CHECK

Welcome... To August's Issue, packed full of more cock than you can shake a stick at...

mmm, strange turn of phrase we know. Who on earth would want to shake a stick at someone's cock? When we see one all we want to do is suck on it!

And we've seen plenty that we wouldn't mind sucking on this month Some were attached to the super hung hotties in Eurocreme's Hung Ladz Thick & Throbbin' and some to the sexy lads in their **Boot Camp**... They'll make your eyes water! Lucas Entertainment celebrates its 100th feature in true New York style with **Wall Street**, set against the backdrop of big business in the city's financial district. We also witnessed some corporate shenanigans going on in the offices of Hot House Entertainment's high-flying employment agency in Head Hunters Inc and Head Hunters Two. After three years in the business, UKNakedMen finally unleash their first DVD Are You Being Serviced?, and it's a corker. The guys over at FreshSX open up The SX Files but there's no aliens in there... just hot men! And Graffiti Blue serve up a bunch of sexy up-for-it Brit lads in Bottom @ The Ready. Titan Media's back with its award-winning fetish line of movies with Folsom Flesh and we even spent a night in a chav council flat with Triga Films' Dads & Lads Night In... That dad sure is a lucky bastard!

Going out and about on the town we almost ended up like a shrivelled prune after spending time in London's Sauna Bar and then Sweatbox Sauna too... It's all good for the pores we tell ourselves. Our fetish side got he better of us when we ventured into Collared, London's new Slaves and Masters event and it took us an age to lace up our 20 hole DMs for Recon's Full Fetish... Skinheads, but it was well worth it. We found out a little about *Dirty Bent Bastards* the new short movie spin off from Alphamalemedia.com, the team behind the hot recent R18 release of *Out On The Hit*, reviewed last month. We spoke to a couple of the guys starring in Bulldog Studios' new range of horny

films Bulldog Pups that pairs experienced porn actors together with young lads just starting out in the business. Hayden Bridge has been reading Road Warrior -Confessions of a Male Stripper and tells us a few inside stories from the world of strippers. And just because we can, we take a look at some of he hottest blonde porn stars to grace the screen. Plus we've got all the usual stuff to get you hard and wanting more.

OROLO PUSHES THE BOUNDARIES WITH `SEEING HEAVEN

AWARD WINNING ADULT STUDIO Corolo will be pushing the boundaries with its latest project, a gay arthouse crossover film about a young escort who has visions and is sucked into a dark underworld whilst searching for his identical twin brother. Director Ian Powell (shedding his usual Christian Marshall moniker) says that casting is largely complete, with mostly non porn actors, but they're looking for beautiful young 18 to 22 year old gay guys, both for the angelic, vulnerable main escort character Paul and for the party scenes. The studio is also looking for various locations, including a photographer's studio, luxury flats, and a run down warehouse."With real sex featured in the recent 9 Songs and the current controversy surrounding Antichrist it's difficult to know how much further one can go to shock an audience. But Seeing Heaven has dark themes and haunting images, and we hope to make something hard hitting and memorable." If you're interested, then email ian.powell@ btinternet.com. For further information and to download the screenplay, go to **www.seeingheaven.com**.

HUNG LADZ 5 ☆ THICK N THROBBIN'

STUDIO: EUROCREME * DIRECTED BY SIMON BOOTH Starring: Fred Faurtin, Brett Carter, Billy Rogers, Seth, Thierry Schaffauser, Dan Jenkins, Kieron Knight, Steven Prior.

THE LATEST IN EUROCREME'S HUNG LADZ series doesn't fail to deliver and the feast of thick and throbbing cocks that director Simon Booth has brought to the screen will have you reaching for the Kleenex in each spunkdrenched, butt-clenching scene.

We begin with QXMEN favourite, sexy Fred Faurtin, who's hanging around outside a sex shop when horny lad Brett Carter walks past and gives him the eye. Now who in their right mind wouldn't following sexy Brett if he cruised them and so the two head back to his flat. No sooner are they through the door and Fred's shoving his hand down the back of Brett's jeans to grab a feel of his sexy arse. And what a peachy one it is too! Pair Brett's arse with Fred's thick meaty cock and you have a match made in porn heaven. After Brett's given Fred's thick cock head and then a taste of his sweet hole, Fred slides his monster meat inside and pumps away at Brett's butt. At this early stage in the movie we had to use a little restraint (and not shoot a load) as it's always such a turn on watching that French hunk fuck with his big cock and powerful thighs. On to scene two and the big cocks keep on coming in the form of Billy Rogers and Seth. The con-

trast of Billy's silky black skin and Seth's milky white complexion looks great on camera and watching Billy's enormous black cock pumping in and out of Seth's pink puckered hole is ball-bustingly horny. Next up it's sexy lad Thierry Schaffauser and button-cute Dan Jenkins. Now the expression 'puppy dog eyes' was probably invented for Dan and he uses them to the max looking up innocently at Thierry while sucking his cock. Dan's boy butt is a dream and he offers it up for Thierry's hard cock lying on his back, on his front and eventually on his knees, back arched and hole pushed right. And just when you think the cocks can't get any bigger, Eurocreme pulls out the big guns. And in this case the big 'gun' belongs to the massively endowed twink Steven Prior. He's paired with Kieron Knight, another very sexy young twink with an impressive cock, but it's dwarfed in comparison to his co-star and Steven's donkey dick takes centre stage. We wonder how this lad manages to stand up when he gets an erection, as his cock looks almost half his size! And was it feelings of pity or extreme jealously we had for young Keiron once he'd been fucked senseless (teeth gritted throughout) by Steven's monster trouser snake? We couldn't possibly say!

BOOT CAMP

STUDIO: EUROCREME * DIRECTED BY SIMON BOOTH AND MARC REARDON Starring: Alex Stevens, Calvin Jenkins, Brett Carter, Jeyden Smith, Andy O'Neill, Jack Cox, Jake Blaze.

LOOK UP THE TERM BOOT CAMP IN THE DICTIONARY and it's described as a centre for juvenile offenders, with strict discipline and hard physical exercise. Well, we were at a loss to see any strict discipline at Eurocreme's, but the physical exercise certainly looks fun! Where do we sign up?

THE first two recruits are young, sexy Calvin Jenkins and the gorgeous Alex Stevens. There's no messing about in this scene, just two hot young twinks passionately making out on the bed, licking and kissing each

other's lithe bodies. Once stripped out of their clothes, and after some mutual cock sucking, Alex gets to work on Calvin's hairless boy butt with his lizard-like tongue. This soon leads to Calvin being bent over the bed and Alex fucking him from behind before they lie on the bed and spurt out their loads. Next up Brett Carter and Jeyden Smith are tearing each other's clothes off and, while Jeyden buries his face into Brett's gorgeous butt, Brett deep throats his mate in readiness for a fucking. And what a fucking he gets from top guy Jeyden who pounds Brett's butt with the endless energy that only those young 'uns have. Sexy

Andy O'Neill and young twink Jack Cox get it on in scene three and these two slim and smooth lads are soon stark bollock naked on the bed and ready to play. Andy's mate Jack fucks like a jack-hammer and his hips are almost a blur as they thrust back and forth into Andy's boy butt. Alex Stevens is back in the final scene paired with young Jake Blaze this time, a slim, fresh-faced twink with milky pale skin and jet black hair. Once the lads are out of their clothes and have sucked each other, Alex gets to work on Jake's pale white butt, spitting on and fingering his eager hole. Alex then gives willing Jake the fuck of his life and, judging by the groans of pleasure coming from his bottom boy, Alex did a good job. And, of course, the streams of hot spunk the lads spew out only goes to prove they loved their time at Eurocreme's Boot Camp.

WALL STREET

STUDIO: LUCAS ENTERTAINMENT * DIRECTED BY MICHAEL LUCAS AND MR. PAM Starring: Rafael Alencar, Ben Andrews, Andrew James, Arpad Miklos, Kayl O'Riley, Valentin Petrov, Dimitri Romanov, Ethan Storm, Kain Warn.

THIS IS LUCAS ENTERTAINMENT'S 100TH FEATURE and the studio's marked the milestone with an impressive movie, set in the world of high-stakes finance and seedy backroom business deals. This feature is so slick, you could be mistaken for thinking you'd tuned into a episode of C.S.I.!

Throughout the movie there's a sub-plot of intrigue and corporate back-stabbing, but we'll just stick to telling you about the sex. And the first bit of cock we come across belongs to über-cute Ethan Storm who's fantasizing about his hot co-worker Kain Warn giving him a good hard fuck in the warehouse. Now it's only a solo scene but Ethan's a sexy guy with a big cock and fuckable arse so we enjoyed watching him bring himself off. We don't have to wait long for the fucking to start as next up it's sexy Russian bad boys Dimitri Romanov and Valentin Petrov in a trendy New York nightclub. The action begins with Valentin giving his mate a forceful face fuck before focusing on Dimitri's arse and giving it a good hard fuck. But Diminmtri wants some arse too and flips his mate over, rims his hairy hole and then gives him a fucking of his own. Scene three's a blinder and size queens the world over will rejoice when Kain Warn unzips Ben Andrews' jeans and releases his

insanely massive cock. You have to hand it to Kain who, after a knee-trembling start and a few yelps (come on, who could blame the boy!) takes every inch of Ben's thick, python-like tool and gets ploughed with awesome power. Twink Ethan Storm is back in scene four and he's the 'sweetener' in a business deal involving suited and booted businessman Arpad Miklos. Who could say no and Ethan strips off and gets on all fours on the boardroom desk, his cute boy butt pushed out and ready for Miklos' hard cock. Miklos teases the lad's hole at first, sucking, biting, licking and fingering it before pounding him hard. We leave the boardroom in scene five and go on a late-night ride on the subway. Rafael Alencar meets Ben Andrews, incognito, but the mystery surrounding the stranger disappears as soon as Ben pulls his huge shlong from his trousers and the guys suck each other off, always in constant danger of getting caught. We end Wall Street with salt-and-pepper haired hunk Andrew James and twink Kayl O'Riley in a Manhattan hotel room indulging in a little mid-afternoon fun. After working on his daddy's Andrew's nipples and stiff cock, Kayl gets on all fours on the bed and gets his boy hole worked over, first by a few of Andrew's fingers and then by his cock. We just hope the hotel walls were thick as this boy's a screamer!

HEAD HUNTERS, INC & HEAD HUNTERS TWO

STUDIO: HOT HOUSE ENTERTAINMENT * DIRECTED BY STEVEN SCARBOROUGH HEAD HUNTERS, INC.: Starring: Tony Mecelli, Dillon Crow, Park Wiley, Vinnie D'Angelo, Ty LeBeoul, Nick Moretti, Jack Bond, Jackson Wild, Ross Hurston. HEAD HUNTERS TWO. Starring: Trevor Knight, Blu Konnedy, Ross Hurston, Derrek Diamond, C.J. Madison, Paul Wagner, Andrew Justice, Vince Ferelli.

WE TAKE TWO TRIPS to corporate America to Head Hunters, Inc, a high flying employment agency where cock-hungry businessmen and horny delivery boys are looking for the kind of relief their wives can't provide.

Ross Hurston has to work late but, in fact, the only thing that Hurston plans to work on is Ty LeBeouf's amazing bubble-butt with his hard cock. They certainly put the office desk to good use before Hurston flips and LeBeouf fucks him. Sexy cycle courier Dillon Crow turns up at Nick Moretti's office in skin tight Lycra next. Suited Moretti gets on his knees to suck the courier's thick cock before he rides Crow's round, juicy butt. Hunky water delivery man Vinnie D'Angelo decides to teach stuck up business man Jack Bond a lesson when he's rude to him, and bends him over his desk and fucks his butt in scene three. Hot Latino Tony Mecelli teams up with gorgeous Park Wiley next and fucks Wiley's beautiful butt, before shooting a load over his shirt. Crow makes another delivery on the final scene of the first installment of Head Hunters, Inc, and this time his butt belongs to Jackson Wild.

Trevor Knight and Blu Kennedy are working overtime in the opening scene of Head Hunters Two and it's the sexy redhead who gets Kinght's 10 incher up his tight pink hole. Ross Hurston still works for Head Hunters Inc and rewards his co-worker Derrek Diamond's hard work with his hard cock. C.J. Madison gets caught jerking off by hiss boss Paul Wagner but rather than report him, Wagner gets on his knees and sucks Madison's massive cock. And it's not long before Madison's drilling Wagner over the desk. Andrew Justice has an appointment at Head Hunters, Inc. and gets it on with receptionist Vince Ferelli, and both suited businessmen soon blow their thick loads in the final scene of this hot work-related sequel.

HE MIGHT ONLY BE A YOUNG TWINK but Rascal Video Exclusive Josh Vaughn is so good at sucking cock that he's had a masturbator toys molded from his very lips and mouth. It's made from the latest Cyberskin virtual touch technology life like material and features Josh's tight deep throat that's even ribbed for better stimulation!

HAVE A BUTCHERS AT OUR SELECTION AND YOU DECIDE ...

While THERE'S countless sexy black-haired Latinos, muscle bound brunettes and even the odd redhead who get their cocks out for the cameras, QXMEN has noticed a definite lack of blonde guys in this business we call porn. In fact, when we decided to trawl our archives to find some blonde bombshells it turned out to be quite a task.

However, we managed to come up with some of our favourites and, who knows if blondes really do have more fun, we reckon we could certainly have a bit of fun with these beauties.

BRAD PATTON Image courtesy of Hot House Entertainment Born in 1972 in Australia, Brad grew up in Sweden before being discovered by legendary director Chi Chi LaRue. It was said that he alscovered by legendary director Cill Cill Carve, it was sald that he had one of the thickest cocks in the business but sadly Brad's now had one of the thickest cocks in the business but sadly Brad's now retired from the industry. BOTTOM @ THE READY

STUDIO: GRAFFITI BLUE ★ PRODUCED AND DIRECTED BY ADAM BAILEY Starring: Kaiden Adams, Paul Shayne, Matt, Jeremy, Allan, Sam, Danny, Jamie.

TF THE SIGHT OF A SEXY BOTTOM at the ready gets you rock hard then you're going to love Graffiti Blue's film of the same name. The studio delivers four ball-draining scenes to suit all tastes featuring some seriously hot British totty.

First up, cheeky straight lad Matt is playing pool with his mate Paul. When he goes for a slash he notices young hoodie Jeremy copping a sneaky look at his cock at the urinal. Cue the start of some cock sucking before Matt bends Jeremy over, spits on his hole and roughly shoves a few fingers up there. Wondering what's taking his mate so long, Paul comes into the toilets to see what's going on and sooon drops to his knees and starts sucking on both cocks. They go back out to the pool table where Matt and Paul bend Jeremy over and both get to work on the lad's arse, spreading his cheeks and opening his hole with their probing tongues and fingers. Lucky Jeremy's spit-roasted on top of the pool table and talented Paul cums in his own mouth! Scene two and Andy O'Neill answers the door in just his towel to BrumXX, a sexy looking scally. In this scene the lads fuck tirelessly on the bed with Andy bouncing on BrumXX's cock, who ends up dripping in sweat by the time the two shoot their loads.

We find Sam and Kaiden, two young scallies, in the kitchen next and Sam can't resist Kaiden's arse, pulling his trackies down, spreading his pert cheeks and tonguing his pink puckered hole. They move into the living room where Sam fucks Kaiden good and proper in some very horny imaginative positions before shooting a big load over his cock which Kaiden uses as lube to wank. Sexy skinhead Jamie gets a text saying his master will be home in 30 minutes in the last scene and, after showering and playing with his hole, he waits for his master's arrival on all fours wearing just a ski mask and jock strap. His hot young master Danny turns up and immediately starts to finger Jamie's hot hole before shoving his naked toes and feet into his mouth (foot fetishists will bust a nut at this scene). And guys into smoking and sex are catered for too in this final sexy scene when Danny, smoking a fag, flicks his ash into Jamie's open hand, using him as his ashtray. Don't worry though, Jamie's sexy white arse gets a good shafting from Danny's cock too.

ARE YOU BEING SERVICED?

STUDIO: UKNAKEDMEN.COM

Starring: Matt Hughes, Tyson, Ross Hurston, Andy O'Neill, Harry Louis, Jorge Ballantinos, Mitch Collins, Dean Monroe, Lucas Knowles, Kurt Rogers, Neil Down, Pedro Santanc

WITH THREE YEARS OF WEBSITE EXPERIENCE behind them, it's no surprise that UKNakedMen's first hardcore DVD Are You Being Serviced is a scorcher. The R18 cockfest is a two and a half hour cumdrenched romp through six scenes, featuring a

burly mix of uncut, non-twink stunners.

"We didn't think there was much point doing a DVD when we're an internet based company. But so many people have asked for it, we realised at the end of the day blokes still like DVDs", Jonno from UKNakedMen told us. And they've certainly pulled out the big guns for their first foray into DVD. From Matt (11 inch) Hughes' oral, 'milkman' scene with the astounding, sword-swallowing skills of Ross Hurston, to his anal battering from chavvy postman Tyson, which includes what must be one of the most explosive cum shots ever filmed when Tyson literally drenches insatiable Hurston. The guys are obviously loving it, even straight stud Neil, who allows hungry gay boy Andy O' Neill to service his beautiful dick, whilst Internet favourite Harry (9 inch) Louis delivers two splattering cum shots, after burying his dick up to his bollocks in Jorge Ballantinos and Mitch Collins. Next we're up in Dean Monroe's hotel room as he hungrily takes Lucas Knowles' fat dick down his throat and deep inside his arse. All this and the sexy, booted chauffer Kurt Rogers, plundering the arse of nervous, groom Pedro!! Phew, all that hot action and we were knackered... this is better then a work out video!

DAD'S AND LADS NIGHT IN

A COUNCIL FILMS PRODUCTION * DIRECTED BY JAMIE CARLYLE & ANDREW SMITH Starring: Big Steve, Jamie Cole, Danny Evans, Kai Cruz, Max English, Tyson, Dan Jenkins, Adam Blake, Mel, Jay.

THERE'S NOT MANY SCRUFFY COUNCIL FLATS we'd choose to spend an evening in but if the offer came from the lads at Triga to come round for a few beers and watch some telly, we might just take them up on the offer.

The scruffy council flat in question belongs to dole scum dad Steve (Triga's own words - not ours) and the lucky bastard gets a succession of sexy scally lads from the estate over for a few tinnies, a couple of spliffs

and ultimately rough sex. We start with Steve and three mates, one of which is sexy-as-fuck Tyson, and one young lad ends up getting fucked by all three blokes, including dad Steve who's got one hell of a big boner! There's no cheesy script in Triga's films, only lines like, "Just turn 'im round and fuck 'im mate," and, You're fuckin' enjoying that aint you, you dirty little cunt". Kai Cruz pops over to the flat with his mate and he's filled out to become a mean, sexy geezer. Once Steve's finished fucking his mate Kai says, "So, you want me to fuck you as well?" and spits on his mate's hole, spanks his arse and shoves his hard cock in. Steve obviously finds the sight of Kai fucking his mate horny as he dumps his massive load of gooey spunk on the guy's face. There's certainly not many porn films where you'll hear the line, "Right I've had enough of this for now, I'm off for a Chinese," but somehow it seems to work with Triga and just adds to realness. Next up and Steve's with five horny lads, including sexy Northern scally lad Danny, that hardcore Triga fans may recognise from previous films. This scene's a spunk-filled fuck fest where we're treated to Danny ploughing Kai's cute arse, three-way fuck sandwiches and plenty more sweat and spunk than we've seen in a long time! And just when you think it's over, Saturday night comes around and lets just say that Triga have left the biggest cock 'til last... Save your spunk to the end 'cos you won't be disappointed.

PLAYING HARD TO GET

THE FOLLOW-UP to the successful Amateur College Men, Bruno Gmunder Publishing now brings you Playing Hard To Get, the second stunning photo book from Corbin Fisher. The successful U.S. website of the same name is said to be

based on Corbin Fisher's own college experiences and features apparently 'straight' amateur college guys playing sports, larking about on campus and having sex. The pages of *Playing Hard To Get* are graced with fresh-faced, tight-bodied college dudes alone in the shower, sharing a tender moment with a college buddy or just fooling around on the sports field. Okay, so it's not full of gratuitous images of stiff cocks and butt holes but we find Corbin Fishers amateur college men just as erotic.

THOSE FILTHY PERVERTS from Bulldog month of a new range of pant staining film the tin: Young wanna' be Bulldog sluts get in the muck with each other! Director, M it sees porn legend, Carlo Cox, shoot his enough to be his kidnapped adopted son!

BY MAXWELL B

THOSE FILTHY PERVERTS from Bulldog Studios continue to push the boat out with the release next month of a new range of pant staining films - **BULLDOG PUPS!** Clearly this new line says what it is on the tin: Young wanna' be Bulldog sluts getting shafted senseless by older filthy pigs and rolling around in the muck with each other! Director, **MAXWELL B**. bagged a real exclusive with this new film as it sees porn legend, Carlo Cox, shoot his first inter-generational scene with a new lad who is young enough to be his kidnapped adopted son! Young porn virgin, 26-year-old Benjamin O'Neil - who caught the eye of Bulldog XXX studios - was brought in for the daddy of all porn stars to use and abuse. With inter-generational smut going through a resurgence of late this new range will certainly not be letting fans of the Bulldog studio down in terms of its sleazy, grubby, gutter-trash sex - but now with a new twist! Bulldog men fucking Bulldog pups! QXMEN was flown first class on the new A380 to a small porn studio in Vauxhall to grab a few words with Benjamin and Carlo about this horny encounter between a rising star and a sex legend.

BENJAMIN O'NEIL

How many films have you done and how long

have you been in the porn business?
I started this year in February when I moved from Manchester to London. So far I've done five films.
What's the oldest guy you've ever had sex with?
The oldest guy I had sex with was 50 so that's double my age, although he didn't look it.

What is sexy about having sex with older guys? Older guys turn me on anyway, so that's what's sexy about having sex with older men. Plus I love a guy with a bit of grey hair and experience really does come with age and I love to be taught new things.

What would you say to people who only have sex with guys in their immediate age group? Think outside the box. Why limit yourself!

What turns people on about watching inter-age sex do you think?

I reckon there's nothing more sexy than seeing an older guy dominating a younger lad. I think everyone at some point has fantasised about an older guy... I know I did about my P.E. teacher in school.

What is it that a younger guy can teach an older guy about sex?

I think sometimes you can get stuck in a rut sexually so bringing a younger lad into the equation can only add that little extra spark. What was your reaction when you were told you'd be working with legendary porn star, Carlo Cox?

In all honesty I had never heard of him. But when he arrived on set I got the impression that he was a big name 'cos of the attention he was getting. So I guess my little knowledge of him served me well cause I was not fazed working with him at all and he turned out to be a really nice guy and an even better fuck! (*smile*) **How was your experience**

working on a Bulldog XXX movie? Working with the guys at Bulldog has been a great experience and both Max and Loz are really nice guys. But then again you do get to know each other pretty quickly when you're lying naked on a table with your legs apart! (laugh)

CARLO COX

Hi Carlo. Dare we ask your age? Carlo Cox. I have just turned 41. How many films have you done and how long have you been in the porn business? I've been doing porn for six years and done around 85 movies, between videos, DVDs and Internet. What's the youngest guy you've ever had sex with and what was the age difference at the time? I guess 20 years old, when I first started acting in Los Angeles. The age difference was 13 years then. What's sexy about having sex with younger guys?

I honestly prefer having sex with men of my own age. But once in a while a young guys comes my way and precisely because that is not what I am used to, that really turns me on. There's an element of transgression implied in it, like something which is forbidden (according to the way I was brought up at least), and that truly arouses me.

What would you say to people who only have sex with guys in their immediate age group?

Have fun whatever way pleases you, but once in a while allow yourself to experiment something different. You may be amazed with how much many of these younger men know about sex and service a hot daddy.

What turns people on about

watching inter-age sex do you think? Exactly the element of transgression I was talking about earlier - something that is forbidden and taboo. But there is a difference in here from the forbidden, inadequate and unethical way of doing it, which is that the younger guy is legally an adult and the sex is consensual.

What do you think an older guy can teach a younger guy about sex?

Different older guys can teach different things to younger ones, but speaking for myself I can say that what I can teach is related to time, to rhythm. I can teach that good sex is not about rushing and the climax doesn't necessarily have to be the ejaculation. The climax can be something long lasting, during the act and not only necessarily at the end.

What was your reaction when you were told you'd be working with new comer, Benjamin O'Neil?

Well, first of all I only do porn because it is something that I love doing. I only do scenes with partners that turn me on. Otherwise, I do not do the scene. When I saw Benjamin's pictures, and consequently, met him I thought 'he is hot!!!'

How was it working on a Bulldog XXX movie?

Well, I simply don't think twice when I know that I am going to be directed by Maxwell B. We totally understand each other, the work is fluid and it's just fun... ALWAYS!!! Max has directed me in most of my British movies. It is like being at home.

www.eurocreme.tv www.bulldogpit.com

WEELLE that's a title you won't forget in pornography, sex, drugs, guns, gore, revenge and violence! Everything Dynasty should've been! That's just a few of the elements in the new short movie spin off from Alphamalemedia.com, the team behind the hot recent R18 release of *Out On The Hit*. Resident director, Max Barber (AKA Maxwell. B) is currently in post-production on the film about crooked gay

gangsters who get even on a homophobic thug. Shot using the backdrop of several Alphamalemedia. com titles including *Troy* - *Latin Heat* and *Hairy Hunx: Bulging Boxers.* Dirty Bent Bastards promises to be a twisted take on the gangster movie genre featuring a host of porn stars in supporting roles - including, Trojan Rock. In this, his first real acting

role outside of getting his kit off, Trojan plays a ruthless, retired hit man who comes from London to Rio for one last job... But all is not as it seems! This is the second porn film spin off by Max whose previous film, *VGL-Hung*! a modern gay take on the Cinderella story about on-line dating, was released through Peccadillo Pictures earlier this year. Now turning to gay gangsters, Trojan and Max have come up with a wicked (literally) tale of outrageous revenge using familiar faces - and big beefy bodies - amongst some professional acting talent.

We caught up with Max and Trojan to get some inside information on the benefits of producing these quirky gay tales for a different market. "We were shooting a porn film anyway", says Trojan. "So why not just extend that into something more dramatic that can raise the profile of our porn regulars and give the audiences something a bit more fun to watch along the way? "And of course", Max adds, "This opens up our films to those who love to be entertained, but are not into porn all the time. A whole new audience!" The hot talent list of big name stars in *Dirty Bent Bastards* reads like a who's who of the adult industry including Carlo Cox, Rocco Banks, Ross Hurston, Butch Grand, Orlando Toro and Daniel Marvin, not to mention London sex party host, Svetlana Quinn... and even the QXMEN office dog, Jack!

Max was quick to point out that although the film has plenty of eye candy and titillation, there is more to the story than just a quirky thriller. "Although on the surface the movie is a violent Guy Richie piss take, it says quite a lot about gay men's fear of growing old alone, and placing value on relationships." Moral message aside, we were curious to ask what a cast of hunky studs could deliver on a camp gay thriller... and not necessarily with a cum shot as the finale! "We're pushing the boundaries beyond just porn with this film", Trojan added. "It certainly isn't for the faint hearted in terms of its rather shocking content. This is definitely not Disney entertainment... More of a parody to reflect the violent society gay men have to live in". Max agreed strongly with this stance. "I was fucked off reading about homophobic attacks on the increase in our supposed tolerant society. The response was to do a film about how gay characters fight back using the most ruthless of methods. Mixing sex, death, violence and revenge against a backdrop of pornography makes a rich but subversive visual canvas that can offer some form of satisfaction in the face of homophobic repression. And we hope people will wank off over the porn version, *Out On The Hit*, of course!

Dirty Bent Bastards was shot in both Rio and various familiar gay haunts in South London, and promises to be a feast for the eyes of hot porn talent in a quirky, dark and outrageous story. Initially the film will be touring the international gay and lesbian film festival circuit and playing online at *www.alphamalefuckers.com*.

THE SX FILES

STUDIO: FRESHX Starring: Lucas Knowles, Jon Janes, Leo Mack, James Connor, Marco di Lucca, Jack Austin, Darren James Roberts, Alexey Goncharov, Euan Donovahn.

THERE'S CERTAINLY NO EXTRA-TERRESTRIAL goings on in The SX Files, oh, no. Just nine hot guys featured in six horny scenes of sucking, fucking, sexy solos, all ending in massive cum shots.

In scene one, sexy pale-skinned Euan and dark and exotic Alexey passionately tear their clothes off and then tenderly kiss every inch of each other's bodies while rolling about on a bed. The chemistry between these two is great and it just takes Euan to rim Alexey's smooth hole and he's shooting his load over the bed. Cute twink Leo gets James's massive 9 incher up his boy butt in various positions in scene two and takes every inch like a true pro. With James's huge cock sliding in and out of his butt it doesn't take Leo long to shoot his creamy load over his hairless chest leading James to pull off his condom and wank off into his bottom boy's open mouth. Now, we'll admit that some solo scenes can be a little boring but we honestly could watch sexy-as-fuck Jon James playing with himself for hours... Of course, we'd rather be in the room with him too, but hey! Anyhow, Jon's lying on his bed, stroking the bulge in his tight briefs and we're already getting turned on. But when he pulls out his meaty cock we actually started salivating. With a hot, muscled body, sexy smile and a big dick this guy really does have it all. And to top it all, when he flips over and pulls off his briefs we see that he has a beautiful muscled butt - the type you just want to bite! Watch this scene to the end when Jon shoots his massive load and we challenge you not to lust after this guy. There's not many guys in gay porn with beards and floppy hair but Lucas Knowles has both and he's hot as hell with it. He's paired with

skin lad Marco di Lucca and as well as being sexy, Lucas certainly know how to fuck well and can shoot a thick stream of spunk too. Lovers of bubble-butts will go crazy for Jack Austin's solo scene in which this sexy lad takes great pleasure in showing off his pert butt, arching his back and playing with his puckered hole. In the last scene we think Darren will be performing solo as he strips out of his briefs and bends over to show us his arse, so we were pleasantly surprised when he suddenly whips out James, the cameraman's, meaty cock. After he's sucked on it for a while, Darren puts a condom on James's cock and shoves it in his arse. All the while James is filming himself being serviced by Darren and by now, like the guys in The SX Files, we've shot our load too. STARRING ANDY O'NEILL

FOLSOM FLESH

STUDIO: TITAN MEDIA * DIRECTED BY BRIAN MILLS Starring: Tony Buff, Eduardo, Dean Flynn, Will Parker, Rick van Sant, Korben, Geoffrey Paine, Colin Steele.

TN JUST THREE YEARS, TitanMen's Folsom leather and fetish line has racked up numerous awards, bringing high-quality fetish porn into the mainstream. The studio continues to deliver with its latest production that features eight of the industry's finest in four jaw-dropping scenes.

First up and leather-clad Tony Buff drags hapless newcomer Will Parker onto the set and barks the words we'd all like him to say to us, "You're mine now!" The two begin an unforgettable scene, bathed in green and yellow light, with a video camera that displays their dirty deeds on a nearby TV screen. Will is completely controlled by dominant Tony and by the end of the scene his cheeks are pink and rosy and his hole loose and open. Next up, muscle studs Dean Flynn and Geoffrey Paine grapple on a wrestling mat wearing nothing but harnesses and leather boots. Both guys fight to take control of the other but ultimately it's bottom Geoffrey who gets his hairy hole pounded by sexy Dean in another aggressive scene. Gorgeous Billy Doll Eduardo is paired with sexy Brit Korben next who's forced down on his knees and gasping for air as Eduardo exerts control, placing his strong hand behind Korben's head and feeding him his

cock. Needless to say, Korben's arse soon feels the full force of Eduardo's cock as the top gets a workout grinding his increasingly wet hole. Rick van Sant and Colin Steele complete the fetish fuck fest in scene four which features a motorcycle, two slings and a punishing dildo. Folsom Flesh is not for the faint-hearted, just the deliciously perverted.

ERRING THAT THE UERUE just undergone a £250,000 refit, QXMEN dropped into Sweatbox Sauna in London's West End. As we wanted a good feel of the refit rather than the guys (for shame!), we decided to visit in the morning before they opened. But as luck would have it we were lucky enough to stumble across the guys from UKNakedMen.com on location for one of their XXX-rated photo shoots. Now we're certainly not prudes, but the things those models were getting up to, one would have expected UKNakedMen's camera lenses to steam up! But no, they kept clear as the models made full use of the endless facilities on offer in the low-lit and sexy hot rooms, steam rooms and the maze of inventively designed private cabins and play-spaces spread over Sweatbox Sauna's two subterranean levels. And here are their pictures to prove it! So, whether you're a Londoner or visiting the capital, we'd suggest you pay a visit to Sweatbox Sauna and, who knows, you could bag yourself your very own East End barrow boy or a sexy City trader!

FULL FETISH... SKINHEADS / 11:07:2009 The hoist @ South Lambeth road, Vauxhall, London SW8

ON A RAINY SATURDAY NIGHT in July we lay on the bed and struggled into a pair of skin tight bleachers, pulled on our best Fred Perry t-shirt and laced up our 20 hole Doc Martins. Shaving our head down to number one crop we looked in the mirror and asked ourselves, "Do ya 'fink yer 'ard enuff?" Yes we fucking did and so we headed on down to Recon's first **Full Fetish... Skinheads** party in South London's Club Union. The night was the latest in the series of Full Fetish parties where men who know what they want, and know just how to get it, go for a night of perverted and kinky partying. There was strict dress code that night of classic skinhead, leather and rubber skinhead and punk and the crowd of sexy geezers in the club had turned out in all their finest gear. We spent the night cruising some tasty lads hanging round the pool table before we headed of into the large cruise maze in the back room to get better acquainted with one or two.

THE UNDERGROUND CLUB, CENTRAL STATION, WHARFDALE ROAD, KINGS CROSS, LONDON N7.

AT THE END OF JUNE, QXMEN slipped on our wrist restraints and leather collar and headed to **Collared**, London's hot new Slaves and Masters event. Down in Central Station's basement in Kings Cross we mingled with like-minded guys who were busy exploring the kinky world of BDSM and submission and domination in the venue's many alcoves and equipment-filled activity rooms. Although there were experienced masters and slaves there, the night's geared as a safe place for newbies who want to try their hand at different kink activities in order to discover their niche, and we were pleasantly surprised at the relatively young crowd. There's no dress code but collars and gear are encouraged and we'll be back for the next installment later this month.

SPECIAL SEASONAL RATES NOW AVAILABLE **OMEN ARE SLUTS.** Drag queens are dirty old men. Male strippers are idiots on steroids and agents are greedy and incompetent. That's the view of Nick Molloy, who strips under the name Sexecute and has now written his autobiography, Road Warrior. Although Nick claims, "I have one of the best jobs in the world," he has a funny way of proving it. In fact he seems determined to bite the hand that feeds him. But he's shockingly candid about himself and his sexploits. He confesses he's a wankoholic and that he likes to be watched having sex. He's straight but he wishes he were gay. Road Warrior charts the dark side of The Full Monty.

I first met Nick in 2005 at London's White Swan, when he was on the bottom half of a double bill with the more experienced HeartThrob. Nick came on stage to the Rocky theme as a mean and moody boxer, which made a change. Readers of the magazine I was then working for had voted him Best Stripper. He gave an unexpectedly good interview. I discovered he was a university graduate with an IQ of 153. Born in Manchester, he wanted to be a sportsman but failed. Michael Baldwin, the strippers' agent who discovered Nick, told me, "He never forgave his parents for moving to Wales. His ambition was to be an athlete and, when they moved, he couldn't do it any more. I swear he became a stripper just to spite them. I've said that to his face. I've said, 'It is a form of a revenge, Nick,' and he said, 'No, no, no.'''

At our first meeting I asked Nick what his parents thought of his stripping. He replied with some satisfaction, "They're horrified." So was he seeking approval elsewhere, from excited crowds at gay bars and hen nights? He thought this was a possibility. He enjoyed being a minor celebrity for one night. Even by 2005 Nick was disillusioned with the stripping business. He rubbished it on his website (www.malestripper.org) and told me he was planning a tell-all book that would "shatter the myths and illusions that dominate the industry." Although he had to finance it himself, the book's out now. Nick hated his former career in marketing. He made enough money to buy a house in Hemel Hempstead, but then lost a fortune on a motor racing project. In a sauna he met a photographer who told him he could make money from modelling. Nick did his first shoot in 2002, then met Michael Baldwin, who auditioned him in his sitting room. "He had no sense of rhythm," Michael remembered. "He just jumped about, which had no connection to the music whatsoever." Was Michael surprised that Nick went on to make a living out of stripping? "Not really," he said, "because he looks good and he's got a reasonably big penis. When it's tied off, it looks quite impressive."

After making his debut as a stripper at London's Bromptons (now Infinity), Nick went on the road and has been travelling ever since. He was in a relationship with a girl he met at university, but Nick makes it plain in his book why they've now split. Zoë was sexually reserved. She didn't even like wanking him. Nick, on the other hand, likes wild sex and sometimes gets it after the show. He describes how he fucked two girls in the back of a car while their gay male friend watched from the front. His ultimate fantasy is to be held down by four women while a fifth rides his cock. He resents the fact that generally women aren't interested in helping him out here. He suspects that, if he were gay, men would fall over themselves in the rush to shag him. But he can't bring himself to switch.

Nick has the grace to declare, "Many people now assume that I am gay. I take it as a compliment." He calls himself "a gay man trapped in a straight man's body." Despite this, his gay experiences seem to have been mostly negative. Although he prefers to play gay bars because we're better behaved than the women at hen nights (see page 113 for the story of a "mum of three" who pulled Nick's cock out of his G-string and stuffed it into her mouth), he regularly fights off male admirers after a gay show. He also dislikes the drag queens who organise hen nights and expect sex with the stripper in return for another booking. His fellow strippers are all dismissed as "assholes." About the only one he has time for is someone he calls "Uniboy." (Nick uses pseudonyms for almost everyone he talks about, but it's hard to imagine that Uniboy is anyone other than College Boy.) Nick may envy College Boy's relationship with his longtime companion, a much older gentleman. In his book Nick paints a depressing picture of the stripping business. He owns up to being "bitter and twisted." He doesn't think he's paid enough, he hates the agents who rip him off, and he criticises his rivals for being older/ fatter/less talented than him. But he comes into his own in the final chapter, "The Truth About Girls", an astute but devastating analysis of the sex games he thinks women play in order to ensnare a partner. Nick thinks he's a typical man, who wants lots of sex with hot women. But he claims that the women who "could fuck competitively are all stark raving bonkers" while "those that you would want to live with fucked to love rather than loved to fuck." That's why he wants to be gay. (But I wonder whether that would make him happy?)

Vanity publishing has wasted a lot of paper down the years, but now and again it serves its purpose. There's no way a publisher would have paid Nick an advance for this memoir. He's not a born writer, he's not known, and his story doesn't have any celebrity scandal. (The only "name" Nick seems to have come across is Chico, three years before he entered The X Factor). But Nick's is the only detailed description of the British male stripping scene in what's generally agreed to be its dying days and, although it's a jaundiced view, the peeks into places few of us have visited - strippers' dressing rooms while they're tying off, crazy hen nights with stark raving bonkers women - are fascinating. What will happen to Nick or rather Sexecute? Even Nick isn't sure. "What has Sexecute done for Nick? Has Sexecute been good for Nick?" he asks himself, then adds, "These are questions I wrestle with on a constant basis." But the answer seems pretty obvious to me. At the end of the book, I longed for him to get out of stripping and go back to an office job that might earn him the big money that's so important to him. If he still wants to show off his gorgeous body now and again, he can always pop into the QXMEN office. We promise to drool very respectfully.

THE BUSIEST CHAT SERVICE IN THE UK

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
