# WELCOME... TO OCTOBER'S ISSUE OF QXMEN...

AND IT'S THE MONTH THAT WE'D ADVISE YOU TO KEEP A TIGHT HOLD OF YOUR NUTS  
BECAUSE IT'S SQUIRREL AWARENESS MONTH (YES REALLY).

Anyway, enough of the useless facts. Here's what we've been watching in the way of hot new R18 releases. The outrageous Chi Chi LaRue teaches us how to make good porno in Rascal Video's **F\*ck U**. This film will make you laugh out loud as well as cum! **Dripping Wet 3** from Falcon Studios sees eight hot guys poolside, decked out in sexy trunks and sporting some pretty impressive bulges, and there's porn stars fucking in their in Stetsons and cowboy boots in Raging Stallion Studios' **Roll in the Hay**. If sex in the

great outdoors is your thing then wait 'til you see what happened when a couple of hot young guys went camping on a remote farm in Eurocreme's **FarmBoy**. Fans of that gorgeous Belgian twink with the oh-so fuckable arse, Philippe Delvaux, will go crazy over the new collection of his best Eurocreme scenes in **Young Hung and Full of Cum**. And, finally, just check out the sexy hung fuckers in **Don't Ask, Just Fuck**. They're Raging Stallion Monster Bang Studio's new batch of exclusive superstars and they'll be the studio's major players next year!

We've got exclusive inter-views with horse-hung and massively muscled stud Spencer Reed and we also managed to pin down one of the busiest porn stars that we know for a little chat, British ex-para turned porn star Paul Stag. Plus we focus our attentions on stacked American hunk Trevor Adams and this month's cover guy, Titan Media's latest Exclusive performer Aymeric DeVil, who's definitely no relation to Cruella! QXMEN's resident sexpert, Hayden Bridge, brings us Part Two of the The Big Cock Debate and asks what it's really like to be humungous in the trouser department.

We've got the lowdown and pictures from this year's Folsom Europe. Yes, QXMEN was in Berlin at the Street Fair and Recon's awesome PiG Party. We had a wild time and loved every minute, but if we never see another gay guy in leather then it'll be too soon! Plus we've got another horny story (to be read under the duvet by torch-light) from Pete Richards, great competitions and giveaways and all the usual stuff to keep you hard and horny... Enjoy!

## WANT TO SHARE YOUR CRUISING STORIES?

**D**o you find it tricky to cruise on the gay scene or online? Is there a cruising situation that you've found difficult or that didn't end the way you wanted it to? When have you felt most confident when cruising and why was that? GMFA, the gay men's health charity, is inviting gay men to share their experiences and thoughts on what makes for successful cruising, to include in a new HIV-prevention booklet about cruising for sex. Some men seem to have no problem with cruising, and are confident enough to approach men they like and say no to sex they don't want. Others might fear rejection, or end up having sex they later regretted. If you have a story you'd like to share, whether you feel it was a good or bad experience, you can post it anonymously on the GMFA blog at [www.outspokenonhealth.com/cruising](http://www.outspokenonhealth.com/cruising). The booklet will help men develop their cruising skills and make decisions that will protect themselves and their partners when cruising, whether in bars or clubs, online or at cruising grounds. It will include advice on how to take control of the sex they have, say no to the sex they don't want, and keep any sexual encounters they have safe. Matthew Hodson, Head of Programmes at GMFA, said, "We want to include lots of personal stories in the booklet to highlight the many different situations that men encounter. Whatever your story, chances are there are other guys who've been in similar situations and would benefit from hearing about it."

## MANCENTRAL SURVEY SAYS "NO" TO MAN-PUSSY!

SO you meet a guy and the chemistry is instant. Arriving back at your place, things start to get hot and heavy and you know that you want this guy in the sack. Shoes, jeans and underwear come flying off and there's loads of kissing and sucking. You can't wait any longer and pull on a condom and, with your horny hunk's sexy arse in the air, he whispers, "Fuck my tight man-pussy!" Stop. Rewind... Oh God, did he really just call that beautiful arse of his a "man-pussy? According to a recent study by [www.Mancentral.com](http://www.Mancentral.com), over 33% of gay men think Man Pussy is the worst word used for gay arse and the number one passion killer. Over 4,500 members of the free gay dating website were asked what the top five worst names for a hot gay arse were and it seems that another word that makes our dicks soft, coming in second place with 26% of the votes, was "Mangina". With 23% was the awful "Munt." (a cross between 'man' and 'cunt' – how very sexy! A steamy and rather non-offensive, "Man-hole" came in fourth with 8% of the votes and finally it seems only 7% found "But-hole" a turn off. So now you know not to get your man-pussy mixed up with your butt-hole or you just might find yourself without a huge cock to fill that void.

## HOTWIRED FROM HARD ON & RUT: TIMES AND DATES

Well, here's full details of the parties going on over the weekend. The fun starts on Thursday October 7th with a shirts-off pre party at Barcode Soho from 9pm to 1am with Hard On and RUT DJs and an extended happy hour, and then Friday it's Tonker at Eagle Bar from 9pm to 3am when the leather dress code won't be enforced. Saturday the 9th from 10pm to 6am sees the main event Hotwired held in an amazing 15,000 square foot raw industrial space in Zone 1, south London, but the exact address won't be announced until October 8th... How exciting! Get your leather and rubber out as there'll be a strict dress code enforced for this one. Sunday sees not one but three - yes three - events, the first being the After-Party at Fire from 5am 'til late. Keep your leather and rubber on as there'll be a strict dress code enforced. Then from 1pm to 6pm there's a Jockstrap Party at Soho's Sweatbox Sauna and finally, closing the weekend's fun and debauchery, Gummi starts at 6pm at the Hoist and then it's Black Trinity, brought to you by Gummi, The Hoist and RoB from 10pm through to 2am. Tickets go on sale on September 1st and will be available from London's Expectations, RoB, Fettered Pleasures, Regulation, DV8 and Master U or online at [www.clubtickets.com](http://www.clubtickets.com) (booking fee applies). ### ONE OF QXMEN'S FAVOURITE TWINKS, BELGIUM BEAUTY PHILIPPE DELVAUX IS BACK IN A COLLECTION OF HIS HORNIEST AND HOTTEST EUROCREME SCENES SO FAR...

SCENE one is a brand new bonus scene starring two of Eurocreme's hottest superstars, Philippe and Alex Stevens. It's a scene that die-hard Eurocreme fans have been waiting for and Alex and Philippe's hot sex doesn't disappoint. Philippe's sweet boy butt, as always, is the star of the show and he's soon on all fours, back arched and showing off that inviting hole of his. Alex can't resist and in an instant begins to probe it with his tongue and fingers and soon he's ramming Philippe's hole with his stiff cock working the two hot twink into a cum-drenched frenzy. Philippe is paired with thick dick Brett Carter next for a delicious versatile fuck session.

Both lads have smooth, tanned bodies, defined chests and abs, perfect butts and big cocks. There's some serious chemistry going on in this scene and as Brett and Philippe take it in turns to pound each other's holes you know that they're loving every minute of it. Sexy scally Kai Cruz has been after Philippe for a long time and he finally gets him in the next scene. Kai takes the lead, pulling off Philippe's vest and biting his nipples before getting on his knees to suck his thick cock. After some 69 sucking, Philippe is on his back being fed Kai's big cock in his mouth before Kai lies back and gets Philippe to sit on his cock and bounce up and down. Not content with this position, Kai puts Philippe on his back, legs behind his head and ploughs him deep and hard. Fans of Philippe Delvaux will love scene four which is a solo with the sexy twink wanking his cock and playing with his tight puckered hole, before we reach the final scene when he's teamed (or should we say fucked) by Jason O'Connor. Jason's a tall, fit lad and he puts Philippe through his paces, fucking him with his long thick cock in various positions while Philippe is dripping wet from the shower. There's some hot close up shots of Philippe's perfect boy hole in every scene and lovers of twink butt, as well as fans of Philippe Delvaux will cream their load over this DVD.

## FARM BOY

EUROCREME PRESENTS A DREAMBOY PRODUCTION ★ DIRECTED BY SIMON BOOTH

*Starring: Rocco, Sonny, Alex Stevens, Philippe Delvaux, Frank Klein, Neil Stevens, Alex Cumming, Aaron Jackson, Tyler Martin.*

Available to buy

or watch high  
quality streaming  
at [eurocreme.tv](http://eurocreme.tv)

**A WEEKEND CAMPING ON A FARM SOUNDED LIKE A GREAT IDEA FOR YOUNG SONNY AND ROCCO WHO WERE GOING THROUGH A ROUGH PATCH. AND IT CERTAINLY APPEARS TO HAVE DONE THE TRICK JUDGING BY ALL THE HOT AL FRESCO SEX THE LADS GET UP TO. AND THEY'RE NOT THE ONLY SEXY, YOUNG GUYS DOWN ON THE FARM THAT CAN'T KEEP THEIR CLOTHES ON!**

ARRIVING at the farm, as soon as the lads have pitched their tent their hands are all over each other and peeling each other's shorts and underwear off. Rocco's got a massive cock that springs out from his underwear and straight into Sonny's mouth. He slurps away for a while and then Rocco returns the favour, sucking Sonny's rock hard cock. Before you know it Sonny's sat on Rocco's huge tool and gets fucked senseless, groaning with delight. The lads change positions and Rocco bends Sonny over while he clutches a tree trunk and fucks his boy butt from behind until they both shoot their loads into the grass. Sonny's mate Chris (Tyler Martin) arrives at the farm next and he's arranged to hook up with a local farmhand, Alex Stevens. Within seconds the pair are getting down to business and Alex is fucking Tyler's face. When young, slim Tyler gets his cock out Alex gets a surprise as the twink is packing a big one and Alex devours it before putting his mate on all fours and pounding his hole. If you like watching twinks getting fucked you'll love this scene as Tyler takes it like a good 'un, arching his back and pushing his arse out so he can feel every inch of Alex's cock. When

Rocco goes for a walk Sonny fantasizes about a sleazy encounter with a buff farmer, the very sexy Neil Stevens. Neil's got a humungous cock and in the fantasy he rogers young Sonny's boy butt while he's bent over a tractor and on all fours. This is a hot scene and watching Neil's cock stretch Sonny's tight hole will make you cum, for sure! Sonny soon gets some real sex when he meets up with Aaron Jackson. These youngsters have boundless sexual energy and go for it like rabbits at every opportunity. But Sonny's not the only one having fun as Rocco stumbles across Frank Klein and Philippe Delvaux in the woods and the guys use Philippe as the filling in a fuck sandwich. Sonny has even more sex when he meets young Alex Cumming and so we're going up into the attic to get down that old tent. If that's what modern day camping is all about then QXMEN sees a camping trip on the horizon.

## F\*CK U

STUDIO: RASCAL VIDEO ★ DIRECTED BY CHI CHI LARUE

Starring: Brandon Bangs, Steven Daigle, Rod Daily, Brent Everett, Dayton O'Connor, Aron Ridge, Chris Robinson, Mitchell Rock.

**OUTRAGEOUS DIRECTOR CHI CHI LARUE WELCOMES US INTO HER HOME FOR A PRIVATE SCHOOLING IN THE EDUCATION OF ALL THINGS PORN! WITH THE HELP OF A FEW HOT YOUNG MEN SHE SHOWS US HOW WE CAN MAKE PORN LOOK GOOD, FEEL GREAT AND LOOK IT'S BEST... CHI CHI'S HILARIOUS AND THE GUYS ARE HOT HOT HOT!**

FIRST up and it's young pocket rocket Brent Everett and Steven Daigle proving that wet sex can be good sex. It's a typical shower scene where both guys are soaping themselves down and checking each other out. Brent's the first to get hard and being a hot-blooded gay guy Steven's soon on his knees and getting his face fucked by Brent's massive thick tool. The guys then take turns in tonguing each other's holes before Brent power-fucks Steven's arse. Next it's muscle worship porn and who better to show us the ropes than gym hunks Mitchell Rock and Rod Daily, flexing and posing and checking each other out. Both have bubble butts that you could rest a cup of tea on and after a hot 69 suck and rim session it's Rod who sits down on Mitchell's rock hard cock and slides it up his muscled butt. Once Mitchell's given Rod a good fucking they flip and Rod pounds Mitchell's meaty arse. Dayton O'Connor and Brandon Bangs prove that you don't need props, outfits or toys to make hot porn. Brandon is your typical American jock and he fucks Dayton in a couple of uncomplicated positions, but still the sex is hot and will get you hard, if not make you cum. Finally we're schooled in the genre of interracial porn and it's Aron Ridge and Chris Robinson giving the masterclass. Chris is in the shower, soaping down his milky white body when in walks black muscle mountain Aron. And after a few classic lines of, "Suck my black cock boy;" and "You like my black cock don't cha," Chris gets his white arse pounded by Aron's huge schlong in a final scene that'll have you hitting the rewind button again and again...

## DRIPPING WET 3

DIRECTED BY JOHN BRUNO A FILM BY FALCON STUDIOS

Starring: Brandon Lewis, Rod Dally, Tucker Scott, Topher DiMaggio, AJ Irons, Parker London, Jake Austin, Robert Axel.

**LYING IN THE SUN AND TAKING AN OCCASIONAL DIP INTO A COOL SWIMMING POOL LEAVES THESE EIGHT BUFF STUDS DRIPPING IN SWEAT AND POOL WATER. BUT ONCE THE TESTOSTERONE-CHARGED HUNKS PEEL OFF THEIR TRUNKS AND GET DOWN TO ACTION, THEY'RE LEFT DRIPPING IN SOMETHING ELSE!**

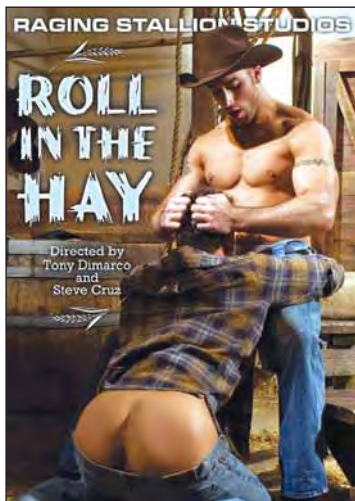

SCENE one and Jake Austin is stretched out on a lounge soaking up the sun by the pool when hunky Parker London playfully spritzes him with a water gun. As he douses his buddy's crotch, the water reveals the huge piece of meat Jake's packing in his white trunks. Jake's pretty impressed with the equally hefty bulge Parker's packing and promptly pulls out his cock and sucks it hungrily. The guys take turns sucking each other while Parker plays with Jake's puckered hole, prepping it with his tongue and fingers for the fuck he's got planned. And what a fuck it is as Parker screws the hell out of Jake, first laying him back with his legs spread wide apart and then standing up and bent forward. Topher DiMaggio is drifting in the pool on a rubber float in scene two when AJ Irons dives in and swims to him. Straight away he wraps his lips around Topher's cock before they head poolside to trade blowjobs. Topher plays with AJ's tight hole and gets it ready for his cock and then slams his cock in hard and fast in a jaw-dropping doggy-style fuck. Next up it's Brandon Lewis and Tucker Scott and they're dripping wet as they play in the sprinklers. Brandon soon ratchets up the action by sucking his buddy's cock and Tucker returns the favour, almost gagging on Brandon's huge tool. Tucker then spreads Brandon's perfect arse cheeks apart to rim his hole, but it's Tucker who gets it in the arse as Brandon fucks him hard in various positions. Robert Axel and Rod Dally are in the final scene and we reckon that Falcon saved the best 'til last. These two hunks are so hot and the sex they have is even hotter. First Rod takes Robert's cock up his beautiful butt before he bangs Robert and the two stud shoot their wads of cum.

## ROLL IN THE HAY

**STUDIO: RAGING STALLION STUDIOS ★ DIRECTED BY STEVE CRUZ & TONY DIMARCO**

*Starring: Antonio Biaggi, David Novak, Derek Reynolds, Justin Jameson, Paul Wagner, Ricky Sinz, Spencer Reed, Tristan Phoenix, Troy Daniels.*

**THERE'S NOTHING QUITE SO HOT AS A COWBOY AND RAGING STALLION IS THE STUDIO THAT KNOWS COWBOYS BETTER THAN ANYONE ELSE.**

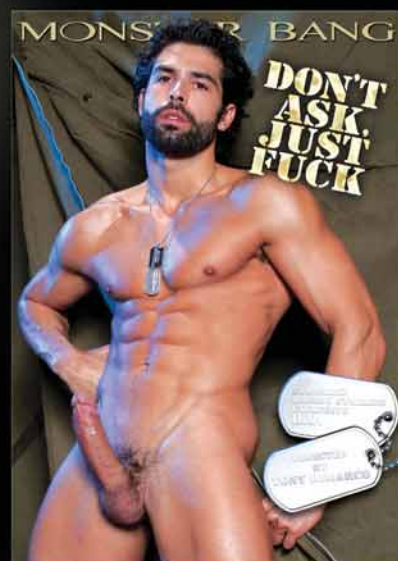

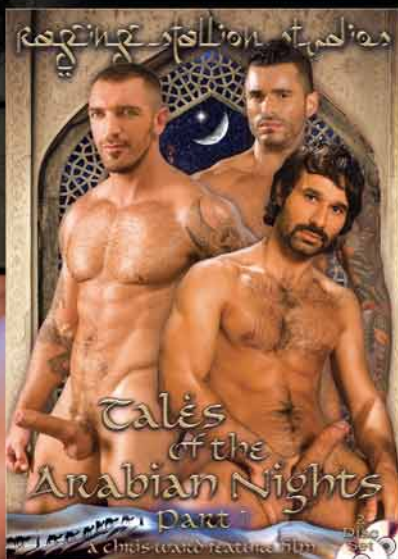

Available  
from [www.ragingstation.com](http://www.ragingstation.com)

SCENE one and stud Spencer Reed is jerking his cock while Tristan Phoenix takes a quick afternoon nap. Phoenix soon wakes up and goes over to blow Reed's big horse cock. He then bends over so that Reed can tongue his hairless hole - and it's one of the sweetest we've seen for a while. Reed first ploughs Phoenix's tight butt from behind, before he rides Reed's cock cowboy style until he cums all over his stomach. Reed then pulls out and comes around to cum all over Phoenix's mouth and face. Ranch hand Derrick Reynolds is up next in a solo scene, stroking his big black meat until he pumps out a thick milky load, the muscles in his legs quivering as he orgasms. Tattooed hard man Ricky Sinz gets his cock serviced by beefy hunk Paul Wagner in scene three and after some expert oral work, Wagner's bent over a hay bail and his muscled arse is pumped hard by Sinz in a ball-busting scene that leaves both guys dripping in sweat. Scene four stars the massively hung Antonio Biaggi and Justin Jameson. Biaggi wakes up to find Jameson giving him a sloppy wet blow job and decides to return the oral favour by priming Jameson's hole, getting it ready for his horse cock. You have to take your hat off to any guy who can take a pounding from Biaggi, and by the end of the scene, Jameson's hole is left gaping from Biaggi's oversized cock. Horned up ranch hand Troy Daniels wanks his cock in a hot solo scene next before Sinz makes a welcome return for the final instalment. Hairy boy David Novak is Sinz's victim and you can tell that he loves to be dominated by a masterful top. He's all smiles as Sinz gives his arse a good ass pounding and he soon blasts his cum all over the barn floor, while Sinz coats his face and beard with his own massive load.

## DON'T ASK JUST FUCK

DIRECTED BY TONY DIMARCO ★ STUDIO: RAGING STALLION STUDIOS

Starring: Andreas Cavalli, Angelo Marconi, Chris Porter, D.O., Girth Brooks, Jake Tyler, Kennedy Carter, Rusty Stevens, Tommy Defendi.

**DON'T ASK JUST FUCK IS A MAJOR RELEASE FOR RAGING STALLION'S MONSTER BANG STUDIOS AND THIS ARMY THEMED MOVIE OFFERS A FIRST LOOK AT THE STUDIO'S NEW BATCH OF EXCLUSIVE SUPERSTARS WHO'LL BE THE FACE OF RAGING STALLION STUDIOS FOR THE NEXT YEAR!**

Available  
from [www.ragingstallion.com](http://www.ragingstallion.com)

TOMMY DEFENDI and Rusty Stevens are up first and Rusty's watching Tommy as he wanks his thick meaty cock to a girly magazine. It's not long before Rusty has Tommy's cock down his eager throat and Tommy returns the favour sucking Rusty's fat dick before bending him over to lick his tight quivering pink hole. With Rusty assuming the position, Tommy drives his tool deep into his hole and then flips him over to give Rusty a good pounding. Next we meet

Jake Tyler and the aptly-named Girth Brooks. Girth's cock is a huge thick piece of meat but Jake makes deep-throating the monster look easy. Soon Girth bends Jake over and fucks his round arse doggy style before Jake takes control sitting on Girths fat cock riding it long and hard. Hot young fuckers Chris Porter and Kennedy Carter are comparing tattoos next and as Chris reaches down to ask about the tattoo across Kennedy's lower abdomen, he can't resist going down on the red-head's thick uncut cock and juicy foreskin. Chris is the bottom and Kennedy takes command, fucking his partner in various amazing positions. Raging Stallion saved the best for last and in the final scene we're treated to D.O. and Angelo Marconi. D.O. has been a major star at sister studio Black Scorpion and this is his first scene for Raging Stallion, who have selected their best bottom Angelo Marconi to co-star with the swarthy hunk. Rather than explain the details of the scene, if we tell you that Raging Stallion said, "This is some of the best fucking we have ever filmed," you should get the idea... This is one to add to your porn collection for sure!

# SPENCER REED

SOMEONE WHO'S POPPED UP ON OUR RADAR RECENTLY IS 27 YEAR OLD MUSCLE GUY SPENCER REED. MORE RECENTLY HE'S APPEARED IN TITAN MEN'S DUST DEVILS, SLICK DOGS AND HARD AND FAST, BUT HE'S ALSO WORKED WITH OTHER BIG NAME STUDIOS LIKE FALCON, CHANNEL 1 RELEASING AND LUCAS ENTERTAINMENT. QXMEN WANTED TO FIND OUT A LITTLE MORE ABOUT THIS GORGEOUS HUNK OF A MAN...

**Where were you born and where do you live now?**

I was born in Philadelphia, PA and I currently live in Washington, DC.

**Are you single?**

No, I'm in a very happy relationship with my man Phillip Aubrey. He is a porn star too.

**What was your profession before you started working in the porn industry?**

Before working in the porn industry I was a bartender and a go-go dancer. But I have

**You've starred in Slick Dogs and Dust Devils... Any new Titan movies in the pipeline?**

My most current Titan movie is *Hard and Fast* where I have an animal-like fuck fest with Adam Knox. I have a bunch more movies from Titan that have yet to be released. The next big movie to come out will be this year's *Folsom Feature* which I'm also starring in. It has a really creative plot and I was proud to be a part of it.

**I'M REALLY INTO BEING DOMINANT AND HAVING THE CONTROL. I CAN DO THAT BEST WITH SOMEONE BENT OVER WITH THEIR ASS STICKING UP IN THE AIR.**

had many different jobs and I was a college student.

**And how did you get into the industry?**

I was recruited by a few big studios like Randy Blue, Sean Cody, Falcon, Channel 1 and some agents too. I decided to start with Randy Blue. Since I had so many offers from different companies, doors just kept on opening for me and my name got out there quickly.

**Were you nervous doing your first scene?**

Oh yeah I was pretty nervous. But I was a go-go dancer for years and enjoyed showing off my body so it wasn't too bad. Luckily Randy Blue has a great crew and my first scene was just a solo.

**Are you top, bottom or versatile?**

I am a total top. I love fucking a nice tight ass. There is nothing better.

**Who's the hottest top in the industry?**

Me of course. But if I had to choose someone else I would have to say Tony Buff. He is a great performer and I look up to him a lot.

**And the hottest bottom?**

Oh that's a tough one, there are so many good ones out there. My first choice is of course my lover Phillip Aubrey. But I would say Cameron Adams is pretty much one the hottest bottoms I have ever seen or worked with.

**What's your favourite position?**

I personally enjoy a large variety of positions, the more the better. Doggy-style or anything

from behind is my favourite though. I'm really into being dominant and having the control. I can do that best with someone bent over with their ass sticking up in the air.

**So what turns Spencer Reed on?**

I have a lot of turn ons. I'm turned on pretty easily. I love passionate sex and intimacy. That gets me really hot. But I have a lot of fetishes. I'm into leather, latex, water sports, fisting, bondage, flogging, electro, boots, underwear and military. Blondes get me really worked up, hence my sexy blonde boyfriend. I also really love submissive bottoms that just like to get pounded. Hot passionate kissing is another huge turn on.

**If you had the chance to direct a scene and cast the other performers, who would you choose and what would happen?**

Oh this sounds like fun. Well if I was to direct, it would of course have to be an aggressive hardcore scene with lots of fetish and rough sex. I think there is just more room to be artistic and creative with that. I would love to create some sort of military scenario where a drill sergeant is overpowered by two soldiers,

abused and then fucked hard in some very creative bondage positions. There would have to be lots of water sports and corporal punishment. I think Erik Rhodes would have to be my drill sergeant who ends up getting over taken. Ricky Sinz and Tony Buff would make two great soldiers to take on Eric. That sounds hot to me.

**What's your favourite porn movie ever?**

I love pretty much every Titan movie I have ever seen. I think *Folsom Maneuvers* is my favourite. *Boot Black Blues* by Buckshot is another all time favourite of mine.

**What do you do to relax?**

I love the outdoors, hiking, surfing, kayaking, snowboarding, any of that. I also love to cuddle with my boyfriend and watch movies. I know it may seem odd but going to the gym is in a sense very relaxing to me even though my workouts are quite intense.

**If the world were to end tomorrow what would you rush out and do?**

I think I would probably want to set a few crazy things on fire then spend the rest of the time fucking my boyfriend as many times as possible.

**Any plans to come to the UK?**

Not currently but I would really love to. Who knows what the future will bring.

**Finally Spencer, finish this sentence. The best part about being a porn star is...**

Getting to explore my sexuality.

# PAUL STAG

**BRITISH PORN STAR PAUL STAG HAS WON MANY AWARDS AND CAN BE FOUND ON STAGE OR INTERVIEWING THE STARS AT PRETTY MUCH EVERY MAJOR GAY PORN EVENT IN EUROPE AND THE STATES. HE'S A VERY BUSY MAN, BUT QXMEN MANAGED TO TRACK HIM DOWN AND FIND OUT WHAT MAKES HIM TICK...**

**If you don't mind us asking Paul, how old are you?**

I am the old man of British porn at the moment at the ripe old age of 41 but the older you get the younger they seem to make your scene partners. I would prefer a few more men and a few less 21 year olds but this daddy is not complaining. I won the GRABBY for Best Fetish Porn Performer at 40 years old so age appears to be no barrier if you can fuck.

**Where were you born and raised, and where do you live now?**

I am English through and through, born in the Midlands but have been living in London

**“ I DRIFTED INTO ESCORTING WHEN A GUY OFFERED ME £250 ONE NIGHT TO SUCK ME OFF AND IT SEEMED BETTER MONEY THAN THE POLICE FORCE WHERE I WAS AT THE TIME. ”**

since I left the paras 11 years ago. There is hardly any Brits left in international porn now as the industry is suffering, so I'm proud to keep flying the flag and I turn up at every award show and circuit party going dressed in something intrinsically British.

**How long have you been working in the porn industry?**

Eleven years in the adult industry, six years in movies. A porn star's lifecycle is getting shorter all the time with new guys arriving and disappearing a year later so I'm honoured to still be in demand after all this time. But it takes constant networking and maintaining a good professional name... And being one very nasty, verbal, well hung, uncut top who comes alive in front of the camera when muscle arses need some military education.

**And how did you get into the business?**

I drifted into escorting when a guy offered me £250 one night to suck me off and it seemed better money than the Police Force where I was at the time. I ignored porn for a long while thinking it was a young man's biz until the guys at Eurocreme called me up one day and booked me as a top in *Lost Innocence 2* and *3*. Off the back of that I started getting work in America, South Africa and Germany and basically the more porn stars I fucked the more I wanted to fuck and still do.

**What was your profession before?**

I was in the military for ten years getting promoted up to Captain in 2two and a Para by the time I left. Did we fuck around? Of course we fucking did! My cock was basically trained on hard military arse.

**Are you top, bottom or versatile?**

Easy question... I love to top, can't get enough of it. I love groups where you can just nail one guy after another. Never had any problems with erections on set, in private or with clients. I believe a man's gun should always be loaded and ready for action. The secret to being a good top is never do drugs. I love being the only hard cock in the room at the end of a party.

**Who's the hottest TOP in the industry?**

I have been lucky enough to get to know all the biggest names in the

industry, so with some

authority I can say Ricky Sinz, Tony Buff, Brad McGuire, Francesco D'Macho, Junior Stellano and Samuel Colt. Can't pick one so I will arrange a shag off to find the best stamina and take some pics for QXMEN.

#### **And the hottest BOTTOM?**

At this point I would like to say Jason Statham (dream on). But so that we don't get sued I will say Jan Losch who I worked with last week in Germany and who I am doing the European Hustlaball with. But unfortunately once you have had your tongue and other parts inside Alex Baresi's perfect hairy arse there is no competition.

#### **What's your favourite position?**

I like rough sex so want to see all the pain and desire in a guy's eyes when I'm pounding him so the bottom on his back. The pile driver is a speciality of mine as I like to own and destroy an arse.

#### **So what turns Paul Stag on?**

Masculine guys, hairy chest, bald head are huge pluses. The smell of a guy's pits and arse beats poppers any day. Deodorant is bad, sweat is good and if they kiss and work my nipples it's only going to end with one messy result in their arse.

#### **You were at Folsom Europe in Berlin last month. What did you get up to there?**

I do both Folsom Berlin and San Francisco every year as I love the leather circuit and they always tie in with work. This year I was filming in Berlin for Lars Svenson, sorting out my Hustlaball contract and a magazine wanted to do a feature on my Folsom trip, so loads of pics with Tyler McCormick (International Mr Leather), Logan McCree, Samuel Colt, Mr German Leather, etc. Once work was done there was plenty of leather arse to play with at the PiG party and supporting events but the biggest cruising area in Europe for twelve solid hours would test

Back in Europe it will be the European porn awards where my home studio DICKWADD for the second year running has the highest number of nominations and the European Hustlaball where my mate Ricky Sinz and I are topping Jan Losch and Che on stage so arses will need medical attention there!

#### **If you had the chance to direct a scene and cast the other performers, who would you choose and what would happen?**

This year I stepped behind the camera to make my first three movies so I'm already living out this one. As guys are tied to exclusive contracts you can never get your dream cast though but I would go for a hard top like Ricky Sinz being gang fucked in military gear by Junior Stellano, Matthew Rush, Adam Killian and Steve Cruz, repeatedly hopefully with some double penetration. This is a private joke because Ricky said I was the best bottom in the business in last months QXMEN and he can dream on as no U.S. marine is gonna top a Brit marine that easily.

#### **Do you get recognised in the street?**

Yeah pretty often in a weird way as so much of my work is in America and being pretty extreme is not allowed in the UK. I get recognised more there than here and of course porn stars are treated like royalty there. But in Europe we are just treated as normal Joe's so it is much healthier and keeps your ego in check. Also I'm no spring chicken so I have a mature attitude to any fans I have.

#### **What do you do to relax?**

My first love after sex is music so I love to DJ and my company [www.justdiscos.com](http://www.justdiscos.com) is the biggest in the South East now catering to the party circuit so I am playing out several times a week and can't believe I get paid for it. If I find the time I will do some club DJing. I also do some A&R for a record company. Beyond that it's snow skiing, water skiing, rugby, Chelsea Football Club (I can see

**THE SECRET TO BEING A GOOD TOP IS NEVER DO DRUGS. I LOVE BEING THE ONLY HARD COCK IN THE ROOM AT THE END OF A PARTY.**

anyone and I had a very fit South African bear cub back in the room who needed his fair share too.

#### **You've starred in loads of movies and do live shows at clubs all over the world... What's in your diary for the next few months?**

I'm just about to jump on a plane to Los Angeles where I'm on stage with Robert Van Damme for 'cocktails with the stars'. Then comes Michael Brandon's Edge party and the GAYVN porn awards in San Francisco and I am honoured to be appearing at one of Americas flagship circuit parties for the third year running 'Magnitude' where I am fucking their Big Brother contestant Steven Daigle in front of 3,500 guys... I am not a shy lad!

Stamford Bridge from my house) and I have my pilot's license.

#### **Do you have a boyfriend?**

As many of your readers know my previous boyfriend was Lee Alexander McQueen who sadly passed away three months after we split. I have had a few flings since but I can honestly say I am single and seeking applications from fit guys who don't mind what I do for a living at [paul\\_stag@hotmail.com](mailto:paul_stag@hotmail.com).

#### **You're doing a live show at this month's Berlin HustlaBall... What can we expect?**

Last year I did a nasty sex scene and at the London Hustlaball I used a baseball bat and traffic cone in an arse but in Berlin we are

Guys can find me via my website [www.military-meat.com](http://www.military-meat.com)

going to beat them all as Ricky Sinz and I are topping Jan Losch and Che and heavy duty power tools will be involved (we will get a picture for Novembers QXMEN). I may enter the performance for next seasons Britain's Got Talent!

#### **You run FierceCasting.com with Ricky Sinz, an agency that hires out porn stars for special events. So, how much does it cost to book a porn star for the evening?**

Fierce is not an escort agency, although most of our guys are happy to sell cock by the inch. It provides talent for nightclubs, bars and circuit parties and it's the first international company to hire out both porn stars and DJs. Clubs pay for travel and accommodation and a performance fee which varies, but lets say £600 would get a strip or appearance from most International porn stars of say Matthew Rush, Alex Baresi or Logan McCree's stature. Ricky comes cheaper though as he can't dance!

#### **If the world were to end tomorrow what would you rush out and do?**

Try and turn Jason Statham, Lawrence Delaglio and the cast of Prison Break.

#### **Finally Paul, describe yourself in three words.**

'Nasty but fun' or more likely 'full of shit'

# GLORIOUS HOLES

BY PETE RICHARDS

Image from Steamworks courtesy of Raging Stallion Studios

**WITHDRAWING HIS SHAFT FULLY, I COULD SEE HIS COCK SWELLING. HE SLAPPED IT AGAINST HIS BOY'S FACE, HIS SOLID HEAD COVERING GOATEE GUY'S RIGHT CHEEK.**

I have always imagined, since the dawn of gaydom, men playing house (or was that cottage?) with other males in public lavatories. Although not a complete convert to the art of 'tea trading' myself, I have (once or twice) peered across at the unsheathed tool beside me for a quick compare. I have also (in the name of research) overlooked the smell and dubious characters which haunt such establishments. Remembering the buzz of anonymity, the fear-of-discovery or downright filth of the scenario, I always said I couldn't be persuaded to escalate my sideways glances to sideways advances! I decided to build on my bathroom experience on holiday (something about the heat..?) Draped on the beach, sweat dripping down my tanning loins, my body decided it was still over hydrated and required the use of the big boys' room. Although the lazy option would have been to hover furtively in the warm waters (and make them slightly warmer) I decided to track down a traditional, tried-and-tested 'loca-

thion del urinathion' (lisp obligatory). After all, I may be of dirty mind but I am of sound body and not willing to soak in my own salt water piss! After a brief exchange in Spanglish with an unsuspecting local I caught the recognisable smell of public toilets on the wind. Following my nose across a stretch of less densely populated beach, I tip toed in. Trying to avoid splashing through the slightly flooded entrance I leapt from the door to the nearest cubicle. I gave the urinal a wide birth - not perhaps because of the three skinhead builders standing shoulder to shoulder at the trough - but more that the calcified yellow deposit in the drain was too unbearable. Dark and cool, my sun kissed skin felt damp and moist, beads of sweat still running down my chest, over my stomach and soaking into the rim of my trunks (the shiny red material nearly matching my own flesh tone by the end of the day - note to self: more sun block, less tanning oil!)

I plucked at the white bow holding my swimwear up, filled with my warm and fleshy cock, stimulated by the heat. Even in restrictive Speedos, the combination of sunshine, vitamin D and an active imagination causes many a semi- unwanted and totally unfaltering erection. Although my solar-stiffy was on the way down, I was desperate for the loo, so whipped it out and aimed for the bowl. The 'toilet' (or rather a porcelain piss casket) was half full with sodden, used tissue (a detail I choose to include for further atmosphere building, but one I was also trying to ignore at the time). Relaxing into my relief, my eyes wondered across the booth and were drawn to a hole in the wall, meticulously drilled into a very clean circle.

Although naive and at times lacking some common sense, I had a pretty good idea what this cubicle alteration was for. I imagined a determined cum slut plodding down to the beach at midnight equipped with a hack saw and file (to smooth down those uncomfortably rough edges). As I continued to pee I was increasingly curious and let my imagination run away with me; this cum slut, known now as 'Fuego', was definitely attractive (I decided they always were), perhaps a local, post-pubescent boy who simply needed his anonymous fix. I reasoned that he was determined to master his oral technique before trying it out on his straight neighbour (to leave the soft-core boat unrocked let's call him) Eduardo. Slut Fuego would spend most of his 17th year kneeling in wee and swallowing cock, only to eventually be rebuffed. Still, my mind whirled with slobber and visuals of cum dripping down smooth cheeks and hard abs. Having entertained these images I was almost tempted to stay a while longer but, knowing my luck, I would get his obese and desperate uncle, Igor (ok so I couldn't think of an in-bred Spanish name!)

Distracted by my vivid imaginings I hadn't noticed the soft knocking on the cubicle wall. I snapped out of my Fuego daydream and could see the shadow of feet in the stall next to me – several feet. Deciding my neighbour was not a cottaging caterpillar but perhaps something more exciting to watch, I waited, listening. My ear almost pressed to the wall, my eyes scanned around for more snippets of action. The dull fluorescent lights above us had reflective grates and I could see movement next door on the mirrored blades. Staring up, trying to make out each shape: a cock, a face. I stood still, my cock hovering above the bowl and gradually pointing to the ceiling with anticipation. I could make out shirtless bodies and bright orange trousers (fashion victims need love too I thought). Squinting at the shiny roof I could see two men, fumbling with no orange trousers but overalls – it was the builders I has seen on my way in! Catching flashes of short hair and dark, tanned skin I could make out a smooth hard pec, dark nipple and a piercing. I held still to keep this snippet in clear view and saw a tongue run over it; a pink, full-lipped mouth, with a dark but wispy goatee surrounding it. As these two bodies grinded on each other a foot slipped under the divider and into my space. Repressing my reflex to squeal like a farmer's wife encountering a mouse the size of a boot, I moved my own flip-flopped feet out of the way and pressed myself against the far wall.

From my new perspective I could see the muscular one of the pair clearly. He forced his junior lower. His big, dusty hands prying the goatee open and down onto his unsheathed cock. Sliding his hard tool in and out of his boy's wet mouth, balls slapping against those full pink lips. Withdrawing his shaft fully, I could see his cock swelling. He slapped it against his boy's face, his solid head covering goatee guy's right cheek. Sticking a thumb in his mouth and opening it further, he lined his dick up and thrust it all in. Claspings his hands around the head of his human-cock-ornament, his thrusts became more vigorous and deep. Revelling in the ecstasy of his pliable subordinate he threw his head back and continued to fuck goatee guy's mouth. Still staring at them both in the overhead mirrors, my throbbing cock in my hand, I caught his lolling eyes.

Looking confused and curious, he continued to fuck as his eyes scanned the reflections on his roof and the ceiling next to him. His head and facial expression almost totally separated from his rampant lower half which continued to stretch his sub's lips and jaw. I was unsure whether to force my cock into my Speedos and run out or sashay over and pop it through the hole. Instead, in my brave wisdom, I stood deathly still, recalling a scene in Jurassic Park; like the T-Rex, I decided that this blowjob monster couldn't see me if I didn't move. I was wrong. But some mistakes are worth making.

## HE SPAT INTO HIS HAND AND RUBBED IT OVER HIS COATED HEAD THEN SLID IT UP AND DOWN GOATEE GUY'S MOIST HOLE.

Winking at me in the mirror, his nose wrinkled into a sexual snarl he twitched his head to gesture me over. I was confused and unsure what to do. Still half terrified (I wasn't sure mouth could take such a battering) I shuffled forward. Immediately he pulled his boy off his cock with a loud pop, a web of spit still connecting the gaping mouth and his pre-cumming cock. Placing his large hands behind goatee guy's head, he guided him towards the glory hole, and how glorious it was! As a soft red tongue rested languidly on the smooth rim I drove my cock through. Pressing my body against the cool walls, goatee guy sucked on my hard dick like a consistent and well oiled turbine. Working his way up and down, he sucked faster and harder, my cock swelling and oozing pre-cum. As I pressed my whole shaft through, I was still watching his dom from the ceiling, still winking at me like some twitching porn star, his hands pressing the boy's face against their wall. Feeling myself getting close I retracted my cock slowly through the hole, making sure my head didn't touch the sides (it's one thing to put it in a stranger's mouth, it's another to wipe it on the walls of a public toilet!) Seemingly perturbed by my recoil, overall-guy decided to up-the-ante, perhaps to maintain my attention or perhaps to finish what he started. Either way he gestured me over again. I approach the wall slowly, again a mouth was roughly pushed forward, waiting.

I looked up to watch a condom stretching tightly onto his swollen dick, working its way over his bulbous head and veiny shaft. He pulled his boy onto his feet and bent him over to return his mouth to my hole. In a flourish he whipped his overalls down like he was gesturing for a bull (stereotypical cultural reference: check!) Orange overall around ankles, tanned pert cheeks exposed, smooth with a few dark hairs flowing over his expectant hole. He spat into his hand and rubbed it over his coated head then slid it up and down goatee guy's moist hole. Arching his back and exposing the full roundness of his ass I could tell this bottom could take it (I would need a week's supply of spit to get that in me!) Again lining up his tool to enter his boy's box, I joined him by angling my cock at the other end. Like synchronised swimmers or a choreographed danced, we both breathed in and then out and we thrust our cocks in, plugging goatee guy like a Moroccan spit-roast. Face fucking away, I was quite content to slide my wet cock in and out of this smooth and accommodating mouth but my 'co-pilot' driving the back seat, increased in intensity. Trying to keep up with his pumping, I had an image of us slowly inflating our goatee bottom. Pumping and pumping I was distracted by my vision of him bursting and zooming around the room like a huge, deflating, orange balloon.

Snapped out of my daydream by a deep growl from my gyrating neighbours, I nearly forgot I was being deep-throated through hardboard. Watching my co-pilot gripping the pair of juicy buns before him I again engaged with the willing hole before me. He rammed his pole vigorously, spreading those full cheeks to watch his whole tool slamming in. I enjoyed sliding my cock into his smooth but occasional unstable mouth (the deep impact occasionally throwing off his rhythm and making him gag now and again). Although nowhere near a seasoned master, I did enjoy him struggling with my dick, just a little bit... Another hard thrust from behind and a gag and retract at my end made me close. Hesitating whether to clench and withhold it or thrust through and show him my appreciation, I was pushed over the edge by a roar from next door. Two slower but harder slams and both bodies convulsed. As one load landed inside, the other fell to the floor with a splash, two jizzicles under our shared wall. I too shot from my porthole right across their cubical, landing on the far wall.

Again synchronised, Mr. Overalls and I withdrew and tucked away as our insatiable bottom drew his orange uniform up, covering his pert, penetrated ass. Remembering I didn't speak much Spanish, and not wanting to end this hot scenario with a clumsy exchange of broken languages, I washed my hands, rubbing the cool water through my hair, smiled at them both and exited this den of ablutions (and blowjobs).

## **PIG BERLIN 2010 ★ 04/09/2010**

**MÜNZE BERLIN, MOLKENMARKT 2, 10119 BERLIN**

WHEN PEOPLE TALK ABOUT CHANGE, TAKE THE POSITIVE SIDE OF THIS AND REALISE THAT CHANGE CAN REALLY BE A VERY GOOD THING INDEED. TWO WEEKS BEFORE PIG BERLIN, THE ORGANISERS ANNOUNCED THAT THEY WERE CHANGING LOCATIONS. BUT THERE WAS NO NEED TO PANIC AS THE GUYS AT RECON ARE PROS. QXMEN CAN VERIFY THAT PIG BERLIN 2010 WAS HEAVING WITH SOME OF THE SEXIEST FETISH LOVERS WE'VE EVER SEEN, AND WAS PROBABLY ONE OF THE BEST PIG PARTIES IN RECENT YEARS.

**A**ntoin, PiG Berlin Coordinator said, "Changing locations was a huge risk and while we are aware that it never makes everyone happy I think this was really the best decision. The atmosphere at Münze was fantastic. We had our most successful DJ line-up ever, ten DJs in all, and with such incredible sound and lighting design, our VIP room and an incredible dungeon and play space, it all came together. The dance floor and darkrooms were absolutely heaving... Bigger really was better, safer, and change was a good thing". If this year's party was anything to go by, it certifies the growing popularity of the PiG Berlin party. PiG Berlin places its mark on the dance party and fetish scene as one of the world's top Fetish parties. Be sure to mark Saturday September 3rd 2011 in your calendar and we'll see you in Berlin next year.

## FOLSOM EUROPE 2010

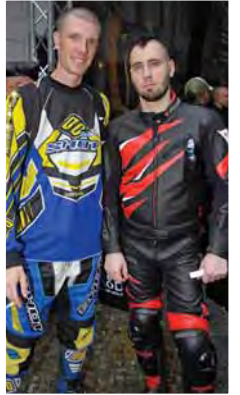

## STREET FAIR ★ 04/09/2010

SEPTEMBER 4TH SAW THE 2010 FOLSOM EUROPE TAKE PLACE IN BERLIN FOR THE 7TH YEAR AND QXMEN WAS THERE TO JOIN IN THE FUN AND DEBAUCHERY.

It's the eastern version of San Francisco's infamous Folsom Street Fair and has become Europe's biggest leather and fetish event. Thousands of guys into leather, rubber, skin gear, together with masters and slaves, dogs and all kind of pervers in between got together in the area of Fuggerstr, where the streets were closed off for the event. Coinciding with the yearly street fair, some of Berlin's hottest fetish bars and clubs host parties in the days and nights around Saturday's street fair, and if there's one fetish event you plan travelling to next year then make sure it's Folsom Europe 2011.

# A MATTER OF SIZE: WHAT'S IT LIKE TO HAVE A REALLY BIG COCK?

SMUT 'N' STUFF WITH *HAYDON BRIDGE*

In last month's QXMEN I went in search of huge penises and came to the conclusion that claims of 10" or more tend to be exaggerations. This month I've found somebody who doesn't exaggerate. But I'm going to keep you waiting a bit longer for the details. Firstly let's summarise what we've already learned. Basically almost nothing's as big as we've been led to believe. The average penis is less than 6" (15cm) long and there's never ever been a bigger one than 13.5" (34.3cm). The gents whose pictures we used last month and here certainly have nothing to be ashamed of. But do you notice how they're photographed from below? This old trick makes cocks look bigger.

at them and think, "Hmmm. Below average." (You think, "Hmmm. Not bad.") There are probably hundreds of photos on dozens of pages and the biggest erection by far is 9" (22.9cm). It just so happens to belong to a black man. (But let's not get into racial stereotyping. We also learned last month that the average black penis is only fractionally above 6").

When I spread the word that I was writing these articles, somebody told me that he knew somebody who knew somebody who was packing 13". This is how big cock rumours begin. Unsurprisingly Mr Big was unwilling to be interviewed or photographed let alone measured. Meanwhile on Gaytube, I found someone calling himself "Mr Big Cock." This line of enquiry ended when he proudly produced a tape measure. Don't misunderstand me. It's big enough. But it's "only" 7.5" (19.1cm). Then I heard about "Jack." A mutual friend assured me, "It's enormous." I didn't expect Jack to want to chat. But he said yes. His story is worth telling not only because he's had a sex-packed career as a houseboy, but because he's one of the few who'll admit that having a 10" (25.4cm) prick isn't necessarily the answer to all your problems.

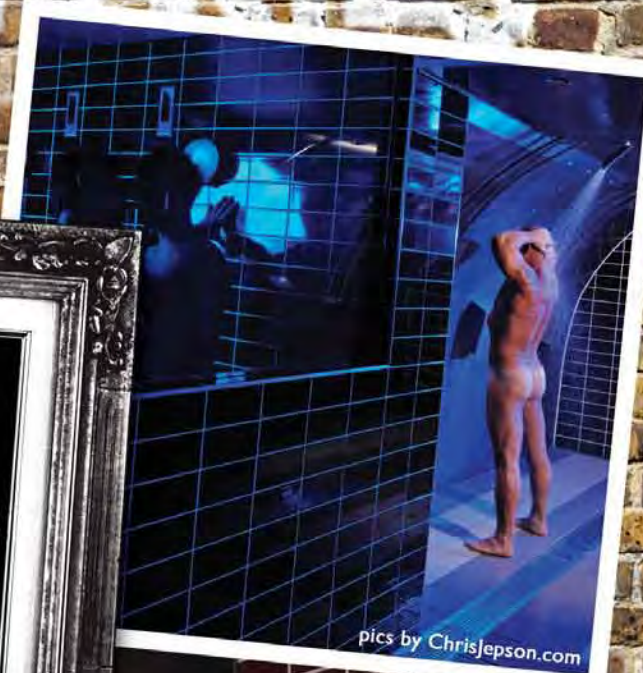

Raphael Alencar courtesy of HotHouse.com

**WHEN I SPREAD THE WORD THAT I WAS WRITING THESE ARTICLES, SOMEBODY TOLD ME THAT HE KNEW SOMEBODY WHO KNEW SOMEBODY WHO WAS PACKING 13 INCHES.**

The best-known website for size queens is the Large Penis Support Group ([www.lpsg.org](http://www.lpsg.org)). But its members (quiet at the back!) are always accusing each other of lying and photoshopping. A more honest site is [www.erectionphotos.com](http://www.erectionphotos.com), whose webmaster is a retired university Professor. Lots of ordinary blokes send the Prof their cock shots and they make a refreshing change from the pumped-up porno packages we're used to. An 85-year-old is the oldest man I've seen with a hard-on. (He also sent in nude photos of himself when he was 27). Like many of the other guys on the site, his 5.5" (14cm) erection is officially below average. But mostly you don't look

Jack is a well-preserved 48, slight but dapper. He arrives for our interview in a suit he wears for his London office job and I can imagine that you could walk past him in the street and never guess that guys queue up to be fucked with his ten inch pole. He talks a lot about shyness and never looks me in the eye once all the time we're talking. That shyness, he tells me, dates back to his time at a boys' school in the north of England. "While we were changing I tried not to look at other blokes, didn't particularly want them to see me. It was always done hurriedly with me facing the wall so they could see my arse but they couldn't see my cock. There were occasional furtive glances but I never thought of me or them as being particularly big or small." He was unsure of his sexuality and struggled to have sex with girls. "They'd seen me naked but they didn't comment on my size. I just thought, well, I'm average. You didn't see porn

back and said I was really keen to do it and would he take me on? He did, so I worked alongside this other guy. "I really enjoyed it. When I went round that first time he explained to me there would be sex involved plus keeping the flat clean, making food, ironing clothes. I wasn't great at the food at the time. That was my weakness. But you get better. At the end of the first week I'd had sex with him several times. Then he had a friend round, then other friends round, and I was having sex with them as well. I'd gone from one extreme to the other in a very short space of time. But we'd done some drugs and it lowered my inhibitions and I was off. I thought it was the most fantastic time. I knew he'd take care of me, look after me and that he was a guy worth working for." During the nine months he spent as a houseboy, Jack realised he had a big cock and his shyness evaporated. "The bottom line is I enjoy sex and if you're gonna have sex you're gonna have to get your kit off. So you've just got to get on with it. Plus it's quite nice for your ego if you drop your trousers and someone says, 'Fantastic!'. So, yeah, I was conscious after a few months as a houseboy that I was well endowed and that there were guys who wanted to have sex with me because of my size." His days as a houseboy are long gone. But Jack is still on the sex party circuit. "On the

## → THERE'S A BIG DOWN SIDE TO ALL THIS. IF PEOPLE HEAR YOU'VE GOT A BIG COCK, THERE'S AN EXPECTATION OF YOU. YOU HAVE TO PERFORM.

as much as you do now so I had no one to compare myself to. Because I was a fairly shy individual I was attracted to fairly introverted women. They did say, 'You're hurting me, be more gentle.' But I thought that was because of my inexperience." At the age of 20, Jack realised he was gay and came to London to make the most of it. He answered an ad for a houseboy in the now defunct listings magazine, City Limits. "It took a huge leap of confidence to answer the ad but when I went round and met the guy, I knew that this was what I wanted to do. He said get yourself hard and that was the first time I'd masturbated in front of another guy. I'd only had straight sex. He was fantastically good looking and more to the point very confident. Initially he didn't give me the job. He gave it to someone else. I phoned him

occasions now when I get my kit off I'm aware I'm going to look quite good. I enjoy getting my kit off because I know I'm going to have sex and that's enjoyable." But there are drawbacks. A big cock is useless for oral. "A lot of guys just choke on me." And there's worse. "There's a big down side to all this. If people hear you've got a big cock, there's an expectation of you. You have to perform. Viagra came along and that does help. But sometimes even with Viagra I cannot get hard if the atmosphere's not right. And if people are coming along to see you and they want you to perform there's a real expectation of you to deliver and you can't always do it. The pressure intimidates you." Jack's overall opinion of having a big cock? This might surprise you. "If it meant that, every time I went to have sex, I could get a hard-on, I'd trade length for reliability." And get this. Jack isn't that bothered about his partner having a big cock. "It doesn't matter hugely," he confirms. "I like looking at arses more than cocks to be honest. And even faces."

## CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
