SKINHEADS

There's no messing about with Triga's Skinheads and we're straight into the action in scene one coming face to face with two burly skins in just their boots stood at an empty bar. When they're interrupted by one big mutha fuckin' bonehead wielding a baseball bat you know the action's going to be hard and not for the faint-hearted. The smaller of the three blokes is forced to his knees by the two mean bruisers while they spit in his face, piss down his throat and ram their hard fat cocks in and out of his willing mouth 'til he's choking. A new lad joins the action and is immediately stripped, forced to his knees and dragged by his hair to face the other sub skinhead. Now, both on their knees, the subs are forced to suck cock and eat arse while their dominators spit, piss and slap them about, all the time being threatened with a battering from the baseball bat. And boy, can these two bruisers piss a lot. Fuck, they must have downed a fair few pints down the pub before shooting the scene! Soon one of the subs is on his back getting what he deserves. A hard cock up his arse and two fat cocks forced down his throat.

Scene two's a blinder too. Two sexy-as-fuck young skinheads – one blond and covered in tats, the other dark and muscled – start off snogging the faces of each other, swigging beer and smoking their fags. It ain't long before their bleachers are round their ankles and the blond tattooed lad's got his tongue up the other skin's hole, pouring beer over his arse. The scene climaxes with the blond pumping arse and blowing his nut over the dark, muscled skin's well-fucked hole.

By the time you get to the final scene of the film you'll be wondering if the bruisers can get any harder... Well they do. We could tell you what happens, but you'll just have to watch Skinheads for yourselves to see the hard time given to the lad at the end... Enjoy it if you think you're hard enough...

FITLADS.NET | IGLFA 2008 WORLD CHAMPIONSHIP KICK OFF PARTY 27/04/08

The scallies were out in their trakkies and trainers for the Fitlads.net International Gay & Lesbian Football Association (IGLFA) 2008 World Championship 'Kick Off' Party at Depot in April and QXMEN popped down to check out the lads. The world championship takes place at London's Regents Park in August and is being sponsored by FitLads.net, one of the UK's largest gay networking sites. Joe Hill, Director of Fitlads.net, told us, "Fitlads are thrilled to be sponsoring the gay football world championship this summer. It's going to be a great event and it underlines our commitment to the gay sports community." And judging by the remarkable 'ball control' and offside action going on between the up-for-it lads at Depot that night, this summer's event is going to be a blinder.

FETISH

RECON FULL FETISH 04/05/08

May Day Bank Holiday Sunday saw the welcome return of Recon Full Fetish, this time to The Arches. The guys from Recon, the world's largest fetish cruise site, certainly know how to throw a party and the club was rammed with horny rubber guys, uniformed tops, leather daddies and horny skins. With four arches to cruise and dance, huge cruising dungeons, live acts, a Recon shop, there was plenty to keep the guys busy. The two bar areas were packed with eager guys eyeing up cock of all types and perversions while the outside spaces were a welcome place to chug on a fat stogie on this barny May evening.

The Arches is at 51-53 Southwark Street, London SE1

**PORN STAR DEAD MONROE
GETS UP CLOSE AND
PERSONAL WITH LEGENDARY
PORN DIRECTOR
CHI CHI LARUE**

**AHEAD OF
THE**

HUSTLABALL
in
LONDON...

DEAN MONROE: I've known you for five years now but tell me, how did Chi Chi LaRue the persona come about?

CHI CHI LARUE: The name Chi Chi LaRue came from a bunch of us guys sitting around preparing for a drag act in Minneapolis, MN. We all had to pick a name and, as people were going around the room picking their names, my friend Scott came up with the name Chi Chi LaRue.

What was your first experience in the porn industry?

Working on a straight film, operating the boom microphone in a girl/girl scene between Gina Fine and Tracey Adams; this was the first time I had ever seen anyone have sex in front of me and I was horrified! I turned away and Gina Fine said "Uh, Larry!" and I looked down and I had dropped the microphone right down almost on top of the girls. I was horrified though, it was like I couldn't believe it... it was like ugh. Not in a bad way, it was just like Oh My God, I'm actually watching people have sex!

You have very strong views on bareback sex in movies. What do you say to those studios that insist on making them?

I believe in freedom of speech and freedom of expression... I just don't have to agree with everything.

What qualities do you look for in the models you cast in your films?

I think I'm an everything kinda guy... I like it all! I like older, younger, hairy, smooth, dark hair, blonde hair, facial hair, every ethnicity... I like all men! I like 'em big, I like 'em small, I just like EVERYTHING!

Have you found the new POWERTOOL star?

Still Looking! Very hard to find someone that has done NOTHING and that has the three perfect elements: face, body and dick.

How do you feel when you are directing on set? Do you get turned on?

I used to a lot. Um, and now if there's any tingle anywhere... I know it's going to be a FANTASTIC scene! Dean Monroe can still do that to me, wink.

Who do you admire most in the porn industry?

I admire a lot of people in the porn industry and would it be bad to say myself? Ya know, I guess after all that I've done and stayed true to what I believe in and built this company along with my partners. I guess ya know if it sounds a little egotistical to say myself, I guess I would say everybody that works at Channel I because we worked really hard to create this fantastic company.

"IF THERE'S ANY TINGLE ANYWHERE I KNOW IT'S GOING TO BE A FANTASTIC SCENE!"

So, what's your favorite porn flick of all time?

It might be a straight porn called 'Jack And Jill' which starred Samantha Fox and Jack Wrangler. But in the gay genre, either William Higgins' 'Cousins' or Matt Sterling's 'A Matter Of Size'.

You've directed straight porn films in the past. Is that any different from making gay porn?

Very different, but really fun and I love working with the girls. It's fun to put a gay sensibility on straight films.

Who would you say is the hottest bottom in the business right now?

Blake Riley... Definitely Blake Riley!

And the hottest top?

Well there's a few... Tyler Saint, Josh West and, of course, there's always Chad Hunt.

Is there anyone you would love to cast in a film?

Porn stars or non porn stars? Well, let's see, if I could have my wish and have anybody I wanted, EVER, like I could pick ANYONE?? Probably Robbie Williams. That would be a dream person to be in a movie. As far as someone that I haven't worked with, that's in the porn industry; I would definitely have to say François Sagat.

"IT WAS JUST LIKE, OH MY GOD, I'M ACTUALLY WATCHING PEOPLE HAVE SEX!"

Your studio's based in Los Angeles. Why is California such a hot spot for porn companies?

It just always has been. I mean there's now porn companies in New York and lots of European porn companies, but California has always been the Mecca. Everybody wants to come to sunny California.

Does Chi Chi ever get to relax between directing and all your personal appearances?

HA HA! Hell No... I don't know if I can relax; it's something to this day, that I still have to learn how to do.

QXMEN has reviewed 'Excess' in this month's issue... What can we look forward to next?

Well I have a great new story movie, 'Unknown' starring Blake Riley and Vinnie D'Angelo; and I have a new dirty sex club movie with Johnny Hazzard called 'Hazzard Zone', which is Johnny's first movie since 'Link: The Evolution'. And I'm getting ready to shoot a big dick movie called 'Measure Up'.

I know you love visiting London. When is your next trip here?

I will be there in June for the HustlaBall London!

We'll be meeting again at this month's Grabby Porn Awards in Chicago. How do you feel when you host such a big event?

I think the Grabby's are a fantastic event because it really incorporates the fans and it really is a big melting pot of the business and the fans. It's a huge, fun, fabulous weekend! It used to just an awards show that happened during IML, but now it's basically become a world of its own and it's become a whole weekend, it's basically The Grabby Weekend. It kicks off on Thursday night, with our party at Charlie's called Skin Trade, and all the boys in the business will be there dancing. We're also doing it as a benefit for TPAN (Test Positive Aware Network). And it culminates with the Big Awards show that I've hosted now for ten years with Honey West. I love doing it... It's a lot of work, but it's really really rewarding and really fun. It is a total fun, ad-libbed, great night for everyone in the industry and fans!

Any final words to your fans in the UK?

Hello Darlings!! I can't wait to come back! I love it there and consider it one of my second homes. Can't wait to see you sweeties!!

JOCKSTRAP

OUR FAVOURITE ITEM OF UNDERWEAR IS NOT ONLY WORN BY ALL TEN JOCKSTRAP STUDS, SUPPORTS BULGING PACKETS AND FRAMES FIRM BUTTS, IT'S ALSO SNIFFED, WANKED OVER, AND USED AS A HARNESS. FROM THEIR ROCK-HARD COCKS, IT SEEMS LIKE THEY'RE ENJOYING IT TOO. TRUST PORN-MEISTER SCARBOROUGH TO DELIVER THE GRADE A BEEF AS PER.

Starring: Ty Le Beouf
 Francesco D'Macho
 Vinnie D'Angelo
 C.J. Knight
 Alex Collack
 Tyler Saint
 Mike Roberts
 Rafael Alencar
 Max Schutler
 Tyler Riggz

Locker room fantasists will spring to attention in the first minute when hunky C.J. Knight ogles two fellow sportsmen stripping to their jocks. One is gym-toned, crewcut daddy Tyler Saint, the other bearded Alex Collack, noted for his amazing abs and being a rare Aussie with a foreskin. The pair mount a joint assault on Knight, who's soon being spit-roasted on a bench. Then there's a great shot of Knight's taut gluteus maximus as his arse is stuffed with two cocks. Nice too to see masculine Collack being porked by Saint before the final group hug! Next, after their workout, horse-hung Brazilian Rafael Alencar, makes a move on trim college boy Max Schutler. Alencar licks, probes and stretches Schutler's hole, but it also needs a bucket of lubrication before it's ready for the Alencar schlong. (I.D. Luke gets a credit at the end!) After an interlude, in which straight-acting Mike Roberts is so turned on by Ty Le Beouf's discarded jock, that he wanks into it and then wears it, stocky, bald coverboy Le Beouf returns in a scene with hairy, macho favourite Francesco D'Macho. They're an odd couple, but their fiery encounter burns up the screen. They kiss, suck and rim in a long, passionate session. D'Macho bends over to be fucked, then says to Le Beouf, "Want me to fuck you?" Le Beouf replies, "Fuck, yeah!", and they're off, the big man riding the smaller like a horse and holding his yellow jock around Le Beouf's neck. The climactic scene has Tyler Riggz and Vinnie D'Angelo trying on jocks in the Mr S leather store in San Francisco. They get so turned on, they go home to fuck each other. And D'Angelo fucks Riggz twice! Maybe they're acting, but the agonised groans certainly make it sound as though they've never done it before. Phew! What a scorcher.

STUDIO: CAZZO - DIRECTED BY MARTIN TARGET

Starring: Thom Barron, Fred Faurtin, Tim Vincent, Justin, Jan Losch, Chris Holland, John Hawk, Anthony Ploumaud, Ben Denver, Diesel T., Joybringer, Michael Korn, Tibor Weber, Tom Hammond, Victor Piovani.

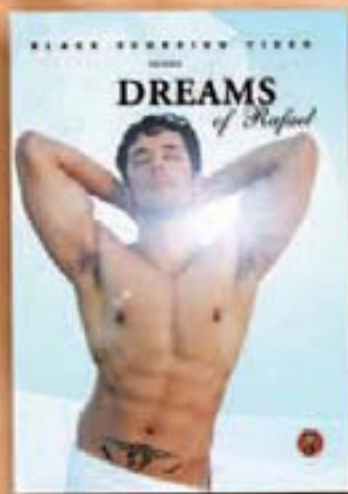

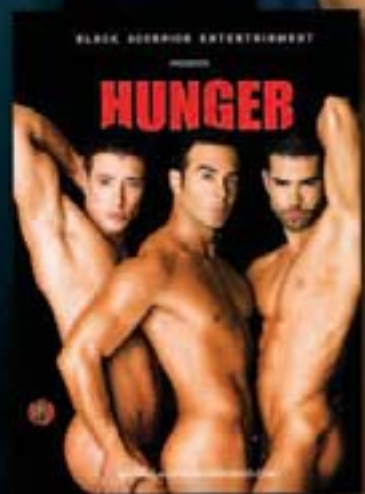

GET READY FOR AN ACTION-FILLED PORNO ROAD MOVIE WITH GANGSTERS, BODYGUARDS AND MURDER FEATURING SOME OF CAZZO'S HOTTEST MEN AND A FEAST OF HUGE VEINY COCKS.

Sexy, blond and massively hung Max (Thom Barron) is given the job of protecting Justin, boyfriend of sinister gangland boss, Dany. There's just one simple request - Thom can't lay one finger on him or he'll end up with his balls cut off and shoved down his throat. But how could he resist when Justin strips off in front of him and sticks his black bubble butt in the air. Being a hot-blooded man, Thom can't help himself and fucks Justin in multiple positions, unaware that Dany and his two menacing bodyguards have returned home early and have seen everything. Fearing for his life, Thom goes on the run and so begins a bizarre road trip as he tries to escape from Dany and his bodyguards. He hooks up with sexy fucker Fred Faurtin and they speed off in his car to hide out in a hotel. Next day, still on the run from Dany and his bodyguards, Thom unwittingly gets kidnapped by two rednecks who want their wicked way with him - and they certainly do. Thom's stripped and tied spreadeagle to a table so the two rednecks can abuse his arse and spit-roast him. Just as you think things can't get any worse for Thom, a leather clad gimp with what must be a 12 inch cock, crawls out from a trunk in the corner of the room and proceeds to pound away at Thom's already used arsehole. Thom escapes with the help of Fred only to continue the cat and mouse chase with the psycho Dany and his bodyguards. More horny adventures ensue including abuse with a prosthetic limb, group sex on stage in a sea of cuddly toys and a great outdoors sex scene with Thom and Fred before the gripping finale. But we're not going to tell you what happens... You'll just have to watch Fuck Fiction yourself to find out if Thom escapes the evil Dany.

Nathan Sommers, Turk Mason, C.J.
Madison, J.T. Ross, Tyler Saint.**

CHI CHI LARUE'S EXCESS

THIS NEW CHI CHI MOVIE, ONLY COMPLETED A FEW MONTHS AGO, WAS SHOT IN A FABULOUS PALM SPRINGS MANSION AND SWIMMING POOL. THE CAMERA POSITIVELY DROOLS OVER DREAMY CONTRACT STAR BLAKE RILEY IN THE FIRST SCENE (AND IN THE EXTRAS, WHERE RILEY PLAYS WITH HIS COCK DURING A PHOTO SHOOT). BUT THERE ARE THREE MORE SCENES, JUST AS HOT! WITH ITS LUSH SETTING AND BEAUTIFUL PHOTOGRAPHY, EXCESS IS SO ROMANTIC THAT IT WOULD MAKE A PERFECT FIRST DATE MOVIE!

Riley arrives at what's supposed to be some homo hotel. Classy, chiselled and immaculately suited, he looks like a catwalk model. He's awoken from sleep by twinkish Cort Donovan and Turk Mason, who start fondling each other outside Riley's bedroom window. Then Donovan flops out a dick and a half. The sensual, languorous scene between the three of them lasts almost 45 minutes, but it's full of horny highlights, including Donovan rimming the other two simultaneously, and then Donovan delivering a piledriver fuck to Riley, which he loves. Later, on the patio, tattooed bear C.J. Madison and blond bombshell Erik West slip out of their robes and start snogging. They both look like movie stars and their love-making is so intense that they could be real-life partners. (The behind-the-scenes footage seems to confirm this). The scene ends with Madison spraying a fountain of cum. Next we move to a bathroom, where Eddie Diaz, smooth and black, is taking a bath while Jude Collin, hairy and white, is in the shower. Pretty soon they're wanking. Although Collin is donkey-dicked, Diaz can deep throat him. When Collin returns the favour, it's revealed that Diaz has a guiche, the perineum piercing, and a pair of real swingers. Sexy! Collin fucks Diaz twice, the second time in the uncommon scissors style. Rarely has the combo of wet, black and white skin been so erotic. The climactic orgy around the pool will leave few viewers' cocks unmilked. J.T. Ross, a preppy newcomer with an impressive bell end, gets orally serviced by Nathan Sommers, who later bottoms for the first time onscreen. His top is stubby stud Riley Burke. Burke is also involved in a three-way with Tyler Riggz and Tyler Saint, who are both also in Jockstrap, although Riggz has since lost his goatee. Riggz must have liked taking cock in that earlier movie because now he's bottoming again! This time he submits to Saint's giant member. Saint can fuck and suck at the same time, which is a trick you don't often see. And wait until Riggz rubs his cum-covered cock against Saint's. It's an image that'll leave you short of breath.

the lad to his knees to lick his boots and leather jeans clean. Robbie's dragged up by his hair to be put to work on James' sweaty armpits, licking them clean and all the time being spat on and slapped about. It's not long before Robbie stripped to his black jockstrap and bent over for James' inspection. Forcing him to spread his cheeks, James' spits on Robbie's hole before ordering him to back on to his stiff cock. And so begins a merciless fuck session with James ploughing Robbie's arse in various positions before he shoots a creamy load over his butt which Robbie is forced to eat off James' fingers. TITAN MEDIA PRESENTS
CHAINSAW

A JOE GAGE MOVIE

Starring: Dillon Buck, Tony Buff, Dean Flynn, Braxton Bond, Riley Burke, Ludovic Canot, Brandon Cole, Ken Mack, CJ Madison, Bigg Pete, Sebastian Rivers, Allen Silver.

LEGENDARY DIRECTOR JOE GAGE TAKES A GROUP OF SUPER HOT TITAN MEN INTO THE WEST VIRGINIA BLUE MOUNTAINS AND LETS THEM HAVE THEIR WAY IN THE GREAT OUTDOORS AND AT THE ANNUAL COMPANY PICNIC.

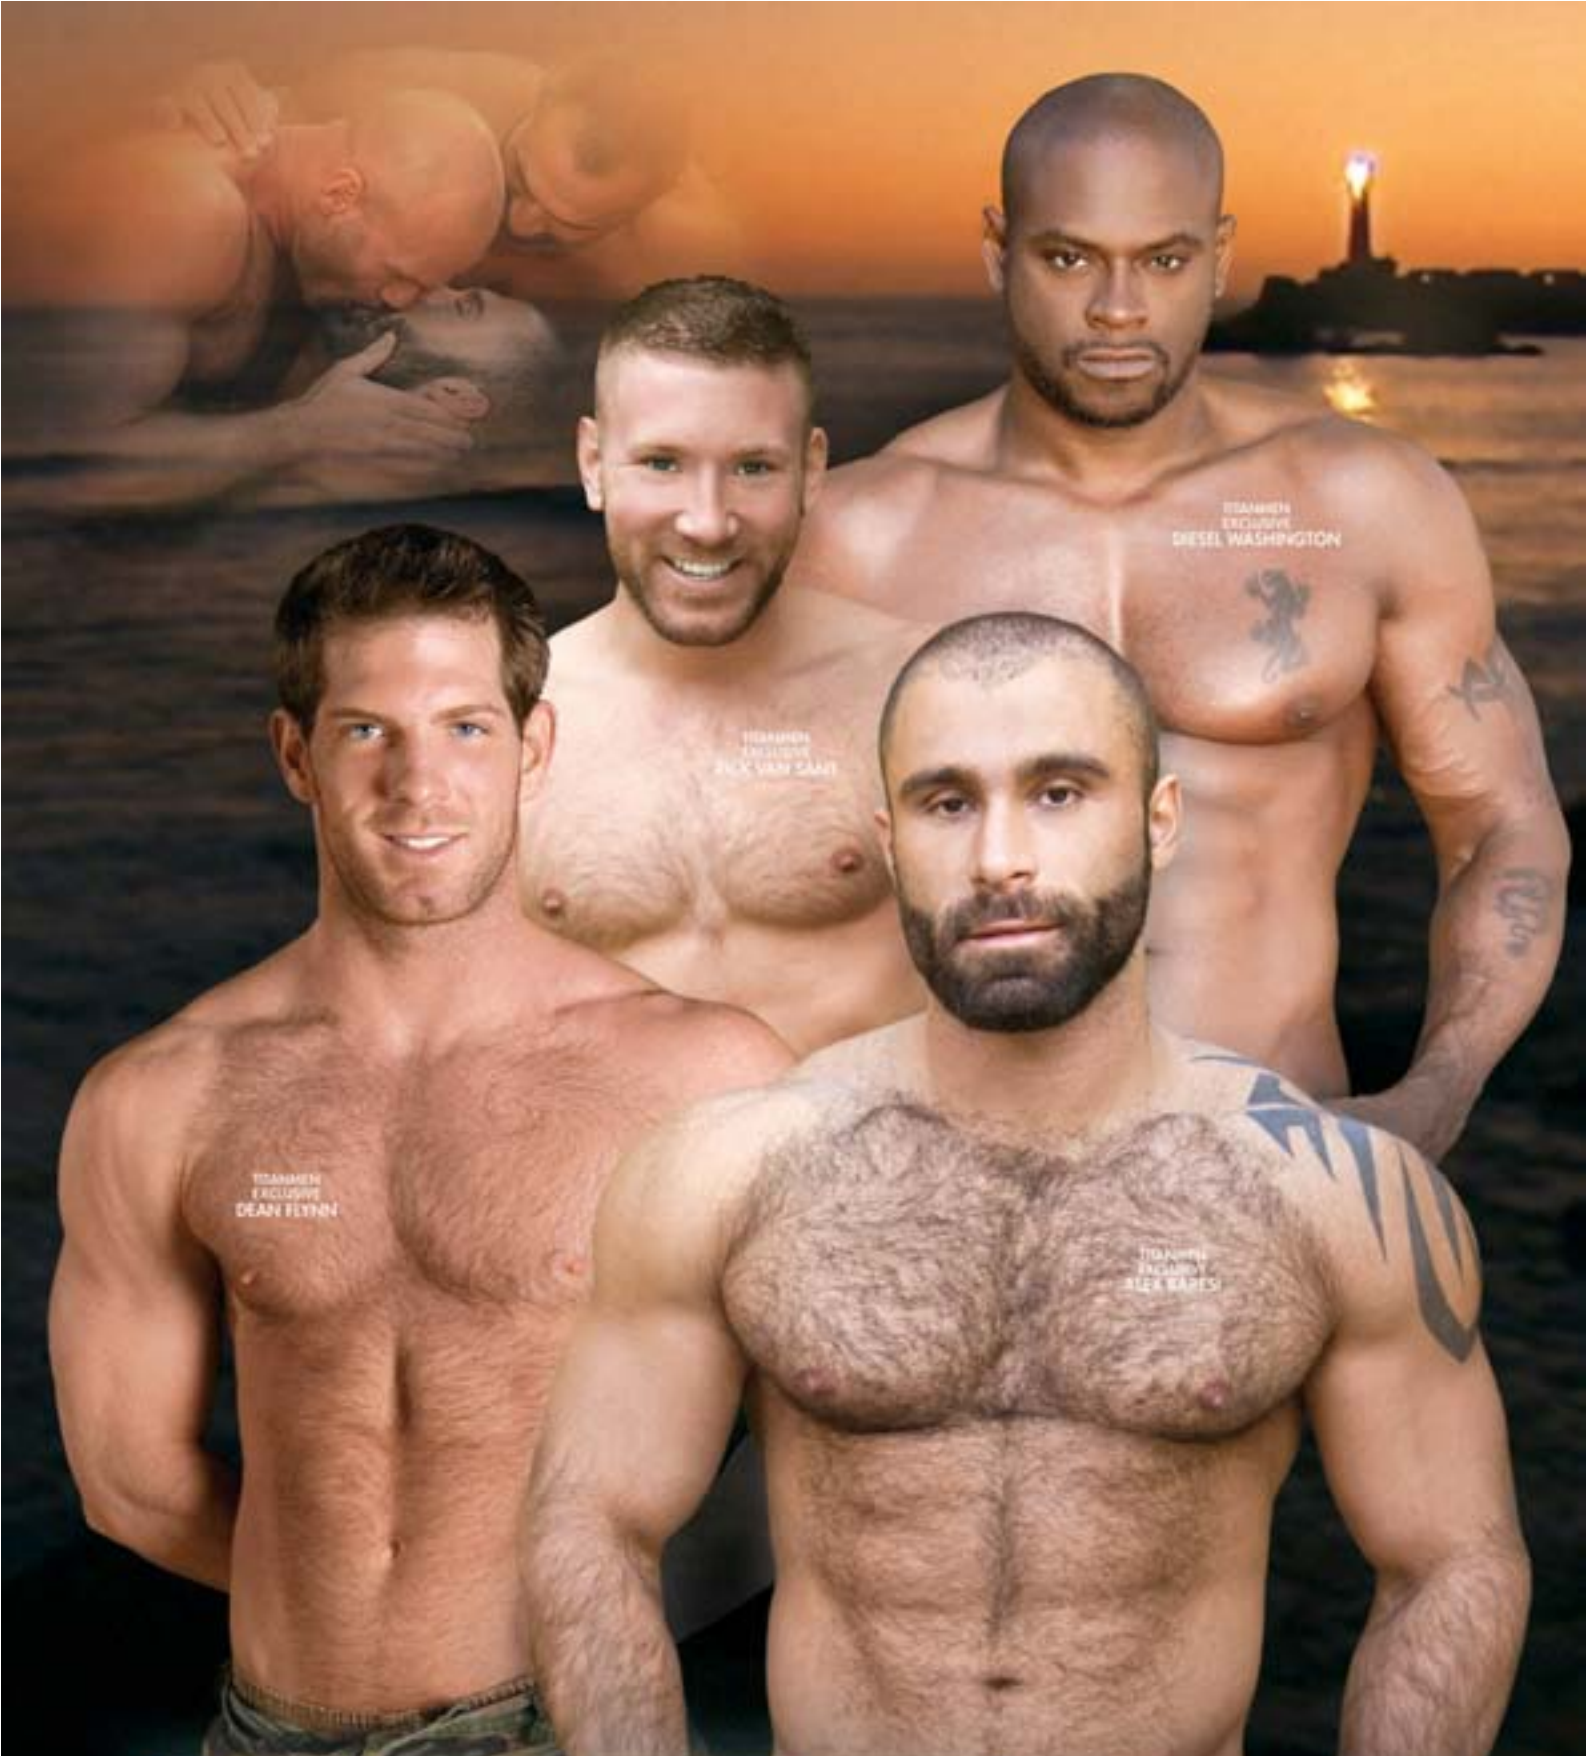

We're greeted in the opening scene with sexy TitanMen Exclusive Tony Buff pulling out his beautiful fat cock and taking a piss. He's a lumberjack and looks hot as hell in his ripped checked shirt, dirty trousers and boots. When he returns to his work mate, Braxton Bond, he catches him asleep on the job so decides to wake him up naked. Who cares why, because we get to see every inch of his muscular body. In this scene the guys come twice and it's alfresco fucking at its best. Meanwhile, Ranger Allen Silver catches his two sons Riley Burke and Brandon naked at home in their bedroom. Their story is that they're having a competition to see who can shoot the furthest. So, wanting to show the

young jocks a thing or two, Silver pulls out his massive tool and proceeds to take the guys on. The three studs wank their cocks hard in a race to be first - but we won't tell you who won.

The final couple of scenes take place at the Annual Company Picnic but food is the last thing on these horned up studs' minds. Two five-way fuck-fests give us some hot dick slurping, butt fucking action and one that'll make you bust a load include a ball-busting threeway sandwich fuck with spunky Brandon Cole getting pounded by sexy TitanMen Exclusive Dean Flynn who get his bubble butt screwed by college boy Riley Burke. Oh to be the filling in that sandwich! And by the time you see hunk Dean Flynn on his back getting fucked with a group of hot studs jerking off over him, you'll be reaching for the Kleenex... Another scorcher from Titan Media.

JEAN DANIEL CADINOT

1944 - 2008

Legendary photographer and filmmaker Jean Daniel Cadinot died in April aged 64 following a heart attack. Cadinot's official website broke the news of his death with a pre-prepared farewell from Cadinot himself which began, "Dear friends, critics and others, if you're reading these words I will have put down my camera, switched off the lights, drawn the curtains and taken my final bow..."

This interview with Cadinot was first printed in QX International magazine in November 1997 and gives a brief insight into the mind of one of the great masters of gay pornographic film.

Borstal gang rape... Raw recruits initiation rites... Shameless erotic filth... Boy Scout orgy... Exotic harem for white slave boys... Behind-the-scenes on porn film set... Cops fuck handcuffed youth... Forced to suck massive cocks... Boys' ski-school changing-room... Gang-bang in military academy... Arses offered for rough trade... High jinks in Catholic dormitory... Confessions of a dildo courier... Naked on sex fantasy machine... Submission to juvenile delinquents... BANNED by the British Board of Film Censors!

You must have guessed by now... Ten years ago, you hadn't a clue what you were missing - thanks to Britain's draconian censorship laws. But after a decade of underground video distribution, the Maestro of gay pornography is a Queer institution... Jean Daniel Cadinot.

"I SPEND HOURS WITH A BOY, TALKING WITH HIM, HAVING DINNER WITH HIM, PRACTICALLY LIVE WITH HIM - TO MAKE HIM TALK ABOUT HIS OWN FANTASIES, HIS TASTES, AND WHAT HE WOULD LIKE TO DO."

This French Auteur directs the raunchiest sex scenes...With the sexiest guys...in the most erotic plots...from the horniest camera angles. His pornographic sensibility is equalled only by his cinematic mastery. After Cadinot, Jeff Stryker could only hang his cock in shame! Remember the first time you watched that borstal gang rape, wanking yourself into oblivion. You felt - like the perpetrators, that you were spying, witness to some primal, esoteric initiation rite. Or the hapless victim, pleading for mercy - but not just yet...Finally you realise that, 'Non' must be French for 'yes'! That grotty, sixteenth generation copy of 'Les Minets Sauvages', creaking through your VCR... flickering between colour, and black & white, sully the tape heads with cum stains...

Since that moment, pornography has never been the same. Now, Jean Daniel Cadinot, answers your long awaited questions, courtesy of QX international.

He began as a photographer, in the 70s. Having established a reputation for erotic snaps, he focussed his attention on movie making. Cadinot: "I did seventeen albums as a photographer. They were about lighting and atmosphere, but I felt limited. I wanted people moving so decided to change mediums."

Although he is a cinema fanatic, he chose home video to expose his films. Cadinot: "When video technology was still in its infancy, I somehow felt

that this medium would have a future. For more than twenty years, homosexuality has been my working profession. I admire the male body in its beauty and variety. I want to portray it: Artistically and erotically.

Films for the movie theatre are commonly shot with dozens of actors and even more technical personnel. Today they cost many millions. Consequently each film is a compromise of ideas, between all those people who work on it.

At the end, the financial backers - particularly when dealing with a homosexual theme - are always afraid that the film will be a flop and fail to pay its cost. But I prefer to work by myself, realising my very personal ideas, at a cost that I can control."

Over two decades, Cadinot has made almost forty films. This is not prolific compared to other porn directors. Usually they churn them out like a factory production line. Cadinot does not use technical assistants, he prefers to keep control over production and achieve his particular vision.

Cadinot: "All my films are pure 'one-man shows'. I write the scripts myself, select the models, travel to the locations, stand behind the camera, organise the props, design the lighting, edit raw material and finally add the sound... I work everything.

Now perhaps fans of my movies understand why I can

only complete two new productions each year - not dozens, as for example Higgins or Matt Sterling, in Los Angeles.

I want to create individual works, not mass production - commodities, where every film is the same. All my films have a personal touch and a script that has developed, individually adapted to the particular actors and situations." Before recent films like 'Le Machine Incident', Cadinot shot all his films on celluloid. This breaks the convention of shooting porn on video. Celluloid has a finer surface texture than video (even after transfer on to video). The depth-of-field and contrast is greater - ensuring those erections really do stand out! 'Chaleurs', is filmed on 16mm. But usually, Cadinot uses Super 8 (for similar reasons to Derek Jarman). Super 8 cameras are small and light, offering the greatest manoeuvrability. Freed from the anchoring tripod, Cadinot's hand-held camera joins in the action. Moving shots, close-ups, under-arse, over-prick, thrusting back'n'forth, forcing its subject into submission... This phallic camera captures every angle, moving with the fluidity of spunk.

Cadinot: "I like the texture of film. I prefer the lightness, the colour and density. The video camera is connected with a cable. This cable is a problem for me. It's like a baby with an umbilical cord. I run my own camera and move fast. I am like a butterfly when I shoot a scene."

Although Cadinot pedantically scripts each film in advance, he never rigidly adheres to them. They are continuously revised and adapted during shooting. >

▷ Cadinot: "Everything except the sex action is charted. I use two techniques.

The comic scenes are guided, very tightly directed. Sex action is free and spontaneous, like photographic reportage. You must be ready to shoot everything, like a sporting event. I try to give all my films a logical course of action. I try to develop a course of events like everyday life. Often this only happens during shooting and is dictated by the responses of the actors at my disposal. I don't work with professionals, but amateur actors who are all more or less talented. Consequently I change the story from time to time during shooting."

Roland Barthes, argued that pornography is uniquely realist film, because a hard-on cannot be faked. (You're either turned-on or you're not!) Cadinot goes further. By avoiding professional actors, he precludes the arrogant, bored performances associated with American porn.

Cadinot: "It is not me who picks the actors, rather they look for me! They write to me, sending photos. Often more than a dozen every month. Not only from France, but from all over Europe. Germans are particularly well represented. When an applicant introduces himself and doesn't look like Frankenstein, I do a screen test and think how and when I can find a suitable role for his type, or fit him into a current project. Sometimes I write a special script for a particular actor.

Generally, I make good choices. The actors want to see it through 'til the end, and are concerned with what they're doing. My actors have been chosen because they want to make a film and not because they want to earn lots of money. They don't come for the money - which motivates them in the U.S.

I spend hours with a boy, talking with him, having dinner with him, practically live with him - to make him talk about his own fantasies, his tastes, and what he would like to do. When I know the actors very well, I can create a story and introduce my own fantasy with them. I choose the location first. Everything is prepared, seen by me in advance - so the actors appear to be put into that location. I select an actor for his mental, physical and sexual qualities. They choose their partners. I imagine all the possibilities in my mind. All the actors have been conditioned to a special situation, and then, I let them liberate themselves. It's like a cocktail. I put in one, two, three ingredients, and shake - then it happens."

Getting down to the nitty-gritty for QX readers, what happens when someone loses their erection, at the vital moment?

Cadinot: "We stop. We go to dinner. We start again, and if it's still no good, I don't force it. This is why my shoots are three weeks long. I wait for the right moment - because we are not robots."

How do you create a sexually charged atmosphere, on set?

Cadinot: "Because I have no technicians. It is a sex party with only three or four people. I've never said to an actor, 'You will suck this one.' I don't decide anything. It's completely spontaneous. When I talk to them, I learn their tastes, what they like to do or not do. Mostly, I let them do what they like. Each boy does what he wants, with his own fantasies. It is impossible to simulate an erection. It's impossible to maintain desire for three hours when there isn't feeling between the actors."

Cadinot claims he's surprised himself by events on set. What's important is that he keeps capturing those moments for the rest of us.

'Les Minets Sauvages' [1984] Cadinot: "When I first saw the castle we used, it seemed to be English. I thought about English education - strong and tough. During the next three months, I met a boy who had been in jail, and together we wrote the screenplay. I also met - by coincidence - boys who were exactly the characters to play the rough delinquents."

A car approaches an awesome looking chateau. Steel gates shut firmly

behind. Guards, to the dormitory escort a handcuffed lad. En route, his tight jeans are removed and a metal instrument inserted up his rectum. Other young thugs, ranging from cute to rugged and dressed in underwear, form an obstreperous line for inspection. Switching off the lights, an austere warden departs...

Fun time...one lad approaches the new guy's bunk, forcing him to open his mouth and take it. Ecstatic cries and sighs, 'Laisse moi' are wasted. Others descend upon him, stripping and forcing him into a variety of compromising positions. The fraternity takes turns to restrain him, filling his mouth and arse...When a returning warden breaks the orgy, innocence is irrefutably lost.

"I MET A BOY WHO HAD BEEN IN JAIL, AND TOGETHER WE WROTE THE SCREENPLAY. I ALSO MET - BY COINCIDENCE - BOYS WHO WERE EXACTLY THE CHARACTERS TO PLAY THE ROUGH DELINQUENTS."

Next day, the poor boy's raped again, over a log pile. But when a tough, new inmate arrives, they become lovers. They take revenge against the bullies, between lots more sex. One sequence shows the inmate's flower arranging class. During the teacher's absence, they all unzip and wank over flowers. These are Jean Genet's sons, after all.

Forget macho-acting Barbie dolls, these are guys-next-door. You identify with the new guy, unleashing your submissive desire. It's pure fantasy. The protestations are subterfuge, the underlying pleasure discernible. It's a pity that the climactic rape scene, like the spectator, comes too early! But sex action keeps coming - thick and fast.

'Service Actif', Parts I & II. When filming power / role-play scenarios, Cadinot emphasises point-of-view shots. It's a standard technique of cinema. Your gaze identifies with the camera's point-of-view. When you look down at an available arse or mouth, you assume an active viewpoint. When you're looking up at an erect cock and ordered to suck, your viewpoint is submissive. The latter dominates SERVICE ACTIF (by popular demand). One: focuses on the raunchy barracks hospital. Two: hot training and sweaty discipline, for tyros.

Film within film, is usually a preoccupation of art-house directors, like Godard and Fellini. Bertolucci showed its erotic potential in 'Last Tango In Paris'. But only Cadinot offers porn movies with convoluted, autobiographical, film within film plots. 'Meetings Peculiar', is about a director, who between filming guys fucking and joining in, breaks-up and makes-up with his off-screen boyfriend. Furthermore, there are his behind-the-scenes promiscuous liaisons with actors, and even his sleazy outdoor encounters in a cruising park. Not compromised from the pornographic angle. But the film's so beautifully shot and arty, it's somewhat distracting. Finally, Cadinot opts for a cum shot, 'When desire is waning, and the boys are really tired and want to come'.

After a steamy session with Cadinot and crew, I'm certainly ready. Ca va?

SUPER FURRY ANIMALS:

THE HISTORY OF BODY HAIR. PART 2: BOTTOM HALF

THE STORY SO FAR: WE'VE DISCOVERED THAT NOBODY REALLY KNOWS WHY HUMANS ARE LESS HAIRY THAN OTHER PRIMATES, BUT WE THINK THAT MEN ARE HAIRIER THAN WOMEN SO WE CAN TELL EACH OTHER APART. (YES, I KNOW. CLEAR THE FRONT PAGE). LAST MONTH WE TRACED THE HISTORY OF SHAVING AND CLIPPING HAIR ON OUR HEADS AND CHESTS. (ALMOST ALWAYS IN TIMES GONE BY, STYLES WERE DETERMINED BY RELIGION OR STATUS). THIS MONTH WE'LL LOOK AT THE REST OF OUR BODY HAIR. SCRATCH YOURSELF AND READ ON!

BACK

Perhaps if back hair were more common, it would be more popular. But even very hairy men don't necessarily have hairy backs. It's because of its rarity that back hair has become freakish. Along with the monobrow it's the most unpopular male hair. There's no information about what our ancestors thought about hairy backs. But today we're in little doubt. Most women dislike them because they make men look brutish and ape-like. Most gay men dislike them because, like hair in ears and nostrils, they're a sign of ageing. Consequently, most men - gay and straight - have their backs shaved. The 'back, sac and crack' wax, introduced in the 90s, is currently big business. For bears, however, back hair can be a fetish. But it's unlikely that more than 50 per cent get off on it.

FAMOUS FOR THEIR HAIRY BACKS: STRICTLY COME DANCING'S ANTON DU BEKE, BILL "BUNKY" MILLER (STAR OF "HAIRY BACK", TIMBERLAKE VIDEO PARODY), QUASIMODO.

UNDERARM

Armpit, like pubic and butt, hair arrives during or just after puberty. Everybody has it by the age of 15. Therefore, it has only one purpose: to trap sex pheromones, the chemicals that tell prospective partners that we're available for mating. (Another theory is that it reduces friction. But if so, why don't we have hair on the backs of our knees?) In some cultures, because underarm hair is regarded as a masculine feature, women are required to shave their pits. Among blokes, only strict Muslims, bodybuilders and hygiene freaks depilate. From the 1970s, when gay hardcore porn became commercially available, bushy armpits were eroticised. They were licked from the 1980s. Today most gay porn includes some armpit exposure.

FAMOUS FOR THEIR PITS: ROBERT BISHOP (IN CLIFFORD COFFIN'S PHOTOS, 1954), JEFFREY HUNTER (WHEN HE PLAYED CHRIST IN THE 1961 MOVIE KING OF KINGS, HE HAD TO SHAVE UNDER HIS ARMS), ROCKY (MODEL IN FRANCESCO SCAVULLO'S PHOTOS, 1993).

PUBES

Pubic hair appears to have been generally unshaved until the 20th century, when English-speaking countries decided that it was obscene. As late as the 1960s, photographers could be arrested if they sold "unretouched" pictures of women. (If female models hadn't shaved, photographers airbrushed their pubes out of sight). What's now forgotten, however, is that male pubes were also obscene. In "physique" photos of the 1950s, men are obviously shaved above the bikini line. Subsequently, very hairy male groins, although not illegal, weren't common. American queens referred to them disparagingly as "gorilla salads." In the 1990s, the US porn industry realised that shaved pubes make dicks look bigger. The remaining patch of hair, known as a "Hitler moustache", is still in fashion for both gay and straight guys. But shaving the pubic area clean is mainly for fetishists. (Strangely pubic hair remains obscene in Japan).

FAMOUS FOR THEIR PUBES: MICHELANGELO'S DAVID, JOHNNIE DYLAN (FIRST MODEL TO SHOW HIS PUBIC HAIR IN PHYSIQUE PICTORIAL, 1963), ARTURO RAMIREZ (ONE OF THE FIRST PORN ACTORS TO TRIM HIS PUBES, IN A SAILOR IN SYDNEY, 1990).

LEGS

Up until quite recently, hetero Brits were very confused by leg hair. Because Middle Eastern and Mediterranean men tend to be more hirsute, Brits came to regard hairy legs as foreign and therefore strange. British men rarely wore shorts until they went to warmer climates during World War II. Those who revealed hairy legs were considered comical. Ex-soldier Spike Milligan drew cartoons of men with exaggerated leg hair. Later, Morecambe and Wise got laughs for years out of Ernie's "short, fat, hairy legs." Even today, straight men with very hairy legs video them for YouTube. But gay men have never seen the joke. Generally we've always liked well-shaped legs. Genet refers to a tough guy's "terrific thighs" in his 1949 play *Deathwatch*. But as to hairiness, legs are like chests. It's very much a matter of taste.

FAMOUS FOR THEIR HAIRY LEGS: ERNIE WISE, MR CADAHY ("SKINNY GUY WITH HAIRY LEGS" IN THE CATCHER IN THE RYE), COLT MODEL VITO CESARI.

BUTT

Let's conclude this hairy history with an in-depth examination of the arsehole, the last remaining taboo area of the body. OK, the shit doesn't help. But the main reason for the mystery of the chocolate starfish is homophobia. The straight majority pretends to be disgusted by buggery and ridicules us as "arse bandits" and "bum boys". But the irony, of course, is that most straight men are fascinated by arse sex. Virtually no straight porn DVD is without at least one anal scene, and one of the most famous straight porn makers calls himself Buttman. Unfortunately, porn starlets can squeal as much as they like, but they can't hide the fact that cocks and female arses aren't made for each other. Only male arses have prostates designed to be stimulated, and butt hair only exists to guide fingers, toys and cocks to their targets. Unfortunately, homophobia has had a big effect on gay culture. Even in the gay press it's not usual to see butt cheeks spread. Gay artists Gilbert & George addressed this when they exposed their anuses to the camera, images that were far more shocking than their cocks.

The serious study of arse sex is very recent. It wasn't until the 1940s that a Latin name (*anilingus*) was coined for rimming. We have no documentary evidence of fashions in butt hair until the 1970s, when filmmaker William Higgins insisted that his actors shave it off. (He thought that sticky arse hair was unsexy). Higgins' films were the best known gay porn of their era; but the Higgins style wasn't widely imitated. Like hairy legs, hairy buttocks are a joke, and both straight and gay men have them waxed. But although some poofs have tried removing all the hair around their buttocks, it's probable that most eventually let it grow back. It's more manly. Now, finally, nicknames are being created for butt hair. The hair around the hole is an "anal beard" or "pucker bristle", while the hair between the anus and the scrotum is "scanus", "grundle" or "cack"!

FAMOUS FOR THEIR BUTT HAIR: ER... NOBODY!

MORE HAIR CUTS

- Suck it and see. Ball shaving is popular because the lack of hair increases sensitivity.
- Whereas hair covers the whole of the leg, arm hair is present only from the wrist to the elbow.
- It's true about Oriental men. They have much less body hair, usually only underarm and pubic hair with little or nothing anywhere else. We don't know why.
- The only areas of skin with no hair follicles are the palms of our hands and soles of our feet.

JUST WHO IS D.O.?

Born in Buenos Aires in 1974, sultry D.O. was once a top international catwalk model. He's now crossed over into the porn industry and has recently starred in movies from Black Scorpion Entertainment. QXMEN wanted to find out more...

You're quite elusive... Usually, if you type a porn star's name into a search engine, you'll get pages and pages of information about them, but not you... Are you quite a private person?

This is just a part of my life, a side of it, and I do not like to mix up my job with my personal life. But if you search under my real name, Dionisio Heiderscheid, you'll find a lot of information about me.

You were once a successful international catwalk model... Why the change of career?

Cos' I needed a change and I knew there could be an exciting way to grow up - both in my artistic career as well as a person. I consider the porn industry a serious and professional activity around the world. Of course it was a huge challenge for me, but we only live one life, so now I think I didn't make a mistake, because I knew I have everything to be number one. Plus, I'm preparing to direct my first movie in a great new project, and a coffee table photo book is being made of me, with a great production team of the world's best photographers. It's all starting to be a reality that you will see soon! Then you tell me.

So, how did you get into the porn industry?

I'm a permanent porn consumer and I have met a lot of people around the planet because of my job, modeling and in the TV industry too. It was not difficult for me to find the right people to start a successful career in the porn industry.

Which do you enjoy more? Strutting the catwalk or making porn movies?

Those are two very different scenarios. I enjoy everything I do when I have the possibility to do it right. Professionalism is my goal.

What's been the reaction from your friends and family to your change in career?

Actually they were kind of surprised, of course, but they understand my reasons and I feel I have their total support. They trust me and love me, and they want the best for me...

When did you do your first porn movie and what was it called?

My first movie is 'Hunger' and it was in September 2006.

What's it like watching yourself on screen? Turn on or turn off?

It turns me on! Definitely, and I recommend all of you to make a personal video and have the experience. You'll see.

Do you find it difficult to perform on cue?

No, because I know how to be in front of a camera and I love to have sex. In fact, finally I have the opportunity to do it!

What's your favourite porn film ever?

'Inch by Inch'.

Are you top, bottom or versatile?

I'm a top, but what I do in private, just belongs to me.

What turns you on?

Dangerous situations turn me absolutely on. Like being in the elevator or in the stairs of any building. Also in a parking lot in the back seat of my car. The possibility that someone can suddenly appear turns me on, hot, horny and 100% wet.

Who would you most like to work with?

I do not have one specific person cause I get turn on by different guys and it is all in the chemistry at the moment you meet them. What I always like is a masculine guy. To mention some names it would be Zack Pierce and even if I never met them Chris Rockaway, Johnny Hazzard and Shy Francois look quiet delicious to me... I wouldn't mind fucking those three holes in a four-way scene.

Who would you say is the hottest TOP in the industry?

I'll say a classic name in the history of gay porn, Jeff Stryker!

And the hottest BOTTOM?

Another classic, Joey Stefano or Kevin Williams.

Ultimate sexual fantasy?

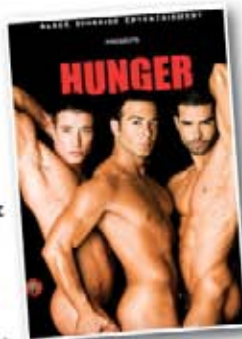

In a restaurant with the bartender in the bathroom.

Do you have any plans to visit the UK?

Sure, I'm planning a trip at the end of 2008... I love to finally be there this year.

And any final words to your fans here in the UK?

I just want them to know that whatever they want do or be, they can always make it, even when every body says you can't. Be your self and enjoy this life. WE JUST HAVE ONE... Lets Fuck!

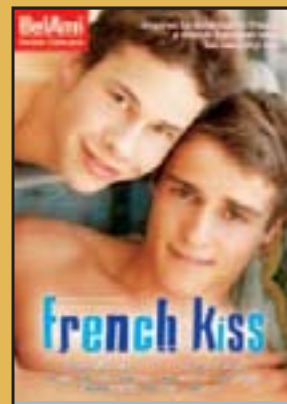

French Kiss

Starring: Joe Amis, Joel d'Amici, Josh Elliot, Keanu Faria, Jason Knightley, Dolph Lambert, Brandon Manilow, Todd Rosset, Paul Valery, Ralph Woods.

BEAUTIFUL BOYS, BEAUTIFUL LOCATIONS AND BEAUTIFULLY SHOT, FRENCH KISS FOLLOWS THE BOY WITH THE FACE OF AN ANGEL AND A DICK OF DEATH, FRENCH-CANADIAN RALPH WOODS, AS HE TOURS AROUND THE PICTURESQUE CITY OF PRAGUE AND AMUSES HIMSELF WITH PARTIES, SEXUAL ADVENTURES AND INTIMATE FRIENDSHIPS IN EIGHT SCENES OF YOUTHFUL LUST AND DESIRE.

**VIDEO
REVIEW**

Scene one of eight, and dark haired, dark eyed stunner Keanu Faria and the perfectly proportioned Josh Elliot bounce in from the garden and fall playfully onto a waiting day bed. They strip off their Bermuda shorts and t-shirts and kiss and caress each other in the style that Bel Ami is famous for. Sturping on each other's hard cocks, their hands are all over each other's flawless youthful bodies before the beautiful Keanu gets on his knees to take Josh's stiff rubbered cock. The groans of pleasure coming from Keanu will make your cock rock hard and, once Josh has bust his load, you'll want to be lying next to young Keanu as he wanks himself off dreaming about the fucking he's just had. One outstanding and beautifully shot scene finds sexy Jason Knightly and blond beauty Dolph Lambert, trousers around their ankles, in a sunny stairwell of an apartment block. You'll be salivating at the sight of these boys' prefect torsos as they take it in turns on their knees sucking each other's cocks. In another hot scene, Ralph Woods and cute young Paul Valery head up to their room after dinner and strip naked to reveal their two cocks of mammoth proportions. This is not the only scene where angel-faced Ralph gets on his knees to take a deep hard pounding from his co-star. Watching a big cock slide in and out of this massively hung youngster is a sight to behold and one to make you hit the rewind button time and again. Towards the end of the movie we move to the garden where a smorgasbord of cute young Bel Ami boys are enjoying a bar-b-q. Scene after scene, the boys pair off for some after dinner fun. Ralph Woods is the lucky boy who gets to play with the oh-so-sexy Todd Rosset and Todd's pert boy butt gets ploughed by Ralph's trousersnake over the kitchen counter in various positions. By the end of the French Heat you'll need cooling down!

I got to Joey's at about eight thirty. He led me down the narrow stairway, dressed in his doc's, jeans and white T-shirt. I had to bend backwards, the ceiling was so bloody low. He'd had the heater on in the cellar for hours he said but I could still see my breath in the spotlight he'd rigged up. There was some plastic sheeting in the corner all scrunched up. Joey nodded towards it.

"You can lay that out on the rug, mate. Alright?" he pulled a chair out of the camcorder's view. "I've been having all sorts of problems with this fucking camera," he said, shaking it just like an English nanny. I pulled the sheeting out into the room and tried to smooth it on the floor. The thick plastic refused to stay flat, buckling up where it had been crumpled.

"You should have rolled this up you twat." I looked up at Joey, "We'll never get it to stay flat, now."
"Who gives a shit! It ain't gonna be fucking 'Citizen Kane' anyway, is it?" Joey squinted through the lens, "Where the fuck's Dean? If he's not here by nine I'll murder him. Oh, you better have a drink Dave, there's a pack of Stellas on the side." I pulled a can from the plastic loop and opened it.

"How many have you got coming round? There's enough ate here to sink a ship!"
"I've asked a few. But I got all that for the piss shots. Golden showers don't grow on trees, mate."
The doorbell rang and Joey sprinted upstairs.
"Watcha." I handed Dean a can as he reached the cellar. I'd met him once or twice at Joey's place. He's right enough. Well built, fit, if a bit dense.

JOEY'S TONGUE BURIED ITSELF UP MY ARSE, SQUIRMING AND TWISTING LIKE A SALTED SLUG

"Watcha!" Dean downed the first half and wiped his mouth with his forearm. "Didn't know Joey'd invited you. It's gonna be a laugh I reckon."
"Yeah." I agreed. "If this place warms up a bit, that is. Turn that fucking heater up, will you Joey?"
"It's up as high as it goes, it'll be fine in a minute."
I checked the dial and saw the tight little shit only had it on low. I turned it up to full whack. Another ring at the door and Joey's off again. He reappears with a little guy, about eighteen I'd say, ten years younger than the rest of us. He's slim, fit looking, horny as fuck. He's wearing these skin-tight bleachers and high red doc's. I handed him a beer.
"This is Mark, fellas." Joey puts an arm around the kid's shoulder. "I met him down the park on Friday, didn't I Mark?" The lad grinned. "Good mouth!" The grin grew wider.
"Dave." I held out my hand and the lad slapped it. We laughed.
"Is this it then?" Dean was eyeing Mark's jeans, itching to get going.
"I guess so, maybe the others will turn up later."
Joey moved towards the camera. "Just stand over there will you, I've gotta get you in frame."
We lined up like lemons against the brick wall while Joey farted around with his depth of field or something. Suddenly, someone was squeezing my arse. I looked at Dean but he was smoking a fag, his other hand in his pocket. Turning to Mark I was greeted with a wicked smirk. I growled at him and he laughed.
"Right, that'll do it." Joey stood back from the camera and squinted at us through the frame of his fingers.
"Jesus" I said. "You're not Stanley fucking Kubrick, let's get down to it."

"If we're gonna sell this baby on it's gotta be half decent." Joey grumbled. "Now, I just want two of you to start then we'll build, okay? Dean and Mark."

I moved away, vaguely pissed off and leaned against the wall. As I watched the two of them snogging I felt, with relief, a stirring in my jeans. I had wondered about stage fright the night before but everything seemed to be in working order. Dean was about six inches taller than Mark, his body much broader. He slipped his hand up the kid's shirt while he in turn stuffed his down the back of Dean's jeans. Soon they were snogging each other's faces off. As they shifted on the plastic I spotted Dean's heavy shaft straining under the denim. They paused as Mark tugged his Fred Perry over his head. He had a long slim torso, not skinny but really lean. Dean followed suit, revealing his thicker, more muscular body. I was getting really hard by this time. Agitated, I swallowed the rest of my beer.

"Okay," Joey looked round the tripod. "I like it, but we need to develop the plot a little."
I rolled my eyes. "Leave 'em to it mate." I said. "They're doing fine."
"S'cuse me. Who's directing this fucker?" Joey asked.

"Without proper direction it'll be chaos."
"And chaos is a bad thing?" We both turned towards a deep groan from across the room. Mark was on his knees; he'd got Dean's cock out and had swallowed the whole awesome length. Dean's head hung forward, eyes screwed shut, as the lad's throat closed around his erection. I saw Joey twisting the lens on his camera, zooming in on Mark's face. The boy was sliding back and forth along the shaft, drawing out to the tip to expose its full stick length.
"Fucking prime!" I heard Joey's hoarse whisper as he peered into the viewfinder. We both watched as Mark consumed Dean's cock over and over. I followed the path of the head as he took it down. It was several inches into his throat. Dean's face was a fucking picture. Lost in the feeling, he hung forward, open-mouthed.
"Gonna come." Dean gasped under his breath. Mark let his dick spring up, it bucked in front of him, hard as a brick. Dean's face crumpled like a beer-can, right on the edge he was.
"Not yet, you wanker!" hissed Joey. "We've only just started." But, too late. Groaning, Dean toppled over the brink. With something between a gasp and a laugh, Mark arched back his neck and narrowed his eyes as glutinous strands of cum squirted over and over his face.
"Dave, you're on!" Joey waved me forward urgently.

"Did you get it?"
"Yeah, yeah, now get out there."
I didn't need telling twice. I was gagging to get in on the action. I walked up behind Mark and snogged Dean over his head. The Skin was still puffing, blowing out my cheeks. I felt Mark turn on his haunches and unzip me. My cock burst free. Now I knew what all the fuss was about. The boy took me down in one. His throat was hot and smooth, tightening around my dick. He unbuttoned my jeans and tugged them down, his hands holding onto my arse. I snogged Dean harder as Mark's mouth did its magic. Long strokes, I could feel Dean's cum, cold on the boy's forehead, as he pressed it against my gut. I reached down and held his bristled head as I slowly fucked it, smooth metered movements. Suddenly there was someone behind me, Joey!
"What the hell are you doing?" I whispered?
"It's alright, I'm on a wide-shot, it'll look ace." He pushed my back forward and stuffed his face between my buttocks. I was in heaven. Rimming was Joey's forte, I'd cum before with nothing to bring it on but Joey's gifted tongue. What with this Mark giving me the blow of my life, I was spoilt silly. Joey's tongue buried itself up my arse, squirming and twisting like a salted slug. I groaned. Partly for effect but also cos it felt so fucking good. Dean, stuck for something to do, started playing with my tits, it was getting too much. I slowed my thrusts into the boy's throat, 'til I was hardly moving. I bent further forward, allowing Joey to worm deeper up my arse, and licked drunkenly at Dean's recovering cock.

I was getting close. Firmly, I moved Mark's head off my dick and snogged him. His face was all sticky against mine. Dean's fingers vanished and I sensed him exit, stage right. Slowly, so as not to lose Joey's tongue, I sank to my knees, my face still attached to Mark's. Joey followed and kneeling behind me, spread my arse with his hands to reach further. I glanced at the camera. Dean was shifting it, following the action. My cock jerked as Mark took it in his hand. He stroked along its girth, using his spit as lube.

The doorbell. Joey's tongue disappears and he's legging it up the stairs. He returns with another Skin-head. His name's Leon. I'd seen him before. The guy looks at us on the plastic sheeting and he throws his jacket at Joey. Now he's stepping out of his baggy combats, dragging them over his boots. Shirt off and he's ready. As he strides into the light I take him in. Broad, defined chest, six-pack. His cock's nothing to tell the papers about but the rest is nigh on fucking perfect. By now I'm sat on the floor, leaning on my arms as Mark's head bobs up and down between my legs. Dean's moved the camera closer, training it on the vital spot. Leon crouches behind Mark and curtly pulls down the lad's jeans. His hand explores under him, finding his hard cock with its fingers. I see Leon's interest wane. He looks over the boy's shoulder and my appendage catches his eye. Meanwhile, Mark's pushing his naked arse back on the new bloke's dick but I've already got his number. True to type, Leon's cock withers at the prospect.

He shifts round Mark, his muscles flexing, and joins him lapping at my cock. The two of them take turns at swallowing it. I'm feeling dead smug, like the cock in the chicken coop. Joey's back behind the camcorder, zooming in. He takes something out of his jeans and throws it at me. The packet lands on my stomach. In a second Leon's got it open and is rolling the rubber down my shaft. This one's fucking begging for it. He squats over me, his stomach crunching into a perfect set of six. I watch as his lean arse devours me, sliding down. Every pumped muscle tenses as he begins to fuck himself on my dick. Behind him, Mark's struggling out of his bleachers.

"Fuck my arse!" Leon sneers into my face. "Fuck me with your fat cock." Someone's been watching Jeff Stryker, I think. He pauses at the tip of my cock and I start to thump the mother up into him. I'm not mad about the position so I roll him onto his back. I lift his boots onto my shoulders and give him the works. He's grunting away like a stuck pig. Mark's back. He kneels above Leon's head and snogs me while the muscleman sucks on his dick. I can hear him puffing round the shaft. Joe grates the tripod back on the concrete to get us all in. Mark's letting out these little moans as he's getting sucked and it's really turning me on. I see Dean in the wings, rolling on a condom and I beckon him over with my eyes. No sooner have I rolled off of Leon than Dean's feeding him a length. The bloke loves it, providing all the moans and groans that Joey could wish for. I stand back, panting, as I watch Dean smacking his dick up that fit arse. I notice Joey's downing ale by the barrel-load. I join him in another can. Mark's twiddling his thumbs a bit now coz Dean and Leon are snogging. He moves around them and positions himself behind Dean. Joey,

the chemist, flicks another rubber into the arena. In a second the lad's got it on. He eyes Dean's arse hungrily before pushing inside. "Fuck chain! Fuck chain!" Joey hisses at me, fumbling in his pocket for another rubber. Well, I've been after little Mark all night so I'm willing. I roll it on and kneel behind him. Fuck he's tight. I push real hard but it won't go in. I hear the lad grunt as I try to force it. Then something gives. I feel his hole pop round my head and I slide inside. It's hard to get a decent rhythm going. Everyone's colliding at different rates.

JOEY BOLTS ROUND TO THE SIDE JUST IN TIME TO FILM HIS COCK SPURTING OVER DEAN'S THRUSTING ARSE

"Stay still," I whisper into Mark's ear and he does. That's better. Dean's hammering into Leon, his arse humping back on Mark, while I fuck the lad from behind. What with the spotlight and the heater we're sweating buckets but I know what makes good cinema so it's cool. I smack my belly against Mark's back, watching my shaft ramming between his buttocks. Reaching round I find his tiny nipples and he begins to sort of whine. It's a high, pained sound, and it's fucking horny. Stretching further I take Dean's tits between my fingers. He gives a deep moan. It's like I'm playing a fucking organ. Joey's got the camera off its stand and he's panning round us. He stops behind me and holds the lens under my arse. "Meat shot." He whispers over my shoulder. I imagine the sight. My cock bucking between Mark's young, lean buttocks. His in turn being eaten by Dean's arse while at the end of the tunnel is Leon's muscular butt upturned to take Dean's tool. I've gotta get the wide-screen version when it comes out. "Urgh!" Mark's losing it, his grunts climbing. "Fuck, I'm gonna shoot!" I dismount and he kneels back. He tears the rubber off his dick and wanks like mad. Joey bolts round to the side just in time to film his cock spurting over Dean's thrusting arse. The lad strokes the gluey cum over Dean's buttocks, driving the poor bugger wild. He too starts to grunt. Leon seizes the bloke's tits and stretches them as his body locks. Dean throws back his head and I imagine his thick cock pumping its load up Leon's arse with each short grunt. Sweating, Dean withdraws. He pulls the half-full rubber off his dick and empties it over Leon. I move round and kneel beside him, watching as the man massages it into his muscles. Mark positions himself behind me, rubbing my cock. I concentrate on the panting six-pack all stathered with cum and the kid's semi-hard dick against my arse. I can feel it coming. I lean back and let it take me. Dean twists my nipples as I start to pant, pitching string after string of cum over the muscleman's chest. Joey called it a wrap. We sat around and drank beer for an hour or so intending to try again the next night. But Mark that little fucker. He was sprawled naked on the armchair, legs akimbo, and his little white arse was beckoning me. I felt my cock waking up and stretching, ready for a new day. Taking the boy by the arm I led the rest downstairs. Luckily Joey had three more blank tapes so it didn't go to waste. And nor did all that beer I might add, but that's another story.

PORN STAR DEAN MONROE LAUNCHES MUSIC CAREER

IS THERE NO END TO THIS BOY'S TALENTS?

Following a very successful career in the porn industry, porn star Dean Monroe is pursuing a life-long ambition to write and produce his own music. His first single 'Venom' is due for release later this year and will be the first single from Dean's future album 'Silver Lining'. We've been told the single's got a dark electro-dance beat and hard rock guitar strings and can't wait to hear it. We hope this doesn't

mean that Dean's giving up his porn career so we asked the man. "Well that's a good question. I can't say I will never work in the industry again. If the music kicks off probably not - I think I've done my bit. However, I think I've got a few more porn years in me and the music business is so difficult to break... So I'm keeping all option open." 'Venom' will be available to hear for the first time on www.deanmonroesworld.blogspot.com in September.

THE BIG PENIS BOOK

A must have for any gay man's coffee table, The Big Penis Book is packed with over 400 photos of outstanding appendages, the majority of which are from the 1970s. But as big shoulder pads and big hair

may come and go, a large penis never goes out of fashion. Photographers include Bob Mizer of Athletic Model Guild, David Hurler of Old Reliable, Colt and Falcon. With guys over 8 inches sadly making up less than 2% of the world's population, this rare accessory will always excite and fascinate us. The Big Penis Book is published by Taschen Books and retails at £29.99 (www.Taschen.com).

DRUGFUCKED?

GET THE FACTS ABOUT SEX AND DUGS...

Terrence Higgins Trust (THT) has launched a new interactive website for gay men about recreational drugs, alcohol and sex called DRUGFUCKED (www.tht.org.uk/drugfucked). The site gives the low-down on the effect that recreational drugs can have, how they can interact with HIV medication and looks at how the use of some recreational drugs can lead to riskier sex.

Drugfucked also provides information on the legality of recreational drug use and has a resident drugs counsellor called Steve who can answer questions about drug use. Asking a question is anonymous and confidential, all you have to do is type your question on the website. A unique code will be generated which the visitor then enters a few days later to pick up the answer to their question.

Marc Thompson, Deputy Head of Health Promotion at THT, said, "A cup of coffee to perk you up, a cigarette to calm down, or a glass of wine after a hard day - the reality is that nearly everyone uses some sort of non-prescription drug. 'Drugfucked' is specifically aimed at gay men because it's a fact that many gay men take drugs and we wanted a website where men can pick up clear and accurate information on drug use." In addition to the 'Drugfucked' website, THT has a series of 'drugfucked' booklets available from THT regional centres, GUM clinics and online at www.tht.org.uk/publications.

MR HOIST TO GIVE HIS ALL AT INTERNATIONAL MR LEATHER 2008

Mr Hoist 2008, Russ Woolmore, jetted off to Chicago at the end of May to represent London fetish club The Hoist at this year's International Mr Leather (IML) contest. Sexy Russ, the runaway winner at The Hoist contest in January, said, "I'm really looking forward to the experience and to be representing The Hoist... I'm going to give it my all." Since 2002, The Hoist has sent four contestants to IML and has been placed in the top eight on all occasions, so Russ has his work cut out. But this man's so hot, QXMEN is sure he'll return triumphant.
