## APRIL'S COCK-TEASER OF AN ISSUE...

IS THAT THE SWEET SMELL OF SPRING IN THE AIR? OR IS IT THE HEADY SCENT OF TESTOSTERONE THAT'S STARTING TO PERMEATE FROM GUYS ON THE STREET NOW THAT WE'VE HAD A FEW GLIMPSSES OF SUNSHINE. OR MAYBE IT'S COMING FROM THE NAKED PORN STARS WHO GENTLY MASSAGE OUR NECKS AT OUR DESKS AND THE ONES DRAPED OVER THE PHOTOCOPIER AND WATER COOLER. WHATEVER IT IS, IT MEANS THAT APRIL'S ISSUE OF QXMEN IS HORNIER THAN EVER!

SMOKE'S been coming out of the back of our Woolworth's DVD player what with all the scorching hot releases we've been watching! Those hunks from Titan Media proved to be more than just a little **Distraction** in their latest release and Kristen Bjorn's **Pride Part One** goes behind the scenes of the infamous Madrid Gay Pride with thirteen unbelievably sexy guys! It's definitely double the pleasure when some of America's hottest West Coast boys team up with European porn powerhouse BelAmi and become **Cocky Friends**. Another sexy European stud Johan Volny has produced and directed his first movie **Exposed** in which he introduces us to a few of his hot twink buddies. And Alphamalemedia serves up a butch bevy of sweaty, hairy hunks in **Out In The Workshop**. While those guys at UKNakedMen bring us another bucket-load of hot guys in compromising positions in **Thrall: Enslaved** and finally we discover what makes the studs at Lucas Entertainment **Rush** when they enter a mysterious red fuck room!

We get up close and personal with some of the planet's hottest guys this month. For starters we pose a few questions to the world's most published physique model, the ever-sexy Mark Wolf. Then we have a little chat with sultry Spanish hottie Ivan Rueda, and we even find time to get to know blond American hunk Scott Tanner. The gay porn award season is upon us, so we take a look at some of this year's biggest winners so far. And, just because we can, we treat you to some of Hot House's finest hunks sporting harnesses and jocks... and boy do they look good enough to lick all over!

It's something that fascinates us here at QXMEN and if we were all able to do it then we're sure that there'd be world peace, an end to famine and global warming, and the world would be a much happier place. What are we talking about? The ability to suck your own cock of course. Just take a look at how happy the guys are who can do it. QXMEN's resident sexpert, Hayden Bridge, cups our balls and asks us to cough, as he gives US site CollageBoyPhysicals.com a thorough examination and, because we like to spoil

you, we've got a couple of hot pin ups for you to salivate over, the incredibly sexy David Dirdam and hunky Samuel Colt. We even had a couple of nights out recently at London's Hoist and Recon's Sports Cruise Night. Plus there's all the usual features and gratuitous pictures of naked men to get you off... And don't forget, if you have trouble getting hold of your copy of QXMEN Magazine then you can subscribe and get it shoved through your letterbox every month. Just fill out the form in this issue and save yourself a tenner off the usual price!

## STUDIO X FROM EUROCREME

EUROCREME'S hot new event Studio X in February was a huge success at London's Ku Klub and Vault 139. Studio X is all about providing Eurocreme's fans a place to come and meet their favourite models in the flesh and see special previews of the studio's latest and upcoming releases. Both nights were full of hot Eurocreme models and Eurocreme's owner and director said, "The event was a huge success and we plan to run more of them in the coming months round London and possibly the rest of the country." Event promoter and porn director Joel Ryder said, "I really enjoyed running the events, everyone had a ball and I look forward to doing more for everyone to enjoy."

MASTER U

## THE RED SLING FRAME

IT'S not often that we put the words 'sling frame' and 'stylish' in the same sentence, but we just have to when it comes to describing the all new stylish RED sling frame we came across recently. It's on sale at London's bespoke leather, bondage and BDSM gear producer, Master U and it's one serious piece of kit for serious players. When we saw it, it was being put through its paces by a couple of sexy studs from British gay porn company UKNakedMen.com... and you can see what the guys got up to in next month's QXMEN!

Precision engineered in the UK, the RED sling frame is portable, quick to erect without any tools and it's reassuringly sturdy, so there's no squeaks or rattles and it won't mark your floor. It's tall enough so you can easily step into it, and it's been designed with an asymmetrical cross, meaning the butt end is wider allowing your legs to hang freely without touching the up-rights.

The RED sling frame is the optimum frame to hang the Master U leather sling, taking full advantage of its unique features. Even the carry bag has been specially designed with a large top flap for easy access and wider handles to carry the frame comfortably to your next party.

Package deals are available when bought with the Master U leather sling, suspension and restraints. So go online to [www.master-u.co.uk](http://www.master-u.co.uk) or visit Master U at 330 Kennington Lane, Vauxhall London SE11 5HY. Open Tuesday to Saturday from 11.30am 'til 7pm.

## FOR THE MAN WHO HAS EVERYTHING

WE see a lot of things in this business, and we're not often taken by surprise, but when we first came across 'anal jewelry' we wondered if the world really had gone mad. However, the more we look at these crystal butt plugs called 'rosebuds' the more we're thinking what better way could there be to complement the perfect bubble butt than with one of these little beauties. They're hand-crafted by a guy called Julian Snelling in France and come in various sizes with a choice of semi-precious stones, and there's even one with a little clock face on it! Go see at [www.rosebuds.net](http://www.rosebuds.net).

## WIN SEX LIFE IN L.A.

WE sat wide-eyed watching director Jochen Hick's two-disc documentary-style feature that gives a stark and honest view of the gay film industry in the Hollywood Hills. It compares and contrasts the lives of three retired porn actors - Madonna's ex Tony Ward, Rick Castro and Cole Tucker, two guys you'll no doubt remember from grainy DVD porno flicks of the 80s - and three young guys hoping to achieve stardom in today's gay adult industry. As our fascination grows with the real lives of porn stars, Hick delves into the lives of his subjects finding out how the industry has changed and also tracking the fortunes of the three new hopefuls who live in an apartment fitted with web cams. *Sex Life in L.A.* takes you on a fascinating, and sometimes disturbing, journey into the world of low-budget sex films and offers a unique insight to the side of porn that we don't usually see. The two-disc DVD is released on 19th April and will be available from [www.Amazon.co.uk](http://www.Amazon.co.uk) or [www.PeccaPod.com](http://www.PeccaPod.com). However, you can win yourself a copy by emailing your name and contact details to [editorial@qxm.com](mailto:editorial@qxm.com), placing *Sex Life in L.A.* Competition in the subject field, or post your answer to QXMEN, *Sex Life in L.A.* Competition, 23 Denmark Street, London WC2H 8NH. Entries to be in by 30th April when one winner will be drawn at random. The competition's open to UK residents only.

GET ready guys, as HustlaBall London hits town next month on Sunday May 2nd at Renaissance Rooms in Vauxhall. ## DISTRACTION

STUDIO: TITAN MEDIA ★ DIRECTED BY BRIAN MILLS

Starring: Dario Beck, Marco Blaze, Dean Flynn, Christopher Saint, Scott Alexander, Jay Roberts, Bryan Slater

**SPRING IS IN THE AIR AND SO ARE OUR HORMONES HERE AT OXMEN HQ, AND WHAT BETTER WAY TO START THE SEASON THAN WITH A NEW RELEASE FROM THOSE TITAN MEN. PACKED WITH SOME OF THE HOTTEST GUYS FROM THEIR STABLE THEY'RE, ALL BLESSED WITH MOUTH WATERING, BIG THROBBING COCKS AND HUNGRY HOLES. AND BELIEVE US WHEN WE SAY THAT THIS DVD WILL CAUSE EXACTLY WHAT IT SAYS ON THE COVER - DISTRACTION!**

POOL cleaner Dario Beck can't believe his luck when he walks into TitanMen exclusive Marco Blaze and Dean Flynn working out in the sun. It doesn't take long before Marco and Dean can't resist each other's pumped up muscles and start touching themselves in front of Dario. Marco reveals his fat uncut juicy cock and rams it down his mate's hungry mouth and Dario can't control himself (who can blame him) and gets on his knees to get a mouthful of Dean's meaty dick.

After a very horny suck-fest between the guys, taking turns with their eager mouths, they end up in the bedroom where Dario finds his tight arse played by his buddies' probing tongues and fingers. In the end Dario ends up in between the guys, and trust us, if you've never been a fan of spit-roasting then this scene will change your opinion! Staying outside, sexy Jay Roberts and Manchester boy Christopher Saint take turns swallowing each other's dicks deep and hard. After some mutual arse eating, ripped Christopher proves that he's as good a bottom as he is a top by fucking Jay from behind, ramming his hard dick up his moaning fuck buddy.

Christopher fucks Jay in various positions before both studs shoot their hot spunk all over the place. Last out is black hunk Scott Alexander who discovers Bryan Slater wanking his cock on his deck outside. They take turns sucking each other and eating arse before ending up having a flip fuck and releasing their hot tasty cum... Another scorcher, packed full of hunky Titan Men.

### OUT IN THE WORKSHOP

STUDIO: ALPHAMALEMEDIA ★ DIRECTED BY SIMON BOOTH

Starring: Tiko, Nathan Price, Lucas Knowles, Ludovic Canot, Marius Mugler, Shane Frost, Zack Elias

**SO, WHAT REALLY GOES ON BEHIND THE DOORS OF THOSE WORKSHOPS ON TRADING ESTATES THAT WE SEE BURLY MEN DISAPPEAR INTO? ONE MIGHT ASSUME THAT IT'S ALL WORK AND NO PLAY, JUST MANUAL LABOUR AND PAGE THREE CALENDAR GIRLS ON THE WALLS. WELL, THINGS COULDN'T BE MORE DIFFERENT IN THE WORKSHOP BELONGING TO ALPHAMALEMEDIA, WHERE MONSTER-COCKED MASCULINE MEN WHILE AWAY THE HOURS BY WORKING EACH OTHER'S ARSES HARD AND FAST, BEFORE BLASTING THICK, HEAVY LOADS ACROSS BROAD, MUSCLED CHESTS AND ROCK HARD ABS... HEY, DID WE EXPECT ANYTHING ELSE!**

WORKSHOP boss and all-American stud, Lucas Knowles is considering selling his business, but he's in two minds because of all the fun he has on the premises. And we soon find out what he means when Ludovic Canot, the printer repair man, arrives. Lucas makes it clear that it's not just his toner cartridges he wants Ludovic to give the once over, and the ever-growing bulge in Lucas's jeans shows that he means business. The two guys strip and Ludovic sucks on Lucas's massive hard cock before he's bent over for a good hard pounding from the workshop boss. Lucas is a great top and flips Ludovic onto his back and plunges his cock in even deeper and both guys shoot their loads. Next, two burly delivery guys, Marius Mugler and Tiko, turn up at the workshop, but finding the premises empty decide to steal some clothes. They take off their shirts to try on some of their stolen booty to reveal bronzed, tattooed muscular chests and guys being guys they just can't keep their hands off each other. Before long they're sucking on each other's cocks before Tiko ploughs Marius's muscled butt. Hot American Shane Frost is the photographer taking pics of model Zack Elias and he needs to rub a little oil in to Zack's body - for professional purposes, of course. This gets Zack hard and Shane can't help sucking on Zack's massive cock, an act that leads to him being bent over and feeling the full force of Jack's thick cock up his oh-so cute arse. Zack fucks like a steam train and we're pretty sure that the moans and groans coming from Shane aren't acting and he soon shoots his load on his chest while Zack blows his wad into Shane's mouth. Lucas is back for the final scene and gets sexy Brit Nathan Price to try on a jockstrap to check the fit (that old chestnut!) and this ends up with Nathan up against the wall with his arse getting pounded by Lucas. They're soon on the floor of the workshop with Nathan on all fours getting it good from Lucas before flipping onto his back for Lucas to use his hole leading to both guys shooting their loads... Needless to say, Lucas decides not to sell the workshop as he has so much fun there. Now, if only we could find the address!

## PRIDE ★ PART ONE

STUDIO: SARAVA PRODUCTIONS ★ DIRECTED BY KRISTEN BJORN

Starring: Pedro Marvin, Daniel Andreas, Armando Del Toro, Francesco D'Macho, Carlos Montenegro, Marco Salgueiro, Mateo Perez, Lucas Lucky, David Dirdam, Alex Brinski, Luciano Prado, Julio Cesar, Jesús Moreno.

**JOIN THIRTEEN OF KRISTEN BJORN'S FINEST STUDS AS THEY PREPARE FOR MADRID'S GAY PRIDE. AND JUDGING BY THE SKIMPY WHITE SWIM TRUNKS THE GUYS WORE ON THE DAY, THEIR TIME WASN'T WASTED SEWING SEQUINS ONTO COSTUMES.**

AFTER a brief show of the scantily clad guys wowing the crowds from the Kristen Bjorn float at Madrid Pride we go back a few days earlier when Carlos Montenegro picks up Marco Salgueiro and Mateo Perez on a city street and takes them back to his apartment. As the shirts come off we see that all three guys are quintessentially Kristen Bjorn with perfectly sculpted bodies, the odd tattoo and killer sun tans. The three hunks go for it in a scorching hot first scene where no cock is left unsucked and no arse left unfucked. Next scene and it's eight months earlier and muscle-bound wood-cutter Jesús Moreno hooks up

with one of the few skinheads in the Kristen Bjorn stable, mega-hung Julio Cesar. After Julio deep throats Jesús' cock, Julio reveals his own huge cock and Jesús goes straight to work on it, sucking every inch before stripping off and getting fucked hard and without mercy by a very rough and ready Cesar. After a seriously hard fucking, Jesús returns the favour and fucks Cesar, bouncing him up and down on his cock as payback. QXMEN's current lust object, David Dirdam is paired with Lucas Lucky in a hot al fresco scene and we can't help but be envious of Lucky as he's fucked over a rock by the beautiful David. Brazilian bombshells Luciano Prado and Marco Salgueiro pick up blond Alex Brinsky next and take him back to their apartment. What follows is another ball-busting three-way with Alex ending up as the filling in a fuck sandwich! Get ready for a mouth-watering foursome next made up of David Dirdam, Lucas Lucky, Pedro Marvin and Daniel Andreas. Lucas certainly lives up to his name as the lucky bastard is soon on his knees sucking on all three cocks until he's drenched in cum. But the action's not over there as the studs head inside where Andreas fucks Lucas and Pedro tongues David's hole before David gets double penetrated by Pedro and Andreas while Lucas fucks his mouth. The finale of the movie is a mind-blowing seven-man fuck scene, which has to be seen to be believed... This movie is what gay porn is all about!

## THRALL (ENSLAVED)

STUDIO: UKNAKEDMEN.COM

Starring: Carioca, Nic James, Lucas Knowles, Ivo Costa, Tyson, Fred Faurtin, Matt Hughes, Ben Statham, Robbie Rivers, Jake Ryder, Billy Brunt, Scott Stone, Jay Adams.

THIRTEEN UNCAT STUDES STAR IN THE LATEST RELEASE FROM UKNAKEDMEN, AND THIS TIME THINGS GET A LITTLE DARKER. GET READY FOR 140 MINUTES OF POWER PLAY, DOMINATION AND BURLY GUYS BANGING THE LIVING HELL OUT OF EACH OTHER...

FOR starters there's two big-cocked, masked intruders, one the stunning cover guy Carioca, and the other Nic James who takes full advantage of Jake Ryder's more than willing arse. There's also some kinky S&M role-play with Lucas Knowles and his very willing victim Ivo Costa. Then we're spoilt with two incredibly hot three-ways. One set in a young offenders prison, featuring chav lad Tyson and French hunk Fred Faurtin, who force their unwanted attentions (and hard cocks) onto a new inmate. Next up, the monster tooled Matt (11 inch) Hughes stars in a dark and satanic scene. Two disciples take it in turns to worship his huge pole, before muscular pup Ben Statham takes the whole eleven inches up to the hilt in his hot arse. His reward? Squirt after squirt from Matt and Robbie Rivers all over his face. As a bonus, straight boy, hottie Scott Stone, peels off his rubber pants to show off his uncut dick, before wanking out a massive load right at the lens. All in all, it's another winner, and if you like it hard and rough, you'll love *Thrall (Enslaved)*!

### EXPOSED

STUDIO: JOHAN-VOLNY.COM ★ DIRECTED BY JOHAN VOLNY

Starring: Johan Volny, Jimmy Call, Robin Few, Dominik Trojan, Alex Stevens, Chad Ward, Patrick.

IT WAS ONLY A MATTER OF TIME UNTIL SEXY JOHAN VOLNY STARTED HIS OWN STUDIO, WORKING AS BOTH A PRODUCER AND DIRECTOR. HE'S ONE OF THE MOST SUCCESSFUL TWINK GAY PORN STARS IN EUROPE STARRING IN OVER 50 MOVIES, AND THE HOST OF INTERNATIONAL AWARDS, SCORES OF BLOGS AND COUNTLESS PRINT COLUMNS AND REPORTS SPEAK FOR THEMSELVES!

Available from [www.Johan-Volny.com](http://www.Johan-Volny.com) and [www.Homoactive.com](http://www.Homoactive.com).

NOW, watch as Johan steps behind the camera for the very first time, following the launch of his very own internet club-site [www.Johan-Volny.com](http://www.Johan-Volny.com).

Johan-Volny.com, for which he films both himself and all his cute fuck-buddies having filthy boy-sex, gives us backstage reports about the Czech porn scene and shows (in gratuitous detail) all manner of hot, sexy activities. In *Exposed*, his first DVD, Johan's brought together of his best buddies from his home town, Jimmy Call and Robin Few, along with some of his old porn mates, such as Dominik Trojan and Alex Stevens. And as a special bonus, he also introduces Chad Ward and Patrick, two hot friends from school, who debut their porn careers in the *Exposed*.

The movie clearly proves that these guys have known each other for many years, with the sort of no-holes barred sex you'd expect from good pals. A prime example is the scene between Johan and Jimmy Call, when Johan actually bottoms for his best mate (a very rare moment given that Johan is almost always a top). The whole DVD is full to bursting with hot gay sex, courtesy of Johan Volny and some of the cutest Czech twink porn stars in the business today.

### RUSH

STUDIO: LUCAS ENTERTAINMENT ★ DIRECTED BY MICHAEL LUCAS & MR PAM  
*Starring: Avi Dar, Rj Alexander, Johnny Angel, Brian Bodine, Sami Damo, Shane Frost, Jesse Martin, Spencer Reed, Ace Rockwood, Shay.*

**SO, WHAT IS IT THAT GIVES YOU A RUSH? IS IT WHEN YOU'RE RAMMING YOUR COCK DOWN A GUY'S THROAT AND YOU FEEL HIM GAG? OR MAYBE THE MOMENT A STIFF COCK PENETRATES YOUR ARSEHOLE? OR IS IT AS YOU BLOW YOUR LOAD ALL OVER SOME GUY'S FACE? WATCH AS TEN HOT GUYS DISCOVER JUST WHAT MAKES THEM RUSH!**

Feel the rush at  
[www.lucasentertainment.com](http://www.lucasentertainment.com)

THE movie takes place in a mysterious red room in the midst of one of New York City's most popular pick-up spots, accessible with a special key that gets passed from one fuck stud to the next. Avi Dar and Shane Frost are the first two to indulge in their deepest and darkest fantasies and, although Frost has a shockingly large cock, it's his cute bubble butt that gets the full attention of a rampant Dar who fucks him rough and hard. Tattooed jock top Spencer Reed and Brian Bodine are up next and Bodine gets the fuck of his life before Reed shoots his load over his chiselled stomach. Handsome Sami Damo hooks up with scruffy Shay and soon the two are entangled in a hot 69, Damo choking as he struggles to take every inch of Shay's cock. Then Damo moistens Shay's arse hole before fucking him hard up against a wall. Next Ace Rockwood is ferociously kissing Jesse Martin before Martin drops to his knees to suck on Rockwood's impressive black shlong. Then Martin lies on his front so that Blackwood can get to work on his butt, spanking and squeezing it and tonguing his hole in readiness for his cock. Martin then arches his back and Blackwood plunges his cock in deep and rides his bottom boy hard. Rj Alexander and Johnny Angel are the final two studs to enter the red room and they eagerly exchange blow-jobs before Angel pushes Alexander against the wall and dives tongue-first into his butt. And it's not long before Angel's jack-hammering Alexander's hot arse deeper and harder until he erupts from the heat... and the RUSH!

# IVAN RUEDA

**How old are you?**

I am 20.

**Where were you born and where do you live now?**

I was born in Valencia (Spain) but now I am living in New York City with my boyfriend.

**We think the tattoos on your knuckles are so sexy, but surely your mother wasn't pleased when you got the word 'FUCK' tattooed on one hand? Has she seen them or do you wear gloves when you go home?**

She loves them. It is a long story. Only she and I know the real meaning of them.

**We would usually ask if you're single or not, but we've seen a photo of you and your boyfriend on your blog site, and he's gorgeous... Is he also in the porn business?**

He is my boyfriend over a year now. He is not working in the porn business. He is a fashion and advertisement photographer.

**What was your profession before you started working in the porn industry?**

I've been working as a model and also as a barman in different nightclubs.

**And how did you get into the industry?**

It has always attracted my attention... I love it. And one day I decided that I wanted to do it for a living, so I contacted the London production company Eurocreme. They gave me the chance of doing my first sex scene. It is in fact

*"I LIKE MEN WHO WEAR SPORTIVE CLOTHES AND UNIFORMS."*

what I've always wanted to do.

**Were you nervous doing your first scene?**

Yes, I was. But then I met my scene partner, Kai Cruz. Afterwards I simply got relaxed and enjoyed it.

**Are you top, bottom or versatile?**

I am versatile.

**What's your favourite position?**

Doggy-style, of course.

**Who would you say is the hottest TOP in the industry?**

I like several... Actually, there are very sexy models in the porn industry, but one of my favorite tops is Fred Faurtin. He was my casting partner in the film *Sex Pit Sluts* by the production company BulldogXXX. I've always followed his professional career.

**And the hottest BOTTOM?**

Brent Everett. He used to work as top but when I see him in videos as bottom, wow, he's really sexy!

**So what turns Ivan Rueda on?**

I like men who wear sportive clothes

and uniforms. And about sex, I like it hard and with passion.

**We've seen you in some great movies, more recently Dads Fuck Lads: Breaking 'Em In from Alphamalemedia.com... What's can we look forward to next?**

Now I am working on my website where I'll be doing a live show each week. I've been also shooting some scenes for the next DVD of Lucas Entertainment company which is going out in April.

**If you had the chance to direct a scene and cast the other performers, who would you choose and what would happen?**

It would be shot on Ibiza's beaches. They are really beautiful places to have sex and to shoot a scene. It would be hard and intense sex... I think it could be a very hot scene with the models Jonathan Agassi and Logan McCree.

**What's your favourite porn movie of all time?**

I like lots of them but my favorites are

*Sex Pit Sluts* by BulldogXXX and *Inside Israel* by Lucas Entertainment.

**Finish this sentence. The best part about being a porn star is...**

... to watch out the results and to know that you have thousands of people who follow your professional career and who really like my work and enjoy watching it.

**What do you do to relax?**

Go to the beach... I have always lived in cities at the coast, because I love to go there to relax and to sunbathe.

**If the world were to end tomorrow what would you rush out and do?**

I would make true all my sexual fantasies. I would be with my people and make the most of every minute.

**Any plans to come to the U.K.?**

Yes, I visit London each three months for work. Although I would like to go there more often to enjoy the city.

**Finally Ivan, describe yourself in three words.**

Honest, pure and simple.

AND ABOUT SEX, I LIKE IT HARD AND WITH PASSION".

# MARK WOLFF

**39 YEAR-OLD CANADIAN BODY BUILDER AND FITNESS MODEL MARK WOLFF HAS APPEARED IN GAY PORN MOVIES AND PHOTO SETS. ALTHOUGH, HE'S NOT HAD SEX WITH OTHER GUYS ON SCREEN, HE'S WRESTLED NAKED WITH THEM AND JERKED OFF ON SCREEN. MARK NOW PREFERS TO BE BEHIND THE CAMERA AND FOCUSES ON HIS MANY WEBSITES.**

**What was your profession before moving into the modelling industry?**

I was a financial planner for three years before going into modeling full time.

**How were you discovered?**

I was discovered at Gold gym in Venice, California by a talent scout that worked for Jim French and COLT. I was living in Venice for three months while preparing for a bodybuilding contest.

**You've starred in gay porn movies, but we understand that you**

**didn't actually have sex with the other guys... Care to mention any movies that we can see you in?**

My first seven movies were wrestling and solo videos for a company called Can-Am Productions which is owned by a friend of mine. All the movies were co-productions where I owned all the rights 50/50. I also shared all the production and marketing costs. Our biggest release and bestseller was *Lords of the Lockerroom* starring me and COLT Man of the Year, Billy Harrington. That title still sells well, even though it's eight years old. I have never done sex in my videos. Solo, JO and wrestling only.

**When did you get into the website business?**

I started my website [www.markwolff.com](http://www.markwolff.com) almost eleven years ago. When I first started it, it was just a small free site with a few dozen photos and a listing of my upcoming appearances. About seven years ago I started my own production company Mark Wolff productions. We have released 22 titles to date. We currently release four new DVD titles every year.

**Your list of websites is exhaustive: MarkWolff.com, MarkWolffVideo.com, JockButt.com, Macho411.com and ProjectMuscle.com... Can you briefly rundown what content features on each one?**

I currently have two large pay sites [markwolff.com](http://markwolff.com) and [jockbutt.com](http://jockbutt.com), along with two blogs [markwolffblog.com](http://markwolffblog.com) and [jockblog.com](http://jockblog.com). [Markwolff.com](http://Markwolff.com) is solo muscle worship, JO and wrestling videos and photos, as well as muscle worship duo scenes with full cum shots featuring muscular and athletic models from around the world. We shoot all our own content and currently have over 200 models. I travel the world shooting the best models I can find. Many are exclusive to the site. [Jockbutt.com](http://Jockbutt.com) again features exclusive muscular and athletic models in jocks, thongs and tight gear. No frontal nudity, it's ass worship only. All content is shot by my business partner and ass lover Krunch. It's a niche site with a very strong following. If you like butts then this is the best site on the net!

**You have some quite outstanding models on your websites. Where on earth do you find them?**

I find models via several methods. As a model, I worked with many photographers and talent scouts. I've built a network of scouts in dozens of cities that look for models for me. I also have a model search page on the site and get models that way. I also meet them at clubs, gyms, on the street... you name it. And just word of mouth, many models have referred their friends to model for us as well.

**We hear that you're bi-sexual. Is this true?**

Yes I am bi.

**Okay, so if the man of your dreams was in one room and the woman of your dreams in the room next door, which door would you knock on?**

A man in one room and a woman in the other... I would like to knock on both doors and get a party started. I love group scenes, the bigger the group the better!

**Do you still model and appear in videos?**

I still do some limited video work. I just added a new solo video of myself in October 2009. But for the most part I'm retired from active modeling. However, I still stay in amazing shape. I'm more interested in discovering new models. I have had my time in the spotlight and prefer to keep mostly behind the scenes now.

**Do you like watching gay porn? If so, do you have a favourite studio or performer?**

I don't watch a ton of porn. I do watch all the stuff my company produces, which is quite a bit these days. I really like the stuff Titan puts out, as well as Lukas Kazan.

**So, what does Mark Wolff do to relax?**

To relax I enjoy working out. I get into the gym five days a week for 90 minutes. I enjoy reading, mostly non-fiction. I love to ride my bicycle. I have many from custom cruisers to single speed track bikes. Vancouver has some of the best bike routes of any city... NYC is not bad either. I keep a bike there as well, but you need to be careful with the traffic and the crazy drivers.

**It's said that you're the most published physique model in the world... Just how many magazine covers have you appeared on?**

I've appeared on over 50 magazine covers from Playgirl to Torso, to Zipper, Men's Workout, Exercise for Men. You name it and I have probably been on it sometime over the past 10 years.

**Any plans to come to London any time soon?**

I visit London at least once a year, sometimes twice. I always enjoy visiting London, it's such a fantastic city with so much to see and do. We've been doing a lot of shooting in Eastern Europe over the past few years. So I usually stop over in London for 3-4 days before I head to Budapest, Prague or Bucharest. I'll be in London April 15th to 19th shooting a few models and visiting some friends.

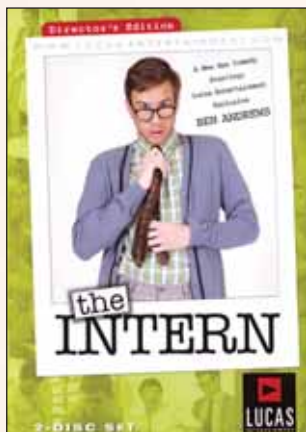

**Finally Mark, describe yourself in three words?**

Honest, determined, happy.

Hats off to Channel 1 Releasing who, for the second year running, was voted Best Video Company by the industry. Hot House picked up the same accolade in the **Surfers' Choice Awards**, while others coming out on top in the same category included Lucas Entertainment's *Men Of Israel* for Movie of the Year, *Cocky Boys* for Best Amateur Video Site, *RentBoy.com* for Best Escort Site and *BelAmiOnline* for Best European Theme Site. And us Brits didn't lose out, with *Menatplay* winning the award for Best Fetish Site... good on you guys! The eighth **XBIZ Awards**, which covers the straight and gay adult entertainment industry, came next and for the third year in a row Titan Media received the GLBT Studio of the Year. "It's truly an honour to be the recipient of the first, second and now third GLBT Studio of Year awards presented by XBIZ," said Bruce Cam, President and CEO of Titan Media. "We recognise the importance of this award and will continue to lead by example for others in the gay adult industry." Also picking awards were Raging Stallion Studios' 2-disc feature *Focus/Refocus* for GLBT Movie of the Year and Hot House's President, Steven Scarborough, for GLBT Director of the Year. QXMEN lust objects Tyler Saint and Logan McCree shared the honour of Gay Performer of

the Year... We just hope they received a gong each to put on their mantelpieces. A new one to us here at QXMEN, the 16th Annual **Hard Choice Awards**, were announced in February also and the major players, namely Hot House, Titan, Raging Stallion, Lucas Entertainment and

Channel 1 Releasing's Rascal Video stole the show. Hot as hell TitanMen Exclusive performer and director Tony Buff won Performer of the Year, with the studio also picking up first and second places for The Year's Best Sex award. CJ Madison and Coby Mitchell in *Double Barrel* (pic 3) came first and

The first annual TLA Awards (with some unusual categories) will be announced this month along with the 2010 **GAYVN Awards**. We can't wait to find out who wins TLA's Best Hair award! Then next month it's the 2010 **Grabbys**, the awards ceremony that looks set to cover all bases and make sure that no one goes home unhappy with 32 categories and over 340 nominations! We'll bring you details of all the winners and losers soon.

Tony Buff and Will Parker in *Folsom Flesh* came a close second. Raging Stallion's *Focus/Refocus* took home no less than six awards, including Steve Cruz and Cole Streets' performance for Best Rimming and Best Supporting Actor going to Ryan Raz. Best USA Film went to Lucas Entertainment's *Inside Israel* with the studio also bagging the award for Best Oral Sex and Most Passionate Sex. Michael Lucas' New York-based studio also celebrated Jonathan Agassi (pic 1) winning *New Kid on the Block*, Avi Dar (pic 4) winning Best (smooth) Chest and Naor Tal being voted as having the Best Buns. Chi Chi LaRue won Best USA Director for Rascal Video's *To The Lowest Level*, the movie that also won Adam Killian Best Solo. The studio also bagged Best Screenplay for *Tread Heavy*, and one accolade that we can't remember being handed out at this year's Oscars, Best Mind Fuck award, deservedly went to Blake Riley in *A Toy Story*, when he fucked a synthetic mold of his own arse! And Hot House didn't go home empty handed picking up Best Sex for 3 or More for the mouth-watering three-way starring Ross Hurston, Lucas Knowles and Ethan Wolfe in *Backroom Exclusive Videos 11* (pic 2).

# SCOTT TANNER

**QXMEN HAS HAD OUR EYES ON THIS BLONDE HUNK FOR QUITE SOME TIME NOW. HE'S HARDLY BEEN OFF THE RADAR, STARRING IN SOME OF THE BIGGEST PRODUCTIONS IN RECENT YEARS INCLUDING RAGING STALLION'S TO THE LAST MAN, FOCUS AND DRIFTER, HOT HOUSE'S KING SIZE, LUCAS ENTERTAINMENT'S GIGOLO AND TITAN MEDIA'S HOME INVASION, TO NAME BUT A FEW...**

**AND WHEN WE POSED A FEW PROBING QUESTIONS TO SCOTT TANNER, HE TURNED OUT TO BE JUST AS FRIENDLY AS HE IS SEXY.**

**You were born January 21st 1979, yes?**

That is correct... 31 years old, and loving it!! I'm so happy to be out of my twenties!

**Where were you born and raised, and where do you live now?**

I was born on a farm in rural Pennsylvania and was raised between the farm and the apartment in NYC. My father was a farm boy and my ma is a city girl, so I spent the fall and winter on the farm, going to school, then spent the summers in the city.

**What was your profession before you started working in the porn industry?**

Well, immediately after college I moved back to NYC and worked as an Acct. Exec. for GENRE magazine, selling advertising. It was a great job for a gay man in his twenties in NYC... I absolutely loved it. After a couple years there, I took a job as a Conference Producer in the Pharmaceutical Industry. My territory was mainly Amsterdam and Dublin, so again a great job and experience. Unfortunately,

for a porn company in Los Angeles. He called me one day and said that someone had dropped out of the project last minute and wanted to know if I would be interested. Now, I had always been kind of an exhibitionist and had posed nude for art classes and other projects, but never to this extent. I was intrigued and so I said yes. Two days later I was on a plane for the first time heading to West Hollywood!

**Were you nervous doing your first scene?**

No, I really wasn't. I had met my scene partner in the hotel the night before - and we were attracted to one another - but I wanted to keep that excitement going, so we didn't do anything. By the time we got on set we couldn't wait to get going. And the entire crew was amazing. After the shoot, everyone sat around and chose a name for me... This was in 2000/2001, so almost 10 years ago... Ugh!

**Are you top, bottom or versatile?**

Versatile.

**Who's the hottest TOP in the industry?**

Hhhmmmm... I hate these questions because I'm friends with most of these guys and if I pick the wrong one, then

**|| I LOVE A GUY WHOSE BICEPS STRETCH OUT HIS T-SHIRT IN JUST THE RIGHT PLACES. ||**

there were no new drugs or guidelines coming out for what was almost a two year span, so many people were laid off and many companies were dissolved. Now I'm Production and Casting Coordinator for Raging Stallion Studios. Surprisingly enough, it's not all that different than producing pharmaceutical conferences. Instead of finding, negotiating fees, and babysitting scientists and chemists for a week, I'm now doing all of that with porn models. It's just that I can relate to and understand these guys better, having been there myself.

**And how did you get into the business?**

I was in my junior year of college and I had a friend who was shooting still photos for advertising and box covers

I'm gonna' upset someone.

**And the hottest BOTTOM?**

This one's easy... Paul Wagner (pictured inset). He's actually a really good top too... At least at home he is.

**What's your favourite position?**

Doggie style!! Whether I'm top or bottom, that's my favourite.

**So what turns Scott Tanner on?**

BIG arms!! I love a guy whose biceps stretch out his t-shirt in just the right places.

**You've starred in some of the major big-budget porn flicks to date... What can we look forward to next?**

I really don't know. I worked A LOT in 2008/2009 and really needed a break, and it felt great to not

*Those who all / do as they own self be true*

*if you're going through hell, keep going*

have to be in front of the camera so much.

I'm doing more projects now - actually filming a long awaited scene next week, with my best friend, Adam Killian. We have wanted to do this for years and never could make it work, so now we're finally getting the opportunity. It should be interesting - if we can stop laughing long enough to get the shot. Also, Paul and I are gonna' be shooting another scene together this month. I just take them as they come now. I'm just happy to be able to choose and not have to take every gig, just because I need the money. There are a few companies that I haven't worked for that I would still like to experience before I'm done... One of the hottest being Men At Play. I love their stuff... so hot!

**If you had the chance to direct a scene and cast the other performers, who would you choose and what would happen?**

I would keep it really simple and stick to shooting the sex. I'd take the time to cast guys who I know have chemistry and are great performers. I don't care how hot you are - or think you are. If you don't have chemistry with your partner, or you aren't a good performer, it will show.

**What's your favourite porn movie of all time?**

That would be Chi Chi LaRue's *Link 2 Link*. It was one of those that I don't even remember how I came to watch it, but was so incredibly turned on by it. When she asked me to be in *Link: The Evolution*, I was ecstatic... It was the easiest decision I've ever made!

**Finish this sentence. The best part about being a porn star is...**

Being able to play roles and live out fantasies in a safe and controlled environment that you probably wouldn't normally get the opportunity to do in your private life.

**What do you do to relax?**

I cook. I've said this before, I really love to get up early on a Sunday morning and go to the farmers market and grab some really fresh ingredients and spend the day just cooking.

**You're dating porn star Paul Wagner, and can we just say what a fine couple you two make! Now, you may shatter a thousand guys' illusions of what you two get up to in your spare time, but is it true that Paul recently knitted a red and white Christmas dress for your dog Chloe?**

LOL! He is going to kill me!! Yes, it is true... But it was more of a challenge and to prove to me and himself that he could do it. He loves that dog so much - soooo much - and one day he saw a dog with a knitted dress and I told him he would never be able to do that.

**IF YOU DON'T HAVE CHEMISTRY WITH YOUR PARTNER, OR YOU AREN'T A GOOD PERFORMER, IT WILL SHOW.**

Scott Tanner images courtesy of Raging Stallion Studios

Paul Wagner image courtesy of HotHouse.com

So to prove me wrong, he did it!! I was shocked!! And I know there were times when he just wanted to say "fuck it", and throw it away. But his pride is bigger than that and he just had to prove to me that he could do it... It's actually pretty cute.

**If the world were to end tomorrow what would you rush out and do?**

I would surround myself with friends and I would eat and I would party!! You

would see me in a club with a pizza, having the time of my life with my closest friends and not a care in the (soon to be ending) world.

**Any plans to come to the U.K.?**

I would love to!! Paul and I have both only been to London for a very short time, like a day or two. We would love to come back and spend some more time. We are looking into it.

**Finally Scott, describe yourself in three words.**

Aloof, wise..... and..... BLOND.

## COYOTE POINT

IT'S 1953, and the small town of **Coyote Point**, north of Las Vegas, is a tinderbox of sexual tension just itching to burst. Everyone has heard the rumours about the infamous house near the town, which catches the attention of TitanMen exclusives David Anthony and JR Matthews. The two hunks lead a cast of studs as legendary director Joe Gage takes us on an unforgettable journey back to a simpler time when innocent men were aching to be corrupted. *Get yourself corrupted at TitanMen.com*

## DANIEL AND HIS BUDDIES

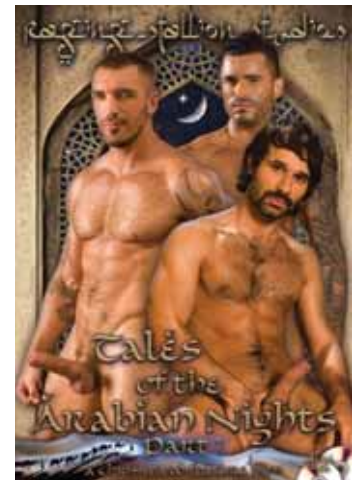

LUCAS KAZAN'S latest production is a change from the usual quick fucks and anonymous sex we love so much at QXMEN. Instead it deals with love and passion and focuses on Daniele Montana and his hot buddies, including the delicious Giuseppe Pardi. Fear not, these guys still do have sex on screen, and the action is no less horny than what goes on in other R18 movies out there, but if it's love instead of lust that you long for, then **Daniel And His Buddies** is the movie for you.

Available at **PROWLER, EXPECTATIONS** and all good video stockists.

## TALES OF THE ARABIAN NIGHTS PART 1 & 2

GET ready for another epic tale from the studio that brought us *To The Last Man* and *Grunts*. The 6 disc set that is **Tales Of The Arabian Nights Part 1 & 2** looks set to be this year's most talked about blockbuster. Legendary directors Chris Ward and Ben Leon take us on a journey to exotic lands where, by day, life is cruel and harsh but when night falls and a cool breeze blows across the desert, another world awakes and the Arabian nights come alive. Starring 17 of the hottest men on the planet, expect the review in QXMEN soon. *Check it out at RagingStallion.com*

## HOT BODS

FROM the studio that brings to our screens some of the hottest bodies around comes another iconic release by multi-award winning director John Rutherford. **Hots Bods** is a four scene flick starring COLT's finest men Carlo Masi, Adam Champ, Nate Karlton and Mitch Branson to name a few. The press notes ask, "Is it HOT enough for ya? What's that? You like it HOT? Well, so do we!" And after this cold British winter, we could do with some heat too! *Raise your temperature at COLTStudioGroup.com*

## book review

VENEZUELAN born Rubendario lives and works in Madrid and this, his first photo book, uses light, colour and shadows to capture the male physique in its many forms. From muscle bound, tattooed hunks and beautiful youths with swimmers' bodies, to cowboys and even naked clowns with big cocks, each image in this stunning book is a feast to the eyes.

## WIN!

QXMEN has a copy of Mucho Macho up for grabs. **AUTOFELLATIO, SELF-SUCKING. CALL IT WHAT YOU WILL, IT'S SOMETHING THAT FASCINATES US HERE, AT OXMEN.**

**WARNING: DON'T TRY THIS AT HOME AS IT MAY CAUSE SERIOUS INJURY!**

**I**t's something that's physically possible only for guys who are either suitably flexible or have a large cock, or both. It is said that only 2 or 3 men in a thousand can do it, but, after a quick shout out around the OXMEN office, we discovered that three of us were once able to suck our own cocks. Admittedly, it was when we were a little younger, but I'm sure if we took up yoga, we probably still could!

References to autofellatio in history are common. In ancient Egyptian texts it's said that the sun god Ra created the god Shu and goddess Tefnut by sucking himself off and then spitting his spunk to the ground... Hmmm, now, there's a question, should one spit or swallow one's own spunk? The ancient Greeks, however, took a slightly more dim view of self-sucking with the author Artemidorus writing that "dreams of this "unnatural" act portended the death of one's children, loss of one's mistresses, or extreme poverty"! It seems that most guys who can self suck do it by lying on their back with their legs raised up over their head (perfect for getting rimmed at the same time). And as you can see from our fine selection of self-suckers, some guys can even do it standing up!

# IT'S GETTIN' **HOT** IN HERE...

AND, OF COURSE, WHEN YOU'RE IN A HOT LEATHER CRUISE CLUB, WHAT BETTER ATTIRE TO DON THAN A LEATHER HARNESS, JOCK AND BOOTS.

UNFORTUNATELY, FOR MANY OF US, A HARNESS CAN MEAN AN HOUR STRUGGLING WITH STRAPS, LOOPS AND BUCKLES, AND THEN WHEN WE DO FINALLY WORK OUT HOW THE DAMN THING GOES ON WE END UP LOOKING NOTHING LIKE THE HUNKS THAT GRACE THE PAGES OF QXMEN.

WELL, YOU'LL FIND NO MAN BOOBS BULGING FROM THE STRAPS, OR ANY UNSIGHTLY MUFFIN TOPS HANGING OVER THE JOCK STRAPS OF THESE HOT HOUSE STUDS... ENJOY!

LONDON'S infamous fetish bar The Hoist reached the grand old age of fourteen last month and celebrated with a birthday bash which was packed to rafters with Muir-capped masters, leather daddies, skinheads and cubs. # OPEN WIDE: COLLEGE BOYS UNDER THE DOCTOR

SMUT 'N' STUFF  
WITH HAYDON BRIDGE

**PRECISELY BECAUSE EVERYTHING'S ABOVE BOARD, WE LOVE THE FANTASY THAT DOCTORS AND NURSES ARE ALL SECRETLY SEX-MAD.** ←

If successful sex fantasy has a formula, there's only one ingredient: credibility. Most porn doesn't work because the actors aren't good enough to pretend they're in a real situation and that, whatever it is, they're really enjoying themselves. This month I'm going to try and analyse why the College Boy Physicals site is one of the few that hits our G-spot at the moment. It isn't because it's remotely credible. It features characters with names like Dr Phingerphuk and Dr Swallowcock. And it isn't because the actors are drama school graduates. So why's the site one of QXMEN's favourite guilty pleasures? The College Boy Physicals concept is right there in its title. A boy comes into a doctor's surgery and gets examined. As with all porn, the rest of the scenario depends on what the model's prepared to do. Some boys just cum and go. Some get anally probed, attached to electrical gadgets, and fucked rotten... So far, so blah. Probably the set-up sounds no more exciting than the Pizza Delivery Boy or Locker Room Jock cliché. But the remarkable thing about College Boy Physicals is that it exploits a sexual taboo and does so by breaking all the rules of modern gay porn. Each scene has a long build-up in which the models are fully-clothed. The models don't get instant erections. And the leading players don't look like porn actors. That broken taboo? When we go to the doctor's, especially the STD clinic, we know that we might get intimately fondled by a complete stranger. We accept that that's the way it is and that nothing

sexual is going to develop because the medic's signed this Hippocratic oath. Precisely because everything's above board, we love the fantasy that doctors and nurses are all secretly sex-mad. There's nothing new here. At the Museum of Erotica in Barcelona I saw a Spanish porno from the mid-1920s in which a doctor fucks his female patients. *Carry On Nurse* taps into the same fantasy. But without the fucking. Obviously. The creators of College Boy Physicals would like you to believe that your G.P. wants to suck your cock. The strapline is "Boys getting abused by the doctor!" It helps that the docs are played by guys who aren't porn regulars. They may have been given silly names but they behave and talk impressively like real doctors. They use phrases like "central diagnostics" and "Any history of heart disease in your family?" Dr Toppinbottom looks like a younger John Cusack doing a guest spot on *House*. The star of the site, Dr Rimmerman, is a hot Latino who looks just the type who might check your blood pressure next time you're in A&E. Similarly the patients, although a mixed bunch, wouldn't look out of place on campus. Like the docs, they can talk the talk. When they chat about their positions on the soccer team or describe their groin injuries, they're natural and

convincing. When the doc suddenly goes down on Chad, Chad's friend Aidan looks genuinely surprised. Until moments like this, the staging looks real. The doctor asks questions and takes notes, brings out his stethoscope and his rubber gloves. The patient strips gradually, first his top, then his trousers, finally his underpants because, of course, the doctor needs to hold the college boy's balls while he coughs. We know where all this is leading, but we never know exactly when and how the medical exam will cross over into horny man-on-man sex. Whether intentionally or not, College Boy Physicals works because it's put the tease back into gay porn. But wait a minute. I'm not claiming that College Boy Physicals is any kind of erotic masterpiece. It just does what it's supposed to do, which is rare. To get the effect, you have to suspend disbelief. Everyone may look the part, but the patients are no more college boys than the doctors have medical degrees. They're all "amateur" porn studs although in the American sense of the word that doesn't mean they're not paid, it means they're not signed to a studio. They're not always named, but they're recognisable. The site's first model, apparently filmed in February, 2007, is Christian Cruz, who went

U on to become a Michael Lucas exclusive. There's also a very young and smooth-looking Damien Crosse. Others include Jarrett Fox, Zack Randall and the late Dustin Michaels. A unique case is that of Ajay, who first appears in November, 2007, as a patient, then becomes a regular as Nurse Ajay, supervising the physicals!

The fantasy extends to practically everyone pretending to be straight. "Don't worry. I have a son myself," says Dr Phingerphuk as he strokes Santos' cock. "I notice you're getting an erection," Dr Rimmerman tells Christian. "That's natural. Don't worry about that." It must be a hangover from our schooldays, when we gazed in awe at the straight football captain in the changing room, knowing we could never have him. But gay fantasy still works better if it involves straight men realising they like gay stuff. To each his own, but possibly the ideal College Boy is Austin Grant. He's the archetypal fresh-faced boy next door, only willing to undergo treatment because it's all for scientific research. For Austin at his most appealing, try "Austin's electro exam" in which he lies there, has wires attached to his dick, then dutifully gets hard and shoots before being told to prepare for his anal exam.

College Boy Physicals is run by Blu Media, which also owns Broke Straight Boys and other popular sites. As with Chris Geary's site (see QXMEN October 2008 with Damien Crosse on the cover) I haven't investigated the nuts and bolts of the operation because I don't want to spoil the illusion. My guess is that someone at the company with a modicum of medical knowledge schooled the others then painted one room white and stuck up a couple of wall charts. Whoever directs the scenes probably tells the boys what questions they'll be asked and to be

[www.collegeboyphysicals.com](http://www.collegeboyphysicals.com)

themselves. Although there's humour, it's always matter-of-fact ("I'm just going to gauge your gag reflex.") Although the boys can be mouth-watering, the most interesting guys are those playing the doctors. Something tells me the fat gent who plays Dr Dick and never does anything except wank the boys off is someone from the production team indulging a special interest. Judging from one scene which seems to come from a different shoot (and gets a low viewer rating), Dr Phingerphuk may be a dungeon master with an arse fetish. He's the only doctor who comes out of character and says things like, "Hey, fuck, yeah!"

On the surface College Boy Physicals looks like standard, low-cost, unimaginative porn that anyone who knows how to switch on a camera could shoot. In fact its maybe accidental combination of theme and the right performers has proved hard to copy. Even Chris Geary, who knows a thing or two about hot guys, couldn't get the medical scenario right and gave up. The college boys may not be your cup of mouthwash, but at 95p for a three-day trial, it doesn't cost much to find out. There's a good chance you'll find something here that raises your temperature.

**QX** CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
