tiger Tyson (see interview overleaf), have the enviable task of putting the contestants through their paces. First, all the bottoms get fucked by Tiger Tyson. The winner picks who he wants to get fucked by, the loser goes home. Next, the tops get eliminated. This time the five tops get to show their dominant fucks skills on

Owen Hawk and von Fistenberg himself. This scene is simply mind-blowing, as these two insatiable bottoms take huge cock after huge cock. Who gets eliminated? With just eight contestants left, about to be whittled down to three... you'll just have to wait for the conclusion in The Show Part 2!

TIGER

TIGER

BURNING

BRIGHT

**Tiger Tyson's done a decade in the industry and has over twenty five films behind him, both as actor and director. QXMEN catches up with the incredibly charming man who leads the way in Blatino films.**

**HOW OLD ARE YOU?** 29

**WHERE WERE YOU BORN?** Brooklyn, New York.

**WHERE DO YOU LIVE NOW?** Brooklyn - you can take the boy out of Brooklyn but you can't take Brooklyn out of the boy!

**WHAT'S YOUR ETHNIC BACKGROUND?** Blatino. Which means a lot of Puerto Rican with a little Black thrown in.

**HOW AND WHEN DID YOU GET INTO GAY PORN?** I started out as a stripper in clubs in New York. One of the other dancers asked me if I wanted to try making an X-rated movie and I said, "Sure, as long as it pays."

**WHAT WAS YOUR FIRST PORN FILM?** 'Sweatin' Black'

**HOW MANY FILMS HAVE YOU STARRED IN TO DATE?** I've lost count!

**ARE THERE ANY OF YOUR FILMS THAT STAND OUT FROM THE OTHERS OR YOU ARE PARTICULARLY PROUD OF?** All of the films I've made under the Tiger Tyson Platinum Series logo with Pitbull Productions. When I hooked up with Pitbull I was able to take control of my image, my name, direct and produce my own movies and have my own label. I guess if I had to pick a few films, 'Take Em Down' comes to mind since it has been the best selling DVD in our catalog and it's turning into a classic! Also, 'The Show Pt. 1 and Part 2' because it was honored by GayVN and won Best Ethnic video for 2007. And of course I totally love 'Tiger Tyson's Eiffel Tower: Paris is Mine!' which I starred in and directed last winter in Paris, France. Hopefully it is the start of an international line of films. I'd love to make one in London, and Amsterdam and Germany as well.

**FROM ALL YOUR FILMS, WHAT'S YOUR FAVOURITE SCENE?** Of course my favorite scene has to be the first time I bang out Supreme (aka Castro), a big top from Chicago in 'Take Em Down'. It was fun to watch him squirm - he's always in the driver's seat stuffing his 11-inch dick into guys so it was kind of fun to turn the tables on him!

**WHEN AND WHY DID YOU FORM YOUR OWN PRODUCTION COMPANY?** In 2003 with 'The Way You Like It' as my first film with Pitbull.

**YOU ANNOUNCED YOUR RETIREMENT IN 2004 AND THEN CAME BACK TO WORK FOR PITBULL. WHAT PROMPTED YOUR RETURN?** Actually I never really retired! I was misquoted.

**YOU WON A GAYVN THIS YEAR FOR BEST ETHNIC THEMED VIDEO. HOW DID THAT FEEL?** Incredible. I felt honoured beyond belief.

**IN THE UK, WE DON'T HAVE ANYTHING LIKE THE GAYVN AWARDS. HOW WOULD YOU DESCRIBE THEM?**

They are wild and so much fun. You have all the major studio executives, major porn stars, major directors all in one place at the same time and they are all drinking liquor so you see a lot of sparks fly. It's like one big party with a ton of gossip and strutting and bragging going on. It's totally cool.

**JUST HOW BIG IS THAT DICK OF YOURS?** 10.5 inches

**DID YOU ALWAYS KNOW YOU WERE WELL HUNG?** Not really. When you're growing up you don't stand around showing off your weenie to the other kids on the block, at least not where I come from. So until you actually see either nude photos of other guys with hard ons or you have a sexual encounter with someone who tells you it's big, you don't really have a frame of reference.

**HAVE YOU ALWAYS BEEN AN EXHIBITIONIST?** Oh yeah - I've always loved being nude. I used to get in trouble with my parents when I was a kid cause I was always taking my clothes off and wandering into the living room when they had company!

**YOU'RE ALWAYS TOP IN YOUR FILMS. HAVE YOU EVER**

**BOTTOMED?** Nope although there is a persistent rumor that I have! Put it this way, you won't see me bottoming in this lifetime and probably not in the next either!

**BESIDES YOUR DICK, WHAT WOULD YOU SAY ARE YOUR BEST FEATURES?** I'd pick my personality over my dick any day! I am easy going, get along with pretty much everyone, love to laugh and be funny.

**AND YOUR WORST?** I wouldn't mind being a little taller, but I don't consider that a bad feature.

**DO YOU HAVE A PARTNER, AND IF SO, HOW DOES HE FEEL ABOUT YOU DOING PORN?** I'm single and happy, no partner.

**WHAT TYPE OF GUY DOES IT FOR YOU?** Clean, good hygiene, I'm a clean freak. A good personality. A nice face. Good manners.

**YOU'RE SEEN AS SOMEWHAT OF A ROLE MODEL NOW FOR THE GAY BLATINO COMMUNITY, BEING RECENTLY CROWNED MR BLATINO. BUT LIFE HASN'T BEEN PLAIN SAILING. YOU DID A STINT IN PRISON.** Where I grew up in Brooklyn it was tough. I ran with a bad crowd. I made bad choices and fortunately got straightened out early enough in life to turn my life around. Many of my friends from the old days wound up dead or in jail for a long, long time. I got off the street thank God.

**AND NOW YOU'RE ON THE STRAIGHT AND NARROW, A FIRM ADVOCATE OF SAFE SEX AND STAUNCH OPPONENT TO BAREBACK FILMS. WHAT MESSAGE DO YOU HAVE TO THOSE PRODUCERS/DIRECTORS THAT PRODUCE "RAW" FILMS?** You are fucking around with people's lives and you are sending a message to everyone who watches your films that it's ok to have unprotected sex, that it won't hurt you. With the outrageous spread of HIV/Aids all over the world don't you think people in the adult business need to think more about what is right and wrong than about their profits? It's unfortunate that bareback films sell so well. If they didn't, no one would make them. It goes to show you that the audience wants to believe they can still get away with unprotected sex and they won't catch anything.

**WHILST FILMING THE SHOW THE POLICE RAIDED THE SET AND ARRESTED MATTHIAS VON FISTENBERG AND SUPREME! GIVE US THE LOW DOWN, PLEASE.** Someone left the drapes open, they were shooting a sex scene at night, and the neighbors and people driving by on the street could see in the window - and they saw a lot of nude men running back and forth! When the police came to the door, one of the cameramen opened it without asking who it was!

**YOU'VE GOT A LOT OF FANS IN THE UK, HAVE YOU GOT ANY PLANS TO VISIT SOON?** I would love to come and meet my fans in the UK. If any clubs would like to book me, I'd hop a plane in a heartbeat. If they do want to get in touch with me, they can email pat@pitbullproductions.com. She handles my bookings.

**HAS YOUR IMPRESSION OF THE INDUSTRY CHANGED SINCE YOU FIRST STARTED?** Yes it has. When I started out it was more amateurish. Now it has become such a big business that most companies are very professional.

**WHAT ADVICE WOULD YOU GIVE SOMEONE GETTING INTO THE PORN INDUSTRY?** Make sure you understand that this will follow you for the rest of your life. People will see you and recognize you and if you then decide to become a teacher or a doctor or whatever, it may ruin your chances so make sure you know what you are getting into.

**MY LIFE WOULD BE COMPLETE IF...** If I stay healthy and happy. I'd like to someday transition into a regular acting career or do a reality TV show. But I'm pretty happy with my life just the way it is!

# RUGBY LADS

PRODUCTION: **Euroboy Sport** • DIRECTED BY: **Monaco**

The "rigger bugger" is without doubt the one fantasy we've all dallied with. Following on from Tennis Lads, Jockstrap Orgy and Football Fuck, this latest release from the Euroboy Sport line brings another athletic fantasy to life, starring Euroboy faves Tomy Lima, Tobias Bianco, Pablo Thomas, Harold Zen and more.

It's after training and two of the team are in the bathroom, having a piss. Bending over the sink one player rubs the rugby ball between the other's butt cheeks. Soon they are kissing passionately, rimming each other over the urinals

and exchanging blowjobs. They fuck over the urinal, keeping their jockstraps on.

In the club house an oily massage is underway. The

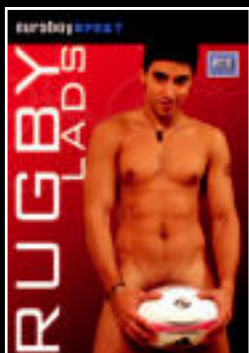

action heats up and soon two guys are shagging away. Again the jocks stay on until both guys shoot thick creamy wads.

In the locker room the cleaner puts down the mop when he discovers a laundry box full of sweaty socks and jocks. He has a few quick sniffs and is interrupted when a player comes in. Caught wanking, he's made to lick the rugby ball and sniff the jocks and trainers. It sends the cleaner into a cocksucking frenzy and soon he's getting shafted hard from behind.

Later on the rugby boys hit a sex club for some anonymous sex. There follows some serious glory hole action. Greedy mouths and butts take spunking cock after spunking cock.

Fans of jocks and chunky uncut cocks will love this latest release. Wonder if this is what it's like at Twickenham!

DVD extras include a cumshot compilation and trailers.

# THE GRANDFATHER OF GAY PORN!

Now 83, Peter de Rome has been described as “a legendary pioneering figure in gay pornography.” Who is he? Haydon Bridge finds out.

Peter de Rome began making gay hardcore movies in 1966. He wasn't the first. Most famously Jean Genet made *Un Chant d'Amour* in 1950. But that was a top secret production which very few people saw. Peter de Rome's work, on the other hand, influenced director Wakefield Poole, who made *The Boys in the Sand* (1971), the gay *Deep Throat*. Peter may also have been the first gay film maker to use a no-hands cum shot and a first-person cum shot. In other words much of the style of the R18 DVDs on sale today can be traced back to Peter de Rome. Unfortunately a lot of them aren't nearly as bold and imaginative as Peter's films. In one, *Underground* (1972), two guys have real sex on a New York subway train, something never attempted before or since; and, despite the fact that Greta Garbo retired in 1941, the screen legend appears in Peter's penultimate film *Adam & Yves* in 1976. Because of these achievements, Peter is one of the most important gay filmmakers of all time. And yet none of his 50 films was ever seen in the UK until this year, when he was re-discovered by the London Lesbian & Gay Film Festival. "I was thrilled when they asked me," Peter told me in his 1496 cottage in remote Sandwich, Kent. "It was lovely."

**Growing up in Ramsgate, did you ever think you'd become a filmmaker?**

No, no, never! I always meant to become an actor and, when I came out of the RAF in 1947, that's what I did at Birmingham Rep. And then I went to London to try and find an agent and I bumped into an old friend I'd been in the RAF with. He was working for the film company, Rank, as a publicist, and he said, "Why don't you come along and work with me?" So I did. And then, when I was with Alexander Korda, I met David O. Selznick, who'd come over to do three films with Korda, one of which was *The Third Man*. So I worked on that and then I asked Selznick, if I went over to America, could I find work with him?

**Before you left for New York, you testified for the Wolfenden Committee, which had been set up to investigate homosexuality in the UK. Why?**

A friend of mine knew the head of the Royal Pharmaceutical Society, who was on the Wolfenden Committee. He suggested we should both go along. I've never been very militant about homosexuality. It was never a problem to me. My first experience was when I was 11, with a friend of my older brother's. In school [at Chatham House, Ramsgate, where prime minister Edward Heath was a pupil] I never stopped having sex with other boys. In the RAF I was very, very busy. That's where I had my first experience with a black man, a boy from Mauritius. Then, when I went to New York, I realised I was into black. ▶

**How do you feel about being called The Grandfather of Gay Porn?**

I don't mind at all! [The British Film Institute] call me a legendary pioneer. I'd never even thought about it before they used that phrase. Now I think about it, I guess I was one of the early people.

## Where did you used to meet black guys?

I knew the manager of the Apollo theatre in Harlem. I used to spend a lot of time there, especially in the men's room, and I picked up some very good friends, one of whom I had a big affair with. We're still in very close contact. I've known him 40 years. We still do it. I just love him to death. He's married, but she doesn't suspect anything.

## Why black men?

The mixture of American and African has been magic to me, physically and visually and everything.

## And this is kind of why you started making films...

My actress friend, Madeleine Sherwood, had a black lover. So we had something in common. We both got very worked up about civil rights in 1963, watching the cops with the fire hoses in Birmingham, Alabama. We just couldn't bear it so we went along to the Congress of Racial Equality and said, "Is there something we can do?" They said, "Yes, you can go down there and demonstrate." I spent two years in the South, working with the Free Southern Theatre. It was a wonderful experience, the highlight of my life. I bought an 8mm camera when I went down there. But I used it mostly to photograph some of my black friends naked.

## What was your first film?

I went out with my camera to the Easter Parade in New York and I was sitting in Central Park waiting for it to start. This very attractive black boy was walking past. He saw me with my movie camera and he walked right into the lens and I thought oh! So I started following him. I took him home and we had sex and I put my camera on the remote control thing and I lay on top of him naked and very soon had an orgasm and that turned out to be my first film, Butch Easter. In the end I made about 50, between 1966 and 1976.

## One of them won an award

Hot Pants. I shot it in half an hour. I was having this sort of affair with a guy I'd picked up, who was working as a marine for Mobile Oil. I saw him on the street in his white uniform, went up and started talking, took him home, we did it, and it was his first experience. I said, "Can I make a film with you?" and he said, "Sure." He put a pair of very tight pants on and danced to James Brown's Hot Pants. Gradually the pants come open and fall down, this mesh shirt comes off, he gets a hard on and jerks off. And that's it. It won first prize at the second Wet Dream Festival in Amsterdam in 1971.

## You make it sound as though it was really easy to get men to be in your films.

### Did you get any refusals?

Not too many. On 3rd Avenue in those days, all the rent boys were there. I remember one film I wanted to make was called Deliveries In The Rear about delivery boys. I saw a black guy with some photocopies under his arm and a big hard on down his leg and he went into a building to deliver these copies, and when he got into the elevator I got in with him. I said, "Would you mind doing a sex film with me and I'll pay you 150 bucks or whatever it was," and he thought and then he said, "OK." Then, when I started showing my films around, people would sometimes come up to me and say, "Can I be in one of your films?" I made one, Double Exposure, at Fire Island, and I showed that film and others to a group, one of whom was Wakefield Poole. A week later he went to Fire Island and used the same house and the same idea for Boys In The Sand. I wasn't very pleased about that.

## You must tell me how Greta Garbo came to appear in Adam & Yves

Well, the two boys are doing the grape scene out of Garbo's Queen Christina. The American boy says, "I saw her once in New York," and we cut to Garbo herself. I lived just around the corner from her and I used to see her quite a bit. I saw her one day coming up from the river and I thought I must seize this opportunity. I rushed home, grabbed my camera, went up to my roof, and was just in time to see her turning the corner on to 1st Avenue. So I started shooting like mad, zoomed all the way in, and half way along the block she even stopped and talked to a friend! I was very proud of that.

## But if there's one film you're going to be remembered for, it's Underground

Often when I was travelling in the rush hour in the New York subway I'd brush up against someone, get a hard on, play around and all of this. And it just occurred to me - wouldn't it be marvellous if you could go the whole way and have sex on a train? I told [my producer] Jack Deveau about it and he happened to have a couple of guys visiting him from Boston, and they said, "Oh gee, what a great idea! We'd love to do that!" It was luck. We knew that we'd have to shoot the sex scenes late at night and we did. During the fuck scene, we pulled into West 4th Street, the doors opened, and the guy had his bare ass sticking out. I was saying, "Cool it! Cool it!"; you know.

## What would it take to get you to make another film?

A lot of money! Sex is the most difficult thing to film. At first it was a turn-on, but you soon get over that. All that time spent waiting for guys to get hard-ons. No, I don't think I could be bothered any more.

Everyone of us has had one of those on-the-job wank fantasies, be it a sexy pizza delivery boy, hunky mechanic... and of course that one with the plumber! 'Men At Work' brings these fantasies to life with a cast of hot, horny and hunky guys. Starring Darren Robins, Kurt Rogers, Tony Massala, Duke Michaels, Pharo, Carlo Cox, Luca Falcini, Trojan Rock and Nick Mazzaro, watch as every day work scenarios turn into all out fuck fantasies at the barbers, in the boiler room, on the shop floor and the office. The sex is hard, fast and rough and if you're a guy that gets off on deep arse play, you'll love the close up shots in this film. Watch as these cum-guzzling hunks slurp hungrily on rock hard cocks, and bottom boys get repeatedly rammed with big thick dicks.

Alphamale Media has really stamped itself on the map with such titles as Out In The Open, Out On Parole and Trust. Watch

out for the coming release Out On Vacation, shot just a couple of months ago in Gran Canaria. Headed up by Trojan Rock and his partner Carlo Cox, and with noted porn director Maxwell B behind the camera, Alphamale Media flies the flag proudly for Brit porn. Take a look behind the scenes at what goes on between San Francisco's sexiest mechanics! Filmed in a real garage, this latest release from Raging Stallion stars their newest Exclusive, Roman Ragazzi (see interview on pages 08-09) and sees the return of Remy Delaine. A non-stop ride from bumper to bumper, grease your shaft and get ready for the ride of your life.

In the first scene, Bo Matthews pulls into the garage. He gets the once over from Alexy Tyler and Marcos David. Bo is soon greedily servicing the two mechanics with his talented mouth. Bo then takes Alexy's cock deep in his ass while Marcos continues to feed his face. Marcos then takes his turn before Alexy takes Bo's dick for a spin.

Roman teams up with Remy for a long session that is so good RS believe it's a major contender for next year's awards as Best Sex Scene. Roman sucks greedily on Remy's huge uncut horse dick. Remy then reciprocates. In the back of a pick up truck Remy tongues Roman's ass. Remy shoots

all over Roman's pecs. The two studs switch places and it's Roman's turn to shoot.

Wanting more, Roman takes Remy's dick to the hilt. The fucking builds to fever pitch and the guys shoot again. A scorcher!

The third scene is all oral: slow and intense. Alexy and Justin Christopher indulge in mesmerising mutual dick worship.

In the final scene, Justin Christopher hooks up with Martin Mazza. After swallowing Justin's thick shaft Martin wants it in his ass. He takes all ten inches. Both guys shoot their loads over the floor just as Dak Ramsey returns with a big dildo. Soon Martin's hole is stretched again. Dak then replaces the toy with the real thing. The scene ends in Martin being covered in a torrent of cum.

PRODUCTION: **Studio 2000** • DIRECTED BY: **Danny Ray**

Handsome Andy Frakes heads up a cast of gorgeous Eastern Europeans, including Roger Gharney, Drago Lembeck and Jay Renfro. Try and count the total number of cum shots throughout the film!

Handsome Andy has swimmer's shoulders, footballer's legs and a beautiful, fuckable bum. As he walks through the woods to meet friends he passes a secluded cottage. He sneaks a peek through the window and sees Tom Hawai and Carey Lexes. The two exchange blowjobs and jack each other off until they both shoot. They rim each other, then they flip-fuck with Carey riding Jay, they flip around reverse-cowboy style until they both shoot again.

On his way through the woods Andy exchanges glances with Eliah Keilor.

Instead of studying, Andy's mates Roger Gharney, Drago Lembeck and Lucky Taylor find a better way to pass the time. Drago sucks Roger, Lucky sucks Andy. Soon there's a volley of cumshots. Ready for round

two, Roger fucks Drago and Lucky fucks Andy. They switch positions and bottoms until they cum again.

Later, Enrico Dickens, Gary Owen and Jay Renfro are at it downstairs, making so much noise they wake Andy. Andy watches as they suck each other until they shoot their loads. Then there's more rimming and sucking and more cum shots. Jay then takes Gary's dick and rides as Enrico licks his balls. He then takes Gary and Enrico's cocks in an energetic double-penetration scene.

Later Andy meets three mates, Tom Koch, Fernando La Vegas and Richy Rich. The end up in a nearby chalet where they end up chain-fucking. Andy's left alone and the three continue in another room. A knock at the door reveals Eliah. Andy and Eliah move to the bathroom for sex and later to the bedroom, where after a passionate fuck they fall asleep in each other's arms.

# I'M READY FOR MY CLOSE UP, MR RUSH

Matthew Rush, lifetime Falcon Exclusive and one of the biggest names in porn has just made his directorial debut with 'Rush And Release'.

**Where were you born?** Hintingdon, Pennsylvania.

**Where do you live now?** Fort Lauderdale, Florida

**What's your ethnic mix?** My Father is African American, my mom is German.

**How did you get your break for Falcon?** I was introduced to a Falcon rep while at a club in Columbus Ohio. I didn't call him back right away, in fact it took me a few years to make the call.

**What was your first film and were you nervous?** My first film was "Bounce" [in 2000] and I was scared to death! John Rutherford was the director and he made me feel at ease.

**How many films have you starred in to date?** I honestly don't know the exact number, the last official count was 25 and that was a few years ago. I'd say around 30.

**Did you ever think you'd become one of the most famous porn stars on the planet? What would you be doing now if you were not doing porn?** I never dreamed my career would have taken off like it has! If you know me, you would see that I'm a huge geek! I still don't know what people see in me. If I wasn't a "gay erotic video personality", I would probably have my own gym.

**Is it true at one stage you wanted to be a professional clown?** I actually auditioned for Ringling Brothers and Barnum & Bailey Clown College.

**What was it like watching yourself on film for the first time?** What do you mean the first time, I NEVER watch myself! If I do, I'd probably never make another movie. I'm my own worst critic. I've been there, done that, so I don't need to see it again.

**What exactly does "Lifetime Exclusive" mean?** It means that Falcon has my soul and my first born as long as I decide to do porn, LOL. Seriously, I wouldn't want to work for anyone else. They treat me like gold!

**What was the last good porn film you watched?** LOL, I've been doing porn for 7 years now. I can't watch a porn without seeing someone I know. I really don't want to watch my friends have sex!

**What's your top porn film of all time?** I would have to say 'Good as Gold' and 'Heaven to Hell'.

**And your favourite scene?** It's a toss up between my scene with Jake Andrews in 'Good as Gold' and Ken Browning in 'Riding Hard'.

**Who in the industry (both actors and directors) do you admire?** As directors, I admire Chi Chi LaRue, John Rutherford and Chris Steel. As performers, I admire Francesco D'Macho. I really think he's going to go far. I also admire Erik Rhodes. Don't tell him I told you though. We have an ongoing competition to be the Jenna Jameson of gay porn. He thinks he is, I say "like hell". He's like the big-little brother I never had. I can't forget Roman Heart either. He's got it all. He's extremely handsome, he's funny and he's got a great body.

**How did you get into directing? Was it a natural progression?** From day one, I was fascinated with the whole process. The more movies I made, the more I thought about directing.

**As a director, and being on the other side of the camera, do the models treat you any differently?** No, they treat me the same. The guys are professionals and they come in and do their job.

**If you had an unlimited budget and could hand pick your models, what kind of film would you shoot and who would you cast?** I would be like Chi Chi when she shot 'Heaven to Hell' her last movie for Falcon. I would have outrageous sets and a hot wardrobe. It would be great if I could have John Cena [American wrestling superstar] and Vin Diesel in the movie, (LOL!). OK, I'm moist thinking about that scene. I think I would have to be in THAT scene!

**What projects are you currently working on?** 'Rush and Release', the movie I shot for Falcon will be out soon. Plus, I've been involved in theater for about 5 years now. I'll be doing a show in Austin this fall called 'Cell Block'.

**Will you continue to both model and direct, or is Matthew Rush hanging up his porn star boots?** I'm not ready to hang up the boots yet. I love doing both and as long as people aren't tired of seeing me, I'll continue.

**Do porn stars have a limited shelf life?** You can have a long career if you play your cards right. It's a job and you have to treat it like one.

**Has your opinion of the sex industry changed over the years?** Yeah it has. Before I started, I thought that the industry was sleazy. Now that I do it, I realize that it's hard work and I respect it more.

**There are so many companies now producing bareback films. How do you feel about bareback sex on film?** I've always been a "to each his own" kind of guy. They aren't my thing and you will never see me make one. If we're determined to find a cure for HIV, we need to be more responsible.

**What do you do to relax?** Besides beat off... I love to read. When I'm really stressed, I colour! I have a box of 64 Crayola crayons and coloring books!

**How difficult is it to maintain your physique?** It's a 24/7 job. I'm always watching what I eat and trying to hit the gym at least 4 times a week.

**What's your best feature?** In my opinion, I don't have one. That's what keeps me going to the gym!

**Tell us something about you that you wished people knew.** I'm totally like everyone else. I deal with the same issues, I worry about the same things. I'm a regular guy that happens to do porn.

**In a 2002 interview you identified with alter-ego aspects of superheroes - the mild mannered Greg Grove and the uber sex god Matthew Rush. Has this changed over the years?** Nope, they are still the same. Greg is the person I wish everyone knew and Matthew is just a character. Greg, may be geekier than Matthew but I think he's more interesting.

**If you were going to be a super hero who would you be?** Hello, Wonder Woman! You know you got it going on when your accessories have super powers!

**Do you currently have a partner?** Yes, the former Falcon Exclusive Ethan Kage!

**What advice would you give to someone getting into the porn industry as an actor?** Be responsible and be professional!

**And in terms of directing, for those guys out there who've done some porn and are looking at you and thinking, "I could do that". Any pointers?** Be thick skinned. The critics are going to be tough at times but you have to keep moving onward and upward.

**When will we be seeing you in the UK?** I hope to be back soon. London is my favorite place on earth! Ethan has never been there and I would love to take him someday.

## RUN FOR COVER, IT'S A GAY BOMB! The new movie in production by Dark Alley Media

In May's QXMEN we told you about 'Gaytanamo', Dark Alley Media's controversial movie which parodied violence, torture and interrogation at the notorious detention camp, Guantanamo Bay, and, subsequently, divided the porn-viewing gay public.

Their latest production in the pipeline looks set to ruffle a few feathers at the Pentagon too. 'Gay Bomb', which begins filming in November, has been inspired by the US Air Force's recent admission that they'd, as recently as the nineties, looked into building a gay bomb. Now, this bomb's intention was not, as one would expect, to exterminate all gays from the planet. Oh no. The plan was to develop a hormone bomb that would release "strong aphrodisiacs" on enemy armies, causing "homosexual behaviour", and, hopefully, turning all those strapping soldiers from killing machines into limp-wristed nancies unable to keep their big gay hands off each other. Describing the plot, Dark Alley said, "Desperate to fend off its attackers, the US launches the experimental 'gay bomb,' designed to make the enemy forces drop their guns and turn fag. But the winds of fate blow in a different direction, and soon America is brought to its knees." Oh, we can't wait!

## NEWS OF HUSTLABALL 2007

This year, there's not one, but two Hustlaballs. One in New York on Sunday September 9th, and the other on Friday October 19th at the KitKat Club in Berlin. New York's Hustlaball takes place in the enormous, three-floor Club Rebel, returning to the Big Apple for the first time in 5 years. It takes place over the weekend of September 7th to 10th with pre-event parties and, we've been told, an incredible after party, which, as it's Rentboy.com's 10th Anniversary on September 10th, will be both the after and anniversary party.

Along with the usual incredible line-up of the world's hottest porn stars, strippers, dancers and escorts who'll be turning up at the Hustlaball, world class DJs include DeMarko, ChiChi La Rue, Micky Friedman, Man Parrish and Andrew Mendez, plus there'll be an MC from Shequida. QXMEN will be at the pre-parties, Fetish Night at Eagle [554 West 28th Street] on the 7th and Porn Night at Element on the 8th, and of course the after party, so we'll report back to you all of the sleazy goings on. If you're up for this hot sleaze-fest then advance tickets are just \$25 or \$40 at the Box Office. But why not push the boat out and treat yourself and book an advance VIP pass for \$110 (Box Office \$125). VIP pass includes admission to all official Hustlaball events (Pre Event I, Pre Event II, Main Event, After Party) separate VIP entrance at Main Event, a Hustlaball DVD, a welcome drink plus exclusive use of the VIP lounge. Hustlaball in Berlin, on the Friday October 19th takes place at the world-famous KitKat Club, and DJs joining the cream of today's hottest sex workers include London's very own Jack Chang, DJ Dealer from Belgium and Dominox and Red Tomcat from Berlin. And, if after the Hustlaball you still want more, the after-hours party continues at the KitKat Club from 7am on Saturday 20th. For more event info and ticket booking, go to [www.hustlaball.com](http://www.hustlaball.com).

## NEW LOOK TOM'S BAR IN BRIGHTON Naked nights, tranny nights and swingers too! All are welcome!

Tom's Bar in Brighton is now under new ownership as Alan Roberts (of the MA1 Bar fame in London) has purchased the club along with Terry King who already runs a number of large venues in the Brighton and Hove area. There are going to be changes to some of the nights and QXMEN can tell you the new and improved nights. Buff Brighton on Friday nights is for lads who want to wear jocks, pants or just boots, and on Sundays there'll be a stricter 'Naked Only' Buff Brighton event. Sunday evening will see a brand new no dress-code night called Spurt and this will be the South Coast's only continental jack-off style party. Thursday will still be the Army Night but skinheads will be welcome to attend the event. Other nights include a Bisexual night and a popular transvestite night called Trans-Action. There's also a Swingers night every Tuesday, so it's definitely a case of something for everyone! There'll be loads of improvements going on in the club over the next few months with added 'toys' in the basement including a cage, plus an upgrade to the audio and visual system. Membership costs £20 per year. You'll need a passport-sized photo and some proof of ID. Membership is available from the club or the MA1 Bar in London. And as a member of Tom's you'll also get a MA1 ClubCard, giving you access to MA1 at a discount rate. The guys at Tom's are also on the look out for promoters. So if you think you can run a night, email Alan or Terry or call into the club with your details. For more info, go to [www.tomsbar.co.uk](http://www.tomsbar.co.uk) or [www.ma1.co.uk](http://www.ma1.co.uk).

## TRAGIC DEATH OF KENT NORTH

QXMEN has learned of the sad news that Kent North died on July 4th of an apparent drug overdose.

Kent was a Lifetime Exclusive performer for Hot House Entertainment and one of the few British porn stars to make it big in the USA. Kent was QXMEN's cover star for December. Hot House President, Steven Scarborough said, "We are all shocked and deeply saddened... our deepest sympathy goes out to Kent's friends and family, especially his lover Lloyd."

Kent started working with Hot House back in 2004 when he debuted in Handpacked III: Jampacked. He was signed to an exclusive contract and went on to star in a further 13 titles, including At Your Service where he earned trophies for Best Solo Performance at both the 2007 GAYVN and Grabby Awards.

## FETISH FASHION'S NEW RADICAL RUBBER

Here's some great news for lovers of rubber wear. Latex manufacturer Radical Rubber offers fashion-grade quality sheet latex to fetish fashion designers and is being marketed and distributed through Libidex Ltd, one of the leading fetish fashion labels. Radical Rubber has developed a brand new range of colours, alongside its standard range, including Metallic Fuchsia, Smoky Black and Electric colours. They have plans to extend their palette and are also looking at some quite advanced effects using latex. Radical Rubber has its distribution centre in London, where it also has a trade counter and welcomes personal callers. There's no minimum order (though orders below 5 sq metres per colour will attract a surcharge), so you can purchase the smallest fuchsia pink handkerchief to a large black rubber sheet for your bed. Radical Rubber is happy to supply everyone from the largest manufacturers to small one-person designers, hobbyists and students.

Libidex Creative Director, Simon Rose, and Libidex Director, Nigel Walker, believe a change in the latex sheeting supply market is long overdue. "We hope that Radical Rubber will serve to bring about that change, by offering the fetish fashion industry choice, innovation, and flair in the production of latex, coupled with responsive, friendly service, and much more competitive prices. Radical Rubber has been created by fetish fashion for fetish fashion."

Check out the range at [www.libidex.co.uk](http://www.libidex.co.uk) and [www.radicalrubber.co.uk](http://www.radicalrubber.co.uk).

## THE SURVEY REVEALS SHOCKING IGNORANCE ABOUT HIV

**One in five 18 to 24 year olds think there is a cure for HIV**

Twenty-five years after the death of Terry Higgins a new survey prepared on behalf of the Terrence Higgins Trust by ICM Research has revealed that, in 2007, people are still alarmingly ignorant about HIV.

The results showed that over one in ten 18 to 24 year olds think HIV can be passed on through kissing and almost a quarter of them believe that condoms have holes in them which let HIV through. More worryingly, more than one in five 18 to 24 year olds think there is a cure for HIV. The findings, however, show that knowledge about HIV is not just poor among young people. Across all age

groups, 28% of people either thought that condoms had holes in which let HIV through or said they didn't know, 12% thought that sharing cutlery carried a risk of HIV transmission and 10% thought you can be infected through sweat. On the subject of whether respondents thought that they had received good sex education at school, just 36% thought that they had.

Nick Partridge, Chief Executive of the Terrence Higgins Trust, said, "It's frightening that 25 years after Terry Higgins' death, this level of confusion exists. The lack of good sex education means many young people are leaving school ignorant about HIV and safer sex. HIV is now the fastest growing serious health condition in the UK, and there is no cure. It's time to get our facts straight."

## POTTER PORN

If any of you got a stirring in the trouser department when Daniel Radcliff recently went nude in the West End for 'Equus' you might be mistaken in thinking this newly released porn flick 'Hairy Pucker And The Goblets Of Goo', is just up your "expelliarmus". There's nothing like a topical title to get the gays rushing out to the shops to part with their hard earned cash. This four hour compilation 'Hairy Pucker' blatantly rips off the Harry Potter font, but has absolutely nothing to do at all with the global Potter franchise. Ten points for jumping on an already overloaded bandwagon though. And VCA Pictures, responsible for 'Hairy Pucker' have also released '300 Inches'. Possibly reworking the title of the action packed, homoerotic Spartan adventure, '300'?

## THE COCKPIT AT THE EAGLE The North East's only Amsterdam-style bar

The Cockpit, The Eagle's monthly men only "sextravaganza" in Newcastle upon Tyne, goes from strength to strength. QXMEN heard on the grapevine that July's underwear theme party Pants was one hot night! Set to become one of the highlights of the month for the North East, The Cockpit's men only nights are aimed at lads from 20 to 50+ and the venue has sexy male strippers and dedicated cruising spaces making it the perfect place to get up close and personal with hot guys. The music's great too with an eclectic mix of 80's mash up and electro through to house classics, so something for all tastes.

August's themed night is Oil, a chavtastic night of trackies, trainers and lads! So if you're thing is council estate lads in Burberry and Reeboks then head down to The Cockpit on Saturday 24th August. Doors open at 9pm and the night runs through 'til 2am. And for all you bears, cubs and skins, September's theme night is Grrrrr GROWL! The Cockpit is always on the last Saturday of the month and the venue, The Eagle, is at 42 Scotswood Road, Newcastle upon Tyne.

# COCK BYTES

by Brent Nicholls

## [www.fitguysonlinedating.co.uk](http://www.fitguysonlinedating.co.uk)

We've heard it all before when a cruise site boasts that everyone on their site is fit. The reality is often a collection of fat-tastic, flabulous, fugly men or guys who think a gym is something you walk by on the way to Pizza Express. You can excuse our skepticism when an online dating site then claims that they are the 'first dating site for the fit who know it'. However, [fitguysonlinedating.co.uk](http://fitguysonlinedating.co.uk) further boast "We run a strict door policy so stop hunting through other gay dating services to find the occasional fit guy and use the UK's only gay dating service strictly for fit guys." That door policy is clearly listed on the site and includes (or should we say excludes) NO ugly lads, NO fat lads, NO tranny lads, NO photo NO profile, NO jailbait. So is it fact or fantasy? A quick peruse and what dya say... the guys are fit, sexy, nice looking and horny! Of course, some guys we found were borderline, but there were enough six pacs, pecs and sex appeal to tweak our interest! Once you find a guy you like you can Instant Message them, send them a wink or simply just add them to your contacts. Registering to join

the site is free, but you have to make through their 'hot or not' test to be approved. As usual you fill in all the details: height, location, age, etc, and then you are in! Although it is free to join, there is a strict limit on messages you can receive and profiles you can view. Upgrade packages are available for unlimited usage.

## [www.playgirltv.com](http://www.playgirltv.com)

They say it's for women, but fuck that, it's a queen's candy store! [Playgirltv.com](http://Playgirltv.com) boasts, right there on the front-page 'hot men, hard cocks and tight asses'. I mean, how gay is that? The site has thousands of exclusive pics and a link to the actual Playgirl magazine. The free previews reveal some hot men, but the previews do lack the generosity you would expect for a hard sell. Full access costs, but once you take out a subscription you will have access to virtually an unlimited number of naked men. The site also has videos which launches in a windows media player.

## [www.gaymanlist.com](http://www.gaymanlist.com)

[Gaymanlist.com](http://Gaymanlist.com) is a web portal that leads to an avalanche of hard cock. Starting off with a category listing, it features a recommendation of the 'best gay man sites', a Gay Porn Blog (that features free pics, movies and stories) and if you haven't pumped yourself dry, then you might want to check out the listings of Free Gay Porn Sites that are divided by icons indicating whether they are Free, require AVS, are pay sites, are blogs or galleries. That should keep you busy for a few days!!

## [www.xs4skin.com](http://www.xs4skin.com)

On [Xs4skin.com](http://Xs4skin.com) it doesn't matter whether it's big, small, fat, thin short, long, donkey or gerbil; all that matters is that is au-natural, that is, uncut and with a healthy dose of the original packaging. This foreskin fetish site features a variety of cocks in all shapes and sizes; with over 1700 high quality original images of intact men including: close-ups, cum shots, 'water sports' shots, action shots, group and solo shots. The sample images are crappy thumbnails, the rest of the site protected by AVS (adult verification system). Run by local lads in West Yorkshire, they also claim to have taken most of the pictures. If you have a wrapping and want to appear on a foreskin site, then check it out. You never know, your cock could be the next web superstar!

If you have a website that would be suitable for this page, then please let me know by dropping me an email at [brent@brentnicholls.com](mailto:brent@brentnicholls.com). Commercial sites, personal homepages, free galleries are all welcome.

Don't like kit? You'll love our site  
**sportlads**

sportlads.co.uk has over 340 men in soccer kit, rugby gear, speedos, socks, jocks and trackies. If you like kit, you'll turn in your shorts. If you haven't got a thing for kit, have a look at the men in the free area of our site. You'll recognise a lot of them from other sites like BM and EL. What you might not know is that many of them - like JohnnyB, Kallum, Tim, Matt and Gabriel - worked for sportlads before they worked for these other sites. See our newest models on other sites one day soon! Unlike BM, we can't boast about a cybersocket award, or a boat. And we can't give a shit, 'cos we never heard of cybernetics and neither have you! What we have got is a lot more models on sportlads. And we charge less than BareMasonry (£8.50 v £14 for a month's non-recurring membership). And that IS something to boast about. By the way, putting in your shorts saves your keyboard and is a lot hotter than issues... try it! www.sportlads.co.uk

# Mr Floppy...

CAN'T GET IT UP? DON'T PANIC! MOST GUYS HAVE HAD TIMES THAT WHEN THEIR DICKS DON'T MATCH THEIR EXPECTATIONS.

BY DR ALEX VASS

Either it's not hard enough, or doesn't stay hard enough, or as for long as you'd like. Especially when taking recreational drugs like cocaine and E that diminish the ability to get an erection, many have experimented with prescription drugs like Viagra or Cialis or their 'natural' alternatives like Viapro, bought on the black market or from the internet.

All these drugs work by helping the arteries that supply your dick to widen to bring even more blood into your dick making it harder for longer – but only if you are turned on in the first place. With the promise of increased sexual potency and stamina it's no wonder that the market for these drugs is so high.

But just like all prescription and recreational drugs, erection-enhancing drugs can have nasty and worse still, dangerous side effects, and so should not be taken without getting medical advice first. Headache, skin flushing, heartburn or having a bunged up nose happens to about 1 in 5 guys who take them. Some guys get altered vision, find light sensitive or see shades of blue. A few get a condition called priapism where the dick stays hard for too long, possibly causing lasting damage. More importantly, some guys with certain health problems should not use these types of drugs. In particular if you take nitrate-containing tablets to treat angina you should avoid erection-enhancing drugs because they both dilate your blood vessels and so can drop your blood pressure to dangerously low levels. If you take tablets because you have high blood pressure called non-selective alpha blockers, like doxazosin, or calcium channel blockers such as amlodipine, they too may interact dangerously with Viagra-like tablets. I advise here that they should not be taken within 4 hours of taking Viagra or 48 hours of Cialis. Protease inhibitors used in the treatment of HIV are known to stop the breakdown of Viagra like drugs and their effect lasts longer, so only low doses are advised to start with. And finally if you have had a recent stroke or heart attack, low blood pressure (90/50 mmHg) or severe liver problems you should not take Viagra. Remember too that if you take Viagra never use poppers (amyl nitrate) because they also dilates your blood vessels and can drop your blood pressure too low.

"Erectile dysfunction" is the medical name for not getting a hard on that is good enough to have satisfying sex. So what this means can range from being

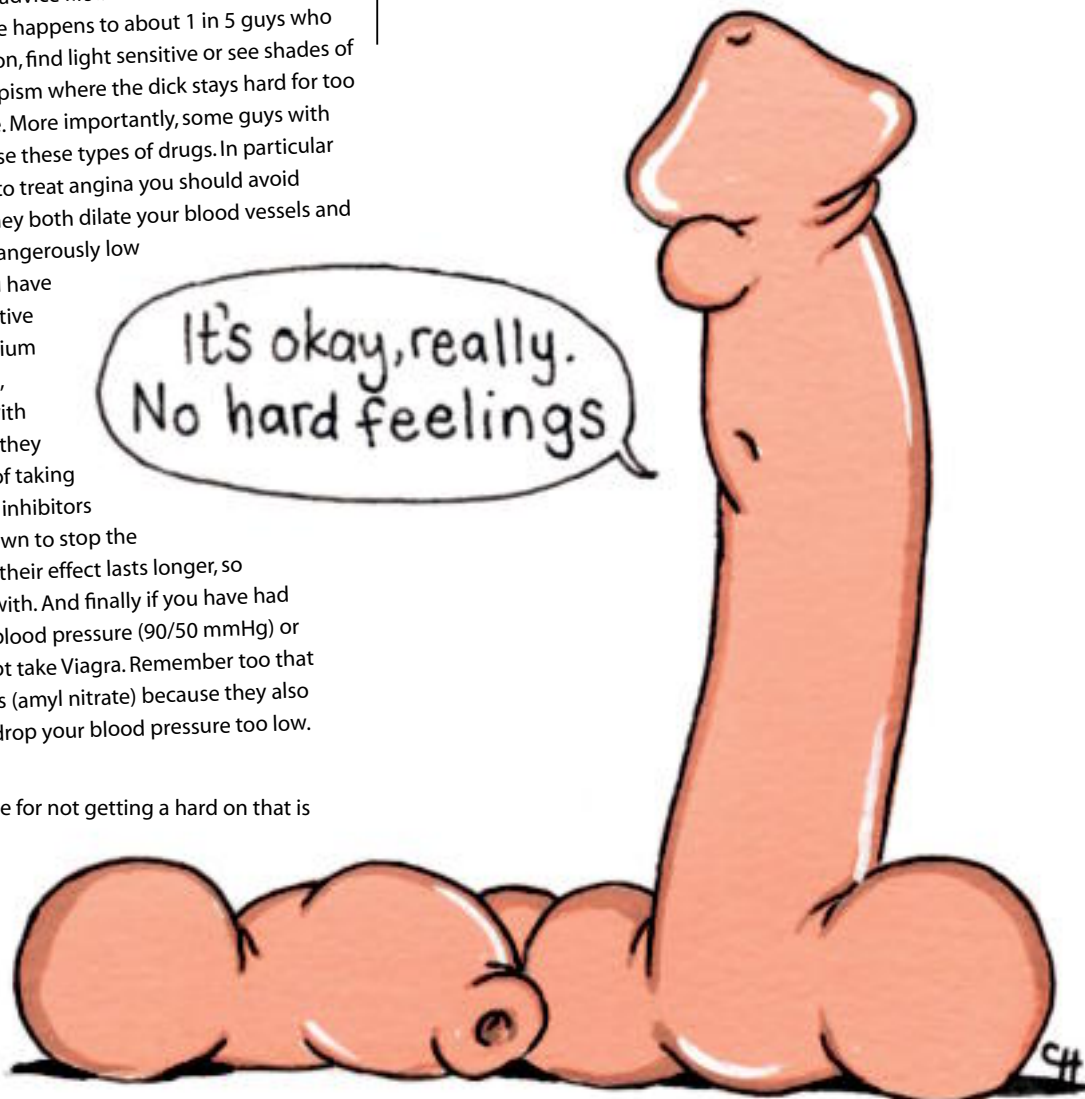

a one off – most often from drinking or taking drugs, simply being tired or stressed, to something that becomes a more regular occurrence. If

erection problems do become a more regular problem then this is the case if can mean that something a little more

serious is going on. It is now known that erection problems are often linked to high blood pressure, raised cholesterol that clogs the arteries around your heart – and your dick – and diabetes. Lower than normal level of testosterone can also be a cause. Erection problem are embarrassing and many guys don't feel comfortable seeing their doctors and often leave if months and trying to self medicate before finally realising they need to seek help. But seeing a doctor for a check is important. A physical exam and blood screen is needed and taking about the stresses and strains in life too. It's only then that the right treatment can be recommended – Viagra is not the only solution.
