Welcome...

To September's issue. This month we get up close and personal with Chad Hunt, owner of one of the biggest pieces of man meat in the business - 11 inches! And if you think it doesn't look that big on the page with the interview, just check out the centrefold! Triga's new release 'When Saturday Cums' should keep you sports kit fans happy. Plus we get a sneak preview of the soon-to-be-released 'Council Scum'. We also review the new one from Eurocreme, 'Builder Boy', and Studio 2000's latest release 'In Too Deep' amongst others. You might also remember a few months ago we reviewed a photobook by MenAtPlay. If you like your men suited and booted, you'll love their new DVD release 'Executive Pleasures'.

QXMEN also popped along to Chariots Sauna in Vauxhall, London, and popped a Viapro, the natural Viagra alternative. And we can report back that it kept us "up" for hours!

You'll notice on the Cock Pit page, someone has sent in a picture of them having a sneaky tug in the loo of a train. What about a page featuring the strangest places you've had a wank? Come on guys, you've all got camera phones. Send us some sneaky pics with your cocks out in precarious places!

DIRTY LITTLE DRAWINGS

At the end of December 2000, a group of fourteen artists met in a basement art gallery in New York's Soho district. What the group had in common was a shared aim: to expand the boundaries of academic nude figure drawing.

Harvey Redding, the founder of what later came to be known as the Queer Men's Erotic Art Workshop, hired a model that was willing to push boundaries - to go further than previous live models had. This art had to be rock hard, unapologetic. This posing was sexual and unrestrained.

Each week attendance blossomed, and the workshop expanded to a second weekly class, with the addition of Rob Hugh Rosen as co-director.

Artist Robert W. Richards along with Redding envisioned a way of making erotic artwork available and affordable to an ever-growing public appetite for sexually explicit art. The concept was to create an exhibition in which all drawings would be identically sized and identically priced and available directly off the gallery walls. The project was titled 'Dirty Little Drawings'. Artists were allowed to create as many pieces as they liked. The first four exhibitions were held in 2003.

The book 'Dirty Little Drawings' is but a small part of a huge and limitless collection - over twelve thousand drawings! The pictures in the book range from the ink and pencil sketches, pastels, oils, cartoons, the lifelike, the abstract, the mild and the wild. We've chosen a couple of the more risqué pictures, that we otherwise couldn't print if they were photographs.

Dirty Little Drawings is published by Bruno Gmunder.

TRIGA
REVIEW

WHEN SATURDAY CUMS

PRODUCED & DIRECTED BY: **Triga**

This latest release from Triga features real up-close-and-personal action as horny footie players wank, suck, fuck and shoot their loads for the camera.

Here's the premise: Hard up Saturday amateur football players are forced to fuck for their new kit! It's a fuck and wank-a-thon to raise funds for next season's strip. Desperate for cash, the lads go all the way.

The first scene takes place in the locker room where, after lubing his cock up with spit, a player strips off. He fucks his arse with a big black toy, cumming all over his hand. He lies there licking up his spunk, savouring the flavour.

The second scene also takes place in the locker room, where another rock hard player wanks until he shoots his wad.

The third team member has a real thing for his football boots. He jerks his cock, bashes it against the studs, wiping his knob on the dirty leather. For those with a bit of thing for footwear, this scene should have you reaching for the rewind again and again. Even the cameraman reaches in for a tug! He wipes up his spunk with his sweaty socks.

Two opposing team mates are having a sneaky fag. Soon the attention turns to each other's cock and they're stripped off (except for boots and socks) fucking right there on the changing room floor amongst the discarded sweaty kits.

Two other solo wanks follow, with guys in kit shooting their creamy loads – totally horny, unscripted stuff. The final scene sees a massage turn into a three-way. With guys getting fucked over the massage table.

If you're a fan of guys in footie kit, then this new release from Triga is a must for your collection.

DVD extras include trailers for Bouncers, Fuck A Hoodie and Skin Bruv.

Finger on the Triga

QXMEN goes behind the scenes for an exclusive look at the soon-to-be-released Council Scum.

With Triga, fantasy becomes reality. You want them rough? You want them rude? You want them downright dirty? Here they are. From the 'Suited And Booted' office fantasies of being caught "hard at work" and getting a shafting over a desk to the scally-next-door scenarios caught on such films as 'Cock Sucking Straight Boys', 'Lager Lout Brits' and 'Skin Bruv'. This is Brit porn at its best. Forget the bleach-blonde Californian muscle marys or Eastern European twinks, all the guys featured in Triga's films could be from the estate down the road, the firestation on the corner or that pub that you walk past but never pluck up the courage to go into. Rugby players, boxers, squaddies, skins, hoodies, wrestlers, labourers... If you've got a fantasy you'll have it fulfilled by one of the films from Triga's vast back catalogue.

We've had a preview of Council Scum and we rate it up there with some of Triga's best. Cumming soon!

Triga Films are available at www.trigafilms.co.uk or watch the latest films on your PC or Mac with Triga's instant titles at www.triga.tv

EXECUTIVE PLEASURES

PRODUCED &
DIRECTED BY: **MenAtPlay.com**

Watch as some seriously sexy suited hunks go about their business at the office in Volume 1 of MenAtPlay's Executive Pleasures. Starring Julian Vincenzo, Carl Wilde, Ted Colunga, James Lee, Rick Bauer and more, Executive Pleasures 1 takes you through their working day as they suck, fuck and spurt their way up the corporate ladder. The action kicks off with an early morning job interview for Julian that soon turns into a hot, hard fucking over the reception desk. As the day goes on we bump into Rick and Carlos getting down and dirty in the MenAtPlay Training Rooms and pop down the local gym to find Ted giving a hungry bottom the fucking of a lifetime with his throbbing 9 inches. Away from the office, James takes a horny taxi ride through London

and then a visit with Nathan to the men's room glory hole where he receives a hot sticky facial from a hung stranger. One of the hottest scenes of the movie unfolds when Lucas, who's fallen asleep at his desk, wakes to find his sexy young Personal Assistant Carl Wilde sucking on his stiff cock. This ends up with Carl getting the fucking of a lifetime, one surely that should earn him a HUGE pay rise! Jam-packed with six hot'n'horny scenes, including Carl's audition, Executive Pleasures Volume 1 has been re-mastered and re-edited for DVD.

EUROPEAN HOLIDAY

part 1

PRODUCTION: **Falcon** • DIRECTED BY: **Tim Hamilton**

You might recognise Tim Hamilton as the former Bel Ami star. His move to Falcon and debut with Knock Out has paved the way for his directorial debut with Falcon's International Collection line. Basically if you're a fan of Bel Ami's films, you'll love this Eastern European offering set in a luxurious chateau. The first scene stars Alexej Orofar, Shawn White and John Palmer. They wake up after a heavy night on the booze and with morning glories in hand get down to some serious rimming. Then they switch to cock-sucking, then fucking. Shaun fucks Alexej while he chows down on John's thick cock. Then the guys pile onto each other for a strenuous threeway fuck. Shawn White swallows load after load then ends up shooting his own creamy goo. Max McKay and Nicholas Cole are in the Jacuzzi drinking champagne. Soon the attention shifts to cock-sucking. Nicholas sucks Max's dick until he shoots. Nicholas doesn't waste a drop and laps it up. Nicholas then fucks Max over the side of the Jacuzzi until he spurts up over Max's back.

Thomas Barton and David Watts are outside. Thomas, the pool boy, is cleaning the gym area while David works out. Soon David is flexing his buff body as Thomas admires his chunky arms and tight six-pack. Within no time, they're stripped off making great use of the exercise equipment as David fucks Thomas over the bench press.

Partners David Watts and Danny Saradon are in bed. There's great chemistry between them and a passionate suck and fuck session ensues with David riding Danny's cock. They then wank and snog until they gush cum.

European Holiday Part 1 and Part 2 are available from Prowler for £34.99 each. Buy them both and pay just £50.

SLEAZE

RODUCTION: • TED BY: **John Bruno**

What goes on behind the closed doors of a sleazy motel? Watch and find out.

Stripping off his suit, Ryann Wood has obviously had a long day and needs to release some pent up energy. He puts on a leather collar with lead, takes out a big pink dildo from his briefcase and starts working on his hole. Andrew Justice appears at the door left ajar and is soon getting his hole rimmed by Ryann. Ryann then takes Andrew's cock from every angle, riding it hard. He ends up with a faceful of spunk as he brings himself off.

King of the bling Vin Nolan is joined by Derrick Hanson and donkey-dicked Marc Williams (QXMEN's August cover star).

Derrick takes turns licking Vin and Marc's holes before he takes turns riding their cocks. He ends up being spit roasted with Marc's prodigious black meat filling his ass while Vin fucks his face. He lies back and jerks his cock as the two tops dump their loads on his chest and abs.

Marco Paris is being blackmailed. He's a big Hollywood star that has been caught on film, with a guy. But before Kamrun hands over the pictures for the cash he demands head from Marco. Marco obliges... and how! Deep-throating Kamrun's thick black cock. They 69 and then Kamrun gets on all fours, then on his back and then getting spooned, as Marco fucks him long and deep before spraying all over his ass. Worth the money? Definitely! In the final scene, Justin Riddick and Alexy Tyler book themselves into the motel. The credit card is declined and soon the guys find other ways of paying the bill. Alexy rims Justin as Dak watches, wanking his cock. Justin fucks Alexy, cums and leaves. Dak climbs on and gets to work on Alexy's already pulverised ass, fucking him senseless. The both lay back on the coach and jack their cocks until they shoot their loads. One question: where is this motel and do they have any rooms vacant?

BONERS

PRODUCTION: **Raging Stallion Studios** • DIRECTOR: **Chris Ward**

Boners is a non-stop thrill ride of hot man-on-man action. The description's in the title – "Boners!" This film is packed chock-a-block with big, hard cock filling hungry holes.

The first of seven scenes begins with a countryside jog. Big-dicked Joey Russo and Derrick Hanson are working up a sweat. As they finish their run the real workout begins. Joey gets to work on Derrick, showing off his oral skills. Derrick then frees Joey's cock from his shorts, swallowing all 9 inches. On top of a large storage container Derrick takes Joey's hard cock. Then Joey opens his hairy hole for Derrick. They both shoot massive wads.

Marcos Pirelli is bored with painting and starts playing with his dick. Using spit as lube he probes under his foreskin before tugging his meat to an explosive climax.

Dominic Pacifico is trying to get some painting done but is soon distracted by Justin Christopher's huge knob.

Dominic takes the monster meat down his throat

– it brings a tear to his eye.

Dominic's ass is just as greedy as his mouth and he gets his hole stretched and pounded.

Francois Sagat sits in his window stroking his boner and playing with his puckered hole. He pumps on his dick and smears his chest with his creamy load.

JD Kollin and Tamas Eszterhzy are wrestling in their skin-tight singlets. Writhing and sweating, Tamas takes JD's pocket rocket. They suck each other before Tamas offers up his ass for JD, taking every inch.

Rafael Alencar is entertaining himself with some DIY. He pumps his beautiful donkey dong with both hands until he spurts up over his chest.

In the final scene, Hairy Hussein is showering outdoors. Water trickles through his chest hair and he's already hard. Tamas Eszterhazy and Mattheiu Paris are in the nearby hot tub and Hussein joins in. Mattheiu and Tamas take turns with Hussein's boner and then get some reciprocated oral action. Mattheiu is the first top, filling Tamas's insatiable hole. Then Hussein takes his turn on Tamas as Tamas sucks dick. Both Tamas and Hussein shoot their loads, before they continue, with Mattheiu bottoming for Hussein. Hussein plows away until the cum flies and Mattheiu is covered in spunk.

PRODUCTION: **Dreamboy / Eurocreme** • DIRECTED BY: **Simon Booth**

BuilderBoy is the latest addition to the Dreamboy collection, taking its place alongside hugely popular titles like SkaterBoy, SoldierBoy, RentBoy, BarBoy, SpyBoy and BeachBoy.

American pornstar Mason Wyler (you might recognize him from Falcon's 'Spokes 3' and Collin O'Neal's 'Miami') takes the lead role, joining Eurocreme favourites Alex Steven (past QXMEN cover boy), George Basten and London's own back alley boy,

the insatiable Ashley Ryder. The action focuses around Mason and the adventures that ensue when he joins a group of hot and horny builders for some man-on-man manual labour. But these lads are stripping more than paint off walls. Before you can say, "mate can you hold the step ladder?" they're getting hot and sweaty, fucking, rimming and sucking each other to cum-gushing climaxes. There's a classic moment when Mason is being taught Czech

phrases, but his actually asking for some hard cock - quite funny. Bottom Anthony Thomas also gets caught in the middle of two hard hat-wearing fuck-studs as he imagines his favourite fantasy coming true. The massively endowed Titch Jones (anything but Titchy with his massive ten-incher) also proves that big things come in small packages. The final butt-banging 6-guy group scene is a scorcher, with big, thick cocks being stuffed into tight butts from every angle. While it would be great to have these hot builders hanging around a building site, we doubt if much work would get done. The cast also features Damien Esco, Adam Tremadoc, Rio Francisco, Jon Elliot, Zac Hazzard and James Alexander.

HUNT THE HUMUNGOUS!

Chad Hunt has starred in over sixty films and possesses one of the biggest dicks in porn. He recently made his directorial debut with 'Auditions 9'. QXMEN catches up with the man whose cock is guaranteed to make your eyes water.

DOB: 31st January 1973

Where were you born? Wadsworth, Ohio

Where do you live now? West Hollywood, CA

How did you first get into porn and what was your first film?
I did pictures for Inches Magazine with Chuckpixx photography in NYC who knew director Michael Lucas and set up a meeting. My first film was for Lucas Entertainment entitled Fire Island Cruising.

The measurements vary. From the horse's mouth, so to speak, just how big is your dick?
It is 11 inches long by 7 inches around.

When did you discover you were bigger than the other boys?
I went through puberty late in life and having no one to compare myself to since physical education stops in America in the 9th grade. I didn't realise it until my twenties when I worked for Smuckers Jelly and used to have to shower at work and the other guys all called it "my donkey".

In your films you're always the dominant top. Have you ever bottomed? Ever?
Of course ... I have had boyfriends who I have been willing to share that part of me with but it is very rare that it happens. It's not really what I like or enjoy.

Which sex scenes from your illustrious career stand out the most?
Probably the ones I have won awards for like my three-way scene with Carlos Morales and Erik Martins in Vengeance from Lucas Entertainment.

Do you have a favourite porn film of all time?
I do but I'm not in it. It's called 'The Bigger, The Better' from Falcon studios that stars Rick Donovan and Mike Ramsey (aka Peter North).

Do you watch yourself on film? What's it like?
I hate watching myself on film. You are always your own worst critic.

Can you suck your own dick?

If I maneuver myself into the right position I can.

Has having a huge dick ever been a hindrance?

It has been a hindrance often. For some guys it's just too big and this has been a problem both on and off set.

You obviously posses both length and girth. If you had to sacrifice one, would you opt for a long thin cock or short fat one?

I think I'd go for the short fat one. Ive often heard that thin dicks hurt more than thick ones.

Who are the best bottoms in the business?

My personal favorites are Brad Star, Cole Ryan, and Blake Riley.

Dispel one myth about the porn industry.

All Porn Stars are NOT uneducated people. Many including myself have Bachelors, Masters, or even Phd. Degrees

How much has the industry changed since you started in porn?

Movies are starting to be like actual movies and not just naked men having sex.

You took a year off. Why? And what enticed you back?

It was actually almost 2 years. I started a relationship with a man who would end up being the love of my life. He didn't approve of my career and I was willing to give it up for him. Of course he left me anyways because he felt no matter what people would always see me as Chad Hunt and he couldn't handle that.

You made your directorial debut on Auditions 9. What was it like being on the other side of the camera?

I loved it. It was a great experience and the movie was actually nominated for a GayVN award in the Best Pro/Am category.

Is this the start of a directing career?

That all depends on if I can get companies to give me a shot at directing a movie for them.

Who - both actors and directors - do you respect in the industry?

For Directors it has to be almost everyone I have worked with. Each of them brings something new and a different spin to the industry. Michael Lucas, Chi Chi LaRue, John Rutherford, Jett Black, Joe Gage and Steven Scarborough are some of the most prominent. For actors it has to be Michael Lucas again, Johnny Hazard, Aiden Shaw, Lukas Ridgestone and Shane Rollins. Each of these people, like myself, have learned to have longevity. In this career you need to adapt to change, come up with a new look now and then, and there is no such thing as bad press.

What do you do when you're not doing porn and what do you do for recreation?

I try to enjoy life whether it is a relaxing evening at home with my two basset hounds or riding rollercoasters, horse-back riding, bungee jumping, or going to the beach. Each day could be my last.

Tell us something about yourself that you wished people knew.

I wish people knew that I was just a normal person like them. I have the same feelings, wants, and desires that they do. People often view porn stars as either being super-human or sub-human and that is just wrong, in both instances.

What's your biggest indulgence?

Dolce and Gabanna

What advice would you give to someone thinking of getting into the industry?

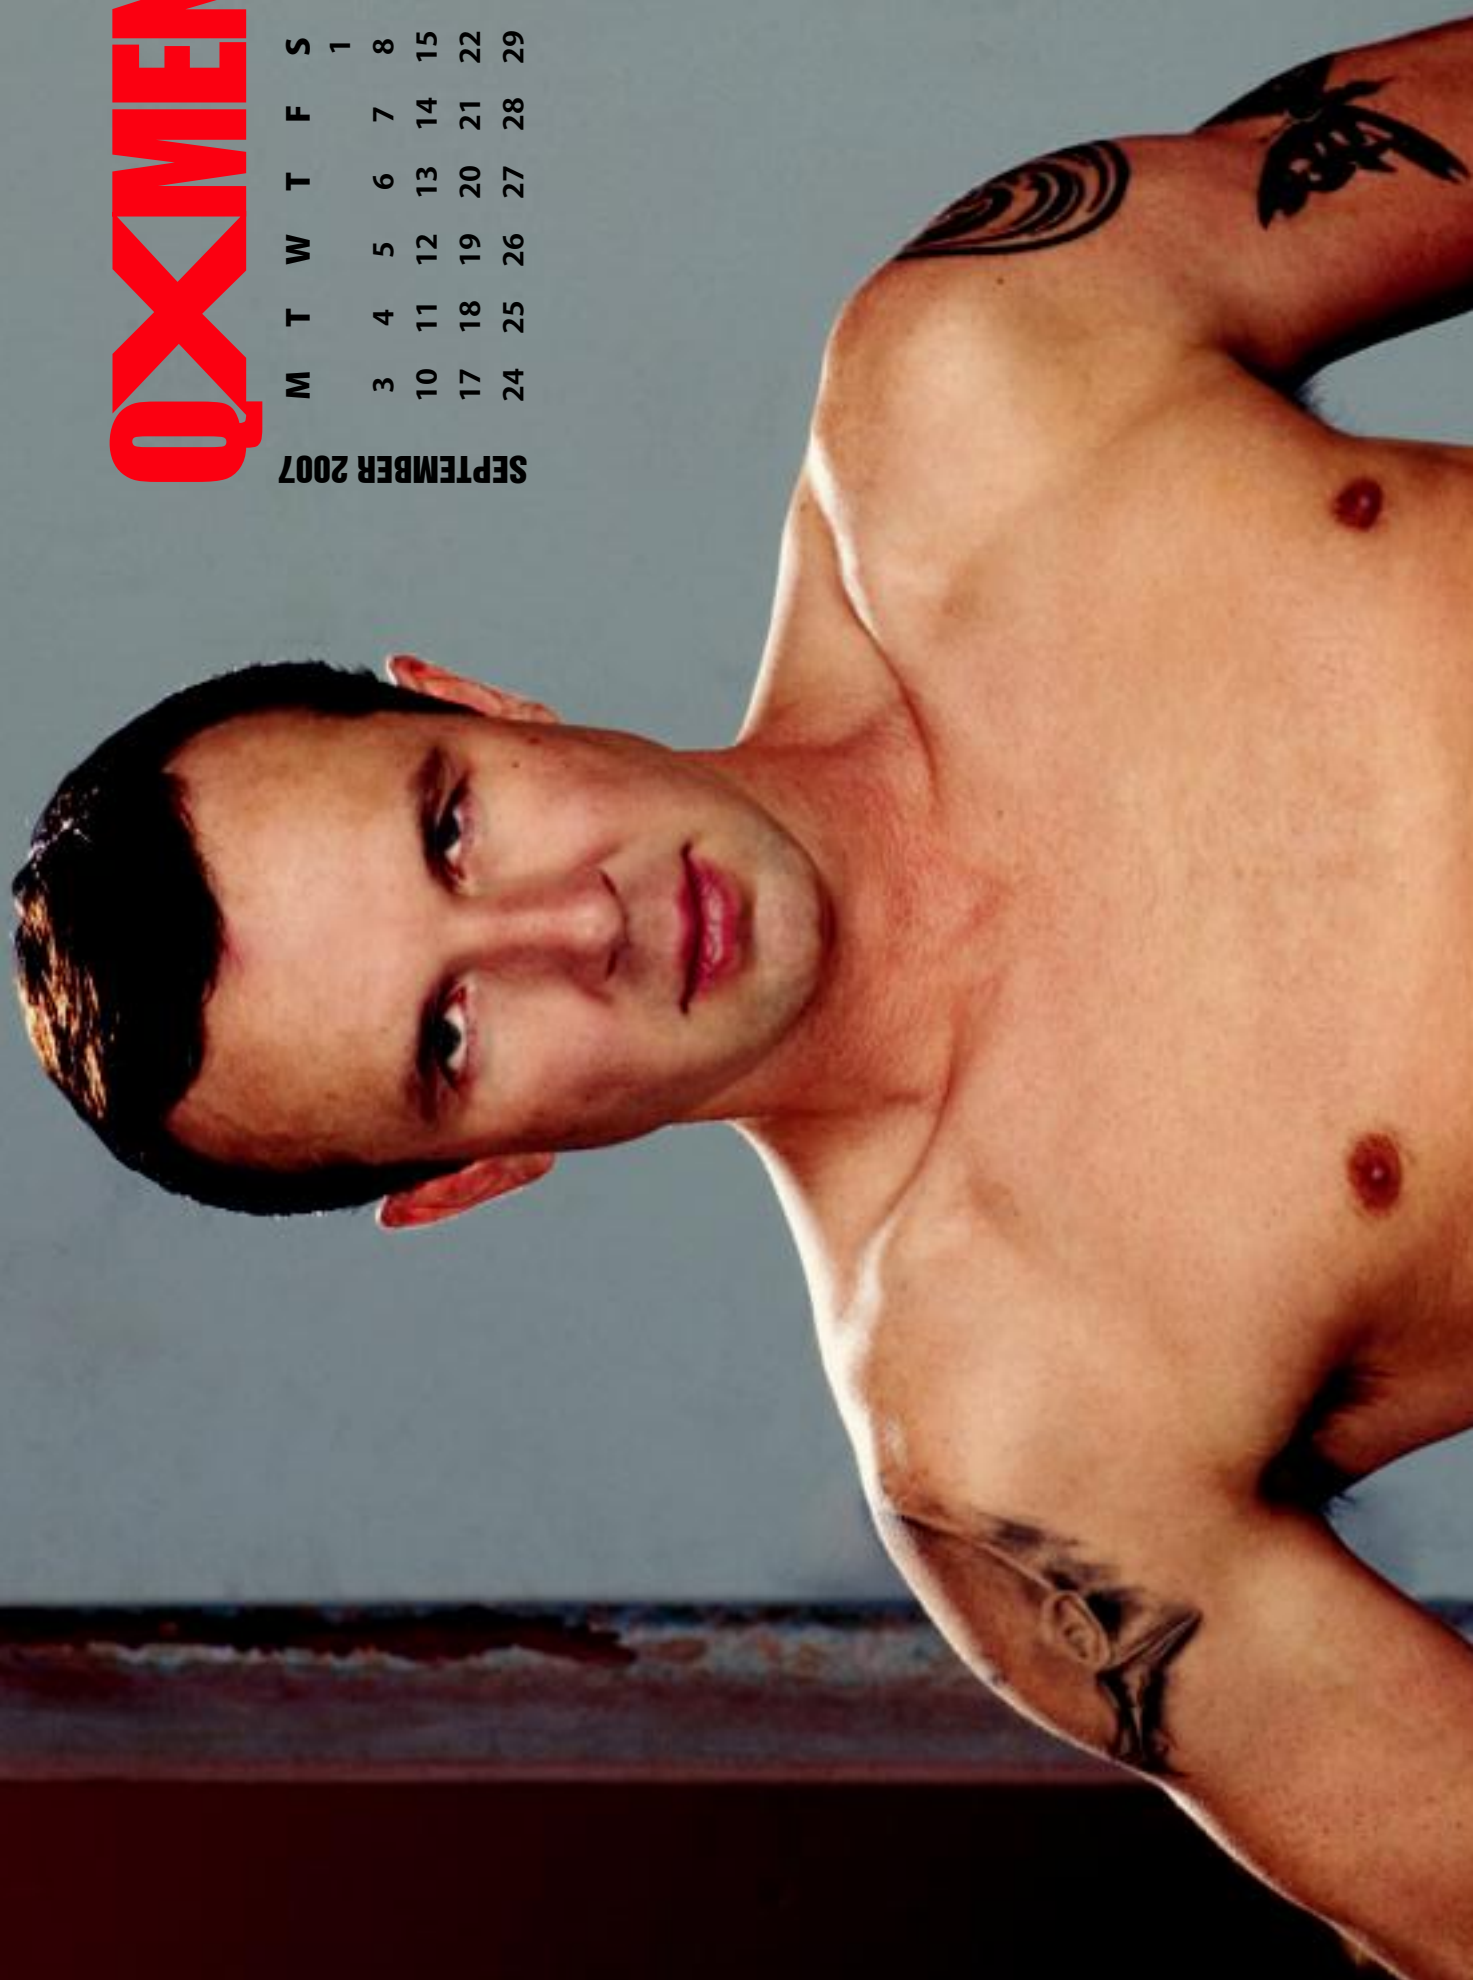

Realise that there is a time table for a career and always have something else to fall back on. Learn to adapt, change and always look for those press moments.

What future projects have you got in the pipeline?

I have a few movies coming up for various studios so it should be a very good year for me this year.

Here are just a selection of the many films starring Chad Hunt available from Prowler stores and on-line at www.prowlerdirect.co.uk:
Fire Island Cruising 7 (Lucas Entertainment), Fire Island Cruising 8 (Lucas Entertainment), Sleaze (Mustang), Drifter (Mustang), Hustle and Cruise (Falcon - out 1st of October), Auditions 9 (Lucas Entertainment), Encounters 3 (Lucas Entertainment), Best of Chad Hunt (Falcon).

VIAPRO LAUNCH

@ Chariots Sauna, Vauxhall, London.

Sometimes we all need a little help in the trouser department; a little bit of a helping hand to keep Mr Stiffy... stiff. Some reach for that little blue diamond shaped pill. But there are other alternatives. Viapro is an all-natural herbal supplement that's clinically tested. Taken in capsule form, Viapro is a combination of twenty two natural herbs that produce a long lasting hard on. It claims to have no adverse side effects, and is relatively quick acting, giving results after 45 minutes. But, as they say, the proof is in the pudding. So we popped to the launch night at Chariots in Vauxhall in London and put it to the test, swallowing the complimentary Viapro upon arrival. Decked out Arabian Nights-style, there were throw cushions galore, a Bedouin style tent, and a bevy of scantily clad boys, that wouldn't look

out of place in a rich (bent) Sultan's harem. Raffles and prizes happened throughout the night and there was an erotic slide show and tasty refreshment available.

Boing! In just under an hour the white towel started to twitch and we were off looking for action in the busy labyrinths. Maybe it was the sight of the promo boys mud wrestling or the very cheeky South African that kept flashing us his cute derriere, but we were certainly up for it all night – again, again... and surprisingly, again! Give Viapro a go and see for yourself.

COCK 13BYTES

by Brent Nicholls

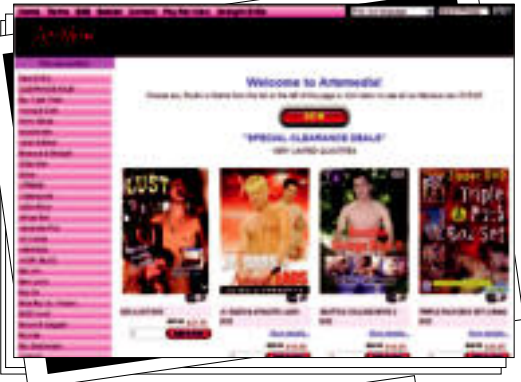

<http://theuncutcock.blogspot.com/>

There is something about foreskins that keeps bringing us back and we have found a wonderful site for foreskin lovers. Well, actually it is more a blog then a website, but it is dedicated to one thing: the uncut cock. The fact it is a blog does not distract it from having plenty of images of uncut cock either from porn studios, other internet sites or amateur shots. In fact, being a blog it is probably more dedicated to the foreskin images although some of the images will have a description or brief about the models which we are sure you will take the time to read! Blog visitors can even submit images of their own cock and plenty do...who's a pretty boy then? With lots to look at, some stunning and some, well, unattractive, we stayed true to our mission and kept scrolling down and down and down to come up with one conclusion: dickalicious!

www.artemedia.nl

Personally serving the gay world since 1984, artemedia.nl is your portal to over 5,000 hardcore gay DVDs and 100s of magazines, toys and comics. That's right it's time to polish off your credit card, lube up your favourite appendage and go shopping Dutch style. DVDs can be found in all manner of ways: either by studio, theme or categories. Being Dutch-based there are plenty of videos you otherwise would not see here from various production companies I personally have not heard of, such as German Gay Power and Pink'O. Of course all the major studios have DVDs on here including Hot Desert Knights. Colt, Falcon and Catalina. Apart from buying DVDs you can also pay for them per view from artemedia.tv. If you are into straight porn, and we like a bit of pussy poking, also check out their other site artemediavaxx.com.

www.rentboy.com

Aaaah hookers! Where would we be without them? Lonely nights, nothing to look at on Gaydar and half the clubs would be empty. Working the oldest profession, they fill a void in our life one way or another and some of the best can be found on rentboy.com. A global website, you can select the recommended choice (which can be anywhere in the world) or peruse by area. Each escort has a profile that features a stat card, more images and the ability to review the escort. If you sell your stash for cash, there is also a link to add yourself to the site. Apart from having some of the world's hottest men there are plenty of images to look at, mostly naked (no sex) and with links to personal websites which will have more pics. Rentboy.com also has 'rentboy cinema' where you can stream movies straight onto your hard-drive, some of the flicks featuring some of the porn star dick listed on this site. If you are unsure of the one that you want then make sure you visit the Escort Award link where the escorts are awarded from various categories such as "best bottom", 'best fetish escort', 'best top' and 'best porn star escort'.

www.chocolaterosebud.com

If you like your men black then we have found a fab website featuring all the black sugar you can eat. Titled chocolaterosebud.com it is as cheap as \$1 for a three day trial to get a taste of the sweet stuff. Plenty of pics, lots of cream centered chocolate logs and free video samples can be had before you part with your hard earned cash. We had to laugh at their tag line though 'ebony salad tossing'.

If you have a website that would be suitable for this page, then please let me know by dropping me an email at brent@brentnicholls.com. Commercial sites, personal homepages, free galleries are all welcome.

ROLES REVERSED AT GAYDAR.CO.UK TOPS BECAME BOTTOMS AND BOTTOMS BECAME TOPS!

It was a case of 'roles reversed' for many members of online dating site, Gaydar, recently after a computer glitch resulted in the members' role, i.e., 'active' or 'passive', being reversed. This meant that all those "I never get fucked" big butch tops were being labeled as being 'passive' instead of active, and hungry passive lads hoping to meet a hung active guy to pound them all weekend found themselves chatting up like-minded passive guys believing they were actually active. The problem was quickly resolved and Head of Customer Support at QSoft Consulting, Paul Trickey, told QXMEN, "Gaydar.co.uk recently encountered some problems when we rolled out the Japanese language version of the site. Unfortunately, this resulted in some information being displayed incorrectly on profiles. Luckily, many of our users saw the funny side of this temporary glitch, but we do appreciate the embarrassment and inconvenience this may have caused and we apologise to all our users for this. Rest assured, we have learnt our lesson and are working hard to ensure it doesn't happen again."

STONEWALL & THE GMC TACKLE LGB HEALTH CONCERNS

Stonewall and the General Medical Council (GMC) have joined forces to address concerns that some doctors are not responding properly to the health needs of lesbian, gay and bisexual (LGB) people. Recent research conducted by Stonewall during the consultation for the Equality Act (Sexual Orientation) Regulations 2007, highlighted some of the shocking problems faced by LGB people when trying to access services from doctors, which included doctors refusing to accept someone as a patient because of their sexuality and doctors making offensive or discriminatory comments about LGB people and their sexuality. An information leaflet has been produced as a response to these concerns, which aims to inform LGB people of their right to complain if they feel they have been discriminated against by their doctor, and offers guidance on how they should go about doing it. The leaflet is the first the GMC has published for a specific group of patients and can be viewed at the GMC's website www.gmc-uk.org. Ruth Hunt, Head of Policy & Research at Stonewall, said, "We have heard from many men and women who have been treated differently by doctors just because of their sexual orientation. We hope this leaflet will reassure gay people that they can, and should, complain when they receive substandard care, and that their complaint will be taken seriously."

FEED YOUR INNER FREAK NEW RETAIL STORE FETISH FREAK OPENS

Just launched in the vibrant heart of Vauxhall in London, Fetish Freak was set up by Richard Wilbraham and Jonathan Wheatley, both experienced businessmen who have built an admirable reputation within the fetish scene: Jonathan being Manager of Expectations until Summer 2006, and Richard being one of the most in-demand leather tailors in the capital. The location for this new venture could not be more perfectly suited: they've set up shop at The Hoist, London's most famous men-only fetish club. As well as opening on Thursday and Friday afternoon, the shop is open during club hours. Nothing like a bit of raunchy retail therapy to get the pulse racing!

Bespoke leather and rubber garments with unparalleled personal service ensures all your fetish needs are catered for. From chaps and harnesses to dildos, butt plugs, lubes, cock rings and so much more. Come browse this veritable Aladdin's cave of kink.

If you can't make it to the store, Fetish Freak can come to you. They'll bring samples, measure you up... and voila, your made-to-measure gear will be tailor made.

**Fetish Freak is at Arch 47B South Lambeth Road, London, SW8. Tel: 07956 089 748.

TWO BIG BALLS... HUSTLABALL NEW YORK AND HUSTLABALL BERLIN

There are two Hustlaballs this year, one in New York on Sunday 9th September, the other on Friday 19th October in Berlin.

Hustlaball New York takes place at Club Rebel, a gargantuan three-floored hedonist's playground. The event takes place over the weekend 7th-10th September, with pre-parties and a sensational afterparty celebrating Rentboy.com's 10th anniversary. Hustlaball brings together the world's hottest porn stars, strippers, erotic performers and escorts. It's also when the who's who of the porn industry come out to play. DJs DeMarko, Micky Friedman, Man Parrish and Andrew Mendez, plus the irrepressible ChiChi LaRue will be providing the sexy sounds, with MC Shequida overseeing the night. There are two pre-parties: Fetish Night at Eagle (554 West 28th Street) on the 7th, and Porn Night at Element on the 8th.

Advance tickets are \$25 or \$40 at the box office. Or you could flex your plastic and get a VIP pass for \$110 (box office \$125). VIP passes include admission to all the official Hustlaball events (pre-parties, main event and afterparty), separate VIP entrance at the main event, welcome drink and use of the exclusive VIP lounge (which from our experience, is where the porn stars and movers and shakers hang out).

Hustlaball Berlin takes place at the infamous KitKat Club. DJs confirmed for the event include London's Jack Chang, DJ Dealer from Belgium and Dominox and Red Tomcat from Berlin. Expect to see a plethora of porn stars, industry luminaries and thousands of sexed-up guys in their best fetish gear. The afterparty continues at the KitKat Club from 7am on Saturday 20th - if you're still standing!

For more event info and ticket booking go to www.hustlaball.com.

FIRST EVER SEX TOY AMNESTY WORN OUT DILDOS TO BE ECOLOGICALLY RECYCLED

When news of this recycling initiative first reached QX towers, there was a resounding “Euuuugh” throughout the office. LoveHoney.co.uk has launched Rabbit Amnesty, the world’s first sex toy recycling scheme, but who, we thought, would want to buy a recycled - that’s used - sex toy? So, we were relieved when we discovered that it was actually the toys’ parts that were being recycled and treated in an “ecologically sound manner”. Apparently, under new EU Waste Electrical Equipment (WEEE) Regulations, householders have a Duty of Care to dispose of waste electrical equipment properly and it’s no longer good enough to throw old electrical equipment, including vibrators, in the kitchen bin! So think next time before you chuck out that knackered old sex toy, log on to LoveHoney.co.uk to find out how to dispose of it... and help the environment.

TOM WEISE RETIRES FROM RENTBOY.COM

On September 28th, after ten years in the adult industry, Tom Weise, co-founder of Rentboy.com, steps down. Rentboy.com has served more than twenty million happy punters and with thousands of escorts worldwide registered, it’s the largest male escort internet site. Rentboy.com has produced, hosted and sponsored more than 250 events around the world, including Gay Pride festivals and the Gay Games. Rentboy.com created Hustlaball in early 1998 – now one of the most recognised mega parties on the planet. Rentboy.com has won awards, hosted award shows and has grown from being New York based to having offices in New York, LA and Madrid. QXMEN wish Tom the best of luck with his future endeavours.

HORNY RUGGER BUGGERS AT SPORTSLADS.CO.UK

September is Rugby World Cup month. Whether you’re a fan of the game or simply switch on the box to ogle the hunks in the scrum, we’ve found a website that fulfils all those off-the-pitch fantasies. So if you’ve ever pondered being pinned down by Johnny Wilkinson, pummelled by Jonah Lomu or perhaps beat your meat at the thought of an hour in the shower with the whole of Stade Francais... check this out.

This month there’s a horny video featuring two skinheads in a rough rugby kit session, an archive of previous pictures of guys in kit and jocks and more. The highlight has to be Johnny B and the 5-man sticky biscuit contest. Surely you know what “sticky biscuit” is? Made infamous through post-match public school stories: players wank onto a biscuit and the last one to cum has to eat it. Makes a change from dunking your Bourbon in your Tetley! And it’s not just rugby kit that’s featured. There are over 150 men in other kinds of sport kit. From £6.50 a month, it’s well worth taking a look.

TITAN MEDIA PRESENTS

FACTORY

F R E S H

PRODUCTION: **TitanMen.com**
DIRECTED BY: **Brian Mills**

Director Brian Mills returns to Europe to shoot another selection of young, hung and uncut studs in this latest release from Titan Men's Fresh line.

Taking place in an abandon factory these beautiful and super sexy guys fuck ass, suck cock and spray their jizz all over the equipment – when they're not shooting over each other's tight, ripped bodies.

Snoozing on the floor, Marco Mark is quite literally stumbled upon by Sergej Ural and cute Erik Iverson. Soon Erik and Sergej are chowing down on Marco's raging stiffy. They dump thick wads on Erik's pecs, before Erik and Marco tag team Sergej's smooth bubble butt.

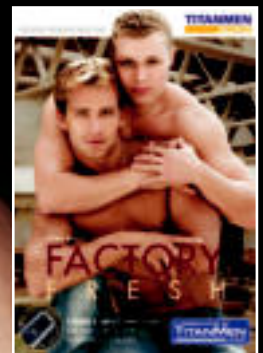

Super sexy Felix Slovacek and gorgeous Jason Jackman force their uncut dicks down Honza Banan's throat, blasting him with hot cum. With Jason spread-eagled, Honza and Felix take turns shagging his luscious ass.

The final scene has handsome Thomas Lee and dark haired Dion Phillips both using and abusing Justin Corner's mouth and butt. The scene culminates in Thomas being splattered with spunk.

Slickly shot and featuring rock hard, athletic Eastern Europeans, this new Titan line certainly delivers.

DVD extras include behind the scenes footage, a cumshot review and a slideshow.

NSU - the most common STI

NSU stands for non-specific urethritis and is an inflammation of your urethra (the tube that carries urine and semen out of the body). It's usually caused by the bacterium Chlamydia but it can be caused by other organisms too. Therefore, because the exact cause is not always known it's called 'non-specific'.

BY DR ALEX VASS

What are the symptoms?

Up to half of guys with NSU have NO symptoms and so don't know they have the infection. When symptoms do occur they include:

- burning pain when you pee
- wanting to pass urine a lot
- white/cloudy discharge from the end of the penis, most obvious in the morning
- redness or soreness at the tip of your dick.

How do I get it?

NSU is picked up or passed on during sex, including oral and anal, and symptoms usually appear about two to five weeks after initial sexual contact. You CAN'T get it from hugging, kissing, toilet seats or sharing towels.

But NSU is not always sexually transmitted. So if your partner is diagnosed with this condition, don't automatically assume that he has been playing around! For example damage caused by having lots of sex or excessive masturbation can inflame the lining of your urethra and cause the symptoms of NSU, without there being an actual infection. It can also be caused by a reaction to bubble baths or soaps – especially if you tend to scrub yourself clean. This irritates and inflames the lining of your urethra, causing a discharge. NSU can also be caused by non-sexually transmitted bacteria, as a result of putting an infected object down your urethra, for example, having your penis pierced or from a urine or bladder infection.

How is it diagnosed?

If you think you have an infection it's important to get a check as soon as possible. Sometimes the infection can spread up your urethra into one or both testicles, making them swell and ache. Very rarely, the immune system can over-react to the infection, causing swelling and pain in your joints.

The best place to go is a sexual health or GYM clinic.

You can find your nearest clinic from calling

0845 310 1334 (Monday to Friday, 9am to 6pm) or visit www.fpa.org.uk

During a check a small swab is used to take a specimen from the end of your penis and this is checked under a microscope for signs of infection.

This specimen is also sent to a laboratory so that the exact type and strain of bacterium can be identified. A urine sample may be taken as well, and tested to check for infection.

What is the treatment?

Good news! NSU is usually easily treated and cured with antibiotics. This can either be a single dose of antibiotics or a week's course, depending on which bacterium is the cause. Sometimes the antibiotic you are given may not work first time round and so you may need a second course.

Like other STIs it's really important that you don't have sex while you're being treated or you can pass the infection to someone else.

Who do I tell?

Partners are always treated, even if their tests are negative or they don't have symptoms, because they are assumed to have caught the infection. If you had symptoms, partners in the last month need to be told so that they can be checked and treated. If you didn't have symptoms then, ideally, partners you've had in the last six months should be contacted.

How do I prevent it?

When NSU is sexually transmitted and so caused by a bacterium, always using condoms for anal and oral sex can prevent the transmission.
